Introduction to the Program Guidelines

TEA, as the pass-through entity\(^1\), is the grantee\(^2\) from the U.S. Department of Education (USDE) and TEA awards subgrants to non-federal entities\(^3\) such as local educational agencies (LEAs), including school districts, charter schools, and education service centers, and to a lesser degree institutions of higher education (IHEs), and nonprofit organizations (NPOs) who are the agency’s subgrantees\(^4\). These guidelines apply to all subgrantees of TEA, regardless of whether referenced herein as subgrantee or grantee. For purposes of this document, TEA may use the terms grantee and subgrantee synonymously for its subrecipients.

This part of the request for application (RFA), Program Guidelines, is to be used in conjunction with the General and Fiscal Guidelines and the schedule instructions. The Standard Application System (SAS) consists of all schedules (i.e., forms) to be completed in order for the applicant to be eligible for funding. The application to which these instructions refer must be submitted electronically through the eGrants system.

For applicants selected for funding, all guidelines and instructions will be incorporated by reference into the Notice of Grant Award (NOGA).

Requirement for User Name and Password

To access eGrants and apply for this grant, you must have access to the TEA Login (TEAL). Follow these steps to apply for user names and passwords on TEAL:

---

\(^1\) Pass-through entity is defined as a non-Federal entity that provides a subaward to a subrecipient to carry out part of a federal program. (2 CFR 200.74)

\(^2\) Grantee is defined as the legal entity to which a grant is awarded and that is accountable to the federal government for the use of the funds provided. The term “grantee” does not include any secondary recipients, such as subgrantees and contractors that may receive funds from a grantee. (34 CFR 77)

\(^3\) Non-federal entity is defined as a state, local government, Indian tribe, institution of higher education, or nonprofit organization that carries out a federal award as a recipient or subrecipient. (2 CFR 200.69)

\(^4\) Subgrantee is defined by TEA to be the same as a subrecipient which is defined as a non-federal entity that receives a subaward from a pass-through entity to carry out part of a federal program; but does not include an individual that is a beneficiary of such program. (2 CFR 200.93) Subgrantee is defined in 34 CFR 77 as the legal entity to which a subgrant is awarded and that is accountable to the grantee for the use of the funds provided.
2. Once you have been assigned a TEA Login (TEAL) account, log into TEAL and under Self-Service select My Application Accounts.

3. The My Accounts tab will open. Select Request New Account and find eGrants in the list and follow the instructions to submit your request.

Application Requirements and Assurances
This section describes the two types of requirements that applicants must address in the application (such as with a narrative description, an activity timeline, or a checklist) to be eligible to be considered for funding:

See the following sections of the General and Fiscal Guidelines:

- Statutory requirements (requirements defined in the authorizing statute)
TEA program requirements (requirements defined by TEA program staff)

Statutory Requirements

See the General and Fiscal Guidelines, Statutory Requirements.

Per Section 22.0834 of the Texas Education Code (TEC), any person offered employment by any entity that contracts with TEA or receives grant funds administered by TEA (i.e., a grantee or subgrantee) is subject to the fingerprinting requirement. TEA is prohibited from awarding grant funds to any entity, including nonprofit organizations, that fails to comply with this requirement. For details, refer to the General and Fiscal Guidelines, Fingerprinting Requirement.

The following requirements are defined in the statute that authorizes this program. The applicant must comply with each of these requirements in the application to be considered for funding:

1. Federal law authorizes the McKinney-Vento Homeless Assistance Act, Chapter 119, Part B, 42 U.S.C. 11431 et seq., to designate a state coordinator, develop a state plan, award subgrants to local education agencies, provide technical assistance and professional development, and fulfill numerous other statutory requirements on behalf of homeless children and youth.

2. Federal law authorizes the Homeless Children and Youth Program (ARP-HCY), under Section 2001 (b)(1) of the American Rescue Plan Act of 2021 (ARP Act) for the purpose of identifying homeless children and youth and providing homeless children and youth with wraparound services in light of the challenges of the COVID-19 pandemic an assistance needed to enable homeless children and youth to attend school and participate fully in school activities.

3. Comply with the provisions of all applicable acts, regulations, and assurances; the following provisions of Education Department General Administrative Regulations (EDGAR) 34 CFR parts 76, 77, 79, and 81 and the Uniform Guidance in 2 CFR part 200, as adopted and amended as regulations of the Department in 2 CFR part 3474.

4. Cooperate with any examination of records with respect to such funds by making records available for inspection, production, and examination, and authorized individuals available for interview and examination, upon the request of (i) the Department and/or its Inspector General; (ii) any other federal agency, commission, or department in the lawful exercise of its jurisdiction and authority; or (iii) TEA.

5. Comply with reporting requirements, as requested, which may include uses of funds and demonstration of their compliance with Section 2001.

6. Records pertaining to the ARP Homeless II ARP-HCY award, including financial records related to use of grant funds, will be retained separately from the ESSER I, ESSER II, ARP ESSER III, and ARP Homeless I ARP-HCY funds.

TEA Program Requirements

See the General and Fiscal Guidelines, Program Requirements.
In addition to the statutory requirements, TEA has established the following program requirements. The applicant must comply with each of these requirements in the application to be considered for funding:

1. The LEA must document how it determined the unique needs of homeless children and unaccompanied youth caused by the impact of the COVID-19 pandemic.

2. The LEA must document how it prioritized the unique needs of homeless children and unaccompanied youth caused by the impact of the COVID-19 pandemic in determining their data-driven plan for its use of ARP Homeless II funds.

3. The LEA must document a data-driven plan for the implementation and expenditures of ARP Homeless II grant funds per the allowable activities. This plan should include an estimated timeline of the planned activities and expenditures.

4. The LEA must maintain documentation for TEA Program requirements 1, 2, and 3 locally and have the information available for TEA review upon request.

**Performance Measures**

The applicant agrees to collect data and report on the following mandatory performance measures:

1. Any performance measures, reporting, or evaluation requirements as established by TEA.

**Limits on Contracted Evaluators**

When a grantee chooses, or is required under a grant, to hire a contracted evaluator, TEA believes that the evaluator must have the capability to remain independent and objective in carrying out the evaluation. “Independent and objective” implies that there is no influence or control, real or perceived, exerted on the evaluator by any person who is involved in the provision of program services. Therefore, the only way in which a contracted evaluator can be truly independent and objective, is to not be involved in any manner with the provision of program services or activities. Otherwise, the evaluator is, at least in part, evaluating its own services.

In addition, TEA is aware that some grant writers develop and design the grant program, write the entire grant application, and then wish to evaluate the grant program. TEA also believes that this scenario poses a conflict of interest for the evaluator, in that the evaluator is evaluating the grant program that he or she designed, developed, and wrote. Again, it is not possible for the evaluator to function independently and objectively if the evaluator performed in this capacity. It is certainly acceptable for the grant writer to receive some information from a potential evaluator to include in the evaluation section of the grant application with regard to an appropriate evaluation plan or design, but communication between the grant writer and evaluator should be limited to that specific topic.

Applicants should make every effort to ensure that contracted evaluators be independent and objective.

Program evaluation costs must be charged as a direct cost to the grant program.

Application Elements

This section describes the requirements and attachments that must be addressed in and included with the application.

Required Attachments

See the following sections of the General and Fiscal Guidelines:

- Fiscal-Related Documentation Required to Be on File
- Required Fiscal-Related Attachments
- Required Program-Related Attachments

This section describes the two types of attachments that may be required to be submitted with the application: fiscal-related attachments and program-related attachments.

Required Fiscal-Related Attachments

See the General and Fiscal Guidelines, Required Fiscal-Related Attachments, for a general description of fiscal-related documents that can be required as attachments to the application.

For a list of the fiscal-related attachments required for this grant application, refer to the Program Information section of the main eGrants page for this grant. Required attachments are notated “Attachment” in the list of RFA documents provided in the Program Information section.

Required Program-Related Attachments

No program-related attachments are required for this grant program.

Adding Attachments

The instructions in the following sections describe how to attach files to an eGrants application.

General Instructions

The size of each attachment cannot exceed 10MB. If you have a larger file, use a different scanning setting, or zip the file to make it take up less space.

Documents only need to be attached once. Do not attach duplicate documents with each amendment. Only attach more than once if the attachment is being revised.
**Naming Attachments**

Name the files you are going to attach with no spaces (for example, 501C3letter.doc or 501C3_letter.doc). Use a meaningful name that identifies the specific document.

Make sure that each attachment has a file extension (.pdf, .doc, .rtf, .xls, .bmp, .zip, .txt).

Note that attachments with very long names may not be able to be uploaded. If you have difficulty, try renaming the file and starting over.

**Scanning Documents**

If a document must be scanned to create an electronic copy, use the following hints to ensure that the document size is as small as possible:

- Use an OCR or DPI setting of 200 DPI.
- Try to avoid creating .jpg files. If possible, create PDF documents with the scanner.

**Zipping Files**

If your files are too large, add them to a zip file to save space (download a free version of WinZip and find instructions on creating zip files).

**Attaching Files to an eGrants Application**

1. Ensure that the security level for your internet browser is set to Medium (Tools > Internet Options, Security tab).
2. On the Grant Summary Table of Contents, select the Attach File icon.
3. Consult the instructions for naming files, outlined under Technical Instructions on the Attach File Page.
4. Ensure the document is saved on your computer according to the naming instructions.
5. Enter the Document Title of the attachment.
7. Select Attach.
8. Select Refresh to see the name of the document in the Documents Submitted in This Version pane. If the attachment does not appear, you may have to rename your document with a shorter name and start over.
9. Repeat this process to attach all your documents.
