2022-2025 School Safety Standards Formula Grant

Program Description PS3013 - Program Plan

A. Allowable Uses for Meeting School Safety Standards

Initially, grant funds may only be expended to meet minimum compliance to implement the new safety standards applicable to Chapter 61, Sub-chapter CC, 61.031 of Commissioner's Rules for the following allowable activities.

- Indicate the types of allowable activities below for which the LEA expects to expend grant funds or pre-award costs.

1. Fencing

- Purchase of fencing;
- Emergency egress gates;
- Anti-scaling devices;
- Fencing; and
- Fence Posts
- Upgrade pre-existing fencing to become compliant with safety standards rule
- Increasing the height of pre-existing fence to meet the height requirement of the safety standards rule; or
- Modification of other pre-existing fencing components to bring fence(s) up to standard
- N/A

2. Exterior Doors

- Purchasing of door reinforcement components:
- Door;
- Mechanical door auto closer;
- Mechanical door lock;
- Emergency egress push bar;
- Door frame;
- Center mullion and
- Master key rekeying on mechanical doors
- N/A

3. Glass Exterior Doors Not Within a Secured Area

- Purchase of forced-entry resistant film and installation materials
- N/A

4. Ground Level Exterior Windows

- For windows adjacent to or near an exterior door to become compliant:
- Purchase of forced-entry resistant film and installation materials;
- In the case that the window frame itself is not removable and the frame and window must be upgraded to comply with the minimum safety standards:
- Purchase of forced-entry window;
- Window frame and installation materials
- N/A

2022-2025 School Safety Standards Formula Grant

Program Description PS3013 - Program Plan

5. Silent Panic Alert Technology

- Purchase and installation of silent panic alert technology
- Maintenance/service contracts for silent panic alert technology systems
- Either solely or in combination with other funds, to purchase comprehensive school safety software systems that include, but not limited to, visitor screening, safety drills, response to emergencies, and reunification but only if the silent panic alert technology is a primary component (50% or more of total cost) of the comprehensive system
- LEA personnel costs only associated with the installation of silent panic alert technologies
- Lease purchase of silent panic alert technologies if completely paid within the grant period
- N/A

6. Other Required Components

- Purchase and installation of equipment that allows emergency responder two-way radios to function within most portions of the building(s)
- Exterior door numbering
- Purchasing alpha-numerical characters that comply with the International Fire Code, §505; and installation materials
- Exterior secure master key lock box with two lock access and installation materials
- Asbestos remediation as needed related to the replacement of door frames or window frames to be compliant with the school safety standards
- N/A

7. Installation of the Aforementioned Components

- Contracted installation; and
- Payroll for LEA maintenance or operations staff installation
- N/A

B. Certification of School Safety Standards Compliance

Grant funds may only be used for the activities identified in Section C after minimum compliance with the new safety standards is met. Indicate either certification 1 or 2 below for your LEA.

1. Certification of School Safety Standards Compliance

- 1. The LEA certifies it is compliant with the new school safety standards and will use the remaining grant funds as described in Section C.
- 2. Section C is not applicable as grant funds will only be used at this time to meet the compliance requirement. The LEA may amend the application and update this schedule if grant funds remain after compliance with the standards has been met.

2022-2025 School Safety Standards Formula Grant

Program Description PS3013 - Program Plan

C. Other Allowable Uses after Meeting School Safety Standards

If grant funds and/or other state and local funds have been expended to ensure the applicant LEA is compliant with the new school safety standards, then grant funds may be used to implement the following other allowable activities.

If certification 1 is selected in Section B, then the LEA must complete this question to use the remaining grant funds.

If certification 2 is selected in Section B, the LEA must leave this question blank and may amend this question (and Section B) if grant funds remain after compliance with the standards has been met.

1. The purchase and maintenance of:

- security cameras or other security equipment; or
- technology, including communications systems or devices, which facilitates communication and information sharing between students, school personnel, and first responders in an emergency;
- N/A

2. Providing security for the district, including:

- employing school district peace officers, private security officers, and school marshals; or
- collaborating with local law enforcement agencies, such as entering into a memorandum of understanding for the assignment of school resource officers to schools in the district;
- N/A

3. School safety and security training and planning, including

- active shooter and emergency response training;
- prevention and treatment programs relating to addressing adverse childhood experiences; or
- the prevention, identification, and management of emergencies and threats, using evidence-based, effective prevention practices: providing licensed counselors, social workers, and individuals trained in restorative discipline and restorative justice practices;
- the prevention, identification, and management of emergencies and threats, using evidence-based, effective prevention practices: providing mental health personnel and support;
- the prevention, identification, and management of emergencies and threats, using evidence-based, effective prevention practices: providing behavioral health services;
- the prevention, identification, and management of emergencies and threats, using evidence-based, effective prevention practices: establishing threat reporting systems;
- the prevention, identification, and management of emergencies and threats, using evidence-based, effective prevention practices: developing and implementing programs focused on restorative justice practices, culturally relevant instruction, and providing mental health support;
- Providing programs related to suicide prevention, intervention, and postvention.
- Metal Detectors
- Two-way radio systems
- Electronic door-locking systems
- N/A

2022-2025 School Safety Standards Formula Grant

Program Description PS3013 - Program Plan

D. Required Assurances:

The LEA assures the following:

1. Required Assurances

- Applicant provides assurance that the application does not contain any information that would be protected by the Family Educational Rights and Privacy Act (FERPA) from general release to the public.
- Applicant provides assurance to adhere to all Performance Measures, as noted in the 2022-2025 School Safety Standards Formula Grant Program Guidelines, and shall provide the Texas Education Agency, upon request, any performance data necessary to assess the success of the program.
- Applicant provides assurance that all funds will be used for allowed purposes as defined in the Program Guidelines.
- Applicant provides assurance that no administrative costs will be charged to this grant.
- Applicant provides assurance that any reporting information requested by TEA will be provided in the timeline and format requested by the agency.
- Applicant provides assurance that it will comply with all intruder detection audit requirements.
- Applicant provides assurance that it will first expend all its SB500 School Safety and Security Grant (school hardening funds) before expending grant funds.
- Applicant provides assurance that grant funds will first be expended only to meet minimum compliance with the new safety standards rule.
- Applicant provides assurance that only after minimum compliance with the new safety standard is met will the LEA expend grant funds on other allowable activities.
- Applicant provides assurance that it will amend the application before expending grant funds for other allowable activities after certification of meeting minimal compliance with the school safety standards rule, to include identifying contracted vendor(s) designated to provide the required work to implement the standards.
- Applicant provides assurance that if a communications infrastructure is implemented as part of its school safety plan that it includes the following functionality:
 - 1. an alert capable of being triggered manually by campus staff;
 - 2. an alert is triggered automatically in the event a district employee calls 911 from any location within the school system;
 - 3. with any alert generated, the location of where the alert originated shall be included;
- Applicant also provides assurance that if a communications infrastructure is implemented as part of its school safety plan that it includes the following functionality:
 - 4. the alert notifies a set of designated school administrators as needed to provide confirmation of response, and if confirmed, notice is issued to law enforcement and emergency responder agencies of an emergency situation requiring a law enforcement and/or emergency response, and a notice can simultaneously be issued to all school staff of the need to follow appropriate emergency procedures; and
- Applicant also provides assurance that if a communications infrastructure is implemented as part of its school safety plan that it includes the following functionality:
 - 5. for any exterior doors that feature electronic locking mechanisms that allow for remote locking, then the alert system will trigger those doors to automatically lock and to automatically notify relevant campus staff of any door where the lock cannot engage. Note: If exterior doors are not currently operational to remotely be locked and unlocked, then this requirement is not compulsory

2022-2025 School Safety Standards Formula Grant

Program Description
PS3014 - Program Narrative

A. Programmatic Questions

Initially, grant funds may only be expended to meet minimum compliance to implement the new safety standards applicable to Chapter 61, Sub-chapter CC, 61.031 of Commissioner's Rules.

- 1. Enter the estimated amount of grant funds to be expended for the purchase and installation of security related activities identified in Section A of the PS3013 for meeting minimum compliance with the safety standards rule.

[Empty text box for question 1]

- 2. Enter the estimated amount of grant funds to be expended for other allowable activities identified in Section C of the PS3013, after meeting minimum compliance with the safety standards rule.

[Empty text box for question 2]

B. Programmatic Questions

Before expending grant funds in Section C of the PS3013, the applicant must certify they meet minimal compliance with the school safety standards rule, to include identifying contracted vendor(s) designated to provide the required work to implement the standards.

- 1. Enter the name(s) of the vendor(s) contracted who have previously completed work to meet minimal compliance with the new school safety standards rule (as applicable).

[Empty text box for question 1]

- 2. Enter the name(s) of the vendor(s) who the grantee intends to contract with to complete required work to meet minimal compliance with the new school safety standards rule.

[Empty text box for question 2]
