Introduction to the Program Guidelines

TEA, as the pass-through entity¹, is the grantee² from the Department of Health and Human Services and TEA awards subgrants to non-federal entities³ such as local educational agencies (LEAs), including school districts, charter schools, and education service centers, and to a lesser degree institutions of higher education (IHEs), and nonprofit organizations (NPOs) who are the agency's subgrantees⁴. These guidelines apply to all subgrantees of TEA, regardless of whether referenced herein as subgrantee or grantee. For purposes of this document, TEA may use the terms grantee and subgrantee synonymously for its subrecipients.

The Standard Application System (SAS) consists of Application Part 1 (PDF – narrative schedules) and Application Part 2 (Excel – budget schedules) to be completed in order for the applicant to be eligible for funding.

For applicants selected for funding, all guidelines and instructions will be incorporated by reference into the Notice of Grant Award (NOGA).

Program Purpose, Goals, and Objectives

Overview: AWARE grants are authorized under Section 520A of the Public Health Service (PHS) Act (42 USC 290bb-32), as amended, **Catalog of Federal Domestic Assistance (CFDA) Number:** 93.243. The AWARE Texas Expansion Consortium Grant was awarded to TEA by the Substance Abuse and Mental Health Administration (SAMHSA) to implement Project AWARE's statutory purpose and goals, and TEA's program requirements.

For AWARE Texas Expansion Consortium, state activities of the Texas Health and Human Services Commission co-coordinator, the Texas Institute for Excellence in Mental Health at the University of Texas at Austin program evaluation and support, and Education Service Center Region 13 for coaching and technical assistance are designated in the SAMHSA grant. These organizations are sub-recipients in TEA's grant award to collaborate on an AWARE State Leadership Team. Each partner has roles that are designated to collaboratively support the participating Local Education Agencies (LEAs) and to achieve the intended AWARE Texas purpose, goals and objectives.

AWARE Texas Expansion Consortium Purpose and Goals: AWARE Texas Expansion Consortium seeks to achieve intermediate and long-term outcomes for Advancing Wellness and Resiliency in Education (AWARE). This is accomplished through subgrants that provide for collaborative state and local activities intended to build school mental health-related infrastructure necessary to accomplish the grant purpose, goals and activities.

See the AWARE Texas Expansion Consortium Program Guidelines for LEAs. These program guidelines inform the AWARE Expansion Consortium's State Leadership Team's state activities.
