Introduction to the Program Guidelines

TEA, as the pass-through entity¹, is the grantee² from the U.S. Department of Education (USDE) and TEA awards subgrants to non-federal entities³ such as local educational agencies (LEAs), including school districts, charter schools, and education service centers, and to a lesser degree institutions of higher education (IHEs), and nonprofit organizations (NPOs) who are the agency's subgrantees⁴. These guidelines apply to all subgrantees of TEA, regardless of whether referenced herein as subgrantee or grantee. For purposes of this document, TEA may use the terms grantee and subgrantee synonymously for its subrecipients.

This part of the request for application (RFA), Program Guidelines, is to be used in conjunction with the General and Fiscal Guidelines and the schedule instructions. The Standard Application System (SAS) consists of all schedules (i.e., forms) to be completed in order for the applicant to be eligible for funding. The application to which these instructions refer can be submitted electronically through the eGrants system.

For applicants selected for funding, all guidelines and instructions will be incorporated by reference into the Notice of Grant Award (NOGA).

Requirement for User Name and Password

To access eGrants and apply for this grant, you must have access to the TEA Login (TEAL). Follow these steps to apply for a user name and password on TEAL:

1. Visit the [TEA Login \(TEAL\)](#) page of the TEA website. Select [Request New User Account](#) to begin the process of applying for a TEAL account online.
2. Once you have been assigned a TEA Login (TEAL) account, log into TEAL and under Self-Service select My Application Accounts.
3. The My Accounts tab will open. Select Request New Account and find eGrants in the list and follow the instructions to submit your request.

¹ Pass-through entity is defined as a non-federal entity that provides a subaward to a subrecipient to carry out part of a federal program. (2 CFR 200.74)

² Grantee is defined as the legal entity to which a grant is awarded and that is accountable to the federal government for the use of the funds provided. The term "grantee" does not include any secondary recipients, such as subgrantees and contractors that may receive funds from a grantee. (34 CFR 77)

³ Non-federal entity is defined as a state, local government, Indian tribe, institution of higher education, or nonprofit organization that carries out a federal award as a recipient or subrecipient. (2 CFR 200.69)

⁴ Subgrantee is defined by TEA to be the same as a subrecipient which is defined as a non-federal entity that receives a subaward from a pass-through entity to carry out part of a federal program; but does not include an individual that is a beneficiary of such program. (2 CFR 200.93) Subgrantee is defined in 34 CFR 77 as the legal entity to which a subgrant is awarded and that is accountable to the grantee for the use of the funds provided.

Application Submission through eGrants

Submit the application for these grant programs electronically through the TEA eGrants system. Refer to the [General and Fiscal Guidelines](#) for more specific information about accessing eGrants and obtaining the required TEA Login (TEAL) user ID and password.

Applications must be submitted as follows:

- Those submitted by public LEAs must be signed electronically by the superintendent of the school district or a designee.
- Applications submitted by regional Education Service Centers (ESCs) must be signed electronically by the executive director or a designee.
- Applications submitted by open-enrollment charter schools must be signed electronically by the chief operating officer of the school or a designee.
- Campuses and campus charter schools must apply through their public-school district, and the application must be signed electronically by the superintendent or designee.

Adding Attachments

The instructions in the following sections describe how to attach files to an eGrants application.

General Instructions

The size of each attachment cannot exceed 10MB. If you have a larger file, use a different scanning setting or zip the file to make it take up less space.

Documents only need to be attached once. Do not attach duplicate documents with each amendment. Only attach more than once if the attachment is being revised.

Naming Attachments

Name the files you are going to attach with no spaces (for example, outofstatetravel.doc or field_trip.doc). Use a meaningful name that identifies the specific document.

Make sure that each attachment has a file extension (.pdf, .doc, .rtf, .xls, .bmp, .zip, .txt).

Note that attachments with very long names may not be able to be uploaded. If you have difficulty, try renaming the file and starting over.

Scanning Documents

If a document must be scanned to create an electronic copy, use the following hints to ensure that the document size is as small as possible:

- Use an OCR or DPI setting of 200 DPI.
- Try to avoid creating .jpg files. If possible, create PDF documents with the scanner.

Zippping Files

If your files are too large, add them to a zip file to save space ([download a free version of WinZip and find instructions on creating zip files](#)).

Attaching Files to an eGrants Application

1. Ensure that the security level for your internet browser is set to Medium (Tools > Internet Options, Security tab).
2. On the Grant Summary Table of Contents, select the Attach File icon.
3. Consult the instructions for naming files, outlined under Technical Instructions on the Attach File Page.
4. Ensure that the document is saved on your computer according to the naming instructions.
5. Enter the Document Title of the attachment.
6. Select the Browse button. A standard Windows browser appears. Find the file.
7. Select Attach.
8. Select Refresh to see the name of the document in the Documents Submitted in This Version pane. If the attachment does not appear, you may have to rename your document with a shorter name and start over.
9. Repeat this process to attach all your documents.

Grant at a Glance

This section provides fundamental information pertinent to the grant program.

Authorizing Legislation

The programs included in this consolidated grant application are authorized by the Every Student Succeeds Act (ESSA) which reauthorizes the Elementary and Secondary Education Act of 1965 (ESEA) and replaces its predecessor, the No Child Left Behind Act of 2001 (NCLB).

Application Funding

See the following sections of the [General and Fiscal Guidelines](#):

- Continuation Funding
- Use of Funds
- Fund Management

Limitation of Administrative Funds

See the [General and Fiscal Guidelines](#), Administrative Costs.

The authorizing statute limits the amount of funds that may be budgeted to administer the program, including direct administrative costs, to no more than the following percentage of the total grant awarded for any fiscal year:

- Title I, Part A: 8%
- Title I, Part C: Not allowed
- Title I, Part D, Subpart 1: 8%
- Title I, Part D, Subpart 2: 8%
- Title II, Part A: 8%
- Title III, Part A, ELA: 2%
- Title III, Part A, Immigrant: 8%
- Title IV, Part A, Subpart 1: 2%

Indirect Costs

The grantee may claim a maximum for indirect costs equal to their current approved restricted indirect cost rate for this grant program.

Maintenance of Effort

Section 8521 states that “a local educational agency may receive funds under a covered program for any fiscal year only if the state educational agency finds that either the combined fiscal effort per student or the aggregate expenditures of such agency and the state with respect to the provision of free public education by such agency for the preceding fiscal year was not less than 90% of such combined fiscal effort or aggregate expenditures for the second preceding fiscal year.”

In order for TEA to determine if the grantee is maintaining the appropriate fiscal effort, it requires that LEAs be responsible for maintaining effort and for documenting maintenance of effort (MOE) using the PEIMS database. TEA verifies each LEA’s MOE and notifies the grantee if fiscal effort has not been maintained. The final grant amount will be reduced in exact proportion to that by which the LEA fails to meet 90% of the combined fiscal effort per student and aggregate expenditures (using the measure more favorable to the LEA).

Pre-Award Costs

See the [General and Fiscal Guidelines](#), Pre-Award Costs.

Pre-award costs are not permitted for this grant.

Programs Included in the Consolidated Application

Title I, Part A—Improving Basic Programs Operated by LEAs

US Department of Education Appropriations

The following is provided in compliance with the US Department of Education Appropriations Act:

Category	Amount
Total funds available for this project	Approximately \$1,665,100,090
Percentage to be financed with federal funds	100%
Amount of federal funds	Approximately \$1,665,100,090
Percentage to be financed from non-federal sources	0%
Amount of non-federal funds	\$0

Fund Code: 211

Eligible Applicants

Local educational agencies (LEAs) in Texas are eligible to apply for a grant under ESSA Consolidated, Title I, Part A.

Intent and Purpose

Title I, Part A, provides supplemental resources to LEAs to help schools with high concentrations of students from low-income families provide high-quality education that will enable all children to meet the challenging state academic standards. Title I, Part A, supports campuses in implementing either a schoolwide program (SWP) or a targeted assistance program (TAP).

Campuses operating a SWP must conduct a Comprehensive Needs Assessment (CNA) and develop a Campus Improvement Plan (CIP) with the involvement of parents, other members of the community and individuals including teachers, principals, other school leaders, paraprofessionals, administrators, the local educational agency, and to the extent feasible, tribes and tribal organizations present in the community, and, if appropriate, specialized instructional support personnel, technical assistance providers, school staff, and if the plan relates to a secondary school, students, and other individuals determined by the school, who will carry out such plan. The plan must ensure all students are provided opportunities to meet the challenging State academic standards and be regularly evaluated and revised as necessary based on student needs as described in Section 1114, Schoolwide Programs.

Campuses operating a TAP will determine which students will be served on the basis of multiple, educationally related, objective criteria established by the LEA and serve participating students as described in Section 1115, Targeted Assistance Schools.

Intended Program Beneficiaries

The intended program beneficiaries are students who experience difficulties meeting the State's challenging academic standards.

General Program Requirements

Local Educational Agencies (LEAs)

Each LEA that receives Title I, Part A, funding must do the following:

- Disseminate the state, LEA, and campus-level report cards to the following:
 - All LEA campuses;
 - Parents of all enrolled students; and
 - Make the information widely available through public means such as posting on the Internet, distribution to the media, or distribution through public agencies.

Title I, Part A, participating LEAs are required to annually submit comparability data by conducting comparability testing on an electronic form provided by TEA: The Title I, Part A Comparability Computation Form (CCF).

In accordance with Section 1112 Local Education Agency Plans, the LEA must develop a plan to ensure all children receive a high-quality education and to close any achievement gaps [Section 1112(b)] and provide assurances that the LEA will:

1. Ensure migratory children and formerly migratory children eligible to receive services are selected to receive services on the same basis as other children [Section 1112(c)(1)].
2. Provide services to eligible children attending private schools in accordance with section 1117, and timely and meaningful consultation with private school officials [Section 1112(c)(2)].

3. Participate, if selected, in the National Assessment of Educational Progress in reading and math in grades 4 and 8 [Section 1112(c)(3)].
4. Coordinate and integrate services with other services for English learners, children with disabilities, migratory children, American Indian, Alaska Native, and Native Hawaiian children, and homeless children and youths to increase program effectiveness, eliminate duplication, and reduce fragmentation [Section 1112(c)(4)]. LEAs are encouraged to include students in foster care.
5. Collaborate with State or local child welfare agencies [Section 1112(c)(5)].
6. Ensure all teachers and paraprofessionals working in Title I, Part A, supported programs meet applicable State certification and licensure requirements [Section 1112(c)(6)].
7. For LEAs using Title I, Part A funds to provide early childhood education services to low-income children, ensure that services comply with performance standards of the Head Start Act [Section 1112(c)(7)].
8. Notify the parents of each student attending any school receiving Title I, Part A funds of the Parents' Right-To-Know [Section 1112(e)(1)].
9. Notify the parents of each student attending any school receiving Title I, Part A funds of Testing Transparency [Section 1112(e)(2)].
10. Implement an effective means of outreach to parents of English learners [Section 1112(e)(3)(C)].

Schoolwide Programs (SWP)

An eligible school operating a schoolwide program shall develop a comprehensive CIP that:

1. Is developed during a one-year period [Section 1114(b)(1)].
2. Is developed with the involvement of parents, other members of the community and individuals including teachers, principals, other school leaders, paraprofessionals, administrators, the local educational agency, and to the extent feasible, tribes and tribal organizations present in the community, and, if appropriate, specialized instructional support personnel, technical assistance providers, school staff, and if the plan relates to a secondary school, students, and other individuals determined by the school, who will carry out such plan [Section 1114(b)(2)].
3. Remains in effect for the duration of the school's participation in the SWP and is regularly monitored and revised as necessary based on student needs to ensure all students are provided opportunities to meet the challenging State academic standards [Section 1114(b)(3)].
4. Is available to parents and the public, and the information contained is in an understandable and uniform format and, to the extent practicable, provided in a language parents can understand [Section 1114(b)(4)].
5. If appropriate and applicable, is developed in coordination and integration with other Federal, State, and local services, resources, and programs [Section 1114(b)(5)].
6. Is based on a Comprehensive Needs Assessment (CNA) of the entire school taking into account information on the academic achievement of children in relation to the challenging State academic standards, particularly the needs of children who are failing, or at-risk of failing, to meet the challenging State academic standards [Section 1114(b)(6)].
7. Includes a description of strategies the school will be implementing to address school needs [Section 1114(b)(7)(A)].
8. Includes a description of, if programs are consolidated, the specific State educational agency and LEA programs and other Federal programs that will be consolidated in the SWP [Section 1114(b)(7)(B)].
9. For schoolwide programs, LEAs may consolidate with other Federal, State, and local funds to upgrade the entire educational program of a school [Section 1114(a)(1)]. All

grants in the ESSA Consolidated Application may be consolidated on a schoolwide campus with the exception of Title I, Part C-Migrant. LEAs must have special permission from the Agency to add Title I, Part C-Migrant, to the consolidation. There are some other federal and state grants that have restrictions with consolidation; please read grant rules and regulations before consolidating these grants.

Targeted Assistance Schools (TAP)

A Title I, Part A, TAP must 1) determine which students will be served; and 2) serve participating students identified as eligible children by [Section 1115(b)]:

1. Using resources to help eligible children meet the challenging State academic standards necessary to provide a well-rounded education [Section 1115(b)(2)(A)].
2. Using methods and instructional strategies to strengthen the academic program of the school [Section 1115(b)(2)(B)].
3. Coordinating with and supporting the regular education program which may include transition from early childhood education programs to elementary school programs [Section 1115(b)(2)(C)].
4. Providing professional development with resources to school personnel who work with eligible children in TAP or in the regular education program [Section 1115(b)(2)(D)].
5. Implementing strategies to increase the involvement of parents of eligible children [Section 1115(b)(2)(E)].
6. If appropriate and applicable, coordinating and integrating Federal, State, and local services and programs such as violence prevention, nutrition, housing, Head Start, adult education, career and technical education and comprehensive support and improvement activities or targeted support and improvement activities [Section 1115(b)(2)(F)].
7. Providing assurance to the LEA that the school will [Section 1115(b)(2)(G)]:
 - help provide an accelerated, high-quality curriculum;
 - minimize the removal of children from the regular classroom during regular school hours; and
 - on an ongoing basis, review the progress of eligible children and revise the targeted assistance program.

Allowable Activities and Use of Funds

Title I, Part A, funds must be expended for programs, activities, and strategies that are scientifically based on research and meet needs (identified in the campus' comprehensive needs assessment process) that are listed in the comprehensive plan.

Funds may be used to increase the per-pupil amount allocated to each Title I, Part A, campus or to serve new Title I, Part A, campuses. Regardless, a campus with a lower low-income percentage may not receive a higher per-pupil allocation than a campus with a higher low-income percentage.

There are exceptions to the allocation instructions in the paragraph above. If necessary, the LEA should contact TEA to discuss its situation and to determine if approval for an exception is appropriate.

SWPs

On SWP campuses, you may use Title I, Part A, funds for activities that are part of the comprehensive plan to improve student performance and upgrade the entire educational program. Funds must be expended for allowable uses based on the type of consolidation

(Title I, Part A, funds only; federal funds only; or state, local, and federal funds) of funding the campus has chosen to implement on the schoolwide campus.

TAPs

In targeted assistance schools, you may only use Title I, Part A, funds to meet the needs of children identified as being in the greatest need of services. Students must be selected using multiple, educationally-related, objective criteria established by the LEA.

Use of Funds

Regardless of which types of Title I, Part A, program you operate (SWP or TAP), it is possible that some Title I, Part A, administrative, professional development, parental involvement, or even instructional activities are conducted through the central office. For all Title I, Part A programs, the LEA must be able to respond appropriately to and maintain documentation for each of the following steps and requirements to determine whether an expenditure would be allowable:

1. The campus in question must be a Title I, Part A campus.
2. LEAs must have a valid Supplement Not Supplant methodology for allocating State and local funds, or Statement of Exemption. [Note: For funds reserved at the LEA level, the LEA must ensure that it is using State and local funds that are retained at the LEA level in a Title I neutral manner. Then any Title I, Part A funds that are reserved at the LEA level are also considered to be supplemental in nature, although they must be used only for Title I, Part A purposes, as indicated in the LEA's approved ESSA Consolidated Federal Grant Application. Any Title I, Part A funds that are reserved at the LEA level must be used for activities that meet the intent and purpose of Title I, Part A, as well as items 3-5, below.] For additional guidance concerning the Title I, Part A Supplement, Not Supplant requirement, refer to the [Supplement, Not Supplant Handbook](#).
3. LEAs should ensure that activities and/or resources are:
 - Identified in the Comprehensive Needs Assessment;
 - Included in the Campus Improvement Plan;
 - a. The plan addresses how the activity/resource identified will be evaluated; and
 - b. The plan addresses how the needs of students at risk of not meeting State Standards are being met.
 - Reasonable;
 - Necessary to carry out the intent and purpose of the Title I, Part A program;
 - Allocable; and
 - Allowable under Title I, Part A
4. The LEA assures that the expenditure(s) meet all EDGAR requirements.
5. The LEA assures that all district policies and procedures were followed.

Field Trips

If the LEA plans to use grant funds for field trips, the LEA will be required to complete the appropriate [TEA justification form\(s\)](#) and retain the documentation at the local level. The LEA must keep and maintain this form so that it may be provided to an independent auditor or to TEA monitors if the LEA is selected for a review.

Out-of-State Travel

Out-of-state travel costs are allowable; however, they should be minimal, reasonable and necessary to meet the intent and purpose of the grant program. Grantees must retain

documentation that participation of an individual in a conference is necessary for the project. Travel costs are allowable as long as the expenses for transportation, lodging, subsistence, and related items are only incurred by employees on official business of the grantee and follow the grantee's regular business operations and written travel policy.

If you plan on using grant funds for out-of-state travel, you will be required to complete the appropriate [TEA justification form\(s\)](#) and retain the documentation at the local level. You must keep and maintain this form so that it may be provided to your independent auditor or to TEA monitors if your LEA is selected for a review.

See the Allowable Cost and Budgeting Guidance section of the [Training and Other Resources](#) page for general guidance on allowable activities and use of funds.

Unallowable Activities and Use of Funds

Advisory Council

An advisory council may not be funded under the grant program.

Exception: An Advisory Council is allowed under Title I, Part A Parent and Family Engagement. The LEA may establish a districtwide parent advisory council to provide advice on all matters related to parental involvement.

Cost of Membership in Any Civic or Community Organization

The cost of membership in any civic or community organization may not be funded under the grant program.

Hosting or Sponsoring of Conferences

Conferences may not be hosted or sponsored under the grant program until further guidance is available from USDE.

Travel Costs for Officials such as Executive Director, Superintendent, or Board Members

Travel costs for officials such as the executive director, superintendent, or board members may not be funded under the grant program until further guidance is available from USDE.

Supplement, Not Supplant

Title I, Part A of ESSA provides for a more streamlined approach for documenting compliance with the SNS requirement. The SNS Methodology described below meets the SNS requirement for the following programs:

- Title I, Part A
- Title I School Improvement programs [Section 1003(e)(2)]

SNS Methodology and Required Documentation

The term "supplement, not supplant" has traditionally meant that federal funds cannot be used to perform a service that would normally be paid for with state or local funds. The new SNS methodology requirement for Title I, Part A represents a shift in mindset. For Title I, Part A, LEAs no longer look at whether an individual cost meets the traditional SNS requirement. Instead, the LEA's allocation of State and local funds to campuses is

examined as a whole to ensure that Title I, Part A funds are supplemental. The LEA demonstrates through its SNS Methodology that its distribution of State and local funds to campuses has been accomplished in a Title I-neutral manner. In other words, the LEA allocates State and local funds to its campuses without regard to their Title I status. Each campus receives all the State and local funds it would otherwise receive if it were not receiving assistance under Title I. Once that is accomplished, either through a Title I-neutral SNS Methodology or through a valid Statement of Exemption, the supplemental requirement for Title I, Part A funds at the campus level has been met.

For district-level funds, the LEA must ensure that it is using State and local funds that are retained at the LEA level in a Title I-neutral manner. Then any Title I, Part A funds that are reserved at the LEA level are also considered to be supplemental in nature, although they must be used only for Title I, Part A purposes, as indicated in the LEA's approved ESSA Consolidated Federal Grant Application.

NOTE: This does NOT mean that Title I, Part A funds have no restrictions on their use. Title I, Part A funds must still be used for allowable activities. All Title I, Part A expenditures must still be for activities that—

- support a need that is identified in the Comprehensive Needs Assessment;
- are included in the Campus Improvement Plan;
- are reasonable in cost;
- are necessary to carry out the intent and purpose of the Title I, Part A program;
- are allocable under the grant; and
- are allowable under Title I, Part A.

The LEA must also ensure that the expenditures meet all EDGAR requirements and that all LEA policies and procedures are followed.

Each LEA that receives Title I, Part A funds must have either:

- A Statement of Exemption; or
- A written SNS Methodology that describes how the LEA allocates its state and local funds to its campuses

For additional information, including examples and templates for the Methodology and the Statement of Exemption, visit the [SNS Handbook](#).

Shared Services Arrangement

See the [General and Fiscal Guidelines](#), Shared Services Arrangements.

Shared Services Arrangements (SSAs) are allowed as part of the grant program.

Equitable Access and Participation

You are required to report on equitable access and participation to apply for this grant program.

Title I, Part A, Section 1117 Participation of Children Enrolled in Private Schools

Private School Participation

An LEA shall:

- After timely and meaningful consultation with appropriate private school officials provide children, on an equitable basis special educational services, instructional services, counseling, mentoring, one-on-one tutoring, or other benefits (i.e., dual or concurrent enrollment, educational radio and television, computer equipment and materials, other technology, and mobile educational services and equipment) that address their needs; and
- Ensure that teachers and families of the children participate, on an equitable basis, in services and activities developed pursuant to section 1116.

All educational services, including materials and equipment, must be secular, neutral, and nonideological. [Sections 1117(a)(2)]

Equitable Services

Educational services and other benefits for such private school children must be equitable in comparison to services and other benefits for participating public school children and must be provided in a timely manner. Services are not required to be the same as provided to public school children or even those provided at the same grade level(s). [Section 1117(a)(3)]

Expenditures

Title I, Part A expenditures for educational services and other benefits to eligible private school children shall be equal to the proportion of funds allocated to participating school attendance areas based on the number of children from low-income families who attend private schools. [Section 1117(a)(4)(1)]

Funds allocated to an LEA for educational services and other benefits to eligible private school children shall be obligated in the fiscal year for which the funds are received by the agency. [Sections 1117(a)(4)(B)]

The proportional share of funds shall be determined based on the total amount of funds received by the LEA prior to any allowable reservations, expenditures, or transfers. The LEA may determine the equitable share each year.

Provision of Services

The LEA may provide services directly or through contracts with public and private agencies, organizations, and institutions. [Sections 1117(a)(5)]

Consultation

To ensure timely and meaningful consultation, an LEA shall consult with appropriate private school officials during the design and development. [Sections 1117(b)] The LEA and private school officials shall both have the goal of reaching an agreement on providing equitable and effective programs for eligible private school children. The process shall include consultation on:

- How the children’s needs will be identified
- What services will be offered
- How, where, and by whom the services will be provided
- How the services will be academically assessed, and how the results of that assessment will be used to improve those services
- What size and scope of the equitable services are to be provided to the eligible private school children, and how that proportion of funds is determined
- What method or sources of data are to be used under subsection (c) and section 1113(c)(1) to determine the number of children from low-income families in participating school attendance areas who attend private schools
- How and when the LEA will make decisions about the delivery of services, including a thorough consideration and analysis of the views of the private school officials on the provision of services through a contract with potential third-party providers
- How, if the LEA disagrees with the views of the private school officials on the provision of services through a contract, the LEA will provide written rationale to private school officials as to why the LEA has decided against contractor
- Whether the LEA will provide services directly or through a separate government agency, consortium, entity, or third-party contractor
- Whether to provide equitable services to eligible private school children-
 - By creating a pool or pools of funds with all the funds allocated based on all the children from low-income families in a participating school attendance area who attend private schools; or
 - In the LEA’s participating school attendance area who attend private schools with the proportion of funds allocated based on the number of children from low-income families who attend private schools
- When, including the approximate time of day, services will be provided

Disagreement

If an LEA disagrees with the views of private school officials, the LEA shall provide in writing to private school officials the reasons why the LEA disagrees. [Sections 1117(a)(5)(b)(2)]

Timing

Such consultation shall include meetings of LEA and private school officials and shall occur before the LEA makes any decisions that affects the opportunities of eligible private school children to participate in programs. Such meetings shall continue throughout implementation and assessment of services provided. [Sections 1117(a)(5)(b)(3)]

Discussion

Such consultation shall include a discussion of service delivery mechanisms an LEA can use to provide equitable services to eligible private school children. [Sections 1117(a)(5)(b)(4)]

Allocation for Equitable Service to Private School Students

1. LEAs shall have the final authority to calculate the number of children, ages 5 through 17, who are from low-income families and attend private schools by: [Section 1117(a)(5)(c)]
 - A. Using the same measure of low income used to count public school children;
 - B. Using the results of a survey that protects the identity of families of private school students and allow results to be extrapolated if complete actual data are unavailable;

- C. Applying the low-income percentage of each participating public-school attendance area to the number of private school children who reside in school attendance area; or
 - D. Using an equated measure of low income correlated with the measure of low income used to count public school children.
2. Complaint Process—Any dispute regarding Title I, Part A low-income data for private school students shall be subject to the complaint process authorized in section 8503 [Section 1117(a)(6)(c)(2)].
 3. Public Control of Funds—
 - General—The control of funds and title to materials, equipment, and property purchased with such funds, shall be with the LEA which administers funds, materials, equipment, and property. Services shall be provided by employees of LEAs or through contract. Contractors must be independent of private school and of any religious organization and under the control and supervision of the LEA.

Private Nonprofit School Calculation

Expenditures made by an LEA for private nonprofit school children and teachers must be equal on a per-pupil basis to the amount of funds expended for participating public school children and teachers.

Children in private nonprofit schools must be assured equitable participation in the purposes and benefits of such programs and projects.

LEAs must pay for the reasonable and necessary administrative costs of providing services to children attending public and private nonprofit schools and to their teachers from the LEA's total allocation.

- The LEA equitable services amount per PNP participating program is calculated through the PS3099 Private School Equitable Services Schedule, Part 2. The LEA must use eligible private school children ages 5-17 when calculating equitable services on the PS3099 schedule. The LEA must keep documentation and calculations of equitable services amounts per participating PNP campus on file.

Documentation

The LEA shall maintain in its records and provide to the TEA Federal Program Compliance Division, by the designated deadline, a written Affirmation of Consultation with Private Non-Profit (PNP) School Officials form, signed by officials of each participating private school that the consultation required has occurred. [Sections 1117(a)(5)(b)(5)]

The written affirmation shall provide the option for private school officials to indicate its belief that timely meaningful consultation has not occurred, or that the program design is not equitable with respect to eligible private school children. If officials do not provide affirmation within a reasonable period of time, the LEA shall forward the documentation that such consultation has, or attempts at such consultation have, taken place to the TEA Federal Program Compliance Division.

Compliance

[Sections 1117(a)(5)(b)(6)]

1. A private school official shall have the right to file a complaint to the TEA Ombudsman asserting that the LEA did not engage in consultation that was meaningful and timely, did

- not give due consideration to the views of the private school official, or did not make a decision that treats the private school students equitably as required by this section.
2. If the private school official files a complaint, the official shall provide the basis of the noncompliance by the LEA to the TEA Ombudsman. TEA will request documentation from both parties for review.
 3. TEA shall provide services under this section directly or through contracts with public or private agencies, organizations, or institutions, if the appropriate private school officials have— (i) requested that the TEA provide such services directly; and (ii) demonstrated that the LEA involved has not met the requirements of this section in accordance with the procedures for making such a request, as prescribed by the TEA.

Schedule PS3099: Private School Equitable Services

The PS3099, Private School Equitable Services schedule, is in the eGrants ESSA Consolidated Federal Grant Application. PS3099 incorporates the formula for determining private school equitable services in the ESSA Application. For **Title I, Part A**, the LEA must use eligible low-income children, **ages 5-17**, attending private schools who reside in a participating (or skipped) Title I attendance area to calculate equitable services on the PS3099 schedule.

LEA final grant allocations are generally available in late Fall. If there are LEA grant allocation changes, the PS3099 schedule must be amended to reflect revised equitable services for participating PNP schools. Within a reasonable time, PNP school official(s) must be notified of any revised equitable services amounts. The LEA must keep written documentation of the consultation meeting in which it shared revised equitable services with each participating PNP school.

Intent and Purpose

The purpose of the Title I, Part C-Migrant Education Program (MEP) is to do all of the following:

1. Support high-quality and comprehensive educational programs and services during the school year and, as applicable, during the summer or intersession periods, that address the unique educational needs of migratory children;
2. Ensure that migratory children who move among the states are not penalized in any manner by disparities among the states in curriculum, graduation requirements, and challenging state academic standards;
3. Ensure that migratory children receive full and appropriate opportunities to meet the same challenging state academic standards that all children are expected to meet;
4. Design programs to help migratory children overcome educational disruption, cultural and language barriers, social isolation, various health-related problems, and other factors that inhibit the ability of such children to succeed in school; and
5. Ensure that migratory children benefit from state and local systemic reforms (ESSA Title I, Part C).

Intended Program Beneficiaries

Intended program beneficiaries are migratory children, ages 0 through 21, and their families.

General Program Requirements

1. All Migrant Education Program grant recipients must operate and implement the program in accordance with all the Provisions and Assurances of Title I, Part C.
2. For each required activity, the LEA is responsible for maintaining written documentation on file at the LEA level to support the implementation of each activity.

Note: Because this is a consolidated application, activities checked off on the application, or included in this document, are representative of SSAs. It is the responsibility of the fiscal agent to maintain documentation on file for activities carried out by each member district.

3. The LEA is responsible for incorporating all MEP activities, services, and plans into a migrant-specific section of the District Improvement Plan (DIP) and updating it on a yearly basis.
4. MEP activities shall be used to do the following:
 - To meet the identified and unique educational needs of migratory children that result from their migratory lifestyle, and to permit these children to participate effectively in school; and
 - To address the unique educational needs of migratory children that are not addressed by services available from other federal or nonfederal programs, except that migratory children who are eligible to receive services under Title I, Part A, may receive those services through funds provided under that part.
5. In providing services with Title I, Part C, funds, LEAs shall give priority to serving Priority for Service (PFS) migratory children with MEP funds before using migrant funds to address the needs of other migratory children. PFS students are defined as migratory children who have made a qualifying move within the previous 1-year period and (1) who are failing or most at risk of failing to meet the state's academic standards; or (2) have dropped out of school. [Section 1304(d)] The Title I, Part C Migrant Coordinator will include a Priority for Service Action Plan as a separate section in the District Improvement Plan labeled or identified (e.g., "Migrant PFS Action Plan").

6. Migratory student data collection and data entry in the TX-New Generation System (NGS) must be conducted on a year-round basis as outlined in the Texas Data Management Requirement Manual for NGS & Migrant Student Information Exchange (MSIX).
7. Utilize MSIX to promote interstate coordination and timely records exchange. Respond to move notices in a timely manner.
8. Coordinate with the Texas Migrant Interstate Program (TMIP) during the summer months in order to serve students from Texas who may attend out-of-state migrant summer programs.
9. **Designate and enter into TX-NGS a district summer contact person who will be available throughout the summer months and will have access to migratory student records.**
10. The identification and recruitment of all eligible migratory children and youth, including Out of School Youth (OSY) residing in the LEA must be conducted on a year-round basis and done in accordance with the Texas Manual for the Identification and Recruitment of Migrant Children and must be documented in each LEA's Identification and Recruitment (ID&R) Plan. Annual residency verification of eligible migratory children must be completed in accordance with the procedures outlined in the aforementioned manual.
11. In planning, implementing, and evaluating its MEP activities, the LEA assures that the unique educational needs of migratory children, including preschool migratory children and migratory children who have dropped out of schools, are identified, and addressed through {Section 1304(b)(1)}:
 - a. A full range of services that are available for migratory children from appropriate local, State, and Federal education programs;
 - b. Joint planning among other local, state, and federal education programs serving migratory children including language instruction educational programs under Part A of Title III;
 - c. Measurable program objectives and outcomes.
12. In planning, implementing, and evaluating its MEP activities, the LEA assures that local and regional data has been used to determine and provide services to migratory children in coordination with other stakeholders.
13. The LEA's MEP will provide for advocacy and outreach activities for migratory children and their families, including coordination to inform such children and their families of other education, health, nutrition, and social services (Migrant Services Coordination). [Section 1304(c)(6)]
14. To ensure parental participation in the MEP, the migrant-funded LEA will establish an LEA-wide migrant parent advisory council (PAC) which will be composed of a majority of such parents. PAC meetings must be conducted in a format and language that is understandable to migrant parents. To ensure full parent participation, PAC meetings should be held at times convenient for the migrant parents and transportation and childcare should be offered. [Section 1304(c)(3)]

Note: In the case of migrant-funded SSAs, the fiscal agent will establish an SSA-wide migrant parent advisory council elected by migrant parents from the respective LEA in the SSA.
15. In planning, implementing, and evaluating the MEP, there has been and will be adequate provision for addressing the unmet needs of preschool migratory children and migratory children who have dropped out of school, as well as the identification and recruitment of such children. [Section 1304(c)(4)]

16. Coordinate with available program offering options for credit accrual and recovery to ensure that migratory secondary students are accessing opportunities available to earn needed credits and make up courses lacking due to late entry or early withdrawal.
17. Develop and implement a set of procedures that (1) outline a variety of strategies for partial and full credit accrual for migratory students with late entry and early withdrawal; and (2) saved course slots in elective and core subject areas based on LEA's history of student migration.
18. Coordinate and collaborate with sending and receiving LEAs to ensure continuity of services for migratory children as they move from district to district.
19. The LEA's MEP will provide information regarding family literacy programs.
20. The LEA must conduct an evaluation of their Migrant Education Program by August 31. [Section 1306(A)(1)]

Unique Educational Needs of Migratory Children as Outlined in the Texas MEP Service Delivery Plan

The Texas MEP has identified the unique educational and educationally-related needs of migratory children through its Statewide Comprehensive Needs Assessment. [Section 1306(A)(1)] The needs assessment is a comprehensive review of the identified needs. Review the [Texas CNA and SDP](#) for a comprehensive list of needs and plan for service delivery including Measurable Program Outcomes (MPOs) that describe what every ESC and LEA will be accounted for. The required strategies specific to migratory children and youth in Texas, as outlined in the Texas Service Delivery Plan, are as follows:

Goal 1: Reading and Mathematics Service Delivery Strategies:

- 1-1) Coordinate/provide needs-based supplemental reading and/or mathematics instruction to migratory students in grades K-12 using results of disaggregated formal/informal assessments during the regular and summer terms (e.g., tutoring, virtual sessions, home based instruction).
- 1-2) Coordinate/provide training/support to migratory students on the use of academic tools and resources to increase success in reading and mathematics (e.g., training on the use of calculators, tablets, laptops, online programs).
- 1-3) Utilize Project SMART when providing summer supplemental mathematics instruction to migratory students in grades K-8.

Goal 2: School Readiness Service Delivery Strategies:

- 2-1) Coordinate with local education agency (LEA) and/or community-based school readiness programs to provide migratory children ages 3-5 (who are not in kindergarten) with access to school readiness services.
- 2-2) Provide the TEA-approved early literacy program (A Bright Beginning) for migratory children ages 3-5 who are not served by other programs (during the regular school year, summer, virtual, face-to-face, home-based, center-based).

Goal 3: High School Graduation/Services to OSY Service Delivery Strategies:

- 3-1) Coordinate/provide opportunities to confer with migratory students and out-of-school youth (OSY) to increase awareness and access to credit accrual options (e.g., annual preliminary and summative transcript review with MEP and/or non-MEP staff).

3-2) Coordinate/provide appropriate and targeted supplemental instruction to migratory students in grades 9-12 and OSY including late enrollments and early withdrawal students (e.g., student orientation, tutoring).

3-3) Coordinate/provide post-secondary and high school equivalency (HSE) program information to secondary-aged migratory students and parents (e.g., graduation requirements, dropout recovery programs, HSE, SAT/ACT, informational videos, interactive links).

3-4) Coordinate/provide services to OSY based on identified needs (e.g., referrals, resource packets, job training, HSE classes).

Goal 4: Non-Instructional Support Services Service Delivery Strategies:

4-1) Coordinate/provide support services during the regular term and summer that address the identified needs of migratory students.

4-2) Coordinate/provide training for parents to empower them to access resources/services to address the identified needs of their child.

4-3) Educate MEP/LEA staff, including teachers, paraprofessionals, counselors, and administrators, on the unique needs of migratory students to ensure student success.

4-4) Collaborate to educate MEP and non-MEP staff about instructional and support services provided by other funding sources to ensure migratory students receive services to which they are entitled.

4-5) Coordinate/provide needs-based professional development for MEP/LEA staff who provide supplemental reading and math instruction to migratory students.

Allowable Activities and Use of Funds

Recipients of MEP funds will perform all state-identified program functions, such as identification and recruitment, data collection into the TX-NGS, and establishment of a migrant PAC.

Title I, Part C-Migrant statute requires the following:

1. The activities and services your organization funds must align with the results of the statewide comprehensive needs assessment and the requirements of the statewide service delivery plan;
2. You must first use MEP funds to meet the identified needs of migratory children that result from their migratory lifestyle and to permit these children to participate effectively in school; and
3. You must use MEP funds to meet the unique needs of migratory children that are not addressed by services available from other federal or nonfederal programs for which these students are eligible.
4. In providing services with MEP funds, LEAs shall give priority to serving Priority for Service (PFS) migratory children with MEP funds before using migrant funds to address the needs of other migratory children. PFS students are defined as migratory children who have made a qualifying move within the previous 1-year period and (1) who are failing or most at risk of failing to meet the state's academic standards; or (2) have dropped out of school.

You must be able to respond appropriately to and maintain documentation for each of the following questions to determine whether an expenditure would be allowable:

1. How is the expenditure reasonable and necessary to carry out the intent and purpose of the program?
2. What need, as identified in the comprehensive needs assessment, does the capital expenditure address? Explain how the capital expenditure addresses this need.
3. How will the expenditure be evaluated to measure a positive impact on student achievement?
4. How does this expenditure address the needs of migratory children that are not addressed by services from other federal and non-federal programs for which the students are eligible?

Although you may spend MEP funds on many types of allowable activities, some of these activities do not constitute a service (for example, identification and recruitment or parental involvement activities).

Services are those educational or educationally-related activities that do the following:

- Directly benefit a migratory child;
- Address a need of a migratory child consistent with the state MEP comprehensive needs assessment and service delivery plan;
- Are grounded in scientifically based research, or in the case of support services, are allowed under the state MEP service delivery program; and
- Are designed to enable the program to meet its measurable outcomes and contribute to the achievement of the state’s performance targets.

Because migratory student success is the overarching goal of the MEP, services are a vital aspect of the program. In providing services, priority must be given to migratory children who have made a qualifying move within the previous 1-year period and (1) are failing or are most at risk of failing to meet the state’s academic standards, or (2) have dropped out of school.

In general, LEAs may use MEP funds for the following, which should include addressing the unmet educational needs of preschool migratory children and migratory children who have dropped out of school:

- Supplemental
 - Credit accrual such as distance learning coursework
 - Educational support such as training and support to migratory students on how to effectively use Reading or Mathematic resources and tools
 - Supplemental instruction such as tutorials (for example, extended-day tutorials, tutoring in core or content areas; extended-day Statewide Assessment tutorials; Reading instruction by a teacher; or Mathematic instruction by a teacher; homebased programs for 3- and 4-year old’s, or supplemental support by a teacher for migratory pre-kindergarten or Kindergarten students performing below the expected level of development)
 - Summer Programs (Project SMART for grades K-8)
 - School and social engagement for grades 6-12 (for example, migrant extracurricular club or leadership organizations specific to migratory secondary students)
- Support services (for example, providing clothing, providing access to health, nutrition, and social service providers, or providing migratory families with necessary educational supplies)
- Professional development (for example, professional development for MEP staff who provide needs-based supplemental reading or mathematics instruction to migratory students; and for MEP staff on services for migratory students in grades 9-12 and OSY)
- Migrant PAC and other migrant parental involvement activities

- Identification and Recruitment including providing electronic devices to encode data for utilizing an electronic Certificate of Eligibility (COE)
- TX-NGS relate activities, including having a TX-NGS specialist
- Coordination of activities with other agencies, both within the state and with other states nationwide, including the transfer of student records
- Comprehensive needs assessment (CNA) activities
- Service Delivery Plan (SDP) required and optional activities
- Evaluation of the MEP

Note: All grants in the ESSA Consolidated Application may be consolidated with the exception of Title I, Part C, Migrant. LEAs must request special permission from the Texas Education Agency to add Title I, Part C, Migrant to the consolidation and must be documented as part of the ESSA Consolidated Application process. Section 1306(b)(4) of the statute and sections 200.29(c)(l) and 200.86 of the regulations require schools to first use the MEP funds, in consultation with migratory parents, to meet the special educational needs of migratory children before they may combine MEP funds in a schoolwide program. The State has identified these needs in its comprehensive statewide needs assessment and Service Delivery Plan. An LEA must have evidence of these needs being met before considering consolidation of these funds. **The LEA must have documentation that these identified unique educational and educationally-related needs of migratory children have been met before requesting to consolidate Title I, Part C funds into a schoolwide program.**

Field Trips

Educational field trips may be funded under the grant program. Each field trip must address a documented, unmet migrant-specific need. Costs for the field trip must be reasonable. - Travel for parents to conferences related to program objectives.

Out-of-State Travel

Out-of-state travel costs are allowable. Out-of-state travel costs should be minimal. Travel costs are allowable as long as the expenses for transportation, lodging, subsistence, and related items are only incurred by employees on official business of the grantee and follow the grantee's regular business operations and written travel policy. See the Allowable Cost and Budgeting Guidance section of the [Training and Other Resources](#) page for further clarification of out-of-state travel.

If you plan on using grant funds for out-of-state travel, you will be required to complete the appropriate [TEA justification form\(s\)](#) and retain the documentation at the local level. You must keep and maintain this form so that it may be provided to your independent auditor or to TEA monitors if your LEA is selected for a review.

Schedule PS3099: Private School Equitable Services

The PS3099, Private School Equitable Services schedule, is in the eGrants ESSA Consolidated Federal Grant Application. PS3099 incorporates the formula for determining private school equitable services in the ESSA Application. For **Title I, Part C**, the LEA must use identified Migrant children, **ages 3-21**, in participating private schools to calculate equitable services on the PS3099 schedule.

LEA final grant allocations are generally available in late Fall. If there are LEA grant allocation changes, the PS3099 schedule must be amended to reflect revised equitable services for participating PNP schools. Within a reasonable time, PNP school official(s) must be notified of any revised equitable services amounts. The LEA must keep written documentation of the consultation meeting in which it shared revised equitable services with each participating PNP school.

Title I, Part D, Subpart 1—Prevention and Intervention Programs for Children and Youth Who Are Neglected, Delinquent, or At-Risk—State Agency (SA) Programs

US Department of Education Appropriations

The following is provided in compliance with the US Department of Education Appropriations Act:

Category	Amount
Total funds available for this project	Approximately \$3,047,539
Percentage to be financed with federal funds	100%
Amount of federal funds	Approximately \$3,047,539
Percentage to be financed from non-federal sources	0%
Amount of non-federal funds	\$0

Fund Code: 215

Eligible Applicants

The two state agencies in Texas, Texas Juvenile Justice Department and the Windham School District, are eligible to apply for a grant under the ESSA Consolidated Application, Title I, Part D, Subpart 1.

Intent and Purpose

[ESSA, Section 1401(a)]

The purpose of Title I, Part D, Subpart 1 is to do the following:

1. Improve educational services for children and youth in local and state institutions for neglected or delinquent children and youth so that such children and youth have the opportunity to meet the same challenging state academic content standards and student academic achievement standards that all children are expected to meet;
2. Provide such children and youth with the services needed to make a successful transition from institutionalization to further schooling or employment; and
3. Prevent at-risk youth from dropping out of school and provide dropouts and children and youth returning from jails or institutions for neglected or delinquent children and youth with a support system to ensure their continued education and the involvement of their families and communities.

Intended Program Beneficiaries

The Texas Juvenile Justice Department (TJJD) and the Windham School District are the eligible state agencies in Texas.

To participate in the state agency Title I, Part D, Subpart 1, program, the child or youth must be 21 years of age or younger, entitled to free public education not above Grade 12, and enrolled in a regular program of instruction at either an eligible neglected or delinquent institution, adult correctional institution, or community day program for the required length of time (20 hours per week if in an institution or community day program for neglected or delinquent youth; 15 hours per week if in an adult correctional institution).

A SA that receives Title I, Part D, Subpart 1, funds must assess, on the basis of educationally objective criteria, the educational needs of all eligible children and youth in eligible institutions and community day programs. The needs assessment enables the SA to identify the unique educational needs of these children and youth and the general instructional areas on which the program will focus. Using the assessment data, an SA can select those most in need of special assistance and determine the specific needs of participating children and youth to ensure that the services provided will be of sufficient size, scope, and quality to enable the participants to make significant progress toward meeting state performance standards. If available funds are insufficient to meet the needs of all eligible youth, those most in need should be served first.

A student aged 21 or younger who is otherwise eligible to receive services under Title I, Part D, Subpart 1, and who has earned a certificate of high school equivalency but takes courses that lead to a high school diploma is eligible to receive Title I, Part D, Subpart 1, services. Earning a high school diploma would fall within the definition of “regular program instruction” found in 34 CFR 200.90(b) of the Title I, Part D, Subpart 1, regulations that is limited to an educational program not beyond Grade 12. Title I, Part D, Subpart 1, funds also may be used for dual-enrollment courses in which a student concurrently earns high school and college credit but may not be used for courses that award college credits only. Additionally, Title I, Part D, Subpart 1, funds may be used for placement services designed to place the youth in a university, college,

or junior college program, such as SAT and ACT preparation courses, as well as for fees associated with college applications.

General Program Requirements

A SA is eligible for assistance [ESSA, Section 1411] if it is responsible for providing free public education for eligible children and youth who are:

1. In an institution for neglected or delinquent children and youth;

Note: TEA may request description of services and use of funds documentation later through a compliance report or other TEA reports. SA must keep documentation of allowable activities and expenditures locally and make available upon TEA request.

2. Attending community day programs for neglected or delinquent children and youth; or
3. In adult correctional institutions.

Program Requirements for State Agencies Receiving Title I, Part D, Subpart 1 Funds

[ESSA, Section 1414(c)]

1. Describe how the SA will assess the educational needs of children served and provide for assessment upon entry into the correctional facility.
2. Describe the SA program and budget with annual updates provided to TEA.
3. Describe how the program will meet the goals and objectives of the State plan.
4. Describe the consultation with experts and staff training to ensure planning and operation of institution-wide projects (Section 1416) are high quality, if applicable.

Describe how coordination with LEAs or alternative education programs attended by children and youth before and after incarceration will ensure that student assessments and appropriate academic records are shared jointly between the correctional facility and the LEA or alternative education program to facilitate transition.
9. Describe teacher and staff professional development plans and processes.
10. SA must designate an individual per facility to provide transition services (Section 1418) for children and youth between facility and locally operated programs.
11. Describe coordination with businesses for training and mentoring participating children and youth.
12. Describe additional services to be provided to children and youth, such as career counseling, distance learning, and assistance in securing student loans and grants.
13. Describe how the SA will—
 - Note when a youth has come into contact with both the child welfare and juvenile justice systems; and
 - Deliver services and interventions designed to keep youth in schools that are evidence-based (to the extent the TEA determines that such evidence is reasonably available).

Allowable Activities and Use of Funds [ESSA, Section 1415(a)]

TEA may request description of services and use of funds documentation later through a compliance report or other TEA reports. SA must keep documentation of allowable activities and expenditures locally and make available upon TEA request. Under the authorizing statute, the Texas Juvenile Justice Department and Windham School District must use Subpart 1 funds to support educational services that do the following:

- Are consistent with the TEA State plan, once submitted
- Provide children and youth with the knowledge and skills needed to make a successful transition to secondary school completion, career and technical education, further education, or employment

- Hiring transition coordinators or purchasing new equipment to assist students' transitions (for example, purchasing scanners to scan individualized education program (IEP) documents)

- Increasing the total number of hours of instruction in any subject area that students receive with state or local funds

Institution-wide Projects [ESSA, Section 1416]

Funds may be used to serve all children in, and upgrade the entire educational effort if the SA has developed and TEA approved, a comprehensive plan for TJJD or Windham School District that -

- Provides for a comprehensive assessment of the educational needs of all children and youth
- Provides for a comprehensive assessment of the educational needs of youth aged 20 and younger in adult facilities who are expected to complete incarceration within a 2-year period
- Describes the steps the SA has taken, or will take, to provide all children and youth under age 21 with the opportunity to meet challenging State academic standards in order to improve the likelihood that the children and youth will attain a regular high school diploma or its recognized equivalent, or find employment after leaving the institution

Expenditures

You must be able to respond appropriately to and maintain documentation for each of the following questions to determine whether an expenditure would be allowable:

1. How is the expenditure reasonable and necessary to carry out the intent and purpose of the program?
2. What need, as identified in the comprehensive needs assessment, does the capital expenditure address? Explain how the capital expenditure addresses this need.
3. How will the expenditure be evaluated to measure a positive impact on student achievement?
4. How is the expenditure supplemental to other nonfederal programs?

Out-of-State Travel

Out-of-state travel costs are allowable. Out-of-state travel costs should be minimal, reasonable, and meet the intent and purposes of the program. Grantees must retain documentation that participation of an individual in the conference is necessary for the project. Travel costs are allowable as long as the expenses for transportation, lodging, subsistence, and related items are only incurred by employees on official business of the grantee and follow the grantee's regular business operations and written travel policy.

If you plan on using grant funds for out-of-state travel, you will be required to complete the appropriate [TEA justification form\(s\)](#) and retain the documentation at the local level. You must keep and maintain this form so that it may be provided to your independent auditor or to TEA monitors if your LEA is selected for a review.

See the Allowable Cost and Budgeting Guidance section of the [Training and Other Resources](#) page for general guidance on allowable activities and use of funds.

Unallowable Activities and Use of Funds

9. Provide a description of coordination with other Federal, State, and local programs, i.e., Title I of the Workforce Innovation and Opportunity Act and career and technical education programs.
10. Provide a description of coordination with Juvenile Justice and Delinquency Prevention Act of 1974, if applicable.

2. Require correctional facilities or institutions for neglected or delinquent children and youth to demonstrate, after receiving assistance for 3 years, that there has been an increase in the number of children and youth returning to school, attaining a regular high

school diploma or high school equivalency certificate, or attaining employment after such children and youth are released.

Expenditures

You must be able to respond appropriately to and maintain documentation for each of the following questions to determine whether an expenditure would be allowable:

1. How is the expenditure reasonable and necessary to carry out the intent and purpose of the program?
2. What need, as identified in the comprehensive needs assessment, does the capital expenditure address? Explain how the capital expenditure addresses this need.
3. How will the expenditure be evaluated to measure a positive impact on student achievement?

Out-of-State Travel

Out-of-state travel costs are allowable. Out-of-state travel costs should be minimal, reasonable, and meet the intent and purposes of the program. Grantees must retain documentation that participation of an individual in the conference is necessary for the project. Travel costs are allowable as long as the expenses for transportation, lodging, subsistence, and related items are only incurred by employees on official business of the grantee and follow the grantee's regular business operations and written travel policy.

If you plan on using grant funds for out-of-state travel, you will be required to complete the appropriate [TEA justification form\(s\)](#) and retain the documentation at the local level. You must keep and maintain this form so that it may be provided to your independent auditor or to TEA monitors if your LEA is selected for a review.

The TEA [Title I, Part D, Subpart 2 webpage](#) provides further information on the allowable uses of Title I, Part D, Subpart 2, funds for LEAs.

See the Allowable Cost and Budgeting Guidance section of the [Training and Other Resources](#) page for general guidance on allowable activities and use of funds.

Unallowable Activities and Use of Funds

The cost of membership in any civic or community organization may not be funded under the grant program. Membership dues or fees for professional and technical organizations directly related to and necessary to carry out the objectives of the grant are allowed (see TEA Budgeting Costs Handbook).

Field Trips

TEA requires that and LEA follow the best practices and requirements for the use of Title I, Part D, Subpart 2 funds that are identified in the Best Practices for Using Title I, Part D, Subpart 2 Funds document for planned expenditures. There are some EDGAR-related expenditures that can be found on the TEA Forms for Prior Approval Disclosure, and Justification webpage.

Hosting or Sponsoring of Conferences

Conferences may not be hosted or sponsored under the grant program.

Travel Costs for Officials such as Executive Director, Superintendent, or Board Members

Travel costs for officials such as the executive director, superintendent, or board members may not be funded under the grant program.

Supplement, Not Supplant

A program under this subpart that supplements the number of hours of instruction students receive from State and local sources shall be considered to comply with the SNS requirement of section 1118 (as applied to this Part) without regard to the subject area in which the instruction is given during those hours. This means that Title I, Part D, Subpart 1 is subject to SNS requirements, but the USDE's non-regulatory guidance is clear that because the initial allocation of Part D funds is made to the State, rather than at the LEA level, the "specific requirements pertaining to the methodology...do not apply." Refer to **Section A** of the SNS Handbook for the traditional SNS requirements.

For additional information visit the SNS Handbook located at:
https://tea.texas.gov/sites/default/files/SNS%20Handbook_4.0--revised%209-5-2019.pdf

The Supplement, Not Supplant provision prohibits LEAs from using Title IV, Part A funds for any programs, activities, and services mandated in state law, rule, and regulation, the State Board of Education (SBOE) rule, or local board policy.

Such State-required activities include, but are not limited to the following:

- Suicide prevention training for personnel and specialized support personnel;

- Mental health first aid training to fulfill required continuing education of personnel; and
- Nursing continuing education to fulfill yearly license renewal.

The cost of membership in any civic or community organization may not be funded under the grant program.

Hosting or Sponsoring of Conferences

Conferences may not be hosted or sponsored under the grant program.

Travel Costs for Officials such as Executive Director, Superintendent, or Board Members

The cost of travel costs for officials such as the executive director, superintendent, or board members may not be funded under the grant program.

After timely and meaningful consultation with appropriate private school officials provide to those children and their teachers or other educational personnel, on an equitable basis, special educational services or other benefits that address their needs. [Section 8501(a)(1)]

All educational services or other benefits, including materials and equipment, must be secular, neutral, and nonideological. [Section 8501(a)(2)]

Special Rule

A. In General - Equitable Services

Educational services and other benefits for such private school children, teachers, and other educational personnel shall be equitable in comparison to services and other benefits for public school children, teachers, and other educational personnel participating shall be provided in a timely manner. Expenditures

Expenditures for educational services and other benefits provided for eligible private school children, their teachers, and other educational personnel serving those children shall be equal, taking into account the number and educational needs of the children to be served, to the expenditures for participating public school children. [Section 8501(a)(1)(4)(A)]

Provision of Services

The LEA may provide services directly or through contracts with public and private agencies, organizations, and institutions. [Section 8501(a)(1)(5)]

Consultation

To ensure timely and meaningful consultation, an LEA, shall consult with appropriate private school officials. [Sections 8501(c)(1)] The LEA and private school officials shall both have the goal of reaching an agreement on how to provide equitable and effective programs for eligible private school children. The process shall include consultation on:

- A. How the children's needs will be identified;
- B. What services will be offered;
- C. How, where, and by whom the services will be provided;
- D. How the services will be assessed and how the results of that assessment will be used to improve those services;
- E. What size and scope of the equitable services are to be provided to the eligible private school children, teachers, and other educational personnel, the amount of funds is determined;
- F. How and when the LEA will make decisions about the delivery of services, including a thorough consideration and analysis of the views of the private school officials on the provision of services through a contract with potential third-party providers; and

Documentation

The LEA shall maintain in the district records, and provide to the TEA, a written affirmation signed by officials of each participating private school that the meaningful consultation required has occurred. The written affirmation shall provide the option for private school officials to indicate such officials’ belief that timely and meaningful consultation has not occurred or that the program design is not equitable with respect to eligible private school children.

If such private school officials do not provide signature on the written affirmation within a reasonable period of time, the LEA shall forward the documentation that such consultation has, or attempts at such consultation have, taken place to the TEA. [Section 8501(c)(5)]

[Section 8501(c)(6)(A)]
- B. Procedure.** If the private school official wishes to file a complaint, the private school official shall provide the basis of the noncompliance and all parties shall provide the appropriate documentation to the appropriate officials. [Section 8501(c)(6)(B)]

 - C. **Commingling of Funds Prohibited.** Funds used to provide services shall not be commingled with non-Federal funds. [Section 8501(d)(2)(c)]

Schedule PS3099: Private School Equitable Services

The PS3099, Private School Equitable Services schedule, is in the eGrants ESSA Consolidated Federal Grant Application. PS3099 incorporates the formula for determining private school equitable services in the ESSA Application. For **Title IV, Part A**, the LEA must use total student enrollment of children, **ages 5-17**, in participating private schools to calculate equitable services on the PS3099 schedule.

LEA final grant allocations are generally available in late Fall. If there are LEA grant allocation changes, the PS3099 schedule must be amended to reflect revised equitable services for participating PNP schools. Within a reasonable time, PNP school official(s) must be notified of any revised equitable services amounts. The LEA must keep written documentation of the consultation meeting in which it shared revised equitable services with each participating PNP school.

Title V, Part A —Funding Transferability for State and Local Educational Agencies

LEAs are eligible to apply for flexibility under ESSA, Title V, Part A, Section 5102.

Intent and Purpose

The purpose of Title V, Part A, Section 5102, is to allow you flexibility to target federal funds to federal programs and activities that most effectively address your unique needs.

Intended Program Beneficiaries

Intended beneficiaries are all LEAs. You may not transfer any funds from:

- Title I, Part A
- Title I, Part C
- Title I, Part D
- Title III, Part A
- Title V, Part B

General Program Requirements

You may transfer all or any lesser amount of funds to the following:

- Title I, Part A
- Title I, Part C
- Title I, Part D
- Title II, Part A
- Title III, Part A (ELA and Immigrant)
- Title IV, Part A
- Title V, Part B

From the following programs:

- Title II, Part A
- Title IV, Part A

Transferred funds are subject to the rules and requirements applicable to the funds under the provision to which the funds are transferred. If you transfer funds from a program that provides for the participation of students, teachers, or other educational personnel from private nonprofit schools, you must conduct private school consultation in accordance with section 8501.

Funds are not physically transferred on the SAS between fund codes or budget columns. Funds maintain their original fund code, class/object code, and other required accounting code structure following generally accepted accounting principles. Only the allowable uses of the funds are redirected to allowable alternative uses.

Funds transferred into Title I, Part A will be included in the total amount used to calculate Title I, Part A carryover to determine if the LEA has exceeded the 15% statutory limitation.

Allowable Activities and Use of Funds

Funding Transferability is program flexibility available to eligible LEAs. There is no funding provided under this flexibility.

You must notify TEA of your intention to implement the flexibility offered through Funding Transferability by submitting the appropriate schedule in either the original ESSA Consolidated Application for Federal Funding or through an amendment. Statute requires that you notify the state of your intention to transfer the use of funds through Funding Transferability at least 30 days before the transfer takes place. Therefore, the effective date for the transfer is 30 days after the stamp-in date of the application or amendment containing this completed schedule.

Funds remain in their original fund source and are reported as expenditures under the original fund source. It is only the use of the funds that is redirected. For example, if an LEA uses

Funding Transferability to redirect the use of 50% of its Title II, Part A, funds into its Title I, Part A, program, the funds are still budgeted and reported under Title II, Part A, but the allowable uses of those funds are the same as the allowable uses under Title I, Part A.

You may transfer the use of up to a total of 100% of the non-administrative funds allocated under the following:

- Title II, Part A
- Title IV, Part A

For one fiscal year to allowable uses under the following programs:

- Title I, Part A
- Title I, Part C
- Title I, Part D
- Title II, Part A
- Title III, Part A (ELA and Immigrant)
- Title IV, Part A
- Title V, Part B

Note: Funds may be transferred into the above-mentioned programs but not from the above-mentioned programs except for Title II, Part A and Title IV, Part A.

Reminder: Before an LEA may transfer funds from a program subject to equitable services requirements, it must engage in timely and meaningful consultation with appropriate private school officials. The LEA must provide private school students and teachers with equitable service under the program(s) to which, and from which, the funds are transferred, based on the total amount of funds available to each program after the transfer. An LEA must consult with the private school officials prior to any transfer, however, the final decision about whether to transfer funds remains with the LEA.

	Title V, Part B, Subpart 1 REAP Flex (Alternative Funds Use Authority)	Title V, Part A Funding Transferability
Summary	Eligible LEAs are given flexibility in the use of certain federal formula funds. Funds are not actually transferred from one program to another. While the eligible funding may be used for local activities authorized under other ESEA programs, it is not subject to all of the rules and requirements of these programs.	LEAs may transfer all or a portion of the funds they received by formula under certain programs to other programs to better address local needs. When an LEA transfers funds, those funds become funds of the program to which they are transferred and are subject to the rules and requirements of these programs.
Which LEAs can exercise this authority?	LEAs eligible for Small Rural Schools Achievement Program (SRSA). LEAs do not need to receive an SRSA grant award, but only that the LEA must meet the statutory eligibility criteria for the SRSA program. For more information visit the SRSA program website .	All LEAs. No eligibility requirement. However, an LEA may only transfer eligible funds into a program for which that LEA receives an allocation in a particular fiscal year.
Which funds are eligible for this flexibility?	Title II, Part A and Title IV, Part A. LEAs may use some or all of their formula funds for activities authorized under certain other federal programs.	Title II, Part A and Title IV, Part A. LEAs may use some or all of their formula funds for activities authorized under certain other federal programs.

What steps does an eligible LEA need to take to exercise this flexibility?	An SRSA eligible LEA may exercise REAP Flex without the approval of either TEA or USDE. However, before exercising REAP Flex, an eligible LEA must annually notify TEA of its intent to do so by the application notification deadline.	Notify TEA and submit an application. Before transferring funds, an LEA must conduct timely and meaningful consultation with appropriate private school officials, modify each affect local plan or application to reflect the transfer, notify TEA of the transfer 30 days before the transfers effective date.

Title V, Part B, Subpart 1—Rural Education Achievement Program (REAP)

(Alternative Funds Use Authority (AFUA))

Intent and Purpose

The purpose of REAP, Section 5211, is to address the unique needs of rural school districts that frequently (1) lack the personnel and resources needed to compete effectively for federal competitive grants and (2) receive formula grant allocations in amounts too small to be effective in meeting their intended purposes.

Intended Program Beneficiaries

Intended beneficiaries are LEAs that meet the following: (1) the total number of students in average daily attendance at all of the schools it serves is fewer than 600 or each county in which a school served by the LEA is located has a total population density of fewer than 10 persons per square mile and (2) all campuses it serves are designated with a School Locale Code of 41, 42, or 43 as determined by the USDE’s National Center for Education Statistics (NCES).

General Program Requirements

If you are eligible, you may redirect all or lesser amount of formula funds to the following applicable formula funds:

- Title I, Part A
- Title II, Part A
- Title III, Part A (ELA and Immigrant)
- Title IV, Part A
- Title IV, Part B

From the following applicable formula funds:

- Title II, Part A
- Title IV, Part A

Alternative use of the funds are **not** subject to each of the rules and requirements applicable to the funds under the provision to which the funds are transferred.

Funds are not physically transferred on the SAS between fund codes or budget columns. Funds maintain their original fund code, class/object code, and other required accounting code structure following generally accepted accounting principles. Only the allowable uses of the funds are redirected to allowable alternative uses.

Allowable Activities and Use of Funds

Alternative Fund Use Authority or REAP-Flex is program flexibility available to eligible LEAs. There is no funding provided under this flexibility.

Funds remain in their original fund source and are reported as expenditures under the original fund source. It is only the use of the funds that is redirected. For example, if an LEA uses REAP-Flex to redirect the use of 100% of its Title II, Part A, funds into its Title I, Part A, program, the funds are still budgeted and reported under Title II, Part A, but the allowable uses of those funds are the same as the allowable uses under Title I, Part A.

If you are eligible, you may redirect the use of any or all funds received under the following:

- Title II, Part A
- Title IV, Part A

to carry out local activities authorized under ESSA for the following programs:

- Title I, Part A
- Title II, Part A
- Title III, Part A (ELA and Immigrant)
- Title IV, Part A
- Title IV, Part B

Applicable funds redirected for alternative uses must be operated under the rules, regulations, and guidelines of the program to which they are being redirected.

Note: Funds may be redirected into the above-mentioned programs but not from the above-mentioned programs except for Title II, Part A and Title IV, Part A.

Note: Title V, Part B allows for dual eligibility between Title V, Part B, Subpart 1 – Small Rural Schools Achievement (SRSA) Program and Title V, Part B, Subpart 2 – Rural and Low Income Schools (RLIS) Program. LEAs that are dual eligible and elect to apply for RLIS and not SRSA are still eligible for REAP-Flex.
