### Introduction to the Program Guidelines

The Texas Education Agency (TEA), as the pass-through entity<sup>1</sup>, is the grantee<sup>2</sup> from the U.S. Department of Education (USDE) and TEA awards subgrants to non-federal entities<sup>3</sup> such as local educational agencies (LEAs), including school districts, charter schools, and education service centers, and to a lesser degree institutions of higher education (IHEs), and nonprofit organizations (NPOs) who are the agency’s subgrantees<sup>4</sup>. These guidelines apply to all subgrantees of TEA, regardless of whether referenced herein as subgrantee or grantee. For purposes of this document, TEA may use the terms grantee and subgrantee synonymously for its subrecipients.

This document MUST be used in conjunction with the [General and Fiscal Guidelines](#) and the specific program instructions. The Adobe Acrobat Standard Application System (SAS) consists of all forms to be completed in order for the applicant to be eligible for funding. For applicants selected for funding, all guidelines and instructions will be incorporated by reference into the Notice of Grant Award (NOGA).

<sup>3</sup> Non-federal entity is defined as a state, local government, Indian tribe, institution of higher education, or nonprofit organization that carries out a federal award as a recipient or subrecipient. (2 CFR 200.69)
