[Section 1118(b)(1)]
 - b. To demonstrate compliance with the Supplement, Not Supplant requirement, the LEA shall demonstrate that the methodology used to allocate State and local funds to each school receiving Title I, Part A funds ensures that such school receives all of the State and local funds it would otherwise receive if it were not receiving assistance under Title I, Part A.  - c. The LEA may meet the Comparability of Services requirements on a grade-span by grade-span basis or a school-by-school basis. [Section 1118(c)(1)(C)]

- 1. Submission of an Amendment to Transfer Funds for Training Costs**
This waiver eliminates the need for an amendment to transfer funds budgeted for training costs that are direct payments to trainees as long as the program description in the application remains unchanged.
- 2. Certification that an Employee is Funded from a Single Fund Source or Cost Objective**
This waiver eliminates the requirement that charges for salaries and wages be supported by a semi-annual certification that the employee worked solely on that program for the period covered by the certification. This waiver is allowable as long as the employee’s job description clearly states that the employee is assigned 100 percent to the program or single cost objective.
- 3. Approval of Pre-award Costs**
This waiver allows LEAs to request approval from the Texas Education Agency for pre-award costs for covered programs, rather than requiring them to request approval from the USDE.

Evaluation of Statewide Administrative Waivers: The effectiveness of the Statewide Administrative Waivers will be evaluated based on student performance on the state assessment in Reading and Math for “All Students” statewide. If student performance fails to improve statewide for two consecutive years, the waivers will be reviewed by the Committee of

Practitioners (serves as the Ed-Flex Committee) to determine if changes should be recommended to the Commissioner.

Public Comment: Because the LEA's Consolidated Application for Federal Funding must be made available for public comment (ESEA section 8306(a)(7)) prior to submission, the required public comment concerning Ed-Flex waiver applications is met through that process. There is no need for the LEA to conduct a separate public comment process concerning its application for the Statewide Administrative waivers in order to meet the public comment requirement in Ed-Flex.

Information concerning the availability of other types of Ed-Flex Waivers can be found at:

<https://tea.texas.gov/finance-and-grants/grants/essa-program/ed-flex-waivers>.

- Y. **Non-smoking Policy:** The LEA assures that no person shall permit smoking within any indoor facility owned or leased or contracted for and utilized by such person for provision of routine or regular kindergarten, elementary, or secondary education or library services to children. Smoking shall not be allowed within any indoor facility (or portion of such a facility) owned or leased or contracted for, and utilized by, such person for the provision of regular or routine health care or day care or early childhood education programs. Exception: This shall not apply to any portion of such facility that is used for inpatient hospital treatment of individuals dependent on or addicted to drugs or alcohol; or to any private residence. [Section 8573]
- Z. **Prohibition of ESEA Program Funds Used for Possession of and/or Training with Dangerous Weapons:** The LEA assures that no funds under the ESEA will be used for the provision to any person of a dangerous weapon, as defined in section 930(g)(2) of title 18, United States Code, or training in the use of a dangerous weapon. [Section 8526 of the Elementary and Secondary Education Act of 1965 (ESEA) as amended by the Bipartisan Safer Communities Act, *Section 2938, Division A-Mental Health and Firearms Provisions, Title III-Other Matters, Subtitle D-Amendment on ESEA Funding, Section 13401*]

A dangerous weapon is defined in section 930(g)(2) as a weapon, device, instrument, material, or substance, animate or inanimate, that is used for, or is readily capable of, causing death or serious bodily injury, except that such term does not include a pocketknife with a blade of less than 2 1/2 inches in length.

Please note, the prohibition went into effect immediately on June 25, 2022, and applies to all ESEA funds, existing and future awards under all ESEA programs.

By certifying and submitting the eGrants application, the applicant agrees, as a matter of legal contract, to accept and comply with all requirements described in this document.
