PS3013 — Program Plan

The Texas Strategic Staffing for Sustainable, Paid Teacher Residency Programs Grant is a two-year grant to districts and charters, designed to provide direct technical assistance and other supports to districts/charters and educator preparation program (EPP) partnerships to design and implement paid, year-long high-quality, sustainable teacher residencies across SY 2025-2026 and SY 2026-2027. Strategic Staffing supports will be provided by Education Service Centers through the Texas Strategic Staffing (TSS) technical assistance service. Districts/charters and EPPs will make informed decisions to develop paid teacher residencies that leverage reallocation and reinvestment of local funds to support teacher residents' wages while they engage in other instructional responsibilities such as: substitute teaching, paraprofessional roles, tutoring, and more.
