Introduction to the Program Guidelines

The Texas Education Agency (TEA) administers federal¹ and state grant awards to its subgrantees² to carry out a program. Such entities include primarily school systems (referred to as local educational agencies [LEAs] in statutes), including independent school districts and charter schools; education service centers (ESCs); and, to a lesser degree, institutions of higher education (IHEs), nonprofit organizations (NPOs), and other statutorily allowable organizations. The following Program Guidelines apply to all eligible subgrantees for the designated grant program.

The Program Guidelines, as part of the request for application (RFA), are to be used in conjunction with the [General and Fiscal Guidelines](#) and any application instructions or other RFA requirements, as listed for the grant on the [TEA Grant Opportunities](#) page. The Standard Application System (SAS) consists of Application Part 1 (PDF narrative schedules) and Application Part 2 (Excel budget schedules). An eligible applicant must submit both parts of the SAS to apply for funding, unless specifically delineated in these guidelines.

For applicants selected for funding, all guidelines and instructions will be incorporated by reference into the Notice of Grant Award (NOGA).

Reference to the General and Fiscal Guidelines

The Program Guidelines provide information specifically relevant to this grant program. The [General and Fiscal Guidelines](#) provide information relevant to all TEA grant programs. Throughout the Program Guidelines, cross-references are given to applicable sections of the [General and Fiscal Guidelines](#). It is critical that you review all cross-referenced sections when preparing your application.

Errata Notices

See the [General and Fiscal Guidelines](#), Errata Notices.

¹ TEA is the grantee and pass-through entity for federal education funding awarded by the U.S. Department of Education (USDE). *Grantee* is defined as the legal entity to which a grant is awarded and that is accountable to the federal government for the use of the funds provided. The term “grantee” does not include any secondary recipients, such as subgrantees and contractors, that may receive funds from a grantee pursuant to a subgrant or contract. (34 CFR §77.1) *Pass-through entity* is defined as a recipient or subrecipient that provides a subaward to a subrecipient (including lower tier subrecipients) to carry out part of a federal program. (2 CFR §200.1)

² *Subgrantee* is defined by TEA to be the same as a *subrecipient*, which is defined in 2 CFR §200.1 as an entity that receives a subaward from a pass-through entity to carry out part of a federal award. The term does not include an individual that is a beneficiary or participant of the program. *Subgrantee* is defined in 34 CFR §77.1 as the legal entity to which a subgrant is awarded and that is accountable to the grantee for the use of the funds provided. For purposes of the request for application (RFA), TEA may use the terms *subgrantee*, *grantee*, *subrecipient*, and *applicant* synonymously.

Application Requirements and Assurances

This section identifies the types of requirements in which applicants must comply to be eligible for funding:

- Statutory requirements (requirements defined in the authorizing statute)
- TEA program requirements (requirements defined by TEA program staff)
- Texas Grant Management Standards (requirements defined by the state for regional ESCs and limited other applicants)

Statutory Requirements

See the [General and Fiscal Guidelines](#), Statutory Requirements.

Per Section 22.0834 of the Texas Education Code (TEC), any person offered employment by any entity that contracts with TEA or receives grant funds administered by TEA (i.e., a grantee or subgrantee) is subject to the fingerprinting requirement. TEA is prohibited from awarding grant funds to any entity, including nonprofit organizations, that fails to comply with this requirement. For details, refer to the [General and Fiscal Guidelines](#), Fingerprinting Requirement.

TEA Program Requirements

See the [General and Fiscal Guidelines](#), TEA Program Requirements.

In addition to the statutory requirements, TEA has established the following program requirements. The applicant must comply with each of these requirements in the application to be considered for funding:

1. Sharing the contact information with TEA for the ESC designee(s) to lead this training in each respective region.
2. For those not previously trained, attending a training session, when available, for the training developed by The University of Texas Health Science Center at San Antonio.
3. Participating in virtual quarterly Office Hours hosted by TEA.
4. Reporting to TEA on a monthly basis the campuses, school systems, and open enrollment charter schools trained for the past month.
5. The grant program will be funded by reimbursement once the NOGA has been issued and the grantee submits payment requests through the Expenditure Reporting (ER) system. See [Expenditure Reporting](#). The grantee is required to regularly request payment for allowable expenditures as grant program requirements are carried out.

Texas Grant Management Standards (TxGMS)

See the [TxGMS](#) for detailed requirements. In general, the TxGMS apply to regional ESCs and limited other applicants. The TxGMS do not apply to school districts or open-enrollment charter schools.

In general, the TxGMS require state-funded grants to follow the federal Uniform Grant Guidance (UGG), 2 CFR part 200.

Program-Specific Assurances

See the [General and Fiscal Guidelines](#), Provisions and Assurances.

The program-specific assurances for this grant program are listed in the Application Part 1.

Allowable Activities and Use of Funds

Refer to the [Budgeting Costs Guidance Handbook](#) on the Grants Administration Division's [Grant Resources](#) page for general guidance on allowable activities and use of funds.

Note regarding travel costs, if allowable per guidance below: Any personnel approved in this grant must be reimbursed for travel according to the applicant's written policies and procedures; however, reimbursement may not exceed State of Texas mileage allowance, General Services Administration (GSA) hotel rate, and per diem rate existing in the current Texas State Appropriations Act. The state travel guidelines require only reimbursement of actual costs paid and, therefore, prohibit per diem payments to travelers without reconciliation to actual costs expended. Note: Contractor travel is paid as it is described in the individual contract, not to exceed the State rates, and may or may not be delineated out specifically in the contract.

Allowable activities and use of funds for this grant include only the following:

General Allowable Activities and Use of Funds
