Introduction to the Program Guidelines

The Texas Education Agency (TEA) administers federal¹ and state grant awards to its subgrantees² to carry out a program. Such entities include primarily school systems (referred to as local educational agencies [LEAs] in statutes), including independent school districts and charter schools; education service centers (ESCs); and, to a lesser degree, institutions of higher education (IHEs), nonprofit organizations (NPOs), and other statutorily allowable organizations. The following Program Guidelines apply to all eligible subgrantees for the designated grant program.

The Program Guidelines, as part of the request for application (RFA), are to be used in conjunction with the [General and Fiscal Guidelines](#) and any application instructions or other RFA requirements, as listed for the grant on the [TEA Grant Opportunities](#) page. The Standard Application System (SAS) consists of Application Part 1 (PDF narrative schedules) and Application Part 2 (Excel budget schedules). An eligible applicant must submit both parts of the SAS to apply for funding, unless specifically delineated in these guidelines.

For applicants selected for funding, all guidelines and instructions will be incorporated by reference into the Notice of Grant Award (NOGA).

Reference to the General and Fiscal Guidelines

The Program Guidelines provide information specifically relevant to this grant program. The [General and Fiscal Guidelines](#) provide information relevant to all TEA grant programs. Throughout the Program Guidelines, cross-references are given to applicable sections of the [General and Fiscal Guidelines](#). It is critical that you review all cross-referenced sections when preparing your application.

Errata Notices

See the [General and Fiscal Guidelines](#), Errata Notices.

¹ TEA is the grantee and pass-through entity for federal education funding awarded by the U.S. Department of Education (USDE). *Grantee* is defined as the legal entity to which a grant is awarded and that is accountable to the federal government for the use of the funds provided. The term “grantee” does not include any secondary recipients, such as subgrantees and contractors, that may receive funds from a grantee pursuant to a subgrant or contract. (34 CFR §77.1) *Pass-through entity* is defined as a recipient or subrecipient that provides a subaward to a subrecipient (including lower tier subrecipients) to carry out part of a federal program. (2 CFR §200.1)

² *Subgrantee* is defined by TEA to be the same as a *subrecipient*, which is defined in 2 CFR §200.1 as an entity that receives a subaward from a pass-through entity to carry out part of a federal award. The term does not include an individual that is a beneficiary or participant of the program. *Subgrantee* is defined in 34 CFR §77.1 as the legal entity to which a subgrant is awarded and that is accountable to the grantee for the use of the funds provided. For purposes of the request for application (RFA), TEA may use the terms *subgrantee*, *grantee*, *subrecipient*, and *applicant* synonymously.

Program Purpose, Goals, and Objectives

The continuation grant program will build local and regional expertise, training, resources, guidance, and capacity under Title IV, Part A, with a focus on mental and behavioral health, and provide these resources to Education Service Centers (ESCs) for delivery to small and/or rural school systems within their respective regions. ESCs will participate in a Behavioral Health Component Professional Learning Community, conduct an assessment of behavioral health needs in their school systems, develop a Behavioral Health Component Professional Learning Community with small and rural school systems in their region, enroll school systems in the School Mental Health Implementation and Evaluation Tools, provide training, and support resource and relationship building. Priority will be for each ESC to continue to serve five or more small and/or rural school systems, and to add new school systems to the project. ESCs meeting the objectives of the grant may receive continuation grants for an additional year.
