2025-2027 Interactive Online Learning Grant, Cycle 2 Grant

Program Description PS3013 - Program Plan

A. Statutory/Program Assurances

1. The following assurances apply to this program. In order to meet the requirements of the program, the applicant must comply with these assurances. Selecting all assurances is required.

- The applicant provides assurance that program funds will supplement (increase the level of service), and not supplant (replace) state mandates, State Board of Education rules, and activities previously conducted with state or local funds. The applicant provides assurance that state or local funds may not be decreased or diverted for other purposes merely because of the availability of these funds. The applicant provides assurance that program services and activities to be funded from this IDC will be supplementary to existing services and activities and will not be used for any services or activities required by state law, State Board of Education rules, or local policy.
- The applicant provides assurance that the application does not contain any information that would be protected by the Family Educational Rights and Privacy Act (FERPA) from general release to the public.
- The applicant provides assurance to adhere to all the Statutory and TEA Program requirements as noted in the 2025-2027 Interactive Online Learning Grant, Cycle 2 Program Guidelines.
- The applicant provides assurance to adhere to all the Performance Measures, as noted in the 2025-2027 Interactive Online Learning Grant, Cycle 2 Program Guidelines, and shall provide to TEA, upon request, any performance data necessary to assess the success of the program.
- The applicant assures that any Electronic Information Resources (EIR) produced as part of this agreement will comply with the State of Texas Accessibility requirements as specified in 1 Texas Administrative Code (TAC) 206, 1 TAC Chapter 213, Federal Section 508 standards, and the Web Content Accessibility Guidelines (WCAG) 2.0 level AA.
- The applicant acknowledges that Per Section 22.0834 of the Texas Education Code (TEC), any person offered employment by any entity that contracts with TEA or receives grant funds administered by TEA (i.e., a grantee or subgrantee) is subject to the fingerprinting requirement. TEA is prohibited from awarding grant funds to any entity, including nonprofit organizations, that fails to comply with this requirement. For details, refer to the General and Fiscal Guidelines, Fingerprinting Requirement.
- The applicant provides assurances to select an effective interactive online learning model(s) that meets the statutory requirements listed in General Appropriations Act, House Bill 1, Article III, Rider 90, 88th Legislative Session Regular Session, 2023.
- The applicant provides assurances that program funds will be used to implement with fidelity an effective interactive online learning model(s) in grade 7 Texas history, grade 8 U.S. history and/or high school U.S. history for cross-curricular instruction in English language arts and Texas history and/or U.S. History. The effective interactive online learning model(s) must: a) align with Texas Essential Knowledge and Skills (TEKS) for middle school and/or high school U.S. history, Texas history, and English language arts, as applicable; b). include tools to monitor the progress of each individual student; c). include quarterly benchmark assessments that are automatically scored; d). include both audio narration and video components; and; e). be offered for use in both English and Spanish.
- The applicant provides assurances that the implemented interactive online learning model(s) must include cross-curricular instruction in social studies and English language arts aligned to the TEKS.
- The applicant provides assurances that the interactive online learning model(s) has been reviewed and determined to comply with the requirements of TEC §28.002(h) and §28.0022.
- The applicant provides assurances that the teachers implementing the interactive online learning model(s) will receive adequate professional development to ensure successful implementation of the program.
- The applicant provides assurances to support student learning in the interactive online learning model(s) to ensure student success.
- The applicant provides assurances to provide the necessary support to help students accelerate in the learning model(s) if they fall behind or are failing in the cross-curricular learning model(s).
- The applicant provides assurances to make a sustainability plan to ensure that the interactive online learning model(s) can continue to be offered after the grant ends.
- The applicant provides assurances to provide a status report by August 1, 2026, and a final report by February 1, 2027.
- The applicant provides assurances that a process will be in place to ensure the interactive online learning model(s) aligns to the TEKS.

H. Statutory Requirements

1. LEAs must select (not develop) and implement an effective interactive online learning model(s) in grade 7 Texas history, grade 8 U.S. history and/or high school U.S. history for cross-curricular instruction in English language arts and Texas history and/or U.S. history that is aligned to the Texas Essential Knowledge and Skills (TEKS). (a) Identify the interactive online learning application(s) that will be implemented and (b) provide a description of the program(s).

A. Allen ISD will implement Newsela ELA, Newsela Social Studies, and Newsela Writing to support cross-curricular instruction in grade 7 Texas history, grade 8 U.S. history, and high school U.S. history and grades 7-12 English Language Arts. These tools are selected for their robust alignment with the Texas Essential Knowledge and Skills (TEKS) standards and their capacity to integrate English language arts (ELA) with historical content.

B. Program Descriptions:

Newsela ELA: Provides teachers relevant, real-world content combined with powerful scaffolds and assessment tools to make literacy outcomes a reality for every learner. Teachers and students have access to authentic, differentiated texts covering a range of curricular topics and student interests. These resources build background knowledge, boost vocabulary, and authentically drive literacy skills.

Newsela Social Studies: Provides a wide array of articles and primary sources curated to meet TEKS standards, including the Texas State History Collection and U.S. History content. Each article is leveled for differentiated learning and includes aligned quizzes and lesson sparks to deepen understanding.

Newsela Writing: Complements the ELA and Social Studies curriculum by embedding writing prompts and performance tasks that develop critical thinking and writing skills, tailored to TEKS standards.

2. LEAs must implement the interactive online learning model(s) in grade 7 Texas history, grade 8 U.S. history and/or high school U.S. history. What three history classes or combination of these history classes are identified for the implementation of the interactive online learning model(s)?

Allen ISD will implement the interactive online learning models in the following history classes:

Grade 7 Texas History

- Newsela Social Studies: Provides a wide selection of articles and primary sources covering key events and figures in Texas history, aligned with TEKS standards for Grade 7.

- Newsela Texas State History Collection: Offers specialized content focused on Texas history, allowing students to explore topics in depth while making connections to their own state heritage.

- Newsela Writing: Embeds writing prompts and performance tasks that challenge students to analyze historical events and express their understanding through writing.

Grade 8 U.S. History

- Newsela Social Studies: Includes curated articles and primary sources aligned with TEKS standards, covering key periods such as the American Revolution, Civil War, and Reconstruction.

- Newsela Writing: Features prompts tailored to major U.S. history themes, encouraging students to critically analyze events and refine their expository writing skills.

High School U.S. History

- Newsela Social Studies: Offers advanced content and primary sources to deepen students' knowledge of key historical eras and figures, aligned with high school TEKS standards.

- Newsela Writing: Supports analytical and argumentative writing tasks, helping students connect historical evidence with well-structured arguments, critical for high school-level learning.

3. LEAs must select and implement an interactive online learning model(s) that includes tools to effectively monitor the progress of each individual student. (a) Describe the progress monitoring tool(s) included with the interactive online learning model(s) and how the LEA will use the monitoring tool(s) to ensure satisfactory student progress. (b) Include how the LEA will use the progress monitoring tool(s) to support struggling learners and students who may be off track. (c) Describe the interventions that will be implemented to help struggling learners.

A. Newsela's platform provides a robust suite of tools for monitoring student progress, ensuring that educators can track individual student growth and comprehension. These tools include:

- Real-Time Analytics
- Quizzes and Annotations
- Reading Levels and Growth
- Newsela Writing Analytics

B. Ensuring Adequate Student Progress; Allen ISD will leverage Newsela's tools to ensure student progress by:

- Regular Monitoring: Teachers can frequently review student performance to identify trends. Students can track their progress over time.

- Differentiated Instruction: Teachers can assign articles at appropriate reading levels or design targeted writing activities to address individual needs.

C. Supporting Struggling Learners; For students who are in need of support, Newsela supports interventions through:

- Targeted Assignments: Teachers can assign specific articles, quizzes, or writing prompts tailored to areas where students are struggling.

- Additional Practice: Struggling learners can be given extra reading and writing tasks to reinforce key skills and concepts.

- Small Group Instruction: Educators can group students with similar needs for focused lessons, using data insights from reading and writing analytics.

- Parental Involvement: Progress updates can be shared with parents to help them support their child's learning at home, including writing assignments that foster critical thinking.

4. LEAs must select and implement an interactive online learning model(s) that includes quarterly benchmarks that are automatically scored. (a) Describe the quarterly benchmarks included in the interactive online learning model(s). (b) Include how the school(s) will use this data to support student learning and to evaluate the effectiveness of the interactive online learning model(s) that was implemented.

A. Quarterly Benchmarks

Newsela integrates quarterly assessment opportunities that are automatically scored to track and evaluate student progress. These include:

- Reading Comprehension Assessments
- Skill-Specific Quizzes
- Performance Tasks
- Newsela Writing Prompts:

B. Allen ISD will utilize data from Newsela's quarterly benchmarks in the following ways:

- Identifying Gaps in Knowledge: Data from reading and writing assessments help teachers pinpoint areas where students need additional support, allowing for targeted interventions.
- Differentiating Instruction: Teachers can assign leveled texts, targeted quizzes, and tailored writing prompts based on student performance, ensuring instruction meets individual needs.
- Tracking Progress Over Time: Benchmark assessments provide a clear view of student growth throughout the year, enabling educators to make timely instructional adjustments.
- Analyze Growth Trends: Allen ISD can track reading comprehension and writing proficiency trends across quarters to determine whether students are making progress.
- Monitor Engagement: Engagement with Newsela's interactive content, including writing tasks, can be correlated with benchmark performance to measure the model's effectiveness.
- Refine Instructional Strategies: Benchmark data helps educators refine teaching methods and integrate cross-curricular practices that improve student outcomes.

5. LEAs must select and implement an interactive online learning model(s) that includes both audio narration and video components. (a) Describe the audio and video components included in the interactive online learning model(s). (b) Explain how the school(s) will use these tools to engage students in the effective interactive online learning model(s).

A. Newsela provides educational resources incorporating both audio narration and video components enriching the learning journey for students.

Newsela's interactive online learning model includes a variety of audio and video features designed to support student engagement and comprehension:

Audio Narration:

- Read Aloud: All Newsela articles are available with audio narration in English and Spanish.
- Language Support: Spanish narration provides critical scaffolding for Emergent Bilinguals and students with diverse linguistic needs.

Video Content:

- Instructional Videos
- Interactive Videos

Newsela Writing

B. Allen ISD will use Newsela's audio and video tools to engage students in several ways:

- Differentiated Instruction: Auditory and visual learners benefit from the combination of narrated texts and videos.
- Enhanced Writing Connections: Prompts challenge students to synthesize information from multiple sources, reinforcing comprehension and analytical skills.
- Increased Engagement: Keeps students actively involved in the learning process.
- Support for Diverse Learners: Accommodate students with specialized learning needs
- Multisensory Learning: Engage multiple senses, helping students retain information and supporting those who struggle with traditional instruction.
- Interactive Assessments: Students can actively engage with content, improving focus and comprehension.
- Personalized Learning: Teachers provide customized feedback to meet individual student needs.

6. LEAs must select and implement an interactive online learning model(s) that is offered in both English and Spanish. (a) Describe the components of the interactive online learning model(s) that are provided in Spanish. (b) Explain how your LEA will use the interactive online learning model(s) with English- and Spanish-speaking students.

A. Newsela's interactive online learning model is designed to ensure accessibility for both English and Spanish-speaking students. The components provided in Spanish include:

- Articles in Spanish
- Audio Narration in Spanish
- Quizzes and Assignments in Spanish
- Newsela Writing Prompts in Spanish

B. Allen ISD can leverage Newsela's bilingual capabilities in the following ways:

- Supporting English Language Learners (ELLs): Spanish-speaking students can begin by engaging with Spanish resources and gradually transitioning to English materials as their language skills improve.
- Parental Involvement: Spanish content provides opportunities for Spanish-speaking parents to engage with their child's education, supporting discussions and homework.
- Differentiated Instruction: Teachers can assign tasks based on individual language proficiency, ensuring all students have access to meaningful content and skill development.
- Cultural Relevance: Including Spanish-language articles and writing tasks that reflect the cultural backgrounds of Spanish-speaking students enhances engagement and fosters a sense of inclusion and relevance.
