2025-2027 Grow Your Own High School Education and Training

Program Description PS3013 - Program Plan

A. Standard Statutory/Program Assurances

1. The following assurances apply to this program. In order to meet the requirements of the program, the applicant must comply with these assurances. Selecting all assurances is required.

- ☒ The applicant provides assurance that program funds will supplement (increase the level of service), and not supplant (replace) state mandates, State Board of Education rules, and activities previously conducted with state or local funds. The applicant provides assurance that state or local funds may not be decreased or diverted for other purposes merely because of the availability of these funds. The applicant provides assurance that program services and activities to be funded from this IDC will be supplementary to existing services and activities and will not be used for any services or activities required by state law, State Board of Education rules, or local policy.
- ☒ The applicant provides assurance that the application does not contain any information that would be protected by the Family Educational Rights and Privacy Act (FERPA) from general release to the public.
- ☒ The applicant provides assurance to adhere to all the Statutory and TEA Program requirements as noted in the 2025-2027 Grow Your Own High School Education and Training Program Guidelines.
- ☒ The applicant provides assurance to adhere to all the Performance Measures, as noted in the 2025-2027 Grow Your Own High School Education and Training Program Guidelines, and shall provide to TEA, upon request, any performance data necessary to assess the success of the program.
- ☒ The applicant assures that any Electronic Information Resources (EIR) produced as part of this agreement will comply with the State of Texas Accessibility requirements as specified in 1 Texas Administrative Code (TAC) 206, 1 TAC Chapter 213, Federal Section 508 standards, and the Web Content Accessibility Guidelines (WCAG) 2.0 level AA.
- ☒ The applicant acknowledges that Per Section 22.0834 of the Texas Education Code (TEC), any person offered employment by any entity that contracts with TEA or receives grant funds administered by TEA (i.e., a grantee or subgrantee) is subject to the fingerprinting requirement. TEA is prohibited from awarding grant funds to any entity, including nonprofit organizations, that fails to comply with this requirement. For details, refer to the General and Fiscal Guidelines, Fingerprinting Requirement.

B. TEA Program Assurances Regarding the Memorandum of Understanding

1. The following assurances apply to this program. In order to meet the requirements of the program, the applicant must comply with these assurances. Selecting all assurances is required.

- ☒ a. By May 30, 2025, the LEA must have a signed letter of commitment or MOU for all Education & Training teachers that receive a stipend through the Grow Your Own Grant. At minimum, the MOU should include the following: i. Grant assurances listed under "Section C: Education and Training Course Implementation" and "Section D: Education and Training Supports" ii. Agreement to serve as an Education and Training teacher of record for the full two-year grant timeline iii. Total stipend amount that the teacher will receive iv. Stipend payment schedule (disbursed over the two-year grant timeline and no earlier than Fall 2025) and payment process for the teacher recipient
- ☒ b. If using grant funding for field site teacher stipends, the LEA must have a signed agreement for all field site teachers that receive a stipend through the Grow Your Own Grant.
- ☒ c. If implementing dual credit Education and Training courses, by May 30, 2025, the LEA must have a signed letter of commitment or MOU for the partnering Institution of Higher Education (IHE). At minimum, the MOU should include the following: i. Grant assurances listed under "Section C: Education and Training Course Implementation" and "Section D: Education and Training Supports" ii. Length of agreement for IHE partnership
- ☒ d. The LEA will retain documentation locally of each MOU and submit it to TEA upon request.

C. TEA Program Assurances Regarding the Education and Training Course Implementation (must be included in MOUs)

1. The following assurances apply to this program. In order to meet the requirements of the program, the applicant must comply with these assurances. Selecting all assurances is required.

- ☒ a. The LEA assures that each high school campus within the participating LEA will implement at least the Instructional Practices and/or Practicum courses in the Education and Training course sequence in 2025-2026, and at least both stated courses in 2026-2027, with the teachers receiving the stipend as teachers of record for both courses or either course. i. For example, the LEA selects an eligible, non-dual credit Education and Training teacher to receive a stipend through the Grow Your Own grant. The LEA pays the teacher a stipend disbursed over the two-year grant timeline starting in Fall 2025. The teacher stipend recipient serves as the teacher of record for Instructional Practices in 2025-2026 and both Instructional Practices and Practicum in 2026-2027.
- ☒ b. To receive a stipend for teaching dual credit, an Education and Training teacher must hold a master's degree in an education-related field and be the teacher of record for at least one dual credit course section in 2025-2026 and two dual credit course sections in 2026-2027 within the Education and Training course sequence.
- ☒ c. All LEA high schools must establish and/or grow a chapter of a Career and Technical Student Organization (CTSO) that supports the Education and Training career cluster through either the Texas Association of Future Educators (TAFE) or Family, Career and Community Leaders of America (FCCLA) and participate in at least one competitive event per year.

2025-2027 Grow Your Own High School Education and Training

Program Description PS3013 - Program Plan

D. TEA Program Assurances Regarding Education and Training Supports (must be included in MOUs)

1. The following assurances apply to this program. In order to meet the requirements of the program, the applicant must comply with these assurances. Selecting all assurances is required.
- ☒ a. The LEA assures that all LEA high schools participate in a TEA-led virtual workshop on July 22, 2025. All Education and Training teacher stipend recipients, principals, counselors, and LEA grant managers must attend. Participants who attended any previous Grow Your Own Summer Institutes must still attend.
 - ☒ b. The LEA assures that each Education and Training teacher stipend recipient will pilot the TEA Education and Training curriculum.
 - ☒ c. The LEA assures that each Education and Training teacher stipend recipient will receive TEA implementation supports and coaching by participating in online collaborative communities facilitated by the Dallas College team and to be scheduled by TEA, not to exceed 6 hours per semester. These collaborative communities are a professional development and learning space intended to cover best practices on implementing the TEA Education and Training curriculum. The LEA assures that each Education and Training teacher stipend recipient attends and participates in every meeting.
 - ☒ d. The LEA assures that Education and Training teacher stipend recipients participate in surveys and, if requested, focus groups not to exceed 2 hours per semester and administered by TEA to receive input on the Education and Training curriculum and programming.
 - ☒ e. LEA grant managers shall support program implementation, including but not limited to student scheduling, identifying field sites and field site teachers, and coordinating student transportation to field sites.

E. TEA Program Assurances Regarding Performance Reporting

1. The following assurances apply to this program. In order to meet the requirements of the program, the applicant must comply with these assurances. Selecting all assurances is required.
- ☒ a. LEAs shall develop a marketing and recruitment plan to increase enrollment in high school Education and Training courses. Upon request, all LEA high schools will submit their plan for marketing and student recruitment to TEA each year.
 - ☒ b. The LEA must, upon request, submit reports on progress towards performance measures to TEA. If requested, LEAs must participate in focus groups and surveys to give input on the Education and Training programming.
 - ☒ c. By May 30, 2025, all grant-funded teachers must be identified and submitted to TEA.

F. TEA Program Assurances Regarding Amendments (See the General and Fiscal Guidelines, Amending the Application)

1. The following assurances apply to this program. In order to meet the requirements of the program, the applicant must comply with these assurances. Selecting all assurances is required.
- ☒ a. If a teacher is unable to continue with the grant program, LEAs must file an application amendment and provide TEA with an update of the new amount of teacher stipend recipient(s) within 30 days of notification.
 - ☒ b. LEAs must file application amendments within 7 days of a request from TEA.

G. TEA Program Assurances Regarding Eligibility Requirements of Stipend Recipients

1. The following assurances apply to this program. In order to meet the requirements of the program, the applicant must comply with these assurances. Selecting all assurances is required. The LEA assures that it will select stipend recipients according to the following eligibility requirements:
- ☒ 1. Non-dual credit teachers of record for Principles of Education and Training, Instructional Practices, and/or Practicum in Education and Training a. Teachers must hold a standard or life teacher certificate in the state of Texas (note: any Texas teaching certificate qualifies teachers to teach Principles of Education and Training, Instructional Practices, and Practicum in Education and Training). b. As of the grant start date (June 1, 2025), teachers must have been employed as a teacher within the eligible LEA during the 2024-2025 school year; participants may not be new employees of the LEA in the 2025-2026 school year. c. Teachers must show measurable evidence of student achievement within a diverse student population. d. Teachers must attend the TEA-led Summer 2025 Grow Your Own Grant workshop on July 22, 2025, and implement the TEA Education and Training curriculum and participate in online collaborative communities.
 - ☒ 2. Dual credit teachers of record who teach Instructional Practices and/or Practicum in Education and Training a. Teachers must hold a standard or life teacher certificate in the state of Texas (note: any Texas teaching certificate qualifies teachers to teach Principles of Education and Training, Instructional Practices, and Practicum in Education and Training). b. As of the grant start date (June 1, 2025), teachers must have been employed as a teacher within the eligible LEA during the 2024-2025 school year; participants may not be new employees of the LEA in the 2025-2026 school year.
 - ☒ 2. (Continued) Dual credit teachers of record who teach Instructional Practices and/or Practicum in Education and Training c. Teachers must show measurable evidence of student achievement within a diverse student population. d. Teachers must attend the TEA-led Summer 2025 Grow Your Own Grant workshop on July 22, 2025, and implement the TEA Education and Training curriculum, and participate in online collaborative communities. e. Teachers receiving the dual credit stipend must hold a master's degree with 18 credit hours in education and be able to be approved by the partner IHE as a dual credit instructor.
 - ☒ 3. Education and Training field site teachers a. Teachers who, along with the Education and Training stipend teacher recipient, jointly directs and supervises high school Education and Training students participating in Instructional Practices and/or Practicum in Education and Training courses. b. Teachers must show measurable evidence of student achievement within a diverse student population.

Program Description PS3014 - Program Narrative

Please include complete responses for each question below.

A. Summary of Program

1. Provide an overview of the program to be implemented with grant funds. Include the overall mission and specific needs of the organization. Describe how the Grow Your Own grant will address the LEA's teacher pipeline needs.

The Education and Training pathway at Jacksboro High School continues to grow and expand. With increased student interest and overwhelming regional need, Jacksboro ISD plans to work further with Weatherford College to add dual credit courses in this pathway, likely during the 2026-2027 school year. The mission of this program is to build future educators right here in our community, with the desire for students to come back and work in the same district and community that raised them.

2. Provide a list of participating districts if applying as the fiscal agent of a Shared Services Arrangement (SSA). Please confirm the fiscal agent as listed in the ADC and list the member districts. All participating agencies will enter into a written SSA agreement describing the fiscal agent and SSA member responsibilities. All participants understand that the "Shared Services Arrangement Attachment" must be completed and signed by all SSA members, and submitted to TEA before the NOGA will be released. Please enter N/A if applying on own.

B. Qualifications and Experience for Key Personnel

1. Outline the required qualifications and experience for primary project personnel and any external consultants projected to be involved in the implementation and delivery of the program. Include whether the position is existing or proposed. Include each of the following individuals and a description of each role: the LEA's grant manager, LEA leaders involved in program implementation, the campus principals, college/career counselors, and teachers of participating Education and Training high schools, and any other personnel responsible for implementation of the grant.

Our existing project personnel would continue the Education and Training program, meeting the needs and additional growth in the number of students enrolled in the pathway. The LEA grant manager is the program coordinator and the assistant superintendent and will work with Weatherford College to expand opportunities for dual credit courses. LEA leaders, including the secondary principal, assistant principals, and counselors, will expand the program through communication with students, parents, and incoming seventh graders for further growth and expansion. All parties will work with the pathway teacher to make sure we are providing students access to as many aspects of the career as possible, increasing student interest and building vital skills.

2. Please continue the response here if needed. Please enter N/A if the additional space is not needed.

C. Goals, Objectives and Strategies

1. Describe the major goals/objectives of the proposed program. What activities/strategies will be implemented to meet those goals/objectives? Include a description of the talent management strategy including your LEA's approach to recruiting, hiring, and retaining qualified teachers, related to those goals/objectives.

The main goal of this program is to grow quality, effective classroom teachers and public school employees. Through career interest inventories, early access to college and career readiness skills, general employability skills, etc. JISD will provide students and parents with early identification to possible careers in all pathways, especially Education and Training. By partnering with our elementary school and district child care center, we offer multiple opportunities for students to have hands-on access to building relationships, planning for instruction, curriculum conversations, measuring student growth, and effective teaching strategies. JISD continues to work with Weatherford College to allow students ease in post-secondary training and obtaining certification. JISD will work each year to find appropriate positions for students from our Grow Your Own pipeline, to make sure they have access to our available job opportunities.

2. Please continue the response here if needed. Please enter N/A if the additional space is not needed.

D. Performance and Evaluation Measures

1. Describe the performance measures identified for this program which are related to student outcomes and are consistent with the purpose of the program. Include the tools used to measure performance, as well as the processes that will be used to ensure the effectiveness of project objectives and strategies.

JHS is providing students in the Education and Training pathway an opportunity to earn an IBC in the Educational Aide I Certificate. By providing access to fingerprinting, certificate identification, and necessary completion of coursework, students completing this program will have the ability to be employed by any school district, even as they continue their education and training. We will grow from no students receiving the IBC to at least 90% of the pathway completers receiving the IBC by the end of 2027. Through grant funds provided, we will assist students in all necessary steps to achieving this certification.

E. Budget Narrative

1. Describe how the proposed budget will meet the needs and goals of the program, including for staffing, supplies and materials, contracts, travel, etc. If applicable, include a high-level snapshot of funds currently allocated to similar programs. Include a short narrative describing how adjustments will be made in the future to meet needs. Outline the proposed budget and amounts for funding the grant program through the following allowable uses: a. Education and Training stipend(s) disbursed over the two-year grant timeline and no earlier than Fall 2025 b. Education and Training field site teacher stipend(s) disbursed within the first, second, or both years of the grant timeline (specify accordingly) and no earlier than Fall 2025

JISD has covered the cost of this program for the 2024-2025 school year but with increasing budget strain, funds from the GYO grant would allow for teacher stipends for the Education and Training program, not only for the high school Instructional Practices and Practicum teacher, but also for the partnership with elementary, secondary, and child care staff who provide training opportunities and hands-on experiences for students. Stipends would be available beginning in fall 2025 and would be paid out by semester throughout the two-year course of the grant, provided teachers meet the requirements to meet the program goals. Funds would also cover the cost of applying for the IBC, paying fingerprinting fees, and enabling the pathway completers to receive an Education Aide I certificate, while not costing the district anything additional. The district would only be out the salary of the teacher, which is an acceptable cost considering the long-term goals of the program.

2. c. Additional costs related to student transportation to and from Education and Training field sites for Instructional Practices and/or Practicum courses, substitute coverage for teachers to attend CTSO events, dual credit costs, CTSO event/conference participation, membership fees, and travel costs d. Administrative and/or indirect costs for Education and Training programming

Administrative costs would also include stipends for all campus administrators committed to providing students with the best experience in education training, working with campus staff and the program coordinator to ensure a multitude of experiences are available.

Program Description PS3014 - Program Narrative

G. Additional TEA Program Requirements

1. Stipend Recipient Recruitment and Selection: Referencing the Program-Specific Assurances in the Program Guidelines, describe the plan to recruit and select (1) Education and Training teachers and (2) field site teachers who are interested and eligible in participating in the program and receiving stipends. The plan must include strategies to equitably recruit diverse individuals and identify individuals with potential criteria including a demonstrated track record of success and/or achievement, involvement in student organizations and/or school activities, strong evaluation ratings, and strong relationships with students.

Education and Training stipend(s) disbursed over the two-year grant timeline and no earlier than Fall 2025 • \$5,500 per teacher who is teaching Education and Training courses, but not for dual credit: \$5,500
 Stipend for field site teachers identified as TIA-recognized teachers disbursed both years of the grant timeline and no earlier than Fall 2025, \$2,000/teacher: \$20,000

2. Program Implementation Support: In addition to receiving the TEA implementation supports and coaching, describe the types of support that will be provided to Education and Training teacher stipend recipients to ensure successful implementation of the curriculum and program. The definition of successful programming should align with the major goals/objectives and performance and evaluation measures of the program. Successful implementation of the curriculum also includes, but is not limited to, the assurance that each high school campus within the participating LEA will implement at least the Instructional Practices and/or Practicum courses in the Education and Training course sequence in 2025-2026, and at least both stated courses in 2026-2027, with the teachers receiving the stipend as teachers of record for both courses or either course.

JHS will continue to implement Instructional Practices and Practicum courses in the Education and Training course sequence through at least 2026-2027. Additional program implementation support would be administrative stipends for building leaders and district assistant superintendent for coordination and oversight of the program. Each would receive a \$500 stipend per semester of the grant budget cycle. 7 administrators overseeing implementation in over 10 classrooms: \$14,000

Travel-related expenses to and from training field sites: \$5,000

3. Sustainability Plan: Describe the sustainability plan for the high school Education & Training program beyond the timeline of the grant funding. The plan should address how a high-quality program will be maintained, including clear action steps beginning in the first year of grant funding and a demonstrated ability to leverage and coordinate resources that increase your capacity to strengthen the local educator pipeline and make progress on sustainability. This may include the use of other local, state, and/or federal resources. Consider also how the program may support, integrate into, and be supported by existing LEA or EPP initiatives and/or priorities.

Jacksboro ISD has shown a commitment to growing and building effective classroom teachers, by implementing the GYO grant program beginning in 2022. Through the initial grant process, Jacksboro High School added the Education and Training pathway. JHS has maintained the same program teacher through the program inception and is working with Weatherford College to give students easy access to continued training and support while obtaining a teaching certificate. JHS will have the first round of IBC candidates in the spring of 2025 for this program of study and is offering informational meetings for students and families to promote the program, along with post-secondary opportunities. In the past 5 years, with teacher retention rates continuing to rise across the state, Jacksboro ISD has employed over 10 former students in various positions across the district. The commitment to building a strong foundation for growing our students into successful teachers is also evident through our district work with Teacher Incentive Allotment, increasing eligible teaching areas at a steady rate. We have a clear commitment to teacher training and student growth, which aligns with our vision of creating the best version of future leaders for our community.
