9 Statutory Requirements

1. Provide a description of the proposed grant activities, programs, and services. This description should include how they address the identified needs and promote equitable access to program services needed to improve academic outcomes for homeless children and unaccompanied youth. Include the resources, strategies and/or systems that will be implemented to support target goals and outcomes, document progress and milestones, and observable results of the proposed grant activities, programs, and services. (*Complete the attached TEHCY Grant Activity Chart, see the Program Guidelines for further guidance on completing the attachment)

Hitchcock ISD will monitor grades, attendance and credits of students to ensure they are on track to graduate with their class. After school tutorials and Saturday school will be provided for all students. Grades will be monitored to verify students in need of these services. The observable results will be students grades improving and students on track to graduate. School of orgin transportation will be provided to ensure school attendance for those students identified as McKinney Vento eligible for this service. Records will be kept of transportation provided.

2. Provide a description of the extent to which: A) The application reflects coordination/collaboration with other local and state agencies that serve homeless children and unaccompanied youth. Include a list of agency, community, and LEA collaborators and a brief description of the proposed coactivities that will support implementation of the proposed grant activities, programs, and services; B) the proposed use of funds will facilitate the enrollment, identification, and educational outcomes of homeless children and unaccompanied youth; C) the extent to which the applicant will promote the meaningful involvements of parents or guardians of homeless children and youth in the education of their children; and D) The extent to which homeless children and unaccompanied youth will be integrated into the regular education program.

Hitchcock ISD will coordinate/collaborate with Hitchcock Family Family Welfare, HIS Ministries, Hitchcock ISD Education Foundation and Hitchcock ISD Transportation Department.
Hitchcock Family Welfare will support students by helping to provide clothing and help with utilities.
HIS Ministries will support students by assisting with clothing, food and utilities.
Hitchcock ISD Education Foundation will help provide district stated needs for all students.
Hitchcock ISD Transportation Department provides school of origin transportation for those identified students.
All new and returning students must complete a registration packet for enrollment in the District. Included in this packet is a required form, the SRQ. This form is looked at by the campus registrar and follows a flow chart to determine if the child will be identified as homeless. If criteria is met the SRQ is forwarded to the Liaison to review and contact the parents/guardians to complete the process. At this time parents/guardians are informed of all programs available to the students. No child is discriminated against, no distinction is made between homeless and non-homeless children. All homeless children are enrolled in all classes alongside non-homeless children. Children who attend tutoring are from all backgrounds, no distinction is made.

9 Statutory Requirements (Cont.)

3. Identify the types, intensity, and coordination of services to be provided in coordination with Title I, Part A, Homeless Reservations including: A) The process to review and develop the LEA's plan for coordinating services to support eligible homeless children and unaccompanied youth using Title I, Part A Homeless Reservations. Include the actual reservation for 2022 -2023 and the planned reservation for 2023 -2024 (**Complete the attached Title I, Part A and McKinney-Vento Program Coordination Chart**), and B) How the LEA determine its reservation amount for services to support homeless children and unaccompanied youth. Include how the LEA assists staff in understanding the LEA's policy or procedure to support homeless children and unaccompanied youth on all campuses regardless of the Title I status, use of these funds, and how the LEA addresses the needs of homeless children and youth in their district or campus improvement plan.

Hitchcock ISD has determined that setting aside .075% and 1% of its Title IA funds is reasonable and necessary for program goals to be achieved. This set aside is used in conjunction with TEHCY funds to pay for School of Origin transportation. For the 23-24 school year the set aside was for \$5,000 and the set aside for the 24-25 school year is estimated to be \$5,000.

Training, using TEHCY funds, is held at least yearly with staff on ways to support our homeless student population. All student needs are addressed in the Campus Improvement Plans and the District Improvement Plan.

4. Provide a description of established LEA processes to develop, review and revise current LEA policies and procedures to ensure that its proposed grant activities, programs, and services will not isolate or stigmatize homeless children and unaccompanied youth. (**Complete the attached McKinney-Vento Policies and Procedures Chart**)

Hitchcock ISD does not discriminate nor does it single out students. All students are offered the same opportunities of a well rounded education. Any activities offered such as tutoring are offered to all students.

9. Program Requirements

Note to Applicants: Refer to the TEHCY Program Implementation Levels of Service and Support when addressing the four program requirements listed below.

1. Provide a description of the process and procedures that are utilized to enroll, identify, and provide all three levels of TEHCY program services and support for homeless children and unaccompanied youth who are: A) Entering and/or returning to their schools from summer or holiday break, B) Experiencing homelessness after the school year has started, C) Are not currently enrolled or attending school, and D) Are eligible for early childhood and/or prekindergarten programs.

Hitchcock ISD policy is that all new and returning students complete a registration packet for their particular campus. Within this packet is an SRQ. After the form is received the campus registrars follow a flow chart to identify if the child is homeless. SRQ's that meet at least one of the criteria are pulled and the Liaison reviews the form. The Liaison then talks to the parents/guardians and explains the program to them. The Liaison codes the student in the District SIS. Parents/Guardians are required to notify the school when they change their address during the school year. Teachers, counselors and nurses will also report any information a student may have shared about their living situation. The Liaison works closely with local churches, the police department and community organizations to identify potential homeless students not enrolled in school. The district has a Head Start Program within its boundaries for early identification of homeless students.

2. Provide a description of the annual McKinney-Vento professional development plan that is currently in place to increase awareness, support enrollment and identification, and increase staff capacity to respond to the unique educational needs of homeless children and unaccompanied youth. Include training dates, duration of training, who was trained/will be trained, and a summary of the training content and evaluation process. Include both external and internal professional development activities.

Homeless Liaison, registrars, counselors and administrators meet during the summer and on a regular basis during the school year to review and receive training regarding the identification and enrollment of students experiencing homelessness on the following: SRQ form, Hitchcock ISD SRQ verification process flow chart, and Indicator Process power point training. The Homeless Liaison attends all mandatory trainings offered by TEA and attends all webinars offered.

Grades, attendance and credits are reviewed and monitored regularly by the Liaison and campus counselors. If an issue arises the liaison meets with the counselor to determine what interventions may be needed. The liaison and the campus staff work closely together to monitor students in line to graduate and to make sure all requirements are met. College and Career counseling is provided to all students.

Hitchcock ISD assures we review, monitor and implement academic support services to ensure secondary students are on track for grade-level promotion, graduation and college and career readiness.
