			2004

Shared services arrangements (SSAs) are permitted for this grant.  Check the box below if applying as fiscal agent. See Program Guidelines for SSA limitations for this grant.  The LEA or ESC submitting this application is the fiscal agent of a planned SSA. All participating agencies will enter into a written SSA agreement describing the fiscal agent and SSA member responsibilities. Complete the attached TEHCY ESC SSA Member Chart, see the Program Guidelines for further guidance on completing the attachment.  4. Identify/Address Needs  List up to three quantifiable needs, as identified in your needs assessment, that these program funds will address.  Describe your plan for addressing each need.  Quantifiable Need  Plan for Addressing Need  Out of school life can be unstable for homeless students. Many lack access to basic needs. This severely affects their ability/desire to attend school. In PISD homeless student attendance rates are 83.7% compared to 91.72% of their non-homeless peers.  A lack of stability out of school contributes to social/emotional issues that lead to low school engagement and high dropout rate. PISD homeless students have a higher dropout rate (7% vs. 2% district).  Improve student engagement and grade-level promotion via expanded social and emotional issues that lead to low school engagement and grade-level promotion via expanded social and emotional issues that lead to low school engagement and grade-level promotion via expanded social and emotional support provided through the continued enhancement of the district's campus case management system and staff training (student identification, intervention strategies, services to parents, etc.) opportunities.  Improve overall academics by providing easily accessible and targeted supplemental academic intervention services, including campus and virtual tutoring, mentoring, homework assistance, and academic enrichment	CDN 101917 Vendor ID 746001850	Amendm	nent #
Check the box below if applying as fiscal agent. See Program Guidelines for SSA Imitations for this grant.  The LEA or ESC submitting this application is the fiscal agent of a planned SSA. All participating agencies will enter into a written SSA agreement describing the fiscal agent and SSA member responsibilities. Complete the attachment the synthesis of turther guidance on completing the attachment.  4. Identify/Address Needs  List up to three quantifiable needs, as identified in your needs assessment, that these program funds will address.  Describe your plan for addressing each need.  Quantifiable Need  Dut of school life can be unstable for homeless settledents. Many lack access to basic needs. This severely affects their ability/desire to attend school. In PISD homeless student attendance rates are 88.3% compared to 91.2% of their norhomeless peers.  I fack of stability out of school contributes to social montional issues that lead to low school engagement and prade-level promotion wis expanded social admotional issues that leads to low school engagement and prade-level promotion was expanded social and emotional issues that leads to low school engagement and prade-level promotion was expanded social and emotional issues to bare the school proper unities in grades late and to academic analysis of the promote of the district's improve student engagement system and staff training (student identification, intervention services, including canpus and virtual brighting the continued of the promote of the district's improve student engagement system and staff training (student identification, intervention services, including canpus and virtual brighting the promote of the strategies and active will be inschool, complete a majority of their in-school of and out-of-school assignments, and perform adequately on academic assessments. ## 9. Statutory Requirements

1. Provide a description of the proposed grant activities, programs, and services. This description should include how they address the identified needs and promote equitable access to program services needed to improve academic outcomes for homeless children and unaccompanied youth. Include the resources, strategies and/or systems that will be implemented to support target goals and outcomes, document progress and milestones, and observable results of the proposed grant activities, programs, and services. (\*Complete the attached TEHCY Grant Activity Chart, see the Program Guidelines for further guidance on completing the attachment)

The program will implement activities to address the identified needs of PISD homeless students. The activities described will fall into at least one of the following categories, with some overlap as certain activities target multiple student needs. Identification and Enrollment Activities (Improve Attendance): Training and professional development to improve student identification and enrollment will be provided to Campus Case Managers (CCMs) and district-level staff. Using this training, CCMs will provide attendance tracking and related intervention services, serve as a communication liaison between parents/guardians and district staff, and conduct comprehensive student needs assessments.

Social/Emotional Support Activities: (Improve Students Engagement and Grade-Level Promotion): CCMs will work with students to develop and implement intervention plans, which may include referrals for no-cost counseling or other mental health services. McKinney-Vento staff will work to enhance partnerships with community service providers, businesses, and transportation departments in nearby districts as well as build partnerships and collaborate with in-district departments. Academic Support Activities (Improve Grades, Graduation Rate, Decrease Dropout rate): Based on each students' intervention plans, CCMs will provide students equitable access to the appropriate resources including referral to Community School, night school or Tegler school to help homeless students with more individualized and accelerated program. Progress and milestones will be documented. Systems are in place to ensure that homeless students' academic needs are addressed. Once students are identified, McKinney-Vento staff will work with the district's Compliance department to analyze homeless student data. This data will be shared with the CCMs who will then guide them to focus on students with the highest needs.

2. Provide a description of the extent to which: A) The application reflects coordination/collaboration with other local and state agencies that serve homeless children and unaccompanied youth. Include a list of agency, community, and LEA collaborators and a brief description of the proposed coactivities that will support implementation of the proposed grant activities, programs, and services; B) the proposed use of funds will facilitate the enrollment, identification, and educational outcomes of homeless children and unaccompanied youth; C) the extent to which the applicant will promote the meaningful involvements of parents or guardians of homeless children and youth in the education of their children; and D) The extent to which homeless children and unaccompanied youth will be integrated into the regular education program.

A)Coordination/Collaboration: PISD works with a variety of local/state agencies to provide comprehensive services to homeless students. Collaborations include: Communities in Schools - connects students to community resources via supportive, 1:1 guidance; Bridge Over Troubled Waters, Sara's House, Jane Around the World - Emergency Shelter, Support Group, Child Advocates and Casework for Residential/Non-Residential families; South Main Baptist Church-Rooftop Ministries Breakfast with Santa Holiday Event, food baskets and furniture assistance; Pasadena Volunteer First Station-holiday and basic needs assistance to families referred by Homeless Program Staff; and Asbury Church-extracurricular, basic needs and holiday assistance for homeless students. PISD Social Workers provide access to community resources, social services, and basic needs services.

- B) Enrollment, Identification, and Educational Outcomes: Campus Case Managers (CCMs) will provide identification, enrollment, and basic needs assistance services. CCMs and other staff will be trained to properly analyze related student data (attendance, dropout, behavior, etc.) and provide services/connect students to appropriate services.
- C) Parent/Guardian Involvement: The academic success of homeless students is dependent on the involvement of their parents in their educational process. Campus Case Managers maintain contact with not only the students, but also their parents in order to regularly communicate regarding their student's progress. Collaboration with Campus Parent Coordinators will provide assistance with identifying and accessing needed community services.

D)Regular Education Program Integration: Students experiencing homelessness need the normalcy that a school setting can provide. To assist with ensuring homeless students and unaccompanied youth are integrated into the regular education program, PISD removes barriers by providing transportation to their school of origin and removing any fees associated with technology, testing, or extra-curricular activities. Also, students are free to participate in regular education program activities such as sports, fine arts, and after-school programming, including 21st Century Community Learning Centers (ACE).

## 9. Program Requirements

Note to Applicants: Refer to the TEHCY Program Implementation Levels of Service and Support when addressing the four program requirements listed below.

- 1. Provide a description of the process and procedures that are utilized to enroll, identify, and provide all three levels of TEHCY program services and support for homeless children and unaccompanied youth who are: A) Entering and/or returning to their schools from summer or holiday break, B) Experiencing homelessness after the school year has started, C) Are not currently enrolled or attending school, and D) Are eligible for early childhood and/or prekindergarten programs.
- A) Procedures are in place to provide all levels of services. See Attachment 1 for more details. L1 Services Students complete a Student Residency Questionnaire (SRQ) that is available in English, Spanish, and Vietnamese. SRQs are evaluated by PISD's Homeless staff, and identification of students living in homeless situations is made. MV staff then code students in PEIMS when SRQs are processed. L2 Services Homeless CCMs are assigned to each campus. CCMs meet with students during enrollment conference to provide MV Handbook (MV Rights and supplemental social and academic services). L3 Services MV staff collaborate with CCMs to provide updated student-level report data for every grading cycle.
- B) L1 Services CCMs use student observations/interactions and information from attendance clerks/Homeless Campus Case Managers/teachers/campus staff to identify students who have become homeless during the school year. CCMs make family calls, conduct one-on-one discussions with students displaying possible indicators of homelessness. Supplemental academic tutors are assigned to students at risk of non-promotion. Basic needs and services are provided via community partners and district Social Workers.
- C) L1 Services Efforts to locate homeless children not currently enrolled/attending school are led by our Drop Out Case Manager. Rawee Reports are pulled weekly to provide team with any attendance concerns or leavers notification. MV staff also work with CCMs on dropout recovery program.
- D) L1 Services Early childhood applications containing a section regarding temporary housing/homelessness are distributed in the spring /summer. If this section is checked, an SRQ form is requested. PISD's Pre-K Coordinator and Homeless Coordinator work together to connect students with appropriate programming.
- 2. Provide a description of the annual McKinney-Vento professional development plan that is currently in place to increase awareness, support enrollment and identification, and increase staff capacity to respond to the unique educational needs of homeless children and unaccompanied youth. Include training dates, duration of training, who was trained/will be trained, and a summary of the training content and evaluation process. Include both external and internal professional development activities.

Training for administrative, instructional and support staff: Before the end of the first grading period, district staff (homeless campus case managers and student services personnel) receive training regarding the identification and enrollment of students experiencing homelessness. Training sessions are approximately four hours and are conducted by the district's Homeless Coordinator. Trainings include: a CCM Manual and PowerPoint presentation explaining the McKinney-Vento law: information about the district's homeless statistics; an overview of McKiney-Vento district procedures and other indicators that show students may be experiencing homelessness or be at risk for becoming homeless; a review of the district's homeless student identification, referral, and enrollment processes; and a comprehensive overview of district and community resources available to assist the homeless population. Each training session includes time for questions and answers to ensure that any topics not covered in the formal presentation are addressed. In addition to the face-to-face training sessions provided, two-hour face-to-face training is available throughout each school year for new staff and/or for any trained staff in need of a refresher regarding homeless students. All district staff mentioned above receive a McKinney-Vento CCM Training Manual and student Community Resource manuals. Attendance and Registration staff who attend supplemental training on the processes for identifying and referring students and families experiencing homelessness. Training for service providers and community collaborators: Community partners attend network training sessions conducted by the district's Homeless Coordinator throughout the year. Training sessions include: a presentation explaining the McKinney-Vento law; information about the district's homeless statistics; an overview of behaviors and other indicators demonstrating individuals they see may be experiencing homelessness or be at risk for becoming homeless; a review of the district's homeless student identification, referral, and enrollment process; and a comprehensive overview of district and community resources available to assist the homeless population.

## 9. Program Requirements (Cont.)

- 3. Provide a description of how the proposed grant activities, programs, and services will address the unique academic needs and support equitable outcomes for elementary homeless children and unaccompanied youth. Include a timeline, milestones, strategies, and/or systems that will be utilized to implement academic progress monitoring, interventions, and services to support: A) Attendance and engagement, B) On-time promotion, C) Coordination of targeted services for homeless children and unaccompanied youth who have been identified and are receiving other special program services (e.g. Special Education, English Learners, and Gifted and Talented), D) Bridging program support services, E) Assessment interventions and scores, F) Discipline interventions, G) Tutoring services, H) Supplemental academic programs, and I) Other programs or services.
- A) Attendance and Engagement: Student-Level Reports are used to monitor attendance and address truancy issues quickly. Issues are shared with the CCMs and the campus attendance staff to address truancy issues.
- B) On-Time Promotion: When students arrive from a different state (or district), their transcripts/academic plans are reviewed, and interventions are made to get students "on track" for promotion or graduation.
- C) Coordination of Targeted Services: The Homeless Department works with the other special programs including Special Education, Bilingual/ESL Education, Career and Technical and Gifted and Talented to ensure students receive the services needed to address their issues.
- D) Bridging Program Support Services: The MV team collaborates with CCMs to help bridge program support services for all MV students, including transitions from one campus to another.
- E) Assessment Intervention/Scores: Every grading/progress report cycle, the CCMs review homeless students' performance to determine where students need assistance. Via this info, tutors focus on specific student needs.
- F) Discipline reports are pulled through Skyward. McKinney-Vento will assign Mentor Coach and/or Social & Emotional Case Manager to meet with students and provide interventions.
- G) Tutoring: Students have access to 1:1, group, and other academic supports via Title I, MV, and TEHCY funds.
- H) Supplemental Academic Programs: Homeless students have equal access to supplemental academic programs including: the Community School program, technology devices, tutors, and tuition vouchers for use towards credit accrual, summer school, and extracurricular fees.
- I) McKinney-Vento team will collaboration with district social workers to provide students basic needs and community resource referrals.
- 4. A description of how the proposed grant activities, programs, and services will address the unique academic needs and support equitable outcomes for secondary homeless children and unaccompanied youth. Include a timeline, milestones, strategies, and/or systems that will be utilized to implement academic progress monitoring, interventions, and services to support: A) Attendance, engagement, and truancy interventions, B) On-time promotion, C) Coordination of targeted services for homeless children and unaccompanied youth who have been identified and are receiving other special program services (e.g., Special Education, English Learners, and Gifted and Talented), D) Advanced placement and dual credit course work, E) Transcript review for appropriate full or partial credit, F) Credit recovery or credit repairs services, G) Assessment interventions and scores, H) Discipline interventions, I) Four-year cohort graduation, J) Graduation of all homeless students (e.g., current cohort, continuers and early graduates), K) College and career readiness programs and support services, L) Post-secondary transition plan, and M) Other programs or services.
- A) C): same as above Program Requirement 3.
- D) The Homeless Department helps ensure homeless students have access to the AP/Dual
- Credit coursework/exams through course enrollment, tutoring, and tuition/test vouchers via Title I set-aside funds.
- E) The Homeless Department reviews out-of-state/district student transcripts and makes interventions as needed to get them "on track" for promotion or graduation.
- F) The Homeless Department provides tuition vouchers from the Title I set-aside funds. to cover the cost of students attending online credit recovery classes, summer school, and/or Community School where students who have dropped out of school return to earn their diploma.
- G) Same as above Program Requirement 3.
- H) Discipline reports are pulled through Skyward, McKinney-Vento will assign Mentor Coach and/or Social & Emotional Case Manager to meet with students and provide interventions.
- I-J) CCMs high schools work with the campus Lead counselor to ensure students are "on track" to graduate. The Homeless Counselor, CCMs and Lead counselor focus on encouraging students to use dual credit/credit recovery.
- K) CCMs at each high school work with the campus College NOWCoordinator to ensure students have post-grad plans. They work with the students on career explorations, college scholarships, and the college applications.
- L) Homeless Senior Project Graduation Coach will assist every senior with a post-secondary transition plan.
- M) Same as I from Program Requirement 3.
