4. Identify/Address Needs

List up to three quantifiable needs, as identified in your needs assessment, that these program funds will address. Describe your plan for addressing each need.

Quantifiable Need	Plan for Addressing Need
Clothing assistance	Review log of clothing that was given to McKinney Vento students for this past school year. Identify the family needs regarding clothing for the upcoming year through a questionnaire that will be given to families at the Annual Backpack Event.
Parental Involvement Activities	Identify the family needs regarding parental involvement and education services through a questionnaire that will be given to families at the Annual Backpack Event. Assist families in participating in Conferences, Courses, and Engagement Activities
Outreach Services	The District will host events in which Outreach Services will be provided to the families for use.

5. SMART Goal

Describe the summative SMART goal you have identified for this program (a goal that is Specific, Measurable, Achievable, Relevant, and Timely), either related to student outcome or consistent with the purpose of the grant.

The SMART goal identified is to alleviate the attendance barrier due to lack of basic needs and education. The program will help provide clothing that is necessary for students to attend classes regularly. The program will also provide opportunity for parents to be educated on engagement activities to encourage attendance regularly, along with meeting the needs of their children. The program will lastly encourage parents to reach out to community services to help alleviate any other barriers that may be outside of the Districts realm of assistance.

6. Measurable Progress

Identify the benchmarks that you will use at the end of the first three grant quarters to measure progress toward meeting the process and implementation goals defined for the grant.

First-Quarter Benchmark

Reviewing previous year parent surveys, parent involvement sign in sheets, and conference attendance. This will be compared to the initial questionnaire that will be handed out prior to the start of the school year. Attendance, Family involvement, and basic needs will be reviewed and compared. This will determine if the program is headed in the positive direction and alleviating the barriers.

For TEA Use Only:

Adjustments on this page have been confirmed with _____ by _____ of TEA by phone / fax / email on _____.

6. Measurable Progress (Cont.)

Second-Quarter Benchmark

Beginning of the year parent survey will be compared to the current needs. Attendance will be reviewed, along with parent involvement up until the data point. Families will be given surveys at the end of each involvement activity attended and with any assistance being given.

Third-Quarter Benchmark

All three quarter benchmarks will be reviewed for progress. Surveys and questionnaires will be reviewed as well for accuracy and positive growth within the program.

7. Project Evaluation and Modification

Describe how you will use project evaluation data to determine when and how to modify your program. If your benchmarks or summative SMART goals do not show progress, describe how you will use evaluation data to modify your program for sustainability.

If Benchmarks or summative SMART goals do not show progress, evaluation data will be used to modify the program. Surveys, questionnaires, and feedback from parents will provide an overview of what is needed for positive growth. The plan will be altered accordingly based on feedback to assure that growth is occurring.

9. Statutory Requirements

1. Provide a description of the proposed grant activities, programs, and services. This description should include how they address the identified needs and promote equitable access to program services needed to improve academic outcomes for homeless children and unaccompanied youth. Include the resources, strategies and/or systems that will be implemented to support target goals and outcomes, document progress and milestones, and observable results of the proposed grant activities, programs, and services. (*Complete the attached TEHCY Grant Activity Chart, see the Program Guidelines for further guidance on completing the attachment)

The first proposed grant activity includes providing clothing and basic necessities; such as backpacks, undergarments, school supplies, and other basic educational needs to assure a successful school day. This need was identified through this past school year and the log of clothing that was requested. The need will continue to be monitored by identifying the current McKinney Vento student population and providing the families with a Questionnaire at the beginning of the school year which identifies the needs the students require in order to provide a positive learning environment. The goals will be monitored through surveys, beginning questionnaires, needs assessment, and surveys provided to the parents at benchmark periods.

The second proposed grant activity is increased Parental Involvement Engagement activities. The smart goal is to increase engagement and education to parents by utilizing the community resources. This need is identified by the surveys, beginning questionnaires, needs assessment, and surveys provided to the parents at the benchmark periods. Increased Conference, Classes, Backpack Event, and other community and District related engagement activities. This will help close the gap on resources available and provide education to families to help navigate through their current obstacles.

The third proposed grant activity is to increase community hosted events. The smart goal is to increase awareness of available resources and to alleviate any barriers that our families may be experiencing due to homelessness. This need will be monitored through above methods and funds will be utilized to host events for outreach.

2. Provide a description of the extent to which: A) The application reflects coordination/collaboration with other local and state agencies that serve homeless children and unaccompanied youth. Include a list of agency, community, and LEA collaborators and a brief description of the proposed coactivities that will support implementation of the proposed grant activities, programs, and services; B) the proposed use of funds will facilitate the enrollment, identification, and educational outcomes of homeless children and unaccompanied youth; C) the extent to which the applicant will promote the meaningful involvements of parents or guardians of homeless children and youth in the education of their children; and D) The extent to which homeless children and unaccompanied youth will be integrated into the regular education program.

The application will aide in the collaboration and coordination with local agencies such as; Coastal Bend Wellness Foundation, BCFS, Purple Door, Coastal Bend Pregnancy Center, ESC2, Friends of the Taft City Parks, Crossroads, Del Mar College, Coastal Bend College, Driscoll Health Plan, Cheniere, and other agencies. The use of funds will assist in these agencies being able to have hosted days on Campuses to provide outreach to families to educate them on alleviating barriers they may be currently facing. The proposed use of funds will also assist in tracking attendance, encouraging secondary or technical schools, and providing extra educational assistance to our families facing homelessness. Along with the community outreach nights, the funds will assist with providing families with tickets to register for events like the Texas AgriLife Parenting Conference, the TEHCY Summit, and Parent Family Engagement Symposium.
