## Summary of Program

Outline activities and strategies that will be implemented to meet the goals of the grant. Describe any identified barriers to expanding eligible teaching assignments in the approved local designation system, and how the district will address those barriers through the scope of work with the Technical Assistance Provider (TAP).

Outline the required qualifications and experience for primary project personnel and any external consultants projected to be involved in the implementation and delivery of the program. Include whether the position is existing or proposed.

|--------------|-----------------------|-------------|
| Goals, Objec | tives, and Strategies |             |

How will the LEA establish and document clear district-level goals, with measurable outcomes, which align to at least one key area of the TIA system renewal process including, but not limited to: 1. Teacher Observation Systems & Practices (i.e. Inter-rater Reliability); 2. Student Growth Measure Expansion (i.e. Portfolios, SLOs, or Assessment Systems); 3. Change Management & Systems Implementation (i.e. Data Systems or Compensation Planning).

### Performance and Evaluation Measures

Describe the performance measures identified for this program which are related to student outcomes and are consistent with the purpose of the program. Include the tools used to measure performance, as well as the processes that will be used to ensure the effectiveness of project objectives and strategies.
