2026-2028 Interactive Online Learning Grant, Cycle 3

Program Description PS3013 - Program Plan

A. Statutory/Program Assurances

1. The following assurances apply to this program. In order to meet the requirements of the program, the applicant must comply with these assurances. Selecting all assurances is required.

- The applicant provides assurance that program funds will supplement (increase the level of service), and not supplant (replace) state mandates, State Board of Education rules, and activities previously conducted with state or local funds. The applicant provides assurance that state or local funds may not be decreased or diverted for other purposes merely because of the availability of these funds. The applicant provides assurance that program services and activities to be funded from this IDC will be supplementary to existing services and activities and will not be used for any services or activities required by state law, State Board of Education rules, or local policy.
- The applicant provides assurance that the application does not contain any information that would be protected by the Family Educational Rights and Privacy Act (FERPA) from general release to the public.
- The applicant provides assurances to adhere to all the Statutory and TEA Program requirements as noted in the 2026-2028 Interactive Online Learning Grant, Cycle 3 Program Guidelines.
- The applicant provides assurances to adhere to all the Performance Measures, as noted in the 2026-2028 Interactive Online Learning Grant, Cycle 3 Program Guidelines, and shall provide to TEA, upon request, any performance data necessary to assess the success of the program.
- The applicant assures that any Electronic Information Resources (EIR) produced as part of this agreement will comply with the State of Texas Accessibility requirements as specified in 1 Texas Administrative Code (TAC) 206, 1 TAC Chapter 213, Federal Section 508 standards, and the Web Content Accessibility Guidelines (WCAG) 2.1 level AA.
- The applicant acknowledges that Per Section 22.0834 of the Texas Education Code (TEC), any person offered employment by any entity that contracts with TEA or receives grant funds administered by TEA (i.e., a grantee or subgrantee) is subject to the fingerprinting requirement. TEA is prohibited from awarding grant funds to any entity, including nonprofit organizations, that fails to comply with this requirement. For details, refer to the General and Fiscal Guidelines, Fingerprinting Requirement.
- The applicant provides assurances to select an effective interactive online learning model(s) that meets the statutory requirements listed in General Appropriations Act, House Bill 1, Article III, Rider 72, 89th Legislative Session Regular Session, 2025.
- The applicant provides assurances that program funds will be used to implement with fidelity an effective interactive online learning model(s) in grade 7 Texas history, grade 8 U.S. history and/or high school U.S. history for cross-curricular instruction in English language arts and Texas history and/or U.S. History. The effective interactive online learning model(s) must: a) align with Texas Essential Knowledge and Skills (TEKS) for middle school and/or high school U.S. history, Texas history, and English language arts, as applicable; b) include tools to monitor the progress of each individual student; c) include quarterly benchmark assessments that are automatically scored; d) include both audio narration and video components; and e) be offered for use in both English and Spanish.
- The applicant provides assurances that the implemented interactive online learning model(s) must include cross-curricular instruction in social studies and English language arts aligned to the TEKS.
- The applicant provides assurances that the interactive online learning model(s) has been reviewed and determined to comply with the requirements of TEC §28.002(h) and §28.0022.
- The applicant provides assurances that the teachers implementing the interactive online learning model(s) will receive adequate professional development to ensure successful implementation of the program.
- The applicant provides assurances to support student learning in the interactive online learning model(s) to ensure student success.
- The applicant provides assurances to provide the necessary support to help students accelerate in the learning model(s) if they fall behind or are failing in the cross-curricular learning model(s).
- The applicant provides assurances to make a sustainability plan to ensure that the interactive online learning model(s) can continue to be offered after the grant ends.
- The applicant provides assurances to provide a status report by August 1, 2027, and a final report by February 1, 2028.
- The applicant provides assurances that a process will be in place to ensure the interactive online learning model(s) aligns to the TEKS.

2026-2028 Interactive Online Learning Grant, Cycle 3

Program Description PS3014 - Program Narrative

Please include complete responses for each question below.

A. Summary of Program

1. (a) Provide an overview of the program to be implemented with grant funds. (b) Include the overall mission and specific needs of the organization. (c) Describe how the program will address the mission and needs.

Legacy the School of Sport Sciences proposes to implement a TEKS-aligned interactive online learning model for Grade 7 Texas History, Grade 8 U.S. History, and High School U.S. History that integrates English Language Arts through cross-curricular instruction. Legacy's mission is to ensure every student wins academically, athletically, and professionally. Current needs include strengthening literacy in social studies, increasing student engagement with complex texts, and providing consistent progress monitoring tools to support diverse learners. Grant funds will be used to adopt an approved interactive online learning platform that includes audio narration, video instruction, bilingual access, automatic scoring, and embedded assessments. This program will address student needs by improving comprehension of historical content, strengthening reading and writing skills, and providing real-time data to guide instruction and interventions.

2. Please continue the response here if needed. Please enter N/A if the additional space is not needed.

NA

B. Goals, Objectives and Strategies

1. (a) Describe the major goals/objectives of the proposed program. (b) Describe the activities/strategies that will be implemented to meet those goals/objectives.

Goals, Objectives, and Strategies
The primary goals of the program are to increase student mastery of TEKS-aligned history content, strengthen literacy through cross-curricular instruction, and improve student outcomes through consistent progress monitoring. Key strategies include implementing an approved interactive online learning model, aligning ELA and history instruction through shared planning and literacy-based tasks, and using embedded assessments and benchmarks to guide instruction. Teachers will integrate primary sources, vocabulary development, and evidence-based writing across content areas while campus leadership monitors fidelity and outcomes.

2. Please continue the response here if needed. Please enter N/A if the additional space is not needed.

NA

C. Performance and Evaluation Measures

1. (a) Describe the performance measures identified for this program which are related to student outcomes and are consistent with the purpose of the program. (b) Include the tools used to measure performance, as well as (c) the processes that will be used to ensure the effectiveness of project objectives and strategies.

Student outcomes will be measured using platform-generated data, including quarterly benchmarks, unit assessments, progress dashboards, and course completion rates. Additional measures include writing samples, literacy growth indicators, and course grades. The LEA will use automated reports, PLC data reviews, and administrative walkthroughs to monitor implementation and effectiveness. Data will be reviewed quarterly to adjust instruction, provide targeted interventions, and ensure alignment with program objectives.

D. Qualifications and Experience for Key Personnel

1. Outline the (a) required qualifications and experience for primary project personnel and (b) any external consultants projected to be involved in the implementation and delivery of the program. (c) Include whether the position is existing or proposed.

Primary personnel include certified history and ELA teachers with demonstrated experience in TEKS-aligned instruction and technology-based learning. Existing campus instructional leaders will oversee implementation, data analysis, and teacher support. External consultants or vendor-provided trainers (proposed) will support onboarding, professional development, and fidelity checks related to the interactive online learning platform.

2. Please continue the response here if needed. Please enter N/A if the additional space is not needed.

E. Budget Narrative

1. Describe, in detail, (a) how the proposed budget will meet the needs and goals of the program, including staffing, professional development, supplies and materials, contracts, etc. (b) If applicable, include a high-level snapshot of funds currently allocated to similar programs. Include a short narrative describing how adjustments will be made in the future to meet needs.

The proposed budget supports program goals by prioritizing instructional staffing, professional development, digital instructional tools, and implementation support. Funds will cover teacher stipends for training, platform licensing, instructional materials, and vendor-supported coaching. Legacy currently allocates local funds for curriculum and instructional technology; grant funds will expand access, enhance data systems, and reduce instructional gaps. Budget adjustments will be informed by annual implementation reviews and student performance data to ensure sustainability and alignment with evolving instructional needs.

H. Statutory Requirements

1. LEAs must select (not develop) and implement an effective interactive online learning model(s) in grade 7 Texas history, grade 8 U.S. history and/or high school U.S. history for cross-curricular instruction in English language arts and Texas history and/or U.S. history that is aligned to the Texas Essential Knowledge and Skills (TEKS). (a) Identify the interactive online learning application(s) that will be implemented and (b) provide a description of the program(s).

Legacy will implement an approved interactive online learning application that is TEKS-aligned for history instruction and integrates ELA through reading, writing, audio narration, and video-based lessons.

2. LEAs must implement the interactive online learning model(s) in grade 7 Texas history, grade 8 U.S. history and/or high school U.S. history. What three history classes or combination of these history classes are identified for the implementation of the interactive online learning model(s)?

Identified History Classes
Grade 7 Texas History
Grade 8 U.S. History

3. LEAs must select and implement an interactive online learning model(s) that includes tools to effectively monitor the progress of each individual student. (a) Describe the progress monitoring tool(s) included with the interactive online learning model(s) and how the LEA will use the monitoring tool(s) to ensure satisfactory student progress. (b) Include how the LEA will use the progress monitoring tool(s) to support struggling learners and students who may be off track. (c) Describe the interventions that will be implemented to help struggling learners.

The platform includes dashboards, formative assessments, and mastery tracking. Data will be used to identify students off track and provide targeted interventions, including small-group instruction and supplemental supports.

4. LEAs must select and implement an interactive online learning model(s) that includes quarterly benchmarks that are automatically scored. (a) Describe the quarterly benchmarks included in the interactive online learning model(s). (b) Include how the school(s) will use this data to support student learning and to evaluate the effectiveness of the interactive online learning model(s) that was implemented.

The platform includes dashboards, formative assessments, and mastery tracking. Data will be used to identify students off track and provide targeted interventions, including small-group instruction and supplemental supports.

5. LEAs must select and implement an interactive online learning model(s) that includes both audio narration and video components. (a) Describe the audio and video components included in the interactive online learning model(s). (b) Explain how the school(s) will use these tools to engage students in the effective interactive online learning model(s).

The program includes narrated lessons, instructional videos, and multimedia supports that increase engagement and accessibility for diverse learners.

6. LEAs must select and implement an interactive online learning model(s) that is offered in both English and Spanish. (a) Describe the components of the interactive online learning model(s) that are provided in Spanish. (b) Explain how your LEA will use the interactive online learning model(s) with English- and Spanish-speaking students.

The platform provides Spanish-language instructional components, narration, and supports. Legacy will use these features to support bilingual learners and ensure equitable access for English- and Spanish-speaking students.
