

Welcome

Welcome to the Learning Acceleration Support Opportunities (LASO) 25-26 Cycle 4 application.

This consolidated application streamlines school system's access to grant funding, allotments, and in-kind supports and services across 15 opportunities.

Introduction

This application includes 15 initiatives available for school systems to apply for in LASO Cycle 4.

To ensure an informed selection, please follow these steps:

- **Review Program Guidelines:** Examine the program guidelines and resources for each initiative to understand its purpose, eligibility requirements, and assurances.
- **Engage Internal Teams:** Consult with key stakeholders (e.g., board, superintendent, district leaders, campus leaders etc.) to determine which initiatives best align with your school system's needs and capacity.
- **Select Initiatives:** Identify the initiatives that best support your local priorities.
- **Complete the Application:** Submit responses only for the initiatives your school system chooses to apply for.

Review each initiative by clicking the links to its program guidelines below:

Additional Resources and Considerations

Additional Resources

- [Initiative One-Pagers](#): Provides school systems with a concise summary of each initiative in LASO Cycle 4.
- [Eligibility & Prioritization Matrix](#): Provides eligibility and prioritization criteria that will enable a school system to predict the likelihood of receiving an award.
- [Initiative Selection Tool](#): Provides a Scenario map to guide selection of the right fitting initiative based on need.
- [Role and Responsibilities Insight Tool](#): Identifies the types of responsibilities for each role and show where roles overlap across initiatives.

Key Considerations for Submission

- Each school system may submit only one application. If multiple applications are submitted, only the most recent submission (based on timestamp) will be accepted.
- The application must be signed by the superintendent to be considered formally submitted. Only signed applications will be scored and considered for award. If the superintendent is unavailable to sign by the deadline, email LASO@texas.tea.gov for guidance.
- School systems have 60 days to complete the application. The application opens on October 3, 2025, and must be submitted by December 3, 2025, at 5:00 PM CT.

Leadership and Instructional Foundations for Texas (LIFT)

Initiative Description:

LIFT (Leadership and Instructional Foundations for Texas) is a three-year program designed to support Texas school systems in building the instructional and systems-level capacity needed to deliver high-quality learning experiences for all students. LIFT brings together the highest leverage components of Strong Foundations, Texas Instructional Leadership, and Texas Lesson Study, providing comprehensive support for school systems to adopt **high-quality instructional material (HQIM)** and implement **Bluebonnet Learning (BL)** over multiple years.

Review the Eligibility Criteria and Initiative Assurances listed below and indicate the school system's acceptance.

Eligibility Criteria:

As the applicant, the school system hereby agrees to:

- Commit to selecting and implementing a [State Board of Education \(SBOE\)](#)-approved high-quality instructional material (HQIM) in the 2027–28 school year.

OR

- Commit to implementing a Bluebonnet Learning (BL) product in the 2026–27 school year.

Note: Participation in other grant programs does not disqualify applicants but may be considered during prioritization.

Initiative Assurances:

As the applicant, the school system hereby agrees to:

- Commit to (with Board approval) implementing a Bluebonnet Learning (BL) product in the 2026–27 school year (if applying to the “Implementation Phase”) OR committing to selecting and implementing a State Board of Education (SBOE)-approved high-quality instructional material (HQIM) in the 2027–28 school year (if applying to the “Planning Phase”).
- Contract with an Approved Provider from the LASO Cycle 4 State Approved Provider List for LIFT.
- Submit Approved Provider contracts and required funding summary reports to TEA.
- Secure approval from the Superintendent and Chief Academic Officer (or equivalent leader) to participate in the program.
- Appoint a designated LIFT lead as the primary point of contact and identify at least two additional contacts.
Note: The primary point of contact should be the equivalent of a senior academic team member or principal manager.
- Participate in required TEA-led activities, including a grant kick-off and communities of practice.
- Engage relevant school system and campus leaders, including special programs leadership, as well as teachers, instructional coaches, and special population educators in upfront training, implementation support, and coaching.
- Participate in a needs assessment of current instructional practices and materials.
- Establish or refine systems for instructional leadership, schoolwide routines, and observation and feedback.
- Submit all required grant deliverables, including instructional framework artifacts, implementation plans, school system-level instructional materials transition plan, campus-level implementation action plans, classroom, campus, and school system-level observation data and student outcomes data and progress updates as requested by the Approved Provider or the TEA.
- Participate in TEA-administered surveys and/or focus groups, as requested.
- Use grant funds in alignment with the required allocation structure and ensuring all expenditures support the goals of the LIFT program.
- Permit Approved Providers access to campuses to provide in-person support.
- Ensure teachers have sufficient planning time and use the required protocols.
- Provide print materials for all participating teachers and students.
- Follow the year-long scope and sequence for the instructional materials.
- Meet the minimum number of instructional minutes for the instructional materials.
- Ensure that a number of instructional leaders, aligned with the school system size, will actively participate in monthly implementation support and coaching provided by the Approved Provider.
- Ensure that the school system cabinet regularly engages in data reflection/performance management routines.

1. Does the school system agree to meet the Eligibility Criteria and Initiative Assurances listed above?

- Yes
 No

LIFT School Improvement PLC (LIFT SI PLC)

Initiative Description:

The LIFT School Improvement PLC Support grant is a targeted, Title I-funded initiative designed to enhance implementation support for campuses participating in the Leadership and Instructional Foundations for Texas (LIFT) program that are also identified for School Improvement. This grant provides additional resources, such as expanded PLC facilitation, increased observation and feedback, and individualized coaching to strengthen instructional systems and ensure effective use of high-quality instructional materials (HQIM). The goal is to deepen and sustain effective instructional practices by reinforcing the conditions necessary for strong HQIM implementation, ultimately improving student outcomes on federally identified campuses.

Review the Eligibility Criteria, Initiative Assurances, and Initiative Requirements listed below and indicate the school system's acceptance.

Eligibility Criteria:

As the applicant, the school system hereby agrees to:

- Eligible campuses include campuses that are Title I served with a 2025 federal accountability identification, including Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), or Additional Targeted Support (ATS). Comprehensive campuses in their second year of identification (Comprehensive Reidentified or Comprehensive Progress) are also eligible. Campuses must remain in operation during the grant cycle and remain Title I served for the 2026-27 school year.

Note: A school system is eligible to apply to both Leadership and Instructional Foundations for Texas (LIFT) and LIFT SI PLC Support grants, but if both are awarded, the school system must select the same Approved Provider for both LIFT and the LIFT SI PLC Support grant.

Initiative Assurances:

As the applicant, the school system hereby agrees to:

- Implement a Bluebonnet Learning (BL) product in the 2026–27 school year.
- Secure approval from the Superintendent and Chief Academic Officer (or equivalent leader) to participate in the program.
- Contract with the same provider from the LASO Cycle 4 State Approved Provider list that is providing technical assistance for the LIFT program for PLC supports.
- Engage relevant school system and campus leaders, as well as teachers and instructional coaches, in upfront training, implementation support, and coaching.

Note: These individuals must be in addition to and distinct from leaders receiving coaching through the LIFT program.

- Submit all required grant deliverables for each school year for the life of the grant.
- Submit provider contracts and required funding summary reports to TEA.
- Appoint a designated lead as the primary point of contact and identify at least two additional contacts.
- Permit Approved Providers access to campuses to provide in-person support.
- Ensure teachers have sufficient planning time and use the required protocols.
- Provide print materials for all participating teachers and students.
- Follow the year-long scope and sequence for instructional materials.
- Meet the minimum number of instructional minutes for the instructional materials.
- Use grant funds in alignment with the required allocation structure and ensure all expenditures support the goals of the LIFT program.
- Participate in required TEA-led activities, including a grant kick-off.

Initiative Requirements:

As the applicant, the school system hereby agrees to:

- Provide an additional campus leader—distinct from those supported through the LIFT Program—who will directly support teachers or campus leaders implementing the selected instructional materials.

1. Does the school system agree to meet the Eligibility Criteria, Initiative Assurances, and Initiative Requirements listed above?

- Yes
- No

PREP Mentorship Program Allotment

Allotment Opportunity:

The Preparing and Retaining Educators through Partnership (PREP) Program Allotment aims to strengthen the quality of teacher recruitment, preparation, and mentorship, leading to increased educator effectiveness and retention. The PREP Program Allotment provides funding for various partnerships and school systems may apply for funding for the PREP Residency Preservice Program, Grow Your Own Program, and the Mentorship Program through this LASO IV Application. Through this allotment, school systems may also apply for Strategic Staffing funding to support the implementation and reach of the PREP Program Allotment. The 89th Texas Legislature established the PREP Program Allotment via House Bill 2, which was signed into law by Governor Abbott on June 20, 2025.

1. Does the school system wish to be considered for this Allotment Opportunity?

- Yes
 No

PREP Mentorship Program Allotment

Initiative Description:

The Preparing and Retaining Educators Through Partnership (PREP) Mentorship Program provides school systems interested in implementing high-quality new teacher mentorship programs with funding to 1) provide, at minimum, a \$1,000 stipend to the mentor teacher (per beginning teacher), 2) train all required school system mentorship staff via the Texas Mentorship Training, and 3) provide release time for mentor teacher and beginning teacher mentoring activities. Any remaining funds may be used on strategic staffing training. The overarching purpose of this allotment is to increase the effectiveness and retention of beginning teachers across Texas.

Review the Eligibility Criteria and Initiative Assurances listed below and indicate the school system's acceptance.

Eligibility Criteria:

As the applicant, the school system hereby agrees to:

- Any school system, which includes open-enrollment charter schools, and SB 1882 Operating Partners who read and agree to the requirements in relevant sections of the Texas Education and Texas Administrative codes cited in these guidelines is eligible for the PREP Allotment.

Initiative Assurances:

As the applicant, the school system hereby agrees to:

- Read and abide by TEC §21.907 (PREP Mentorship Program).
- Read and abide by TEC §48.157 (PREP Program Allotment).
- Read and abide by TAC sections related to the PREP Mentorship Program, which will be posted to the Texas Register for public comment during the 2025-26 school year and become effective prior to the start of the 2026-27 school year.

Note: The TEA anticipates sharing specific dates related to rulemaking in fall 2025.

For more details regarding Texas Education Code TEC §21.907 (PREP Mentorship Program) and TEC §48.157 (PREP Program Allotment) see: [PREP MENTORSHIP LASO 4 Pop-Out Document](#).

- Appoint a representative to engage in all required PREP Allotment & PREP Mentorship Program communications.

Roles

- **Mentor Teacher:** A teacher who, to the extent practicable, teaches in the same school, subject, and/or grade level of the beginning teachers they mentor, completes a mentor teacher training program established by TEA, has at least three years of teaching experience, and demonstrates instructional and leadership skills under TEC §21.458 and §21.907.
- **School system and/or Campus Leader:** Any appropriate district and campus employees who work with the classroom teacher or supervise the classroom teacher under TEC, §21.458

PREP Mentorship Training Requirements

- **Pathway 1 (Mentoring Educator) Training:**
 - This pathway is intended for mentoring educators, such as mentor teachers, who provide direct mentoring to beginning teachers.
 - Pathway 1 training will occur in Summer 2026, Fall 2026, Winter 2026-27, and Spring 2027 for a total of 24-30 hours.
- **Pathway 2 (School system & Campus Leader) Design Sessions:**
 - This pathway is intended for school system and campus leaders who will be planning & implementing mentorship programs (*e.g., program managers, district mentoring staff, campus principals, etc.*).
 - Pathway 2 design sessions will occur in Spring 2026, Summer 2026, Fall 2026, and Spring 2027 for a total of 15-16 hours.

* **Note:** Per TEC §21.458, appropriate school system and campus employees who work with the beginning teachers or supervise beginning teachers are required to attend mentorship training. This requirement may be fulfilled by either Texas Mentorship Training Pathway 1 or Pathway 2; these individuals may attend both Pathways 1 and 2, if desired.

5. School systems must self-report the estimated number of mentor teachers and school system & campus leaders that would attend Pathway 1 training for Year 1 implementation (SY 2026-27). See 'Roles' definition above.

Estimated number of mentor teachers:	75
Estimated number of school system & campus leaders for Pathway 1:	20

6. School systems must self-report the estimated number of school system & campus leaders that would attend Pathway 2 training for Year 1 implementation (SY 2026-27). See 'Roles' definition above.

Estimated number of school system & campus leaders for Pathway 2:	20
---	----

7. School systems must self-report the estimated number of beginning teachers for Year 1 implementation (SY26-27). Beginning teachers (BTs) are defined as classroom teachers who have less than two years of teaching experience under TEC, §21.907. School systems will enter the total estimated number of beginning teachers below; however, school systems will receive funding for up to 40 beginning teachers.

School Action Fund-Planning and Implementation (SAF) Grant

Initiative Description:

School Actions are whole-school strategies districts use to increase access to high-quality schools, meet community needs, and address chronic underperformance. By providing technical assistance and grant funds to support school actions for individual campuses, TEA also supports school districts to take strategic actions that both improve schools and provide communities, parents, and families with the schools and programs they want, need, and deserve.

All School Action Fund (SAF) grantees must plan and implement an ESF-aligned, evidence-based model that includes development of a strategic schedule that maximizes instructional staff and time; assignment and empowerment of a campus leader with a track record of success to plan and implement the school action and model; and implementation of high quality instructional materials (HQIM, as defined later in these Program Guidelines) and research-based instructional strategies (RBIS).

Review the Eligibility Criteria, Initiative Assurances, and Initiative Requirements listed below and indicate the school system's acceptance.

Eligibility Criteria:

As the applicant, the school system hereby agrees to:

- Relevant campuses meet grant specific eligibility requirements of the 2026-2027 School Action Fund-Planning and Implementation Grant (SAF) to apply. See Eligibility List [here](#).

Note: Eligible applicants are school systems that apply on behalf of campuses that are Title I-serving school-wide and Comprehensive Support-identified, Targeted Support-identified, or Additional Targeted Support-identified, based on SY 2024-25 ratings. For new schools, there must be clear Title I, Part A eligibility and intent to obtain Title I-serving status for SY 2027-28 and beyond.

To be eligible, a campus may not have received any School Action Fund (SAF) grants, including TCLAS Decision 10 and any LASO SAF grants, since 2019-2020 (Planning, Continuation, or Implementation).

Initiative Assurances:

As the applicant, the school system hereby agrees to:

Note: The Superintendent, Chief Academic Officer and/or Chief Innovation/Transformation Officer, School Action Fund Project Manager (who has Cabinet-level access and decision-making authority), Chief Financial Officer, and any Superintendent designee understand that the School System (Applicant) assure that they know the following commitments.

- Aware that if awarded a Restart Action School System-Run ACE model Planning grant, and the campus is eligible for Resource campus designation, the grantee will be required to meet all Resource designation expectations by the end of the 2nd (second) year of implementation. More information about Resource Campus designation can be found [here](#).
- Regularly submit their expenditures (monthly preferred, quarterly at minimum) to remain on-track for grant expenditures.
- If a specific campus has not yet been identified, SAF grantee School Systems use a data-informed evaluation process and criteria (both quantitative and qualitative), and an appropriate timeline for identifying the campus(es) for school action(s), **by Gate 0 of the first year of the awarded grant.**
- Required to select a school system level (Central Office) staff member who is both qualified and experienced in project and program management to manage the planning and implementation of the grant.
- School Action Fund Project Manager must attend regular meetings, at least monthly, with the TEA SAF program staff.
- The school system level (central office) Business/Finance Office staff member responsible for overseeing SAF grant expenditures and drawdown processes must attend at least two meetings per semester with the school system's School Action Fund Project Manager and TEA SAF program staff.
- Fully implement high-quality instructional materials (HQIM, as described in the SY 2026-27 School Action Fund-Planning and Implementation grant's Program Guidelines) on the awarded campus(es) by **Year 1 (one)** of Continuation/Implementation, in both Mathematics and Reading Language Arts classes/courses.
- Implement strategic scheduling programs that require operational and staffing shifts to optimize time and accelerate instruction at the SAF campus(es) by Year 1 (one) of Continuation/Implementation as defined by the TEA, unless otherwise approved or stated by the TEA.

Initiative Requirements:

As the applicant, the school system hereby agrees to:

- The SAF grantee must fully implement the selected school action and model, identifying flexible and autonomous practices, as well as campus-specific goals and metrics aligned with school system policies. These must be documented in a Performance Agreement (for school system-run actions) or a Partnership Performance Contract (for partner-managed actions), signed by the campus leader and the school system superintendent and/or Board of Trustees by **May 31, 2027**.
- The SAF grantee school system's Board of Trustees must complete TEA-approved board training by Gate 3 of Year 1 of the awarded grant.
- Any campus that is closing, or potentially being repurposed, as part of a SY 2026-27 School Action Fund-Planning and Implementation grant, **must** follow TAC rules regarding CDCN requirements (County District Campus Number), and Campus Repurposing and Closure,

including TAC 97.1066. (More information can be found [here](#).)

- Guarantee that school leaders of awarded campuses have at least 20 hours of release time built into their weekly schedules to plan the school action(s) and model(s).
- Select a TEA-codified school model and assign and empower a campus leader who has a track record of success to lead the planning and implementation of the school action and model.

1. Does the school system agree to meet the Eligibility Criteria, Initiative Assurances, and Initiative Requirements listed above?

- Yes

Virtual and Hybrid Program Accelerator (VHPA)

Initiative Description:

The Virtual and Hybrid Program Accelerator (VHPA) enables school systems and open-enrollment charter schools to design and launch high-quality virtual and hybrid programs or campuses, as defined under Texas Education Code (TEC) Chapter 30B. The goal of the program is to establish schools that are intentionally structured to achieve A or B accountability ratings and deliver rigorous, engaging instruction tailored to meet the diverse needs of students across Texas. Through VHPA, participating school systems receive funding and technical assistance to develop flexible, personalized learning models that support students requiring adaptable education pathways. The program also enables school systems to implement innovative staffing strategies, expand course offerings, and increase access to high-quality instruction statewide.

Review the Eligibility Criteria, Initiative Assurances, and Initiative Requirements listed below and indicate the school system's acceptance.

Eligibility Criteria:

As the applicant, the school system hereby agrees to:

- Have not participated in a previous VHPA cycle.

Initiative Assurances:

As the applicant, the school system hereby agrees to:

- Program leads of awarded applicants have at least 16 hours of release time built into their weekly schedules to plan and create the virtual or hybrid program or campus.
- Ensure that the program or designated campus leader possesses relevant experience or can exhibit the competencies necessary to lead a virtual or hybrid program or campus effectively.
- Design and manage strategic initiatives that improve instructional quality and student engagement, and they are committed to building their capacity to support high-quality virtual and hybrid models.
- As part of the program commitment for Year 1 of VHPA, submit a comprehensive launch plan for a full-time virtual or hybrid program or apply for authorization to operate a virtual or hybrid campus to operate in 2027-2028 school year.

Note: If the school system does not meet participation expectations or disengage from VHPA, they may have their membership from the VHPA terminated and forfeit any access to remaining funding.

Initiative Requirements:

As the applicant, the school system hereby agrees to:

- Establish a dedicated VHPA Team responsible for developing and implementing the full-time virtual or hybrid campus or program.
- Collaborate with a TEA-assigned technical assistance (TA) provider and participate in TA-supported activities such as cohort workshops, monthly coaching calls, step backs, planning sessions, or implementation deliverables.
- Ensure adaptability and dedication in program model design to align with research-based practices for high-quality virtual and hybrid models.
- By the end of Year 1 of VHPA support, launch a full-time virtual or hybrid program or apply for authorization to operate a full-time virtual or hybrid campus beginning the 2027-2028 school year.

Note: For full-time virtual or hybrid campuses, Year 2 of VHPA TA support and funds are contingent upon the full-time virtual or hybrid campus receiving authorization.

- Ensure that any partnership with a private or third-party vendor preserves the school system's ability to design, adapt, and implement the virtual or hybrid program to meet local needs.
- Disclose any vendor-imposed services, limitations that may affect program flexibility, instructional design, or operational decision-making.
- If selecting a private or third-party provider to operate the school, collaborate with the designated technical assistance partner to develop a comprehensive provider selection plan that includes:
 - Defined criteria for evaluating potential providers.
 - Detailed cost analysis and breakdown of services.
 - Consideration of the provider's historical performance (e.g., student academic outcomes).
- If selecting a private or third-party provider to operate the program or campus, formalize and monitor the partnership with a third-party provider by:
 - Submitting memoranda of understanding (MOU) or formal agreements outlining responsibilities of both the provider and the school system or charter.
 - Establishing a system for progress monitoring, including required reports on student engagement and academic progress.
 - Defining action items if the provider fails to meet success criteria for the campus or program.

- Complete all required deliverables and meeting milestones by the scheduled timeline specified by the VHPA, including:
 - Define a clear and compelling rationale for launching the virtual or hybrid program/campus, including the specific student population or campus it will serve.
 - Present evidence of community interest in a virtual or hybrid learning option, including data collected through surveys, focus groups, or other engagement methods.
 - Develop and implement comprehensive plans to achieve program objectives, including an academic plan that outlines curriculum, instructional methods, approaches for monitoring student progress, and support strategies for special populations and at-risk students.
 - Develop and iterate plans regarding staffing models, school culture, family engagement, and student support.
 - Update operations such as staffing, schedules, finances, technology, and cybersecurity to support virtual or hybrid models.
 - Provide a professional development plan for instructional staff that includes training specific to virtual and hybrid instruction, along with ongoing, job-embedded coaching to strengthen instructional quality and student engagement.
 - Present evidence of training and development for teachers and leaders to ensure high-quality virtual or hybrid instruction.
 - Use data to monitor student engagement and academic progress, ensuring alignment with grade-level standards and research-based instructional strategies specific to virtual and hybrid learning.
 - Engage in three improvement cycle sessions using data to inform ongoing development. School systems will share data that reflects program implementation and outcomes. This may include student engagement, progress toward grade-level mastery in virtual and hybrid courses (BOY, MOY, EOY), teacher instructional practices and growth in serving virtual and hybrid learners, and leader support for professional learning communities and job-embedded coaching.
 - Obtain formal approval from the school system’s governing board to launch a virtual or hybrid program/campus and ensure this approval is secured prior to applying for authorization. For virtual/hybrid campuses, ensure this approval is secured prior to applying for authorization.
 - Submit a detailed plan or contract outlining the scope of services, responsibilities, and decision-making authority in any private or third-party vendor partnership supporting the virtual or hybrid program/campus (*if applicable*).
 - Submit a comprehensive launch plan and either implement a virtual or hybrid program or apply for authorization to operate a virtual or hybrid campus that is expected to begin operating in the 2027-2028 school year.

1. Does the school system agree to meet the Eligibility Criteria, Initiative Assurances, and Initiative Requirements listed above?

- 12th Grade

3. What type of delivery format is the school system planning on?

- Program
- Campus
- TBD

4. What type of program is the school system planning on opening?

- Virtual
- Hybrid
- TBD

5. How does the school system envision instructions to delivered in the program?

- Asynchronous only
- Synchronous only
- Both asynchronous and synchronous
- Undecided

6. Will the school system be in Year 1 of the school system wide adoption of HQIM in core subjects?

- Yes
- No

7. Current or anticipated student enrollment number in the virtual/hybrid program or campus?

100

8. Describe how the school system calculated the enrollment number above.

(i.e. current number of students enrolled, number of interested students via family survey)

This is 25% of the total projected enrollment of the high school campus where we intend to add this program.

9. Which best describes where the school system is in the virtual/hybrid program?

- Are in the planning phase and currently do not have a virtual or hybrid program, but intend to launch in SY26-27.
- Have a plan and will be ready to launch a virtual/hybrid program this school year (SY26-27) with some additional support.
- Are currently running a virtual and hybrid program and would like feedback and support to build on it to launch a more robust program in SY27-28.
- Are in the planning phase and currently do not have a virtual or hybrid program but intend to apply for authorization to operate a virtual or hybrid campus in the SY27-28.
- Have a plan and will be ready to launch a virtual/hybrid program this school year (SY26-27). With some additional support, we plan to apply for authorization to operate a virtual or hybrid campus in the SY27-28.
- Are currently running a virtual and hybrid program and would like feedback and support to build on it and establish a virtual or hybrid campus in SY27-28.
- Are exploring virtual and hybrid learning options within our school system but unsure about the program type and timeline to launch.

10. Describe how your virtual or hybrid program/campus aligns with the school system's broader strategic goals or improvement plans.

Abilene ISD's North Star Goal is to have 75% of our students in A or B seats by 28-29. We currently have one A-Rated school the Academy for Technology

Engineering

Math and Science

a STEM and CTE-focused 9-12 grade high school. The vision for adding a virtual/hybrid program is aligned to our SGS strategy of expanding access to this great option. The hybrid program also directly supports Abilene ISD's strategic goals to expand and strengthen postsecondary readiness. Adding a virtual/hybrid pathway at ATEMS and the LIFT increases access to advanced STEM

CTE

and dual credit courses

especially for students who require flexible schedules

accelerated pacing

or alternative learning environments. This work supports AISD's broader innovation agenda

improves equity of access to specialized programs

and directly contributes to improving student engagement

CCMR outcomes

and overall academic performance.

11. Describe what knowledge or experience the school system's leadership team brings to designing and supporting high-quality virtual or hybrid instruction.

Abilene ISD's leadership team brings deep experience designing

launching

and sustaining high-quality innovative learning models. The point person for the pursuit of this Hybrid/Virtual option is Executive Director of Innovation

Jay Ashby

who led the creation and opening of The LIFT Center in 2021

a \$40 million advanced CTE facility

and the incorporation of the Academy for Technology Engineering Math and Science within this new facility. This initiative required designing new instructional models

developing career-aligned pathways

implementing complex scheduling structures

building staff capacity

and ensuring program coherence across multiple campuses. Leadership has experience building up new systems from the ground up

including curriculum alignment

master schedule engineering

employer and higher-education partnerships

and embedded professional development structures. The district has also managed multi-year TEA initiatives such as Strong Foundations

Bluebonnet HQIM adoption

LASO

and SGS work

giving the team direct experience with research-based instructional design

progress monitoring systems

and continuous-improvement cycles. This combination of opening new schools

implementing districtwide instructional reforms

and managing high-accountability TEA grant initiatives gives the team the operational discipline

instructional expertise

and strategic planning capacity needed to design and support a high-quality virtual or hybrid program.

12. Describe what research, data, or stakeholder input informed the school system's decision to pursue a virtual or hybrid model.

As the Principal and lead recruiter for The LIFT Center and ATEMS

families often expressed interest in flexible scheduling. ATEMS is a particularly sought after option for families that homeschooled their kids in middle school. In addition to family feedback

the LIFT/ATEMS staff provided positive feedback for the pursuit of this idea. The LIFT and ATEMS are also strategically located next to the Texas State Technical College Abilene campus. TSTC has worked diligently to make in-person scheduling work but support for the expansion of hybrid/virtual options is needed on the district's end. This model would provide the support and structures to expand both high school and post-secondary options through AISD

TSTC

and other local IHE's. Flexible scheduling and virtual/hybrid options are utilized now but would benefit from more robust systems and supports.

13. Which best describes the school system's key areas of need for the virtual/hybrid program?

Note: Answers provided will not limit the type of support the school system will receive if accepted into the program. Instead, this information will be used to better understand the school system's key area of need.

- Aligned, effective vision and model that is responsive to family and student needs.
- Family engagement, communication, and/or recruitment plan.
- Staffing and/or teacher/staff recruitment plan.
- Plan for communicating clear administrator, teacher, student, and family roles within a virtual/hybrid model. *(and wherever needed, support for shifting mindsets)*
- Instructional framework for designing high-quality virtual and hybrid courses aligned to research-based practices.
- Student attendance and engagement plan.
- School Culture and student well-being plan.
- Plan for supporting special populations and at-risk students.
- Student onboarding sessions, including learning strategies and support for cultivating mindsets rooted in the science of learning, self-directed learning skills, how to use digital tools, and help-seeking during asynchronous and/or synchronous instruction.
- Teacher development *(PD and ongoing job-embedded coaching)* to deliver high-quality instruction and learning experiences in a virtual/hybrid model.
- High-Quality Instructional Materials. *(for core curriculum and adjusted for virtual/hybrid learning)*
- Data collection and progress monitoring systems.
- Technology Strategy and Data Privacy Framework. *(including hardware, connectivity, digital tools, and cybersecurity policies)*
- Master schedule that is appropriately set up for virtual or hybrid learning.

14. Describe which additional topics, areas of support, or identified gaps would be most helpful to strengthen the school system's virtual or hybrid model.

The above options covered our needs.

15. Describe which curriculum the school system is currently using, or planning to use for virtual learning for core courses.

Outside of our preexisting dual credit curriculum we are interested in receiving support in researching and selecting any needed curriculum for this program.

16. Which content is the school system considering when adopting new instructional materials or curriculum for virtual learning? *(choose all that apply)*

Note: Curriculum adoption is not a requirement of the program, but rather an optional support; the response to this question will help us better understand the school system's needs.

School System's Commitments to VHPA

As part of the VHPA, school systems will form a VHPA Team that regularly partners with VHPA technical assistance providers and meets as a central team to develop and improve the virtual/hybrid program using VHPA support.

To the best of your current understanding, provide the contact information of individuals who most likely will be on the school system's VHPA Team.
