

Welcome

Welcome to the Learning Acceleration Support Opportunities (LASO) 25-26 Cycle 4 application.

This consolidated application streamlines school system's access to grant funding, allotments, and in-kind supports and services across 15 opportunities.

Introduction

This application includes 15 initiatives available for school systems to apply for in LASO Cycle 4.

To ensure an informed selection, please follow these steps:

- **Review Program Guidelines:** Examine the program guidelines and resources for each initiative to understand its purpose, eligibility requirements, and assurances.
- **Engage Internal Teams:** Consult with key stakeholders (e.g., board, superintendent, district leaders, campus leaders etc.) to determine which initiatives best align with your school system's needs and capacity.
- **Select Initiatives:** Identify the initiatives that best support your local priorities.
- **Complete the Application:** Submit responses only for the initiatives your school system chooses to apply for.

Review each initiative by clicking the links to its program guidelines below:

Curriculum & Instruction Serving Grants

- [Leadership & Instructional Foundations for Texas \(LIFT\)](#)
 - *LIFT merges programs formerly known as Strong Foundations- SF, Texas Instructional Leadership- TIL, and Texas Lesson Study- TXLS*
- [LIFT Add-On: School Improvement PLC Support \(LIFT SI PLC\)](#)
 - *(available only for Title I Comprehensive, Targeted, and Addtl Targeted)*
- [School Improvement Curriculum and Instruction Support Grant \(SI CISG\)](#)
 - *(available only for Title I Comprehensive, Targeted, and Addtl Targeted)*
- [Blended Learning Grant \(BLG\)](#)
 - *Two Cohorts: Academic – Math or RLA cohort and Strategic Operations Cohort*
- [AP Computer Science Principles \(APCSP\)](#)

Education and Training

- [PREP Program Allotment](#)
 - [PREP Residency Preservice Program](#)
 - [PREP Grow Your Own \(GYO\) Program](#)
 - [PREP Mentorship Program](#)
- [Texas Strategic Staffing for Residencies \(TSS\) Grant](#)

More Time

- [Additional Days School Year Planning & Execution Program \(ADSY PEP\)](#)
 - *Two Cohorts: Full Year Redesign and Summer Learning*

Innovative School Models - Launch Grants

- [School Action Fund \(SAF\)](#)
- [Navigating Excellence through Targeted Supports \(NEXT\)](#)
- [Early College High School \(ECHS\)](#)
- [Pathways in Technology Early College High School \(P-TECH\)](#)
- [Virtual and Hybrid Program Accelerator \(VHPA\)](#)

Additional Resources and Considerations

Additional Resources

- [Initiative One-Pagers](#): Provides school systems with a concise summary of each initiative in LASO Cycle 4.
- [Eligibility & Prioritization Matrix](#): Provides eligibility and prioritization criteria that will enable a school system to predict the likelihood of receiving an award.
- [Initiative Selection Tool](#): Provides a Scenario map to guide selection of the right fitting initiative based on need.
- [Role and Responsibilities Insight Tool](#): Identifies the types of responsibilities for each role and show where roles overlap across initiatives.

Key Considerations for Submission

- Each school system may submit only one application. If multiple applications are submitted, only the most recent submission (based on timestamp) will be accepted.
- The application must be signed by the superintendent to be considered formally submitted. Only signed applications will be scored and considered for award. If the superintendent is unavailable to sign by the deadline, email LASO@texas.tea.gov for guidance.
- School systems have 60 days to complete the application. The application opens on October 3, 2025, and must be submitted by December 3, 2025, at 5:00 PM CT.

School System Calendar

For the 2026–27 school year, select the option that best describes your school system’s instructional calendar:

- 165 or more instructional days
- Fewer than 165 instructional days
- Fewer than 165 instructional days in 2026–27, but planning to transition to 165 or more days in a future year

LASO Cycle 4 Assurances

As the applicant, the school system hereby agrees to:

- Commit to all assurances associated with the initiatives they intend to apply for.
Failure to agree to these assurances may prevent the school system from completing the application or being considered for awards.

- Ensure the superintendent approves participation in all selected initiatives.

If assurances are not met or the school system disengages from the supports/initiatives provided, TEA may impose conditions on the award, including terminating participation or reducing awarded funds.

- Meet the [General and Fiscal Guidelines](#).

The school system certifies its commitment to all assurances listed above?

- Yes
 No

- Virtual and Hybrid Program Accelerator (VHPA)

Leadership and Instructional Foundations for Texas (LIFT)

Initiative Description:

LIFT (Leadership and Instructional Foundations for Texas) is a three-year program designed to support Texas school systems in building the instructional and systems-level capacity needed to deliver high-quality learning experiences for all students. LIFT brings together the highest leverage components of Strong Foundations, Texas Instructional Leadership, and Texas Lesson Study, providing comprehensive support for school systems to adopt **high-quality instructional material (HQIM)** and implement **Bluebonnet Learning (BL)** over multiple years.

Review the Eligibility Criteria and Initiative Assurances listed below and indicate the school system’s acceptance.

Eligibility Criteria:

As the applicant, the school system hereby agrees to:

- Commit to selecting and implementing a [State Board of Education \(SBOE\)](#)-approved high-quality instructional material (HQIM) in the 2027–28 school year.

OR

- Commit to implementing a Bluebonnet Learning (BL) product in the 2026–27 school year.

Note: Participation in other grant programs does not disqualify applicants but may be considered during prioritization.

Initiative Assurances:

As the applicant, the school system hereby agrees to:

- Commit to (with Board approval) implementing a Bluebonnet Learning (BL) product in the 2026–27 school year (if applying to the “Implementation Phase”) OR committing to selecting and implementing a State Board of Education (SBOE)-approved high-quality instructional material (HQIM) in the 2027–28 school year (if applying to the “Planning Phase”).
- Contract with an Approved Provider from the LASO Cycle 4 State Approved Provider List for LIFT.
- Submit Approved Provider contracts and required funding summary reports to TEA.
- Secure approval from the Superintendent and Chief Academic Officer (or equivalent leader) to participate in the program.
- Appoint a designated LIFT lead as the primary point of contact and identify at least two additional contacts.
Note: The primary point of contact should be the equivalent of a senior academic team member or principal manager.
- Participate in required TEA-led activities, including a grant kick-off and communities of practice.
- Engage relevant school system and campus leaders, including special programs leadership, as well as teachers, instructional coaches, and special population educators in upfront training, implementation support, and coaching.
- Participate in a needs assessment of current instructional practices and materials.
- Establish or refine systems for instructional leadership, schoolwide routines, and observation and feedback.
- Submit all required grant deliverables, including instructional framework artifacts, implementation plans, school system-level instructional materials transition plan, campus-level implementation action plans, classroom, campus, and school system-level observation data and student outcomes data and progress updates as requested by the Approved Provider or the TEA.
- Participate in TEA-administered surveys and/or focus groups, as requested.
- Use grant funds in alignment with the required allocation structure and ensuring all expenditures support the goals of the LIFT program.
- Permit Approved Providers access to campuses to provide in-person support.
- Ensure teachers have sufficient planning time and use the required protocols.
- Provide print materials for all participating teachers and students.
- Follow the year-long scope and sequence for the instructional materials.
- Meet the minimum number of instructional minutes for the instructional materials.
- Ensure that a number of instructional leaders, aligned with the school system size, will actively participate in monthly implementation support and coaching provided by the Approved Provider.
- Ensure that the school system cabinet regularly engages in data reflection/performance management routines.

1. Does the school system agree to meet the Eligibility Criteria and Initiative Assurances listed above?

- Yes
 No

Leadership and Instructional Foundations for Texas (LIFT) (cont.)

Initiative Specific Questions for the Leadership and Instructional Foundations for Texas (LIFT) Grant

For each content area below, please indicate your district’s current intention regarding the implementation of high-quality instructional materials (HQIM).

You may select different options for each content area.

K–5 English or Spanish Language Arts and Reading (ELAR/SLAR)

1. For which activity are you seeking LIFT technical assistance support in K-5 ELAR or SLAR?

- Implement **Bluebonnet Learning K–5 ELAR** in 2026–27 and/or **Bluebonnet Learning K-5 SLAR** if approved by SBOE
 Select an **SBOE-approved HQIM** during the planning year in 2026-27 and implement that HQIM in 2027-28
 Neither of the above

K–5 Mathematics

2. For which activity are you seeking LIFT technical assistance support in K-5 Math?

- Implement **Bluebonnet Learning K–5 Math** in 2026–27 and/or **Bluebonnet Learning K-5 Math (Spanish)** if SBOE approved

- Select an **SBOE-approved HQIM** in 2026-27 during the planning year in 2026-27 and implement that HQIM in 2027-28
- Neither of the above

Secondary Mathematics

3. For which activity are you seeking LIFT technical assistance support in 6-8 and/or Algebra I Mathematics, or Geometry or Algebra II if approved by SBOE?

- Implement **Bluebonnet Learning Secondary Math** in 2026–27
- Select an **SBOE-approved HQIM** during the planning year in 2026-27 and implement that HQIM in 2027-28
- Neither of the above

Leadership and Instructional Foundations for Texas (LIFT) (cont.)

Initiative Specific Questions for the Leadership and Instructional Foundations for Texas (LIFT) Grant

For each content area below, please indicate your school system’s current intention regarding the implementation of high-quality instructional materials (HQIM).

The LIFT grant provides monthly implementation support and coaching from a State-Approved Provider. By applying for this grant, your organization is committing to active participation in this support, specifically for instructional leaders – both at the campus and school system levels. Each participating campus must have one leader receiving coaching. Each of the participating campus and school system leaders must be directly involved in supporting teachers with the implementation of selected instructional materials. Additionally, the school system leader must be directly involved in supporting the campus leaders.

4. How many campus principals will the school system commit to receiving monthly implementation support and coaching visits from the Approved Provider?

Total number of principals to be coached :

5. How many school system-based instructional leaders (e.g. principal managers, executive director of instruction, associate superintendent) will the school system commit to receiving monthly implementation support and coaching visits from the Approved Provider?

Total number of leaders to be coached:

6. Does the school system commit to having, or working towards having, 165+ instructional days in the 2026-2027 academic year?

- Yes
- No

7. Has the school system implemented a CER OER product in previous academic years?

- Yes
- No

Blended Learning Grant (BLG)

Initiative Description:

The Blended Learning Grant opportunity has two distinct cohorts and associated purposes that applicants will select from, as described below.

The **Blended Learning Academic Cohort** will support school systems and open-enrollment charter schools through a planning stage to design and subsequently implement a high-quality blended learning model in math (through Math Innovation Zones - MIZ) and Reading Language-Arts (RLA) aligned with Bluebonnet Math or Reading as their Tier 1 instruction.

The **Blended Learning Strategic Operations Cohort** will support school systems and open-enrollment charter schools in leveraging a blended learning model to make a strategic operational shift to scheduling, staffing and/or budgets. This shift will seek to make robust operational changes to optimize campus staffing models for teachers while maximizing academic impact for students. The grant is available to school system that have successfully completed a planning phase of either Math Innovation Zones or RLA Blended Learning grants. Applicants will select a blended model that will require significant operational and staffing shifts to rethink time in a teacher-centric way at the participating campus(es).

Note: Both cohorts must choose a specific blended model, integrating a tier one curriculum with a digital supplemental product, from the options [here](#). A participating campus's master schedule may need to be adjusted to accommodate the time blocks required.

For which **Blended Learning Grant Cohort** is the school system applying?

- Academic Cohort (School systems new to Blended Learning Grants)
- Strategic Operations Cohort (School systems from previous TEA Blended Learning Grants, including both math and non-math programs)

Review the Eligibility Criteria listed below and indicate the school system's acceptance.

Eligibility Criteria:

- **Blended Learning Academic Cohort:** School Systems who have previously participated or are currently participating in a strong Tier 1 math and/or reading curriculum planning through a TEA initiative (i.e. LASO 2 Strong Foundations and LASO 1 Strong Foundations).
- **Blended Learning Strategic Operations Cohort:** School Systems who have previously participated in TEA Blended Learning Grants. Applicants must have shown high usage in approved supplemental products in math and/or reading language arts for grades K-8 in spring of 2025.

1. Does the school system agree to meet the Eligibility Criteria listed above?

- Yes
- No

Blended Learning Grant (BLG) (cont.)

Initiative Assurances for the Blended Learning Grant (BLG):

As the applicant, the school system hereby agrees to:

- Designate and provide a school system level project manager who will be available to dedicate approximately 50% of their time to designing and implementing the blended learning plan and who has decision making authority to act on developed plan.
- Designate and share with both the TEA and vendors a school system level lead/sponsor for communications, logistics, and usage monitoring. They also agree that this information is updated and maintained throughout the grant.
- Designate and share with TEA and vendors a campus level lead/sponsor for communications, logistics, and usage monitoring. They also

agree this is updated and maintained throughout the grant.

- Work with a third-party vendor to complete a technology audit for a landscape analysis of supplemental products currently purchased and/or used at campuses.
- Implement, with fidelity, a digital adaptive software program in grade levels selected to participate in the Blended Learning Grant.
- Submit fidelity of planning deliverables prior to the beginning of the first school year, including but not limited to the following:
 - Master Schedule
 - Assessment Calendar
 - Stakeholder Engagement Plan
 - Professional Learning Calendars
- Complete execution deliverables in program implementation during the grant period, including but not limited to the following:
 - Student usage progress towards the selected adaptive software program recommended metrics.
 - Sharing student TSDS unique IDs with select software product vendor for TEA quarterly reports.
 - Sharing unit assessment data from core curriculum.
 - Complete all required training(s) to build competency with the adaptive software product.
 - Completing all required research surveys throughout the grant program period.
- Participate in required communities of practice and any additional grant program meetings.
- Use a digital supplemental program, approved through the IMRA and/or Ratio Waiver List (RWL), and Bluebonnet Math and/or Reading for Tier 1 instruction.
- Complete all required training(s) to build competency in the online curriculum.
- Complete annual reflection and revision plans in implementation years to continuously improve upon blended learning and/or strategic operations planning.
- Adhere to all statutory requirements in TEC Sections 28.020 and 29.924 including, but not limited to:
 - Develop a plan to implement a blended learning model according to statute requirements.
 - Implement the model across at least one full grade level at the campus and expand to other grade levels and/or campuses.
 - Require teachers to differentiate instruction for all students in a grade level using a research-backed blended learning model.
 - Provide teachers and other relevant personnel with professional development opportunities regarding blended learning.
 - Require the use of a proficiency-based assessment.

Initiative Specific Assurances for the Blended Learning Academic Cohort:

As the applicant, the school system hereby agrees to:

- Submit strategic planning deliverables in the first year of implementation, such as a master schedule, assessment calendar, stakeholder engagement plan, professional learning calendars, etc.
- Complete blended learning execution requirements in program implementation, including student progress on selected online curriculum, unit assessment data from Bluebonnet curriculum, and evidence of training completion.

1. Does the school system agree to meet all Initiative Specific Assurances listed above?

- Yes
 No

Blended Learning Grant (BLG) (cont.)

Initiative Requirements for the Blended Learning Grant (BLG):

As the applicant, the school system hereby agrees to:

- Agree that your participating campuses will serve all grade levels within the K-8 Math or K-5 RLA grade bands by the end of the grant period.
- Agree to complete all required training(s) to build competency in the online curriculum.
- Agree to complete annual reflection and revision plans in implementation years to continuously improve upon blended learning and/or strategic operations planning.
- Agree to implement the digital adaptive software program in grade levels selected to participate in the Blended Learning grant.
- Agree to adhere to all statutory requirements in TEC Sections 28.020 and 29.924 including, but not limited to:
 - Develop a plan to implement a blended learning model according to statute requirements.
 - Implement the model across at least one full grade level at the campus and expand to other grade levels and/or campuses.
 - Require teachers to differentiate instruction for all students in a grade level using a research-backed blended learning model.

- Provide teachers and other relevant personnel with professional development opportunities regarding blended learning.
- Require the use of a proficiency-based assessment.

Initiative Specific Requirements for the Blended Learning Academic Cohort:

As the applicant, the school system hereby agrees to:

- Agree to implement a Math and/or RLA blended products with Bluebonnet Math or Bluebonnet Reading.
- Agree to identify which SBOE approved Tier 1 curriculum product and supplemental product that will be implemented with a blended learning model from the following options (may choose more than one option):
 - K-5 Math | Bluebonnet with *[IMRA supplemental approved product]*
 - 6-8 Math | Bluebonnet with *[IMRA supplemental approved product]*
 - HS Math | Bluebonnet with *[IMRA supplemental approved product]*
 - K-5 Reading | Bluebonnet with *[approved product]*
- Agree to implement the above Tier 1 curriculum and supplemental products for their selected grade-levels and student population.
- Agree to submit strategic planning deliverables in the first year of implementation, such as a master schedule, assessment calendar, technology audit report, stakeholder engagement plan, professional learning calendars, etc.
- Agree to complete blended learning implementation requirements, including student progress on selected online curriculum, sharing student TSDS unique ID with selected software product, unit assessment data from Tier 1 High Quality Instructional Material (HQIM) curriculum, and evidence of training completion.

2. Does the school system agree to meet the Initiative Specific Requirements listed above?

- Yes
- No

Blended Learning Grant (BLG) (cont.)

Initiative Specific Questions for the Blended Learning Grant (BLG)

1. How many K-5 campuses is the school system applying to? (Min: 1, Max: Not to exceed the number of available campuses)

1

2. How many 6-8 campuses is the school system applying to? (Min: 1, Max: Not to exceed the number of available campuses)

1

3. Select the blended model subjects the school system is interested in implementing:

- Math
- Reading Language Arts

3a. What SBOE approved Tier 1 curriculum math product and supplemental math product do participating campuses plan on using in the 26-27 school year?

- K-5 Math | Bluebonnet with *[IMRA supplemental approved product]*
- K-5 Math | *[IMRA T1 product]* with *[approved product]*
- 6-8 Math | Bluebonnet with *[IMRA supplemental approved product]*
- 6-8 Math | *[IMRA T1 product]* with *[approved product]*

3b. How many students (K–8) school system wide will be participating in math blended learning through this grant?

190

3c. What SBOE approved Tier 1 curriculum reading product and supplemental reading product do participating campuses plan on using in the 26-27 school year?

- K-5 Reading | Bluebonnet with *[approved product]*
- 6-8 Reading | *[approved product]* with *[approved product]*
- K-5 Reading | Bluebonnet with *[approved product]*
- 6-8 Reading | *[approved product]* with *[approved product]*

3d. How many students (K–8) district wide will be participating in reading language arts blended learning through this grant?

190

4. What is the school system’s total student enrollment in grades K-8?

217

5. Please provide the contact information for the project manager designee or immediate contact for the BLG program.

Initiative Specific Questions for the Blended Learning Academic Cohort:

1. Did the school system participate in any of the current and/or previous TEA grant cohorts?

- Yes
- No

2. Identify the SBOE approved Tier 1 curriculum product and supplemental product that will be implemented with a blended learning model: *(may choose more than one option)*

- K-5 Math | Bluebonnet with *[IMRA supplemental approved product]*
- 6-8 Math | Bluebonnet with *[IMRA supplemental approved product]*
- HS Math | Bluebonnet with *[IMRA supplemental approved product]*
- K-5 Reading | Bluebonnet with *[approved product]*

Additional Days School Year Planning & Execution Program (ADSY PEP): Full Year Redesign and Summer Learning Cohorts

Initiative Description:

The Additional Days School Year (ADSY) Grant is a voluntary, three-year grant initiative designed to support school systems and open-enrollment charter schools in developing and sustaining high-quality ADSY programs.

The ADSY grant provides participating local education agencies (LEAs) with comprehensive support to design programs that are grounded in research and aligned with evidence-based practices that improve student outcomes. The program structure includes:

- Year 1: Planning - School systems engage in a year-long planning process with TEA-approved technical assistance providers to design a strategic, research-aligned ADSY model tailored to their local context.
- Years 2-3: Implementation Refinement and Continuous Improvement - School systems receive ongoing support to strengthen program quality, monitor outcomes, and make data-informed adjustments to ensure long-term success and sustainability.

This structured approach builds school system capacity in program design, strategic planning, and change management. It ensures that additional instructional days are effectively implemented and aligned with school system priorities to maximize academic impact.

School systems participating in the Grade 6- 8 Expansion opportunity pilot will follow a slightly shorter timeline, with grant support lasting for two years.

School systems will be able to select between two ADSY models, Full Year and Summer, to receive planning and implementation support aligned with research-based best practices.

Review the Eligibility Criteria and Initiative Assurances listed below and indicate the school system's acceptance.

Eligibility Criteria:

As the applicant, the school system hereby agrees to:

- Participating campuses must operate on a 175-day instructional calendar or have a board-approved plan to implement such a calendar by the 2026–2027 school year.
- Campus must be implementing an IMRA-approved product as their Tier 1 during the regular school year.

Note: For Campuses That Have Not Previously Accessed ADSY Funding Under the ADSY Planning and Execution Program (PEP)

- The participating campus must serve students in one or more grade levels within PK–5.

Note: Previously Participated in ADSY PEP and Seek to Expand to Grades 6–8

- The participating campus(es) must serve students in one or more grade levels within 6-8.

Initiative Assurances:

As the applicant, the school system hereby agrees to:

- Assign a qualified and experienced project manager with district-level decision-making authority who can align campus-based actions with district goals, and who will:
 - Attend all Learning Community professional development workshops.
 - Participate in calls with the designated approved provider.
 - Lead the District's ADSY PEP steering committee.
 - Ensure timely and high-quality completion of the LEA's ADSY PEP strategic plan and deliverables.
- Form a cross-departmental Steering Committee that meets at least monthly and includes representatives from both the Finance and Curriculum & Instruction teams to guide strategic planning.
- Attend and actively participate in all required grant orientation meetings, Professional Development sessions, Technical Assistance (TA) meetings, and maintain open, responsive communication with the assigned TA provider throughout the grant period.
- Complete the comprehensive ADSY PEP Strategic Plan using the provided planning resources and templates, and submit it by the designated deadlines.
- Understand that continuation in the ADSY PEP grant is contingent upon demonstrated effort to implement feedback, adherence to all grant requirements, and evidence of yearly progress.
- Failure to secure board approval of an ADSY-eligible calendar (defined as a 175-day base instructional calendar with 75,600 operational minutes) for the 2026–2027 school year at participating campuses will result in ineligibility to continue in ADSY PEP.
- Maintain the annual ADSY-eligible calendar approval process at participating campuses for the full duration of the grant, and acknowledge that failure to secure board approval in future years during the ADSY PEP grant cycle will result in ineligibility for continued funding, if available.

1. Does the school system agree to meet the Eligibility Criteria and Initiative Assurances listed above?

- Yes
 No

Additional Days School Year Planning & Execution Program (ADSY PEP): Full Year Redesign and Summer Learning Cohorts (cont.)

ADSY Calendar Requirement:

Additional Days School Year funding is the foundation of the ADSY grant and includes an eligibility requirement of conducting a minimum of 175-day instructional calendar at the participating campuses.

1. Does the school system agree to the ADSY grant requirement of implementing and maintaining a base academic calendar of 175 instructional days and 75,600 operational minutes, and adding at least 25 Additional Days (aligned to the approved model) to the calendar at the eligible campuses for the full duration of the grant?

- Yes
 No

Additional Days School Year Planning & Execution Program (ADSY PEP): Full Year Redesign and Summer Learning Cohorts (cont.)

ADSY Pathway:

1. Has the school system previously participated in the ADSY Full Year or Summer Cohort?

- Yes
 No

2. Which ADSY Cohort will the school system be applying to:

- ADSY Summer
 ADSY Full Year

Additional Days School Year Planning & Execution Program (ADSY PEP): Full Year Redesign and Summer Learning Cohorts (cont.)

New PK-5 Campus Participation

1. Select up to three ADSY-eligible campuses serving grades **PK-5** that the school system is applying for:

BOOKER JH/H S-(148901001)
KIRKSEY EL-(148901101)

2. Do **all of the selected campuses** above currently operate on a 175-day instructional day calendar (not including staff development waivers) for the 2025-2026 school year?

- Yes
 No

2a. How many instructional days (not including staff development waivers) does the calendar have?

168

2b. Upload the calendar(s) in a single PDF (or all calendars if campuses are operating with different instructional day counts)

Note: Upload a PDF file using the following naming convention - [School System or Campus Name].[Initiative Acronym].[Document Name].pdf

3. Is the school system currently implementing an IMRA-approved, full-subject Tier 1 HQIM for Math at the campuses anticipated to participate in the ADSY grant?

- Yes
 No

4. What is the full name of the Math instructional material(s)

Bluebonnet

5. Is the school system currently implementing an IMRA-approved, full-subject Tier 1 HQIM for RLA at the campuses anticipated to participate in the ADSY grant?

- Yes
 No

6. What is the full name of the RLA instructional material(s)

Bluebonnet

Additional Days School Year Planning & Execution Program (ADSY PEP): Full Year Redesign and Summer Learning Cohorts (cont.)

Initiative Specific Requirements for the ADSY Summer Cohort

Note: School systems that agree with program specific requirements will be prioritized.

1. Does the school system agree to implement an ADSY PEP summer program lasting between 25 and 30 days, with each day including at least 360 minutes (6 hours) of total programming, which must include::

- A minimum of 180 minutes (3 hours) dedicated to math and reading instruction.
- At least 60 minutes (1 hour) of TEKS-based enrichment activities aligned with core subjects, based on local needs and STAAR data.
- The remaining 120 minutes (2 hours) should include:
 1. 60 minutes (1 hour) of traditional enrichment activities, such as arts, science exploration, or sports.
 2. 60 minutes (1 hour) can be dedicated to transitions, lunch, and other flexible needs.

- Yes
 No

2. Does the school system agree to implement a summer academic strategy that is data-driven and that aligns with both the regular-year HQIM and regular-year academic strategy?

- Yes
 No

3. Does the school system agree to implement a staffing model that ensures teachers are assigned to students in the same grade level they taught in the previous year or will teach in the following year?

- Yes
 No

4. Does the school system understand that teachers who meet the school system's certification requirements must provide at least three hours of academic instruction focused on math and reading and one hour of enrichment aligned to core subjects on dedicated ADSY summer program days?

- Yes
 No

5. Does the school system agree to develop a Summer Program Impact Report each year using the tools and templates provided by the grant program and share the Impact Report with TEA and stakeholders?

- Yes
 No
-

Additional Days School Year Planning & Execution Program (ADSY PEP): Full Year Redesign and Summer Learning Cohorts (cont.)

Initiative Specific Questions for both Cohorts

1. Does the school system currently have a formal partnership in a written agreement with an SBEC-approved educator preparation program (EPP)?

- Yes
 No

1a. Enter the name(s) of the school system's EPP Partnerships. (*comma separated*)

West Texas A&M University

1b. Should the occasion arise, would the school system be interested in exploring a grant-supported opportunity that overlaps the ADSY model with the school system's EPP partnership (e.g., Residency, ACP, etc.)?

- Yes
 No

2. Are any of the campuses in this ADSY application currently on the [Resource Campus Eligibility List](#)?

- Yes
 No

PREP Residency Preservice Program Allotment

Allotment Opportunity:

The PREP Residency Preservice Program empowers school systems to play a central role in cultivating a pipeline of well-prepared, highly qualified teachers by embedding paid preservice teacher residency candidates directly into classrooms of highly qualified host teachers. Through close collaboration with educator preparation programs, participating school systems support teacher residents in earning an enhanced standard teaching certificate while gaining hands-on experience on campuses across the school system. By expanding the reach and effectiveness of residency models, the PREP Residency Preservice Program enhances instructional capacity and increases student access to skilled educators—ultimately advancing educational outcomes.

Roles

- **Mentor Teacher:** A teacher who, to the extent practicable, teaches in the same school, subject, and/or grade level of the beginning teachers they mentor, completes a mentor teacher training program established by TEA, has at least three years of teaching experience, and demonstrates instructional and leadership skills under TEC §21.458 and §21.907.
- **School system and/or Campus Leader:** Any appropriate district and campus employees who work with the classroom teacher or supervise the classroom teacher under TEC, §21.458

PREP Mentorship Training Requirements

• **Pathway 1 (Mentoring Educator) Training:**

- This pathway is intended for mentoring educators, such as mentor teachers, who provide direct mentoring to beginning teachers.
- Pathway 1 training will occur in Summer 2026, Fall 2026, Winter 2026-27, and Spring 2027 for a total of 24-30 hours.

• **Pathway 2 (School system & Campus Leader) Design Sessions:**

- This pathway is intended for school system and campus leaders who will be planning & implementing mentorship programs (e.g., program managers, district mentoring staff, campus principals, etc.).
- Pathway 2 design sessions will occur in Spring 2026, Summer 2026, Fall 2026, and Spring 2027 for a total of 15-16 hours.

* **Note:** Per TEC §21.458, appropriate school system and campus employees who work with the beginning teachers or supervise beginning teachers are required to attend mentorship training. This requirement may be fulfilled by either Texas Mentorship Training Pathway 1 or Pathway 2; these individuals may attend both Pathways 1 and 2, if desired.

5. School systems must self-report the estimated number of mentor teachers and school system & campus leaders that would attend Pathway 1 training for Year 1 implementation (SY 2026-27). See 'Roles' definition above.

Estimated number of mentor teachers:	8
Estimated number of school system & campus leaders for Pathway 1:	2

6. School systems must self-report the estimated number of school system & campus leaders that would attend Pathway 2 training for Year 1 implementation (SY 2026-27). See 'Roles' definition above.

Pathways in Technology Early College High School (P-TECH)

Initiative Description:

The Pathways in Technology Early College High School (P-TECH) program is an open-enrollment initiative that offers campuses an opportunity to plan to build a P-TECH within their school system. Designed to support underserved and at-risk students, P-TECH schools offer opportunities for students to earn a high school diploma while simultaneously earning industry certifications, and/or an associate degree on or before the sixth anniversary of a student's first day of high school. The P-TECH program requires a campus to maintain a partnership with an institution of higher education (IHE) to provide dual credit opportunities to the P-TECH academy students and with a business/industry partner

to provide work-based learning experiences.

Review the Eligibility Criteria and Initiative Assurances listed below and indicate the school system's acceptance.

Eligibility Criteria:

As the applicant, the school system hereby agrees to:

- As the applicant, the school system hereby agrees to serving students in Grades 9–12
 or will begin serving students in Grade 9
 or students in Grades 9 and 10 in the first year of implementation (2027-2028) and will progressively scale up by adding at least one grade level per year after the first year of implementation.
- All current P-TECH planning, provisional or designated campuses are not eligible to apply.
- All recipients of previous P-TECH Planning and Implementation or LASO Grants are ineligible to apply.
- Any campus that has been given CCRSM Needs Improvement status is not eligible to apply.

Initiative Assurances:

As the applicant, the school system hereby agrees to:

- P-TECH campuses must establish recruitment and enrollment processes and requirements that will not exclude or discourage the enrollment of any of the subpopulations of at-risk students, including, but not limited to, students who are of limited English proficiency or who have failed a state-administered assessment.
- P-TECH campuses must provide for a TEA CTE program of study that enables a participating student in grade levels 9–12 to combine high school courses and postsecondary courses. Describe the course of study that the school is planning to offer and how it expands upon current offerings. Include how the course of study will enable a student to combine high school courses and postsecondary courses and identify crosswalks, sequences of courses, degrees/certificates/certifications earned, and work-based education that will be available to students at every grade level. Describe how the selected course of study will address regional workforce needs.
- P-TECH campuses must enter into a MOU with regional industry or business partners in Texas and must meet the following guidelines:
 - Provide 100% of participating students access to appropriate work-based education at every level.
 - Address regional workforce needs.
 - The industry/business partner will give a student who receives work-based training or education from the partner with a P-TECH first priority in interviewing for any jobs for which the student is qualified that are available upon the student's completion of the program.
 - Review the MOU at least every two years and update as necessary the name of the regional industry or business partner and describe how the proposed program will meet the requirements for the partnership with the industry/business partner.
- At TEA's request, P-TECH campuses must submit a data report of leadership team members, meeting dates, and agendas (including attendance) posted on the school's website.
- At TEA's request, P-TECH campuses must submit a data report of enrollment guidelines that follow the enrollment requirements outlined in the statutory requirements of this grant. Enrollment Guidelines should clearly document enrollment policies and practices to include admissions policies of performance-blind, open access systems that encourage and consider applications from all students, or a weighted lottery that factors 10 students who are at-risk as defined by the PEIMS (TEC §29.081) or who are part of the targeted subpopulations for P-TECH.
- At TEA's request, P-TECH campuses must submit a recruitment plan that includes marketing materials (in English/Spanish) and timelines.
- At TEA's request, P-TECH campuses must submit a data report of stakeholder input methods used to obtain input about the implementation of the program from students, parents, community, postsecondary partners, with regular activities to educate students, parents, counselors, community, district staff, and school board members.
- At TEA's request, P-TECH campuses must submit an academic year signed and dated memorandum of understanding (MOU) and course articulation agreement with one or more college partners that fulfills the statutory requirements of this grant. The agreement must address curriculum alignment, instructional material, instructional calendar, courses of study that lead to an associate degree or up to 60 hours of college credit toward a baccalaureate degree, student enrollment and attendance, grading periods and policies, administration of statewide assessments, and data-sharing policies and procedures.
- At TEA's request, P-TECH campuses must submit a plan of wrap-around strategies and services to provide academic, behavioral, and mental health supports for student success to include a plan for academic mentoring of faculty and student supports for intervention and acceleration, counseling, guidance, and student advisory services for academic, and mental health supports, and behavioral and mental health supports such as parent outreach, connections to social services when needed, and peer mentoring.
- The applicant agrees to complete and submit the required CCRSM planning application prior to the beginning of the next school year.
