## Additional Days School Year Planning & Execution Program (ADSY PEP): Full Year Redesign and Summer Learning Cohorts

### Initiative Description:

The Additional Days School Year (ADSY) Grant is a voluntary, three-year grant initiative designed to support school systems and open-enrollment charter schools in developing and sustaining high-quality ADSY programs.

The ADSY grant provides participating local education agencies (LEAs) with comprehensive support to design programs that are grounded in research and aligned with evidence-based practices that improve student outcomes. The program structure includes:

- Year 1: Planning - School systems engage in a year-long planning process with TEA-approved technical assistance providers to design a strategic, research-aligned ADSY model tailored to their local context.
- Years 2-3: Implementation Refinement and Continuous Improvement - School systems receive ongoing support to strengthen program quality, monitor outcomes, and make data-informed adjustments to ensure long-term success and sustainability.

This structured approach builds school system capacity in program design, strategic planning, and change management. It ensures that additional instructional days are effectively implemented and aligned with school system priorities to maximize academic impact.

School systems participating in the Grade 6- 8 Expansion opportunity pilot will follow a slightly shorter timeline, with grant support lasting for two years.

School systems will be able to select between two ADSY models, Full Year and Summer, to receive planning and implementation support aligned with research-based best practices.

Review the Eligibility Criteria and Initiative Assurances listed below and indicate the school system's acceptance.

### Eligibility Criteria:

As the applicant, the school system hereby agrees to:

- Participating campuses must operate on a 175-day instructional calendar or have a board-approved plan to implement such a calendar by the 2026–2027 school year.
- Campus must be implementing an IMRA-approved product as their Tier 1 during the regular school year.

*Note: For Campuses That Have Not Previously Accessed ADSY Funding Under the ADSY Planning and Execution Program (PEP)*

- The participating campus must serve students in one or more grade levels within PK–5.

*Note: Previously Participated in ADSY PEP and Seek to Expand to Grades 6–8*

- The participating campus(es) must serve students in one or more grade levels within 6-8.

### Initiative Assurances:

As the applicant, the school system hereby agrees to:

- Assign a qualified and experienced project manager with district-level decision-making authority who can align campus-based actions with district goals, and who will:
  - Attend all Learning Community professional development workshops.
  - Participate in calls with the designated approved provider.
  - Lead the District's ADSY PEP steering committee.
  - Ensure timely and high-quality completion of the LEA's ADSY PEP strategic plan and deliverables.
- Form a cross-departmental Steering Committee that meets at least monthly and includes representatives from both the Finance and Curriculum & Instruction teams to guide strategic planning.
- Attend and actively participate in all required grant orientation meetings, Professional Development sessions, Technical Assistance (TA) meetings, and maintain open, responsive communication with the assigned TA provider throughout the grant period.
- Complete the comprehensive ADSY PEP Strategic Plan using the provided planning resources and templates, and submit it by the designated deadlines.
- Understand that continuation in the ADSY PEP grant is contingent upon demonstrated effort to implement feedback, adherence to all grant requirements, and evidence of yearly progress.
- Failure to secure board approval of an ADSY-eligible calendar (defined as a 175-day base instructional calendar with 75,600 operational minutes) for the 2026–2027 school year at participating campuses will result in ineligibility to continue in ADSY PEP.
- Maintain the annual ADSY-eligible calendar approval process at participating campuses for the full duration of the grant, and acknowledge that failure to secure board approval in future years during the ADSY PEP grant cycle will result in ineligibility for continued funding, if available.
