Additional Days School Year Planning & Execution Program (ADSY PEP): Full Year Redesign and Summer Learning Cohorts

Initiative Description:

The Additional Days School Year (ADSY) Grant is a voluntary, three-year grant initiative designed to support school systems and open-enrollment charter schools in developing and sustaining high-quality ADSY programs.

The ADSY grant provides participating local education agencies (LEAs) with comprehensive support to design programs that are grounded in research and aligned with evidence-based practices that improve student outcomes. The program structure includes:

- Year 1: Planning - School systems engage in a year-long planning process with TEA-approved technical assistance providers to design a strategic, research-aligned ADSY model tailored to their local context.
- Years 2-3: Implementation Refinement and Continuous Improvement - School systems receive ongoing support to strengthen program quality, monitor outcomes, and make data-informed adjustments to ensure long-term success and sustainability.

This structured approach builds school system capacity in program design, strategic planning, and change management. It ensures that additional instructional days are effectively implemented and aligned with school system priorities to maximize academic impact.

School systems participating in the Grade 6- 8 Expansion opportunity pilot will follow a slightly shorter timeline, with grant support lasting for two years.

School systems will be able to select between two ADSY models, Full Year and Summer, to receive planning and implementation support aligned with research-based best practices.

Review the Eligibility Criteria and Initiative Assurances listed below and indicate the school system's acceptance.

Eligibility Criteria:

As the applicant, the school system hereby agrees to:

- Participating campuses must operate on a 175-day instructional calendar or have a board-approved plan to implement such a calendar by the 2026–2027 school year.
- Campus must be implementing an IMRA-approved product as their Tier 1 during the regular school year.

Note: For Campuses That Have Not Previously Accessed ADSY Funding Under the ADSY Planning and Execution Program (PEP)

- The participating campus must serve students in one or more grade levels within PK–5.

Note: Previously Participated in ADSY PEP and Seek to Expand to Grades 6–8

- The participating campus(es) must serve students in one or more grade levels within 6-8.

Initiative Assurances:

As the applicant, the school system hereby agrees to:

- Assign a qualified and experienced project manager with district-level decision-making authority who can align campus-based actions with district goals, and who will:
 - Attend all Learning Community professional development workshops.
 - Participate in calls with the designated approved provider.
 - Lead the District’s ADSY PEP steering committee.
 - Ensure timely and high-quality completion of the LEA’s ADSY PEP strategic plan and deliverables.
- Form a cross-departmental Steering Committee that meets at least monthly and includes representatives from both the Finance and Curriculum & Instruction teams to guide strategic planning.
- Attend and actively participate in all required grant orientation meetings, Professional Development sessions, Technical Assistance (TA) meetings, and maintain open, responsive communication with the assigned TA provider throughout the grant period.
- Complete the comprehensive ADSY PEP Strategic Plan using the provided planning resources and templates, and submit it by the designated deadlines.
- Understand that continuation in the ADSY PEP grant is contingent upon demonstrated effort to implement feedback, adherence to all grant requirements, and evidence of yearly progress.
- Failure to secure board approval of an ADSY-eligible calendar (defined as a 175-day base instructional calendar with 75,600 operational minutes) for the 2026–2027 school year at participating campuses will result in ineligibility to continue in ADSY PEP.
- Maintain the annual ADSY-eligible calendar approval process at participating campuses for the full duration of the grant, and acknowledge that failure to secure board approval in future years during the ADSY PEP grant cycle will result in ineligibility for continued funding, if available.

School Action Fund-Planning and Implementation (SAF) Grant

Initiative Description:

School Actions are whole-school strategies districts use to increase access to high-quality schools, meet community needs, and address chronic underperformance. By providing technical assistance and grant funds to support school actions for individual campuses, TEA also supports school districts to take strategic actions that both improve schools and provide communities, parents, and families with the schools and programs they want, need, and deserve.

All School Action Fund (SAF) grantees must plan and implement an ESF-aligned, evidence-based model that includes development of a strategic schedule that maximizes instructional staff and time; assignment and empowerment of a campus leader with a track record of success to plan and implement the school action and model; and implementation of high quality instructional materials (HQIM, as defined later in these Program Guidelines) and research-based instructional strategies (RBIS).

Review the Eligibility Criteria, Initiative Assurances, and Initiative Requirements listed below and indicate the school system's acceptance.

Eligibility Criteria:

As the applicant, the school system hereby agrees to:

- Relevant campuses meet grant specific eligibility requirements of the 2026-2027 School Action Fund-Planning and Implementation Grant (SAF) to apply. See Eligibility List [here](#).

Note: Eligible applicants are school systems that apply on behalf of campuses that are Title I-serving school-wide and Comprehensive Support-identified, Targeted Support-identified, or Additional Targeted Support-identified, based on SY 2024-25 ratings. For new schools, there must be clear Title I, Part A eligibility and intent to obtain Title I-serving status for SY 2027-28 and beyond.

To be eligible, a campus may not have received any School Action Fund (SAF) grants, including TCLAS Decision 10 and any LASO SAF grants, since 2019-2020 (Planning, Continuation, or Implementation).

Initiative Assurances:

As the applicant, the school system hereby agrees to:

Note: The Superintendent, Chief Academic Officer and/or Chief Innovation/Transformation Officer, School Action Fund Project Manager (who has Cabinet-level access and decision-making authority), Chief Financial Officer, and any Superintendent designee understand that the School System (Applicant) assure that they know the following commitments.

- Aware that if awarded a Restart Action School System-Run ACE model Planning grant, and the campus is eligible for Resource campus designation, the grantee will be required to meet all Resource designation expectations by the end of the 2nd (second) year of implementation. More information about Resource Campus designation can be found [here](#).
- Regularly submit their expenditures (monthly preferred, quarterly at minimum) to remain on-track for grant expenditures.
- If a specific campus has not yet been identified, SAF grantee School Systems use a data-informed evaluation process and criteria (both quantitative and qualitative), and an appropriate timeline for identifying the campus(es) for school action(s), **by Gate 0 of the first year of the awarded grant.**
- Required to select a school system level (Central Office) staff member who is both qualified and experienced in project and program management to manage the planning and implementation of the grant.

- School Action Fund Project Manager must attend regular meetings, at least monthly, with the TEA SAF program staff.
- The school system level (central office) Business/Finance Office staff member responsible for overseeing SAF grant expenditures and drawdown processes must attend at least two meetings per semester with the school system’s School Action Fund Project Manager and TEA SAF program staff.
- Fully implement high-quality instructional materials (HQIM, as described in the SY 2026-27 School Action Fund-Planning and Implementation grant’s Program Guidelines) on the awarded campus(es) by **Year 1 (one)** of Continuation/Implementation, in both Mathematics and Reading Language Arts classes/courses.
- Implement strategic scheduling programs that require operational and staffing shifts to optimize time and accelerate instruction at the SAF campus(es) by Year 1 (one) of Continuation/Implementation as defined by the TEA, unless otherwise approved or stated by the TEA.

Initiative Requirements:

As the applicant, the school system hereby agrees to:

- The SAF grantee must fully implement the selected school action and model, identifying flexible and autonomous practices, as well as campus-specific goals and metrics aligned with school system policies. These must be documented in a Performance Agreement (for school system-run actions) or a Partnership Performance Contract (for partner-managed actions), signed by the campus leader and the school system superintendent and/or Board of Trustees by **May 31, 2027**.
- The SAF grantee school system’s Board of Trustees must complete TEA-approved board training by Gate 3 of Year 1 of the awarded grant..
- Any campus that is closing, or potentially being repurposed, as part of a SY 2026-27 School Action Fund-Planning and Implementation grant, **must** follow TAC rules regarding CDCN requirements (County District Campus Number), and Campus Repurposing and Closure, including TAC 97.1066. (More information can be found [here](#).)
- Guarantee that school leaders of awarded campuses have at least 20 hours of release time built into their weekly schedules to plan the school action(s) and model(s).
- Select a TEA-codified school model and assign and empower a campus leader who has a track record of success to lead the planning and implementation of the school action and model.
