

# Welcome

Welcome to the Learning Acceleration Support Opportunities (LASO) 25-26 Cycle 4 application.

This consolidated application streamlines school system's access to grant funding, allotments, and in-kind supports and services across 15 opportunities.

## Introduction

This application includes 15 initiatives available for school systems to apply for in LASO Cycle 4.

To ensure an informed selection, please follow these steps:

- **Review Program Guidelines:** Examine the program guidelines and resources for each initiative to understand its purpose, eligibility requirements, and assurances.
- **Engage Internal Teams:** Consult with key stakeholders (e.g., board, superintendent, district leaders, campus leaders etc.) to determine which initiatives best align with your school system's needs and capacity.
- **Select Initiatives:** Identify the initiatives that best support your local priorities.
- **Complete the Application:** Submit responses only for the initiatives your school system chooses to apply for.

Review each initiative by clicking the links to its program guidelines below:

## Additional Resources and Considerations

### Additional Resources

- [Initiative One-Pagers](#): Provides school systems with a concise summary of each initiative in LASO Cycle 4.
- [Eligibility & Prioritization Matrix](#): Provides eligibility and prioritization criteria that will enable a school system to predict the likelihood of receiving an award.
- [Initiative Selection Tool](#): Provides a Scenario map to guide selection of the right fitting initiative based on need.
- [Role and Responsibilities Insight Tool](#): Identifies the types of responsibilities for each role and show where roles overlap across initiatives.

### Key Considerations for Submission

- Each school system may submit only one application. If multiple applications are submitted, only the most recent submission (based on timestamp) will be accepted.
- The application must be signed by the superintendent to be considered formally submitted. Only signed applications will be scored and considered for award. If the superintendent is unavailable to sign by the deadline, email [LASO@texas.tea.gov](mailto:LASO@texas.tea.gov) for guidance.
- School systems have 60 days to complete the application. The application opens on October 3, 2025, and must be submitted by December 3, 2025, at 5:00 PM CT.

## Leadership and Instructional Foundations for Texas (LIFT)

### Initiative Description:

LIFT (Leadership and Instructional Foundations for Texas) is a three-year program designed to support Texas school systems in building the instructional and systems-level capacity needed to deliver high-quality learning experiences for all students. LIFT brings together the highest leverage components of Strong Foundations, Texas Instructional Leadership, and Texas Lesson Study, providing comprehensive support for school systems to adopt **high-quality instructional material (HQIM)** and implement **Bluebonnet Learning (BL)** over multiple years.

Review the Eligibility Criteria and Initiative Assurances listed below and indicate the school system’s acceptance.

### Eligibility Criteria:

As the applicant, the school system hereby agrees to:

- Commit to selecting and implementing a [State Board of Education \(SBOE\)](#)-approved high-quality instructional material (HQIM) in the 2027–28 school year.

OR

- Commit to implementing a Bluebonnet Learning (BL) product in the 2026–27 school year.

*Note: Participation in other grant programs does not disqualify applicants but may be considered during prioritization.*

### Initiative Assurances:

As the applicant, the school system hereby agrees to:

- Commit to (with Board approval) implementing a Bluebonnet Learning (BL) product in the 2026–27 school year (if applying to the “Implementation Phase”) OR committing to selecting and implementing a State Board of Education (SBOE)-approved high-quality instructional material (HQIM) in the 2027–28 school year (if applying to the “Planning Phase”).
- Contract with an Approved Provider from the LASO Cycle 4 State Approved Provider List for LIFT.
- Submit Approved Provider contracts and required funding summary reports to TEA.
- Secure approval from the Superintendent and Chief Academic Officer (or equivalent leader) to participate in the program.
- Appoint a designated LIFT lead as the primary point of contact and identify at least two additional contacts.  
*Note: The primary point of contact should be the equivalent of a senior academic team member or principal manager.*
- Participate in required TEA-led activities, including a grant kick-off and communities of practice.
- Engage relevant school system and campus leaders, including special programs leadership, as well as teachers, instructional coaches, and special population educators in upfront training, implementation support, and coaching.
- Participate in a needs assessment of current instructional practices and materials.
- Establish or refine systems for instructional leadership, schoolwide routines, and observation and feedback.
- Submit all required grant deliverables, including instructional framework artifacts, implementation plans, school system-level instructional materials transition plan, campus-level implementation action plans, classroom, campus, and school system-level observation data and student outcomes data and progress updates as requested by the Approved Provider or the TEA.
- Participate in TEA-administered surveys and/or focus groups, as requested.
- Use grant funds in alignment with the required allocation structure and ensuring all expenditures support the goals of the LIFT program.
- Permit Approved Providers access to campuses to provide in-person support.
- Ensure teachers have sufficient planning time and use the required protocols.
- Provide print materials for all participating teachers and students.
- Follow the year-long scope and sequence for the instructional materials.
- Meet the minimum number of instructional minutes for the instructional materials.
- Ensure that a number of instructional leaders, aligned with the school system size, will actively participate in monthly implementation support and coaching provided by the Approved Provider.
- Ensure that the school system cabinet regularly engages in data reflection/performance management routines.

1. Does the school system agree to meet the Eligibility Criteria and Initiative Assurances listed above?

- Yes  
 No

## Advanced Placement Computer Science Principles (APCSP)

### Initiative Description:

The APCSP Grant program is designed to meet workforce demands and provide valuable student pathways to high-wage and in-demand careers. According to the College Board, students who took an APCSP course were twice as likely to continue along a computer science pathway. Students who took an APCSP course in high school were three times more likely to major in computer science in college, with this data being consistent across various demographics. With the LASO 4 APCSP Grant funds, Texas public schools can begin to build, expand, and sustain a computer science pathway.

Review the Eligibility Criteria, Initiative Assurances, and Initiative Requirements listed below and indicate the school system's acceptance.

### Eligibility Criteria:

- All Texas school systems are eligible.

### Initiative Assurances:

As the applicant, the school system hereby agrees to:

- Contract with an Approved Provider from the LASO Cycle 4 Approved Provider List for curriculum and training.
- Adhere to all Statutory and TEA Program Requirements and Assurances as noted in the 2025-2026 APCSP Grant Program Guidelines.
- Adhere to all APCSP Grant performance measures as noted in the 2025-2026 APCSP Grant Program Guidelines.
- Use grant funds only for APCSP classroom supplies and technology, teacher training, and directly related expenses for implementing an APCSP course.
- Administer the APCSP exam to district-enrolled students participating in the APCSP course, at no cost to the student.

### Initiative Requirements:

As the applicant, the school system hereby agrees to:

- Complete the necessary district process to obtain school board approval to include the APCSP course in the district's course catalog for the 2026-2027 school year.
- Provide the APCSP course exam to enrolled students free of charge.
- Provide the technology, equipment and any additional resources required for a successfully functioning APCSP course.
- Publicize the APCSP course offering to relevant stakeholders, high school students and their parents/guardians.
- Recruit, onboard, and arrange for professional development for certified teachers to teach the APCSP course.
- Provide a description of how the funds will be used, if awarded.
- Continue providing the current level or increase the number of APCSP course opportunities.
- Provide the number of district campuses that will offer the APCSP grant opportunity and the number of teachers to be trained.
- Provide the necessary student support structures to prepare enrolled students to score 3 or higher on the APCSP exam.

1. Does the school system agree to meet the Eligibility Criteria, Initiative Assurances, and Initiative Requirements listed above?

- Yes  
 No

## Advanced Placement Computer Science Principles (APCSP) (cont.)

### Initiative Specific Questions for the Advanced Placement Computer Science Principles (APCSP) Grant.

The funds will be used to pay for student APCSP AP exams  
teacher training  
hardware  
and software.

2. Does the school system currently offer College Board Advanced Placement courses for student enrollment?

- Yes
- No

3. Does the school system currently offer an APCSP course on one or more campuses?

- Yes
- No

4. Has the school system participated in any other APCSP grant opportunities?

- Yes
- No

5. If awarded, how many of the school system's campuses will offer the APCSP course? (Min: 1, Max: Not to exceed the number of available campuses)

1

6. If awarded, how many teachers will be trained during the summer of 2026 to teach one or more sections of the APCSP course in fall 2026?

## PREP Residency Preservice Program Allotment

### Allotment Opportunity:

The PREP Residency Preservice Program empowers school systems to play a central role in cultivating a pipeline of well-prepared, highly qualified teachers by embedding paid preservice teacher residency candidates directly into classrooms of highly qualified host teachers. Through close collaboration with educator preparation programs, participating school systems support teacher residents in earning an enhanced standard teaching certificate while gaining hands-on experience on campuses across the school system. By expanding the reach and effectiveness of residency models, the PREP Residency Preservice Program enhances instructional capacity and increases student access to skilled educators—ultimately advancing educational outcomes.

1. Does the school system wish to be considered for this Allotment Opportunity?

- Yes
  - No

---

The applicant must agree to train its resident cooperating teachers via the Texas Mentorship Training.

TEA anticipates proposing rule to further defining cooperating teachers for the purpose of PREP Residency Preservice Program by adopting the definition of host teacher currently in TAC §228.95.

### Roles

- **Resident Cooperating (Host) Teacher:** For the PREP Preservice Residency Program, statute defines a cooperating teacher as a classroom teacher who is a school system employee; has at least three full school years of teaching experience with a superior record of assisting students in achieving improvement in student performance; and is paired with one or more teacher candidates (new TEC §21.902).
- **PREP Mentorship Training Requirements:** Summer 2026, Fall 2026, Winter 2026-27 and Spring 2027 (24-30 total hours)

School systems must self-report the estimated number of resident cooperating teachers that would attend training for SY 2026-27.

---

7. How many host teachers does the school system estimate will attend the training? (*Min: 1, Max: 40*).

*Note: This should correlate to the anticipated number of residents the school system will have in SY 2026-27.*

## PREP Mentorship Program Allotment

### Allotment Opportunity:

The Preparing and Retaining Educators through Partnership (PREP) Program Allotment aims to strengthen the quality of teacher recruitment, preparation, and mentorship, leading to increased educator effectiveness and retention. The PREP Program Allotment provides funding for various partnerships and school systems may apply for funding for the PREP Residency Preservice Program, Grow Your Own Program, and the Mentorship Program through this LASO IV Application. Through this allotment, school systems may also apply for Strategic Staffing funding to support the implementation and reach of the PREP Program Allotment. The 89th Texas Legislature established the PREP Program Allotment via House Bill 2, which was signed into law by Governor Abbott on June 20, 2025.

1. Does the school system wish to be considered for this Allotment Opportunity?

- Yes  
 No

## PREP Mentorship Program Allotment

### Initiative Description:

The Preparing and Retaining Educators Through Partnership (PREP) Mentorship Program provides school systems interested in implementing high-quality new teacher mentorship programs with funding to 1) provide, at minimum, a \$1,000 stipend to the mentor teacher (per beginning teacher), 2) train all required school system mentorship staff via the Texas Mentorship Training, and 3) provide release time for mentor teacher and beginning teacher mentoring activities. Any remaining funds may be used on strategic staffing training. The overarching purpose of this allotment is to increase the effectiveness and retention of beginning teachers across Texas.

Review the Eligibility Criteria and Initiative Assurances listed below and indicate the school system's acceptance.

### Eligibility Criteria:

As the applicant, the school system hereby agrees to:

- Any school system, which includes open-enrollment charter schools, and SB 1882 Operating Partners who read and agree to the requirements in relevant sections of the Texas Education and Texas Administrative codes cited in these guidelines is eligible for the PREP Allotment.

### Initiative Assurances:

As the applicant, the school system hereby agrees to:

- Read and abide by TEC §21.907 (PREP Mentorship Program).
- Read and abide by TEC §48.157 (PREP Program Allotment).
- Read and abide by TAC sections related to the PREP Mentorship Program, which will be posted to the Texas Register for public comment during the 2025-26 school year and become effective prior to the start of the 2026-27 school year.

*Note: The TEA anticipates sharing specific dates related to rulemaking in fall 2025.*

5. School systems must self-report the estimated number of mentor teachers and school system & campus leaders that would attend Pathway 1 training for Year 1 implementation (SY 2026-27). See 'Roles' definition above.

Estimated number of mentor teachers:

Estimated number of school system & campus leaders for Pathway 1:

6. School systems must self-report the estimated number of school system & campus leaders that would attend Pathway 2 training for Year 1 implementation (SY 2026-27). See 'Roles' definition above.

Estimated number of school system & campus leaders for Pathway 2:

7. School systems must self-report the estimated number of beginning teachers for Year 1 implementation (SY26-27). Beginning teachers (BTs) are defined as classroom teachers who have less than two years of teaching experience under TEC, §21.907. School systems will enter the total estimated number of beginning teachers below; however, school systems will receive funding for up to 40 beginning teachers.

## Virtual and Hybrid Program Accelerator (VHPA)

### Initiative Description:

The Virtual and Hybrid Program Accelerator (VHPA) enables school systems and open-enrollment charter schools to design and launch high-quality virtual and hybrid programs or campuses, as defined under Texas Education Code (TEC) Chapter 30B. The goal of the program is to establish schools that are intentionally structured to achieve A or B accountability ratings and deliver rigorous, engaging instruction tailored to meet the diverse needs of students across Texas. Through VHPA, participating school systems receive funding and technical assistance to develop flexible, personalized learning models that support students requiring adaptable education pathways. The program also enables school systems to implement innovative staffing strategies, expand course offerings, and increase access to high-quality instruction statewide.

Review the Eligibility Criteria, Initiative Assurances, and Initiative Requirements listed below and indicate the school system's acceptance.

### Eligibility Criteria:

As the applicant, the school system hereby agrees to:

- Have not participated in a previous VHPA cycle.

### Initiative Assurances:

As the applicant, the school system hereby agrees to:

- Program leads of awarded applicants have at least 16 hours of release time built into their weekly schedules to plan and create the virtual or hybrid program or campus.
- Ensure that the program or designated campus leader possesses relevant experience or can exhibit the competencies necessary to lead a virtual or hybrid program or campus effectively.
- Design and manage strategic initiatives that improve instructional quality and student engagement, and they are committed to building their capacity to support high-quality virtual and hybrid models.
- As part of the program commitment for Year 1 of VHPA, submit a comprehensive launch plan for a full-time virtual or hybrid program or apply for authorization to operate a virtual or hybrid campus to operate in 2027-2028 school year.

*Note: If the school system does not meet participation expectations or disengage from VHPA, they may have their membership from the VHPA terminated and forfeit any access to remaining funding.*

### Initiative Requirements:

As the applicant, the school system hereby agrees to:

- Establish a dedicated VHPA Team responsible for developing and implementing the full-time virtual or hybrid campus or program.
- Collaborate with a TEA-assigned technical assistance (TA) provider and participate in TA-supported activities such as cohort workshops, monthly coaching calls, step backs, planning sessions, or implementation deliverables.
- Ensure adaptability and dedication in program model design to align with research-based practices for high-quality virtual and hybrid models.

- By the end of Year 1 of VHPA support, launch a full-time virtual or hybrid program or apply for authorization to operate a full-time virtual or hybrid campus beginning the 2027-2028 school year.

*Note: For full-time virtual or hybrid campuses, Year 2 of VHPA TA support and funds are contingent upon the full-time virtual or hybrid campus receiving authorization.*

- Ensure that any partnership with a private or third-party vendor preserves the school system’s ability to design, adapt, and implement the virtual or hybrid program to meet local needs.
- Disclose any vendor-imposed services, limitations that may affect program flexibility, instructional design, or operational decision-making.
- If selecting a private or third-party provider to operate the school, collaborate with the designated technical assistance partner to develop a comprehensive provider selection plan that includes:
  - Defined criteria for evaluating potential providers.
  - Detailed cost analysis and breakdown of services.
  - Consideration of the provider’s historical performance (e.g., student academic outcomes).
- If selecting a private or third-party provider to operate the program or campus, formalize and monitor the partnership with a third-party provider by:
  - Submitting memoranda of understanding (MOU) or formal agreements outlining responsibilities of both the provider and the school system or charter.
  - Establishing a system for progress monitoring, including required reports on student engagement and academic progress.
  - Defining action items if the provider fails to meet success criteria for the campus or program.
- Complete all required deliverables and meeting milestones by the scheduled timeline specified by the VHPA, including:
  - Define a clear and compelling rationale for launching the virtual or hybrid program/campus, including the specific student population or campus it will serve.
  - Present evidence of community interest in a virtual or hybrid learning option, including data collected through surveys, focus groups, or other engagement methods.
  - Develop and implement comprehensive plans to achieve program objectives, including an academic plan that outlines curriculum, instructional methods, approaches for monitoring student progress, and support strategies for special populations and at-risk students.
  - Develop and iterate plans regarding staffing models, school culture, family engagement, and student support.
  - Update operations such as staffing, schedules, finances, technology, and cybersecurity to support virtual or hybrid models.
  - Provide a professional development plan for instructional staff that includes training specific to virtual and hybrid instruction, along with ongoing, job-embedded coaching to strengthen instructional quality and student engagement.
  - Present evidence of training and development for teachers and leaders to ensure high-quality virtual or hybrid instruction.
  - Use data to monitor student engagement and academic progress, ensuring alignment with grade-level standards and research-based instructional strategies specific to virtual and hybrid learning.
  - Engage in three improvement cycle sessions using data to inform ongoing development. School systems will share data that reflects program implementation and outcomes. This may include student engagement, progress toward grade-level mastery in virtual and hybrid courses (BOY, MOY, EOY), teacher instructional practices and growth in serving virtual and hybrid learners, and leader support for professional learning communities and job-embedded coaching.
  - Obtain formal approval from the school system’s governing board to launch a virtual or hybrid program/campus and ensure this approval is secured prior to applying for authorization. For virtual/hybrid campuses, ensure this approval is secured prior to applying for authorization.
  - Submit a detailed plan or contract outlining the scope of services, responsibilities, and decision-making authority in any private or third-party vendor partnership supporting the virtual or hybrid program/campus (if applicable).
  - Submit a comprehensive launch plan and either implement a virtual or hybrid program or apply for authorization to operate a virtual or hybrid campus that is expected to begin operating in the 2027-2028 school year.

1. Does the school system agree to meet the Eligibility Criteria, Initiative Assurances, and Initiative Requirements listed above?

- Yes
- No

3. What type of delivery format is the school system planning on?

- Program
- Campus
- TBD

4. What type of program is the school system planning on opening?

- Virtual
- Hybrid
- TBD

5. How does the school system envision instructions to delivered in the program?

- Asynchronous only
- Synchronous only
- Both asynchronous and synchronous
- Undecided

6. Will the school system be in Year 1 of the school system wide adoption of HQIM in core subjects?

- Yes
- No

7. Current or anticipated student enrollment number in the virtual/hybrid program or campus?

8. Describe how the school system calculated the enrollment number above.

*(i.e. current number of students enrolled, number of interested students via family survey)*

The anticipated enrollment was calculated by reviewing historical data on students who have requested flexible learning options examining course request patterns and scheduling conflicts and identifying learner groups who may benefit from a virtual or hybrid setting. We also considered the district's recent decline of approximately 100 students as families seek more personalized learning environments. These factors together provided a reasonable estimate for an initial launch.

9. Which best describes where the school system is in the virtual/hybrid program?

- Are in the planning phase and currently do not have a virtual or hybrid program, but intend to launch in SY26-27.
- Have a plan and will be ready to launch a virtual/hybrid program this school year (SY26-27) with some additional support.
- Are currently running a virtual and hybrid program and would like feedback and support to build on it to launch a more robust program in SY27-28.
- Are in the planning phase and currently do not have a virtual or hybrid program but intend to apply for authorization to operate a virtual or hybrid campus in the SY27-28.
- Have a plan and will be ready to launch a virtual/hybrid program this school year (SY26-27). With some additional support, we plan to apply for authorization to operate a virtual or hybrid campus in the SY27-28.
- Are currently running a virtual and hybrid program and would like feedback and support to build on it and establish a virtual or hybrid campus in SY27-28.
- Are exploring virtual and hybrid learning options within our school system but unsure about the program type and timeline to launch.

10. Describe how your virtual or hybrid program/campus aligns with the school system's broader strategic goals or improvement plans.

The virtual or hybrid program aligns directly with our district's broader goals by expanding personalized learning opportunities increasing access to flexible pathways and better meeting the diverse needs of our students. It supports our strategic focus on student achievement by providing alternative ways for learners to engage with rigorous TEKS-aligned instruction. It also advances our goals around culture and community by offering families more choice in how their children learn addressing recent enrollment declines tied to personalized learning needs. Overall the program is designed to strengthen academic outcomes improve engagement and ensure every student has a learning environment that helps them succeed.

11. Describe what knowledge or experience the school system's leadership team brings to designing and supporting high-quality virtual or hybrid instruction.

Our leadership team brings a strong foundation of experience in implementing flexible learning models. The superintendent has supervised two different virtual programs in Arkansas providing firsthand knowledge of program design instructional quality staff support and the operational systems required for success. In addition district and campus leaders have experience managing digital learning tools supporting blended instruction and aligning curriculum to TEKS in both traditional and technology-enhanced settings. Together this collective expertise positions the district to thoughtfully design and support a high-quality virtual or hybrid learning option.

12. Describe what research, data, or stakeholder input informed the school system's decision to pursue a virtual or hybrid model.

We are in the process of collecting this information and will use the following plan: 1. Gather Research – Review state/national studies and look at models from similar districts. 2. Study Our Data – Examine student performance attendance and course request trends to see where flexible options may help. 3. Get Stakeholder Input – Use quick surveys and a few focus groups with parents students and staff. 4. Check Feasibility – Identify staffing technology and budget needs. 5. Make a Recommendation – Combine all findings and present a clear path forward.

13. Which best describes the school system's key areas of need for the virtual/hybrid program?

*Note: Answers provided will not limit the type of support the school system will receive if accepted into the program. Instead, this information will be used to better understand the school system's key area of need.*

- ✓ Aligned, effective vision and model that is responsive to family and student needs.
- ✓ Family engagement, communication, and/or recruitment plan.
- ✓ Staffing and/or teacher/staff recruitment plan.
- ✓ Plan for communicating clear administrator, teacher, student, and family roles within a virtual/hybrid model. *(and wherever needed, support for shifting mindsets)*
- ✓ Instructional framework for designing high-quality virtual and hybrid courses aligned to research-based practices.
- ✓ Student attendance and engagement plan.
- ✓ School Culture and student well-being plan.
- ✓ Plan for supporting special populations and at-risk students.
- ✓ Student onboarding sessions, including learning strategies and support for cultivating mindsets rooted in the science of learning, self-directed learning skills, how to use digital tools, and help-seeking during asynchronous and/or synchronous instruction.
- ✓ Teacher development *(PD and ongoing job-embedded coaching)* to deliver high-quality instruction and learning experiences in a virtual/hybrid model.
- ✓ High-Quality Instructional Materials. *(for core curriculum and adjusted for virtual/hybrid learning)*
- ✓ Data collection and progress monitoring systems.
- ✓ Technology Strategy and Data Privacy Framework. *(including hardware, connectivity, digital tools, and cybersecurity policies)*
- ✓ Master schedule that is appropriately set up for virtual or hybrid learning.

14. Describe which additional topics, areas of support, or identified gaps would be most helpful to strengthen the school system's virtual or hybrid model.

To strengthen a virtual or hybrid model in Texas we need clearer guidance on state requirements such as attendance rules teacher certification for virtual instruction and other reporting. Additional support is needed in accessing high-quality TEKS-aligned digital curriculum and professional development for effective online teaching. We may also face operational gaps particularly broadband access device reliability and easy-to-use technical support for families. Finally opportunities to collaborate with Texas districts already running strong virtual programs would help us adopt proven best practices for student engagement and services.

15. Describe which curriculum the school system is currently using, or planning to use for virtual learning for core courses.

For virtual learning in core courses the school system plans to use TEKS-aligned digital curriculum resources that ensure consistency with our in-person instruction. This includes a combination of district-developed curriculum online instructional materials aligned to our scope and sequence and vetted digital platforms that support mastery of the Texas Essential Knowledge and Skills. As we finalize our model we will select resources that provide rigorous content embedded assessments and strong teacher support to maintain high-quality instruction across all core subjects.

16. Which content is the school system considering when adopting new instructional materials or curriculum for virtual learning? *(choose all that apply)*

*Note: Curriculum adoption is not a requirement of the program, but rather an optional support; the response to this question will help us better understand the school system's needs.*

### School System's Commitments to VHPA

As part of the VHPA, school systems will form a VHPA Team that regularly partners with VHPA technical assistance providers and meets as a central team to develop and improve the virtual/hybrid program using VHPA support.

To the best of your current understanding, provide the contact information of individuals who most likely will be on the school system's VHPA Team.

19. Is the school system partnering with a third-party vendor or partner to run the virtual or hybrid program?

- Yes
- No

20. The school system must have the flexibility to iterate the virtual and hybrid programs even when working with a third party. Describe the limitations, if any, set by the vendor for the school system's virtual or hybrid program.

No vendor selected yet. Clarification on #18-We have put the Project Lead contact as our Asst. Superintendent because she will be responsible for hiring the actual project lead position.

## Signature

Official submission of this application requires the Superintendent's signature. The Application cannot be considered submitted without the formal signature from the Superintendent.

If the Superintendent is unable to sign because they are on leave or in role transition, please email at [LASO@tea.texas.gov](mailto:LASO@tea.texas.gov).

If you are the Superintendent, click **Yes** and proceed to submitting the application.

If you are not the Superintendent, pause on submitting this application and email [LASO@tea.texas.gov](mailto:LASO@tea.texas.gov) to identify the school system's grantee official who can submit the application in the Superintendent's absence. Once the name of the grantee official has been identified, return back to this page, select **No**, then proceed to submitting the application.
