

Welcome

Welcome to the Learning Acceleration Support Opportunities (LASO) 25-26 Cycle 4 application.

This consolidated application streamlines school system's access to grant funding, allotments, and in-kind supports and services across 15 opportunities.

Introduction

This application includes 15 initiatives available for school systems to apply for in LASO Cycle 4.

To ensure an informed selection, please follow these steps:

- **Review Program Guidelines:** Examine the program guidelines and resources for each initiative to understand its purpose, eligibility requirements, and assurances.
- **Engage Internal Teams:** Consult with key stakeholders (e.g., board, superintendent, district leaders, campus leaders etc.) to determine which initiatives best align with your school system's needs and capacity.
- **Select Initiatives:** Identify the initiatives that best support your local priorities.
- **Complete the Application:** Submit responses only for the initiatives your school system chooses to apply for.

Review each initiative by clicking the links to its program guidelines below:

Additional Resources and Considerations

Additional Resources

- [Initiative One-Pagers](#): Provides school systems with a concise summary of each initiative in LASO Cycle 4.
- [Eligibility & Prioritization Matrix](#): Provides eligibility and prioritization criteria that will enable a school system to predict the likelihood of receiving an award.
- [Initiative Selection Tool](#): Provides a Scenario map to guide selection of the right fitting initiative based on need.
- [Role and Responsibilities Insight Tool](#): Identifies the types of responsibilities for each role and show where roles overlap across initiatives.

Key Considerations for Submission

- Each school system may submit only one application. If multiple applications are submitted, only the most recent submission (based on timestamp) will be accepted.
- The application must be signed by the superintendent to be considered formally submitted. Only signed applications will be scored and considered for award. If the superintendent is unavailable to sign by the deadline, email LASO@texas.tea.gov for guidance.
- School systems have 60 days to complete the application. The application opens on October 3, 2025, and must be submitted by December 3, 2025, at 5:00 PM CT.

School Improvement Curriculum and Instruction Support Grant (SI CISG)

Initiative Description:

This grant provides direct funds to school systems to support the implementation of State Board of Education (SBOE)-approved high-quality instructional materials (HQIM) that are not part of the Bluebonnet Learning suite. The goal is to ensure that campuses in School Improvement have access to rigorous, TEKS-aligned instructional materials that support high-quality instruction.

Review the Eligibility Criteria and Initiative Assurances listed below and indicate the school system's acceptance.

Eligibility Criteria:

As the applicant, the school system hereby agrees to:

- Campuses the school system are submitting for consideration are federally identified and Title-I serving.
- Seeking support for implementing SBOE approved instructional materials that are not Bluebonnet Learning products.

Initiative Assurances:

As the applicant, the school system hereby agrees to:

- Secure approval from the Superintendent and Chief Academic Officer (or equivalent leader) to participate in the program.
- Implement a State Board of Education (SBOE)-approved high-quality instructional material (HQIM) that is not part of the Bluebonnet Learning suite, in alignment with TEA guidance and the goals of the grant program OR implement curriculum and instruction improvements in grades 6–12 English Language Arts and Reading (ELAR) and grades 9–12 Mathematics (excluding Algebra I, Algebra II, and Geometry).
- Contract with a single Approved Provider from the LASO Cycle 4 State Approved Provider list.
- Submit Approved Provider contracts and required funding summary reports to TEA.
- Appoint a designated lead as the primary point of contact and identify at least two additional contacts.
- Participate in required TEA-led activities, including a grant kick-off.

PREP Residency Preservice Program Allotment

Allotment Opportunity:

The PREP Residency Preservice Program empowers school systems to play a central role in cultivating a pipeline of well-prepared, highly qualified teachers by embedding paid preservice teacher residency candidates directly into classrooms of highly qualified host teachers. Through close collaboration with educator preparation programs, participating school systems support teacher residents in earning an enhanced standard teaching certificate while gaining hands-on experience on campuses across the school system. By expanding the reach and effectiveness of residency models, the PREP Residency Preservice Program enhances instructional capacity and increases student access to skilled educators—ultimately advancing educational outcomes.

1. Does the school system wish to be considered for this Allotment Opportunity?

The applicant must agree to train its resident cooperating teachers via the Texas Mentorship Training.

TEA anticipates proposing rule to further defining cooperating teachers for the purpose of PREP Residency Preservice Program by adopting the definition of host teacher currently in TAC §228.95.

Roles

- **Resident Cooperating (Host) Teacher:** For the PREP Preservice Residency Program, statute defines a cooperating teacher as a classroom teacher who is a school system employee; has at least three full school years of teaching experience with a superior record of assisting students in achieving improvement in student performance; and is paired with one or more teacher candidates (new TEC §21.902).
- **PREP Mentorship Training Requirements:** Summer 2026, Fall 2026, Winter 2026-27 and Spring 2027 (24-30 total hours)

School systems must self-report the estimated number of resident cooperating teachers that would attend training for SY 2026-27.

7. How many host teachers does the school system estimate will attend the training? (Min: 1, Max: 40).

Note: This should correlate to the anticipated number of residents the school system will have in SY 2026-27.

PREP Grow Your Own (GYO) Program Allotment

Allotment Opportunity:

Review the program descriptions for both PREP GYO and PREP Residency Preservice Program and choose your answer below:

Note: Per TEC §21.906(c), school systems may participate in the PREP GYO Program only if they have been approved to participate in a partnership preservice program (PREP Residency Preservice Program). School systems must apply for the PREP Residency Preservice Program

PREP Grow Your Own (GYO) Program Allotment

Initiative Description:

The PREP Grow Your Own (GYO) Program enables school systems, through partnering with qualified institutions of higher education and educator preparation programs, to establish innovative staffing pipelines that prepare and retain educators and thereby, increase student access to high-quality classroom teachers. The PREP GYO program provides funding through which participating school systems support (A) school system employees who do not hold a teaching certificate in completing a bachelor's degree and enrolling in a preparation program to ultimately become a certified teacher while employed by the school system and (B) high school students in completing career and technical education courses that help prepare the students to become classroom teachers. Funding may be used to implement the PREP Grow Your Own Program and pay tuition and fees for participating students or employees.

Review the Eligibility Criteria and Initiative Assurances listed below and indicate the school system's acceptance.

Eligibility Criteria:

As the applicant, the school system hereby agrees to:

- Any school system, which includes open-enrollment charter schools, and SB 1882 Operating Partners who read and agree to the

requirements in relevant sections of the Texas Education and Texas Administrative codes cited in these guidelines is eligible for the PREP Allotment.

- School systems may participate in the PREP GYO Program only if they have been approved to participate in a partnership preservice program. For the LASO 4 application cycle, school systems must apply for and also participate in the PREP Residency Preservice Program.

Initiative Assurances:

As the applicant, the school system hereby agrees to:

- Read and abide by TEC §21.906 (PREP Grow Your Own Program).
- Read and abide by TEC §48.157 (PREP Program Allotment).
- Read and abide by TAC sections related to the PREP Grow Your Own (GYO) Program, which will be posted to the Texas Register for public comment during the 2025-26 school year and become effective prior to the start of the 2026-27 school year.

Note: TEA anticipates sharing specific dates related to rulemaking in fall 2025.

Roles

- **Mentor Teacher:** A teacher who, to the extent practicable, teaches in the same school, subject, and/or grade level of the beginning teachers they mentor, completes a mentor teacher training program established by TEA, has at least three years of teaching experience, and demonstrates instructional and leadership skills under TEC §21.458 and §21.907.
- **School system and/or Campus Leader:** Any appropriate district and campus employees who work with the classroom teacher or supervise the classroom teacher under TEC, §21.458

PREP Mentorship Training Requirements

- **Pathway 1 (Mentoring Educator) Training:**
 - This pathway is intended for mentoring educators, such as mentor teachers, who provide direct mentoring to beginning teachers.
 - Pathway 1 training will occur in Summer 2026, Fall 2026, Winter 2026-27, and Spring 2027 for a total of 24-30 hours.
- **Pathway 2 (School system & Campus Leader) Design Sessions:**
 - This pathway is intended for school system and campus leaders who will be planning & implementing mentorship programs (*e.g., program managers, district mentoring staff, campus principals, etc.*).
 - Pathway 2 design sessions will occur in Spring 2026, Summer 2026, Fall 2026, and Spring 2027 for a total of 15-16 hours.

* **Note:** Per TEC §21.458, appropriate school system and campus employees who work with the beginning teachers or supervise beginning teachers are required to attend mentorship training. This requirement may be fulfilled by either Texas Mentorship Training Pathway 1 or Pathway 2; these individuals may attend both Pathways 1 and 2, if desired.

5. School systems must self-report the estimated number of mentor teachers and school system & campus leaders that would attend Pathway 1 training for Year 1 implementation (SY 2026-27). See 'Roles' definition above.

School Action Fund-Planning and Implementation (SAF) Grant

Initiative Description:

School Actions are whole-school strategies districts use to increase access to high-quality schools, meet community needs, and address chronic underperformance. By providing technical assistance and grant funds to support school actions for individual campuses, TEA also supports school districts to take strategic actions that both improve schools and provide communities, parents, and families with the schools and programs they want, need, and deserve.

All School Action Fund (SAF) grantees must plan and implement an ESF-aligned, evidence-based model that includes development of a strategic schedule that maximizes instructional staff and time; assignment and empowerment of a campus leader with a track record of success to plan and implement the school action and model; and implementation of high quality instructional materials (HQIM, as defined later in these Program Guidelines) and research-based instructional strategies (RBIS).

Review the Eligibility Criteria, Initiative Assurances, and Initiative Requirements listed below and indicate the school system's acceptance.

Eligibility Criteria:

As the applicant, the school system hereby agrees to:

- Relevant campuses meet grant specific eligibility requirements of the 2026-2027 School Action Fund-Planning and Implementation Grant (SAF) to apply. See Eligibility List [here](#).

Note: Eligible applicants are school systems that apply on behalf of campuses that are Title I-serving school-wide and Comprehensive Support-identified, Targeted Support-identified, or Additional Targeted Support-identified, based on SY 2024-25 ratings. For new schools, there must be clear Title I, Part A eligibility and intent to obtain Title I-serving status for SY 2027-28 and beyond.

To be eligible, a campus may not have received any School Action Fund (SAF) grants, including TCLAS Decision 10 and any LASO SAF grants, since 2019-2020 (Planning, Continuation, or Implementation).

Initiative Assurances:

As the applicant, the school system hereby agrees to:

Note: The Superintendent, Chief Academic Officer and/or Chief Innovation/Transformation Officer, School Action Fund Project Manager (who has Cabinet-level access and decision-making authority), Chief Financial Officer, and any Superintendent designee understand that the School System (Applicant) assure that they know the following commitments.

- Aware that if awarded a Restart Action School System-Run ACE model Planning grant, and the campus is eligible for Resource campus designation, the grantee will be required to meet all Resource designation expectations by the end of the 2nd (second) year of implementation. More information about Resource Campus designation can be found [here](#).
- Regularly submit their expenditures (monthly preferred, quarterly at minimum) to remain on-track for grant expenditures.
- If a specific campus has not yet been identified, SAF grantee School Systems use a data-informed evaluation process and criteria (both quantitative and qualitative), and an appropriate timeline for identifying the campus(es) for school action(s), **by Gate 0 of the first year of the awarded grant.**
- Required to select a school system level (Central Office) staff member who is both qualified and experienced in project and program management to manage the planning and implementation of the grant.
- School Action Fund Project Manager must attend regular meetings, at least monthly, with the TEA SAF program staff.
- The school system level (central office) Business/Finance Office staff member responsible for overseeing SAF grant expenditures and drawdown processes must attend at least two meetings per semester with the school system's School Action Fund Project Manager and TEA SAF program staff.
- Fully implement high-quality instructional materials (HQIM, as described in the SY 2026-27 School Action Fund-Planning and Implementation grant's Program Guidelines) on the awarded campus(es) by **Year 1 (one)** of Continuation/Implementation, in both Mathematics and Reading Language Arts classes/courses.
- Implement strategic scheduling programs that require operational and staffing shifts to optimize time and accelerate instruction at the SAF campus(es) by Year 1 (one) of Continuation/Implementation as defined by the TEA, unless otherwise approved or stated by the TEA.

Initiative Requirements:

As the applicant, the school system hereby agrees to:

- The SAF grantee must fully implement the selected school action and model, identifying flexible and autonomous practices, as well as campus-specific goals and metrics aligned with school system policies. These must be documented in a Performance Agreement (for school system-run actions) or a Partnership Performance Contract (for partner-managed actions), signed by the campus leader and the school system superintendent and/or Board of Trustees by **May 31, 2027**.
- The SAF grantee school system's Board of Trustees must complete TEA-approved board training by Gate 3 of Year 1 of the awarded grant..
- Any campus that is closing, or potentially being repurposed, as part of a SY 2026-27 School Action Fund-Planning and Implementation grant, **must** follow TAC rules regarding CDCN requirements (County District Campus Number), and Campus Repurposing and Closure, including TAC 97.1066. (More information can be found [here](#).)
- Guarantee that school leaders of awarded campuses have at least 20 hours of release time built into their weekly schedules to plan the school action(s) and model(s).
- Select a TEA-codified school model and assign and empower a campus leader who has a track record of success to lead the planning and implementation of the school action and model.

Virtual and Hybrid Program Accelerator (VHPA)

Initiative Description:

The Virtual and Hybrid Program Accelerator (VHPA) enables school systems and open-enrollment charter schools to design and launch high-quality virtual and hybrid programs or campuses, as defined under Texas Education Code (TEC) Chapter 30B. The goal of the program is to establish schools that are intentionally structured to achieve A or B accountability ratings and deliver rigorous, engaging instruction tailored to meet the diverse needs of students across Texas. Through VHPA, participating school systems receive funding and technical assistance to develop flexible, personalized learning models that support students requiring adaptable education pathways. The program also enables school

systems to implement innovative staffing strategies, expand course offerings, and increase access to high-quality instruction statewide.

Review the Eligibility Criteria, Initiative Assurances, and Initiative Requirements listed below and indicate the school system's acceptance.

Eligibility Criteria:

As the applicant, the school system hereby agrees to:

- Have not participated in a previous VHPA cycle.

Initiative Assurances:

As the applicant, the school system hereby agrees to:

- Program leads of awarded applicants have at least 16 hours of release time built into their weekly schedules to plan and create the virtual or hybrid program or campus.
- Ensure that the program or designated campus leader possesses relevant experience or can exhibit the competencies necessary to lead a virtual or hybrid program or campus effectively.
- Design and manage strategic initiatives that improve instructional quality and student engagement, and they are committed to building their capacity to support high-quality virtual and hybrid models.
- As part of the program commitment for Year 1 of VHPA, submit a comprehensive launch plan for a full-time virtual or hybrid program or apply for authorization to operate a virtual or hybrid campus to operate in 2027-2028 school year.

Note: If the school system does not meet participation expectations or disengage from VHPA, they may have their membership from the VHPA terminated and forfeit any access to remaining funding.

Initiative Requirements:

As the applicant, the school system hereby agrees to:

- Establish a dedicated VHPA Team responsible for developing and implementing the full-time virtual or hybrid campus or program.
- Collaborate with a TEA-assigned technical assistance (TA) provider and participate in TA-supported activities such as cohort workshops, monthly coaching calls, step backs, planning sessions, or implementation deliverables.
- Ensure adaptability and dedication in program model design to align with research-based practices for high-quality virtual and hybrid models.
- By the end of Year 1 of VHPA support, launch a full-time virtual or hybrid program or apply for authorization to operate a full-time virtual or hybrid campus beginning the 2027-2028 school year.

Note: For full-time virtual or hybrid campuses, Year 2 of VHPA TA support and funds are contingent upon the full-time virtual or hybrid campus receiving authorization.

- Ensure that any partnership with a private or third-party vendor preserves the school system's ability to design, adapt, and implement the virtual or hybrid program to meet local needs.
- Disclose any vendor-imposed services, limitations that may affect program flexibility, instructional design, or operational decision-making.
- If selecting a private or third-party provider to operate the school, collaborate with the designated technical assistance partner to develop a comprehensive provider selection plan that includes:
 - Defined criteria for evaluating potential providers.
 - Detailed cost analysis and breakdown of services.
 - Consideration of the provider's historical performance (e.g., student academic outcomes).
- If selecting a private or third-party provider to operate the program or campus, formalize and monitor the partnership with a third-party provider by:
 - Submitting memoranda of understanding (MOU) or formal agreements outlining responsibilities of both the provider and the school system or charter.
 - Establishing a system for progress monitoring, including required reports on student engagement and academic progress.
 - Defining action items if the provider fails to meet success criteria for the campus or program.
- Complete all required deliverables and meeting milestones by the scheduled timeline specified by the VHPA, including:
 - Define a clear and compelling rationale for launching the virtual or hybrid program/campus, including the specific student population or campus it will serve.
 - Present evidence of community interest in a virtual or hybrid learning option, including data collected through surveys, focus groups, or other engagement methods.
 - Develop and implement comprehensive plans to achieve program objectives, including an academic plan that outlines curriculum, instructional methods, approaches for monitoring student progress, and support strategies for special populations and at-risk students.
 - Develop and iterate plans regarding staffing models, school culture, family engagement, and student support.
 - Update operations such as staffing, schedules, finances, technology, and cybersecurity to support virtual or hybrid models.
 - Provide a professional development plan for instructional staff that includes training specific to virtual and hybrid instruction, along with ongoing, job-embedded coaching to strengthen instructional quality and student engagement.
 - Present evidence of training and development for teachers and leaders to ensure high-quality virtual or hybrid instruction.
 - Use data to monitor student engagement and academic progress, ensuring alignment with grade-level standards and research-based

instructional strategies specific to virtual and hybrid learning.

- Engage in three improvement cycle sessions using data to inform ongoing development. school systems will share data that reflects program implementation and outcomes. This may include student engagement, progress toward grade-level mastery in virtual and hybrid courses (BOY, MOY, EOY), teacher instructional practices and growth in serving virtual and hybrid learners, and leader support for professional learning communities and job-embedded coaching.
- Obtain formal approval from the school system’s governing board to launch a virtual or hybrid program/campus and ensure this approval is secured prior to applying for authorization. For virtual/hybrid campuses, ensure this approval is secured prior to applying for authorization.
- Submit a detailed plan or contract outlining the scope of services, responsibilities, and decision-making authority in any private or third-party vendor partnership supporting the virtual or hybrid program/campus (*if applicable*).
- Submit a comprehensive launch plan and either implement a virtual or hybrid program or apply for authorization to operate a virtual or hybrid campus that is expected to begin operating in the 2027-2028 school year.

- Synchronous only
- Both asynchronous and synchronous
- Undecided

6. Will the school system be in Year 1 of the school system wide adoption of HQIM in core subjects?

- Yes
- No

7. Current or anticipated student enrollment number in the virtual/hybrid program or campus?

50

8. Describe how the school system calculated the enrollment number above.

(i.e. current number of students enrolled, number of interested students via family survey)

Lockhart ISD consulted with campus principals and received data from families interested in virtual/ hybrid options.

9. Which best describes where the school system is in the virtual/hybrid program?

- Are in the planning phase and currently do not have a virtual or hybrid program, but intend to launch in SY26-27.
- Have a plan and will be ready to launch a virtual/hybrid program this school year (SY26-27) with some additional support.
- Are currently running a virtual and hybrid program and would like feedback and support to build on it to launch a more robust program in SY27-28.
- Are in the planning phase and currently do not have a virtual or hybrid program but intend to apply for authorization to operate a virtual or hybrid campus in the SY27-28.
- Have a plan and will be ready to launch a virtual/hybrid program this school year (SY26-27). With some additional support, we plan to apply for authorization to operate a virtual or hybrid campus in the SY27-28.
- Are currently running a virtual and hybrid program and would like feedback and support to build on it and establish a virtual or hybrid campus in SY27-28.
- Are exploring virtual and hybrid learning options within our school system but unsure about the program type and timeline to launch.

10. Describe how your virtual or hybrid program/campus aligns with the school system's broader strategic goals or improvement plans.

Our proposed virtual/hybrid program directly supports Lockhart ISD's strategic priorities by expanding equitable access to high-quality personalized learning pathways while strengthening student engagement and achievement. By integrating flexible scheduling competency-based instructional practices and targeted academic supports the program creates additional opportunities for students who need alternative learning environments to stay on track for graduation and post-secondary success. The model also advances district goals to innovate instructional delivery close achievement gaps and leverage technology to enhance teaching and learning. Additionally the program's focus on rigorous curriculum alignment continuous progress monitoring and family engagement ensures that virtual and hybrid learning remains tightly connected to the district's overall improvement plans and commitment to ensuring every student thrives in an environment aimed to support all students. We expect all students to show growth academically and socially by maintaining both flexibility and rigor.

11. Describe what knowledge or experience the school system's leadership team brings to designing and supporting high-quality virtual or hybrid instruction.

Lockhart ISD's leadership team brings extensive experience in implementing technology-enhanced instruction designing blended learning environments and supporting innovative campus models that prioritize student-centered learning. District leaders have successfully guided initiatives such as 1:1 device integration digital curriculum adoption and teacher professional development focused on effective virtual instructional strategies and data-driven decision-making. Administrators and instructional specialists also have experience managing flexible learning programs monitoring student progress in online platforms and providing targeted interventions to ensure academic success. This collective expertise equips the district to design implement and sustain a high-quality virtual or hybrid program that is instructionally rigorous equitable and aligned with state expectations for continuous improvement. The district has implemented technology specialists that supported all campuses in the implementation of new instructional technologies and innovative programming.

12. Describe what research, data, or stakeholder input informed the school system's decision to pursue a virtual or hybrid model.

Lockhart ISD's decision to pursue a virtual and hybrid model was informed by multiple data sources research findings and stakeholder input gathered over several years. District surveys of students families and staff consistently reflected a need for more flexible learning options particularly for students balancing academic health or family responsibilities. Analysis of student performance trends and attendance data indicated that a structured virtual or hybrid environment could better support specific student groups who benefit from personalized pacing and reduced seat-time requirements. In addition national and state research on effective virtual learning models along with lessons learned from prior remote-learning experiences reinforced the potential for high-quality online instruction to increase engagement and broaden academic opportunities. Collectively this evidence guided the district toward developing a virtual/hybrid program that is responsive to community needs and aligned with best practices.

13. Which best describes the school system's key areas of need for the virtual/hybrid program?

Note: Answers provided will not limit the type of support the school system will receive if accepted into the program. Instead, this information will be used to better understand the school system's key area of need.

- Aligned, effective vision and model that is responsive to family and student needs.
- Family engagement, communication, and/or recruitment plan.
- Staffing and/or teacher/staff recruitment plan.
- Plan for communicating clear administrator, teacher, student, and family roles within a virtual/hybrid model. *(and wherever needed, support for shifting mindsets)*
- Instructional framework for designing high-quality virtual and hybrid courses aligned to research-based practices.
- Student attendance and engagement plan.
- School Culture and student well-being plan.
- Plan for supporting special populations and at-risk students.
- Student onboarding sessions, including learning strategies and support for cultivating mindsets rooted in the science of learning, self-directed learning skills, how to use digital tools, and help-seeking during asynchronous and/or synchronous instruction.
- Teacher development *(PD and ongoing job-embedded coaching)* to deliver high-quality instruction and learning experiences in a virtual/hybrid model.
- High-Quality Instructional Materials. *(for core curriculum and adjusted for virtual/hybrid learning)*
- Data collection and progress monitoring systems.
- Technology Strategy and Data Privacy Framework. *(including hardware, connectivity, digital tools, and cybersecurity policies)*

Master schedule that is appropriately set up for virtual or hybrid learning.

14. Describe which additional topics, areas of support, or identified gaps would be most helpful to strengthen the school system's virtual or hybrid model.

Lockhart ISD's key areas of need for establishing a virtual/hybrid program include expanding flexible learning pathways for students who require alternative instructional environments
enhancing personalized academic support for learners who benefit from individualized pacing
and improving access to rigorous coursework that may not be available in traditional settings. The district also aims to strengthen student engagement and attendance for those facing health
social-emotional
or logistical barriers that limit consistent in-person participation. Additionally
Lockhart ISD seeks to refine systems for digital curriculum integration
progress monitoring
and teacher professional development to ensure high-quality virtual instruction. In addition
Lockhart ISD would like additional information on using a third-party to assist in facilitating the program.

15. Describe which curriculum the school system is currently using, or planning to use for virtual learning for core courses.

Lockhart ISD will either use a third party vendor that has an established curriculum or use our current district curriculum that includes assessments and written lessons in presentation format.

16. Which content is the school system considering when adopting new instructional materials or curriculum for virtual learning? (*choose all that apply*)

Note: Curriculum adoption is not a requirement of the program, but rather an optional support; the response to this question will help us better understand the school system's needs.
