

Welcome

Welcome to the Learning Acceleration Support Opportunities (LASO) 25-26 Cycle 4 application.

This consolidated application streamlines school system's access to grant funding, allotments, and in-kind supports and services across 15 opportunities.

Introduction

This application includes 15 initiatives available for school systems to apply for in LASO Cycle 4.

To ensure an informed selection, please follow these steps:

- **Review Program Guidelines:** Examine the program guidelines and resources for each initiative to understand its purpose, eligibility requirements, and assurances.
- **Engage Internal Teams:** Consult with key stakeholders (e.g., board, superintendent, district leaders, campus leaders etc.) to determine which initiatives best align with your school system's needs and capacity.
- **Select Initiatives:** Identify the initiatives that best support your local priorities.
- **Complete the Application:** Submit responses only for the initiatives your school system chooses to apply for.

Review each initiative by clicking the links to its program guidelines below:

Curriculum & Instruction Serving Grants

- [Leadership & Instructional Foundations for Texas \(LIFT\)](#)
 - *LIFT merges programs formerly known as Strong Foundations- SF, Texas Instructional Leadership- TIL, and Texas Lesson Study- TXLS*
- [LIFT Add-On: School Improvement PLC Support \(LIFT SI PLC\)](#)
 - *(available only for Title I Comprehensive, Targeted, and Addtl Targeted)*
- [School Improvement Curriculum and Instruction Support Grant \(SI CISG\)](#)
 - *(available only for Title I Comprehensive, Targeted, and Addtl Targeted)*
- [Blended Learning Grant \(BLG\)](#)
 - *Two Cohorts: Academic – Math or RLA cohort and Strategic Operations Cohort*
- [AP Computer Science Principles \(APCSP\)](#)

Education and Training

Additional Resources and Considerations

Additional Resources

- [Initiative One-Pagers](#): Provides school systems with a concise summary of each initiative in LASO Cycle 4.
- [Eligibility & Prioritization Matrix](#): Provides eligibility and prioritization criteria that will enable a school system to predict the likelihood of receiving an award.
- [Initiative Selection Tool](#): Provides a Scenario map to guide selection of the right fitting initiative based on need.
- [Role and Responsibilities Insight Tool](#): Identifies the types of responsibilities for each role and show where roles overlap across initiatives.

Key Considerations for Submission

- Each school system may submit only one application. If multiple applications are submitted, only the most recent submission (based on timestamp) will be accepted.
- The application must be signed by the superintendent to be considered formally submitted. Only signed applications will be scored and considered for award. If the superintendent is unavailable to sign by the deadline, email LASO@texas.tea.gov for guidance.
- School systems have 60 days to complete the application. The application opens on October 3, 2025, and must be submitted by December 3, 2025, at 5:00 PM CT.

- 165 or more instructional days
- Fewer than 165 instructional days
- Fewer than 165 instructional days in 2026–27, but planning to transition to 165 or more days in a future year

LASO Cycle 4 Assurances

As the applicant, the school system hereby agrees to:

- Commit to all assurances associated with the initiatives they intend to apply for.
Failure to agree to these assurances may prevent the school system from completing the application or being considered for awards.

- Ensure the superintendent approves participation in all selected initiatives.

If assurances are not met or the school system disengages from the supports/initiatives provided, TEA may impose conditions on the award, including terminating participation or reducing awarded funds.

- Meet the [General and Fiscal Guidelines](#).

Leadership and Instructional Foundations for Texas (LIFT)

Initiative Description:

LIFT (Leadership and Instructional Foundations for Texas) is a three-year program designed to support Texas school systems in building the instructional and systems-level capacity needed to deliver high-quality learning experiences for all students. LIFT brings together the highest leverage components of Strong Foundations, Texas Instructional Leadership, and Texas Lesson Study, providing comprehensive support for school systems to adopt **high-quality instructional material (HQIM)** and implement **Bluebonnet Learning (BL)** over multiple years.

Review the Eligibility Criteria and Initiative Assurances listed below and indicate the school system’s acceptance.

Eligibility Criteria:

As the applicant, the school system hereby agrees to:

- Commit to selecting and implementing a [State Board of Education \(SBOE\)](#)-approved high-quality instructional material (HQIM) in the 2027–28 school year.

OR

- Commit to implementing a Bluebonnet Learning (BL) product in the 2026–27 school year.

Note: Participation in other grant programs does not disqualify applicants but may be considered during prioritization.

Initiative Assurances:

As the applicant, the school system hereby agrees to:

- Commit to (with Board approval) implementing a Bluebonnet Learning (BL) product in the 2026–27 school year (if applying to the “Implementation Phase”) OR committing to selecting and implementing a State Board of Education (SBOE)-approved high-quality instructional material (HQIM) in the 2027–28 school year (if applying to the “Planning Phase”).
- Contract with an Approved Provider from the LASO Cycle 4 State Approved Provider List for LIFT.
- Submit Approved Provider contracts and required funding summary reports to TEA.
- Secure approval from the Superintendent and Chief Academic Officer (or equivalent leader) to participate in the program.
- Appoint a designated LIFT lead as the primary point of contact and identify at least two additional contacts.
Note: The primary point of contact should be the equivalent of a senior academic team member or principal manager.
- Participate in required TEA-led activities, including a grant kick-off and communities of practice.
- Engage relevant school system and campus leaders, including special programs leadership, as well as teachers, instructional coaches, and special population educators in upfront training, implementation support, and coaching.
- Participate in a needs assessment of current instructional practices and materials.
- Establish or refine systems for instructional leadership, schoolwide routines, and observation and feedback.
- Submit all required grant deliverables, including instructional framework artifacts, implementation plans, school system-level instructional materials transition plan, campus-level implementation action plans, classroom, campus, and school system-level observation data and student outcomes data and progress updates as requested by the Approved Provider or the TEA.
- Participate in TEA-administered surveys and/or focus groups, as requested.
- Use grant funds in alignment with the required allocation structure and ensuring all expenditures support the goals of the LIFT program.
- Permit Approved Providers access to campuses to provide in-person support.
- Ensure teachers have sufficient planning time and use the required protocols.
- Provide print materials for all participating teachers and students.
- Follow the year-long scope and sequence for the instructional materials.
- Meet the minimum number of instructional minutes for the instructional materials.
- Ensure that a number of instructional leaders, aligned with the school system size, will actively participate in monthly implementation support and coaching provided by the Approved Provider.
- Ensure that the school system cabinet regularly engages in data reflection/performance management routines.

1. Does the school system agree to meet the Eligibility Criteria and Initiative Assurances listed above?

- Yes
 No

Initiative Specific Questions for the Leadership and Instructional Foundations for Texas (LIFT) Grant

For each content area below, please indicate your district’s current intention regarding the implementation of high-quality instructional materials (HQIM).

You may select different options for each content area.

K–5 English or Spanish Language Arts and Reading (ELAR/SLAR)

1. For which activity are you seeking LIFT technical assistance support in K-5 ELAR or SLAR?

- Implement **Bluebonnet Learning K–5 ELAR** in 2026–27 and/or **Bluebonnet Learning K-5 SLAR** if approved by SBOE
 Select an **SBOE-approved HQIM** during the planning year in 2026-27 and implement that HQIM in 2027-28
 Neither of the above

K–5 Mathematics

2. For which activity are you seeking LIFT technical assistance support in K-5 Math?

- Implement **Bluebonnet Learning K–5 Math** in 2026–27 and/or **Bluebonnet Learning K-5 Math (Spanish)** if SBOE approved

- Select an **SBOE-approved HQIM** in 2026-27 during the planning year in 2026-27 and implement that HQIM in 2027-28
- Neither of the above

Secondary Mathematics

3. For which activity are you seeking LIFT technical assistance support in 6-8 and/or Algebra I Mathematics, or Geometry or Algebra II if approved by SBOE?

- Implement **Bluebonnet Learning Secondary Math** in 2026–27
- Select an **SBOE-approved HQIM** during the planning year in 2026-27 and implement that HQIM in 2027-28
- Neither of the above

Leadership and Instructional Foundations for Texas (LIFT) (cont.)

Initiative Specific Questions for the Leadership and Instructional Foundations for Texas (LIFT) Grant

For each content area below, please indicate your school system’s current intention regarding the implementation of high-quality instructional materials (HQIM).

The LIFT grant provides monthly implementation support and coaching from a State-Approved Provider. By applying for this grant, your organization is committing to active participation in this support, specifically for instructional leaders – both at the campus and school system levels. Each participating campus must have one leader receiving coaching. Each of the participating campus and school system leaders must be directly involved in supporting teachers with the implementation of selected instructional materials. Additionally, the school system leader must be directly involved in supporting the campus leaders.

4. How many campus principals will the school system commit to receiving monthly implementation support and coaching visits from the Approved Provider?

Total number of principals to be coached :

5. How many school system-based instructional leaders (e.g. principal managers, executive director of instruction, associate superintendent) will the school system commit to receiving monthly implementation support and coaching visits from the Approved Provider?

Total number of leaders to be coached:

6. Does the school system commit to having, or working towards having, 165+ instructional days in the 2026-2027 academic year?

- Yes
- No

7. Has the school system implemented a CER OER product in previous academic years?

- Yes
- No

LIFT School Improvement PLC (LIFT SI PLC)

Initiative Description:

The LIFT School Improvement PLC Support grant is a targeted, Title I-funded initiative designed to enhance implementation support for campuses participating in the Leadership and Instructional Foundations for Texas (LIFT) program that are also identified for School Improvement. This grant provides additional resources, such as expanded PLC facilitation, increased observation and feedback, and individualized coaching to strengthen instructional systems and ensure effective use of high-quality instructional materials (HQIM). The goal is to deepen and sustain effective instructional practices by reinforcing the conditions necessary for strong HQIM implementation, ultimately improving student outcomes on federally identified campuses.

Review the Eligibility Criteria, Initiative Assurances, and Initiative Requirements listed below and indicate the school system's acceptance.

Eligibility Criteria:

As the applicant, the school system hereby agrees to:

- Eligible campuses include campuses that are Title I served with a 2025 federal accountability identification, including Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), or Additional Targeted Support (ATS). Comprehensive campuses in their second year of identification (Comprehensive Reidentified or Comprehensive Progress) are also eligible. Campuses must remain in operation during the grant cycle and remain Title I served for the 2026-27 school year.

Note: A school system is eligible to apply to both Leadership and Instructional Foundations for Texas (LIFT) and LIFT SI PLC Support grants, but if both are awarded, the school system must select the same Approved Provider for both LIFT and the LIFT SI PLC Support grant.

Initiative Assurances:

As the applicant, the school system hereby agrees to:

- Implement a Bluebonnet Learning (BL) product in the 2026–27 school year.
- Secure approval from the Superintendent and Chief Academic Officer (or equivalent leader) to participate in the program.
- Contract with the same provider from the LASO Cycle 4 State Approved Provider list that is providing technical assistance for the LIFT program for PLC supports.
- Engage relevant school system and campus leaders, as well as teachers and instructional coaches, in upfront training, implementation support, and coaching.

Note: These individuals must be in addition to and distinct from leaders receiving coaching through the LIFT program.

- Submit all required grant deliverables for each school year for the life of the grant.
- Submit provider contracts and required funding summary reports to TEA.
- Appoint a designated lead as the primary point of contact and identify at least two additional contacts.
- Permit Approved Providers access to campuses to provide in-person support.
- Ensure teachers have sufficient planning time and use the required protocols.
- Provide print materials for all participating teachers and students.
- Follow the year-long scope and sequence for instructional materials.
- Meet the minimum number of instructional minutes for the instructional materials.
- Use grant funds in alignment with the required allocation structure and ensure all expenditures support the goals of the LIFT program.
- Participate in required TEA-led activities, including a grant kick-off.

Initiative Requirements:

As the applicant, the school system hereby agrees to:

- Provide an additional campus leader—distinct from those supported through the LIFT Program—who will directly support teachers or campus leaders implementing the selected instructional materials.

1. Does the school system agree to meet the Eligibility Criteria, Initiative Assurances, and Initiative Requirements listed above?

- Yes
- No

Advanced Placement Computer Science Principles (APCSP)

Initiative Description:

The APCSP Grant program is designed to meet workforce demands and provide valuable student pathways to high-wage and in-demand careers. According to the College Board, students who took an APCSP course were twice as likely to continue along a computer science pathway. Students who took an APCSP course in high school were three times more likely to major in computer science in college, with this data being consistent across various demographics. With the LASO 4 APCSP Grant funds, Texas public schools can begin to build, expand, and sustain a computer science pathway.

Review the Eligibility Criteria, Initiative Assurances, and Initiative Requirements listed below and indicate the school system's acceptance.

Eligibility Criteria:

- All Texas school systems are eligible.

Initiative Assurances:

As the applicant, the school system hereby agrees to:

- Contract with an Approved Provider from the LASO Cycle 4 Approved Provider List for curriculum and training.
- Adhere to all Statutory and TEA Program Requirements and Assurances as noted in the 2025-2026 APCSP Grant Program Guidelines.
- Adhere to all APCSP Grant performance measures as noted in the 2025-2026 APCSP Grant Program Guidelines.
- Use grant funds only for APCSP classroom supplies and technology, teacher training, and directly related expenses for implementing an APCSP course.
- Administer the APCSP exam to district-enrolled students participating in the APCSP course, at no cost to the student.

Initiative Requirements:

As the applicant, the school system hereby agrees to:

- Complete the necessary district process to obtain school board approval to include the APCSP course in the district's course catalog for the 2026-2027 school year.
- Provide the APCSP course exam to enrolled students free of charge.
- Provide the technology, equipment and any additional resources required for a successfully functioning APCSP course.
- Publicize the APCSP course offering to relevant stakeholders, high school students and their parents/guardians.
- Recruit, onboard, and arrange for professional development for certified teachers to teach the APCSP course.
- Provide a description of how the funds will be used, if awarded.
- Continue providing the current level or increase the number of APCSP course opportunities.
- Provide the number of district campuses that will offer the APCSP grant opportunity and the number of teachers to be trained.
- Provide the necessary student support structures to prepare enrolled students to score 3 or higher on the APCSP exam.

1. Does the school system agree to meet the Eligibility Criteria, Initiative Assurances, and Initiative Requirements listed above?

- Yes
 No

Advanced Placement Computer Science Principles (APCSP) (cont.)

Initiative Specific Questions for the Advanced Placement Computer Science Principles (APCSP) Grant.

1. If this grant is awarded, briefly describe how the school system plans to use the funds provided with this grant.

Train teachers through College Board-endorsed PD to strengthen content knowledge and instruction ensuring alignment with updated AP requirements. Provide course materials that build computational thinking and prepare students for AP exam expectations. Fund study supports review sessions and materials to ensure all students have equitable access and can earn a score of 3 or higher.

2. Does the school system currently offer College Board Advanced Placement courses for student enrollment?

- Yes
 No

3. Does the school system currently offer an APCSP course on one or more campuses?

- Yes
 No

4. Has the school system participated in any other APCSP grant opportunities?

- Yes
 No

5. If awarded, how many of the school system's campuses will offer the APCSP course? (Min: 1, Max: Not to exceed the number of available campuses)

2

6. If awarded, how many teachers will be trained during the summer of 2026 to teach one or more sections of the APCSP course in fall 2026?

Additional Days School Year Planning & Execution Program (ADSY PEP): Full Year Redesign and Summer Learning Cohorts

Initiative Description:

The Additional Days School Year (ADSY) Grant is a voluntary, three-year grant initiative designed to support school systems and open-enrollment charter schools in developing and sustaining high-quality ADSY programs.

The ADSY grant provides participating local education agencies (LEAs) with comprehensive support to design programs that are grounded in

research and aligned with evidence-based practices that improve student outcomes. The program structure includes:

- Year 1: Planning - School systems engage in a year-long planning process with TEA-approved technical assistance providers to design a strategic, research-aligned ADSY model tailored to their local context.
- Years 2-3: Implementation Refinement and Continuous Improvement - School systems receive ongoing support to strengthen program quality, monitor outcomes, and make data-informed adjustments to ensure long-term success and sustainability.

This structured approach builds school system capacity in program design, strategic planning, and change management. It ensures that additional instructional days are effectively implemented and aligned with school system priorities to maximize academic impact.

School systems participating in the Grade 6- 8 Expansion opportunity pilot will follow a slightly shorter timeline, with grant support lasting for two years.

School systems will be able to select between two ADSY models, Full Year and Summer, to receive planning and implementation support aligned with research-based best practices.

Review the Eligibility Criteria and Initiative Assurances listed below and indicate the school system's acceptance.

Eligibility Criteria:

As the applicant, the school system hereby agrees to:

- Participating campuses must operate on a 175-day instructional calendar or have a board-approved plan to implement such a calendar by the 2026–2027 school year.
- Campus must be implementing an IMRA-approved product as their Tier 1 during the regular school year.

Note: For Campuses That Have Not Previously Accessed ADSY Funding Under the ADSY Planning and Execution Program (PEP)

- The participating campus must serve students in one or more grade levels within PK–5.

Note: Previously Participated in ADSY PEP and Seek to Expand to Grades 6–8

- The participating campus(es) must serve students in one or more grade levels within 6-8.

Initiative Assurances:

As the applicant, the school system hereby agrees to:

- Assign a qualified and experienced project manager with district-level decision-making authority who can align campus-based actions with district goals, and who will:
 - Attend all Learning Community professional development workshops.
 - Participate in calls with the designated approved provider.
 - Lead the District's ADSY PEP steering committee.
 - Ensure timely and high-quality completion of the LEA's ADSY PEP strategic plan and deliverables.
- Form a cross-departmental Steering Committee that meets at least monthly and includes representatives from both the Finance and Curriculum & Instruction teams to guide strategic planning.
- Attend and actively participate in all required grant orientation meetings, Professional Development sessions, Technical Assistance (TA) meetings, and maintain open, responsive communication with the assigned TA provider throughout the grant period.
- Complete the comprehensive ADSY PEP Strategic Plan using the provided planning resources and templates, and submit it by the designated deadlines.
- Understand that continuation in the ADSY PEP grant is contingent upon demonstrated effort to implement feedback, adherence to all grant requirements, and evidence of yearly progress.
- Failure to secure board approval of an ADSY-eligible calendar (defined as a 175-day base instructional calendar with 75,600 operational minutes) for the 2026–2027 school year at participating campuses will result in ineligibility to continue in ADSY PEP.
- Maintain the annual ADSY-eligible calendar approval process at participating campuses for the full duration of the grant, and acknowledge that failure to secure board approval in future years during the ADSY PEP grant cycle will result in ineligibility for continued funding, if available.

1. Does the school system agree to meet the Eligibility Criteria and Initiative Assurances listed above?

Yes

No

Additional Days School Year Planning & Execution Program (ADSY PEP): Full Year Redesign and Summer Learning Cohorts (cont.)

ADSY Calendar Requirement:

Additional Days School Year funding is the foundation of the ADSY grant and includes an eligibility requirement of conducting a minimum of 175-day instructional calendar at the participating campuses.

1. Does the school system agree to the ADSY grant requirement of implementing and maintaining a base academic calendar of 175 instructional

days and 75,600 operational minutes, and adding at least 25 Additional Days (aligned to the approved model) to the calendar at the eligible campuses for the full duration of the grant?

- Yes
- No

Additional Days School Year Planning & Execution Program (ADSY PEP): Full Year Redesign and Summer Learning Cohorts (cont.)

Initiative Specific Requirements for the ADSY Summer Cohort

Note: School systems that agree with program specific requirements will be prioritized.

1. Does the school system agree to implement an ADSY PEP summer program lasting between 25 and 30 days, with each day including at least 360 minutes (6 hours) of total programming, which must include::

- A minimum of 180 minutes (3 hours) dedicated to math and reading instruction.
- At least 60 minutes (1 hour) of TEKS-based enrichment activities aligned with core subjects, based on local needs and STAAR data.
- The remaining 120 minutes (2 hours) should include:
 1. 60 minutes (1 hour) of traditional enrichment activities, such as arts, science exploration, or sports.
 2. 60 minutes (1 hour) can be dedicated to transitions, lunch, and other flexible needs.

- Yes
- No

2. Does the school system agree to implement a summer academic strategy that is data-driven and that aligns with both the regular-year HQIM and regular-year academic strategy?

- Yes
- No

3. Does the school system agree to implement a staffing model that ensures teachers are assigned to students in the same grade level they taught in the previous year or will teach in the following year?

- Yes
- No

4. Does the school system understand that teachers who meet the school system's certification requirements must provide at least three hours of academic instruction focused on math and reading and one hour of enrichment aligned to core subjects on dedicated ADSY summer program days?

- Yes
- No

5. Does the school system agree to develop a Summer Program Impact Report each year using the tools and templates provided by the grant program and share the Impact Report with TEA and stakeholders?

- Yes
 - No
-

Additional Days School Year Planning & Execution Program (ADSY PEP): Full Year Redesign and Summer Learning Cohorts (cont.)

Initiative Specific Questions for both Cohorts

1. Does the school system currently have a formal partnership in a written agreement with an SBEC-approved educator preparation program (EPP)?

- Yes
 No

2. Are any of the campuses in this ADSY application currently on the [Resource Campus Eligibility List](#)?

- Yes
 No

2a. Will the school system submit a letter of intent this Fall 2025 to pursue the Resource Campus Designation Process?

- Yes
 No

PREP Residency Preservice Program Allotment

Allotment Opportunity:

The PREP Residency Preservice Program empowers school systems to play a central role in cultivating a pipeline of well-prepared, highly qualified teachers by embedding paid preservice teacher residency candidates directly into classrooms of highly qualified host teachers. Through close collaboration with educator preparation programs, participating school systems support teacher residents in earning an enhanced standard teaching certificate while gaining hands-on experience on campuses across the school system. By expanding the reach and effectiveness of residency models, the PREP Residency Preservice Program enhances instructional capacity and increases student access to skilled educators—ultimately advancing educational outcomes.

1. Does the school system wish to be considered for this Allotment Opportunity?

- Yes
 No

Initiative Description:

The PREP Residency Preservice Program empowers school systems to play a central role in cultivating a pipeline of well-prepared, highly qualified teachers by embedding paid preservice teacher residency candidates directly into classrooms of highly qualified host teachers. Through close collaboration with educator preparation programs, participating school systems support teacher residents in earning an enhanced standard teaching certificate while gaining hands-on experience in school systems schools. By expanding the reach and effectiveness of residency models, the PREP Residency Preservice Program enhances instructional capacity and increases student access to skilled educators—ultimately advancing educational outcomes.

Review the Eligibility Criteria and Initiative Assurances listed below and indicate the school system's acceptance.

Eligibility Criteria:

As the applicant, the school system hereby agrees to:

- Any school system, which includes open-enrollment charter schools, and SB 1882 Operating Partners who read and agree to the requirements in relevant sections of the Texas Education and Texas Administrative codes cited in these guidelines is eligible for the PREP Allotment.
- School systems who are partnered with an Educator Preparation Program (EPP) approved by the State Board of Educator Certification (SBEC) to offer the teacher residency route must have formal written partnership agreement(s) with the EPP(s). School systems will have residents for SY 26-27.

Initiative Assurances:

As the applicant, the school system hereby agrees to:

- Read and abide by TEC §21.902 (PREP Preservice Program).
- Read and abide by TEC §21.904 (PREP Residency Preservice Program).
- Read and abide by TEC §48.157 (PREP Program Allotment).
- Read and abide by TAC related to the PREP Residency Preservice Program, which will be posted in the Texas Register for public comment during the 2025-26 school year and become effective prior to the start of the 2026-27 school year.

Note: TEA anticipates sharing specific dates related to rulemaking in Fall 2025.

The applicant must agree to train its resident cooperating teachers via the Texas Mentorship Training.

TEA anticipates proposing rule to further defining cooperating teachers for the purpose of PREP Residency Preservice Program by adopting the definition of host teacher currently in TAC §228.95.

Roles

- **Resident Cooperating (Host) Teacher:** For the PREP Preservice Residency Program, statute defines a cooperating teacher as a classroom teacher who is a school system employee; has at least three full school years of teaching experience with a superior record of assisting students in achieving improvement in student performance; and is paired with one or more teacher candidates (new TEC §21.902).
- **PREP Mentorship Training Requirements:** Summer 2026, Fall 2026, Winter 2026-27 and Spring 2027 (24-30 total hours)

School systems must self-report the estimated number of resident cooperating teachers that would attend training for SY 2026-27.

7. How many host teachers does the school system estimate will attend the training? (Min: 1, Max: 40).

Note: This should correlate to the anticipated number of residents the school system will have in SY 2026-27.

PREP Grow Your Own (GYO) Program Allotment

Initiative Description:

The PREP Grow Your Own (GYO) Program enables school systems, through partnering with qualified institutions of higher education and educator preparation programs, to establish innovative staffing pipelines that prepare and retain educators and thereby, increase student access to high-quality classroom teachers. The PREP GYO program provides funding through which participating school systems support (A) school

system employees who do not hold a teaching certificate in completing a bachelor’s degree and enrolling in a preparation program to ultimately become a certified teacher while employed by the school system and (B) high school students in completing career and technical education courses that help prepare the students to become classroom teachers. Funding may be used to implement the PREP Grow Your Own Program and pay tuition and fees for participating students or employees.

Review the Eligibility Criteria and Initiative Assurances listed below and indicate the school system’s acceptance.

Eligibility Criteria:

As the applicant, the school system hereby agrees to:

- Any school system, which includes open-enrollment charter schools, and SB 1882 Operating Partners who read and agree to the requirements in relevant sections of the Texas Education and Texas Administrative codes cited in these guidelines is eligible for the PREP Allotment.
- School systems may participate in the PREP GYO Program only if they have been approved to participate in a partnership preservice program. For the LASO 4 application cycle, school systems must apply for and also participate in the PREP Residency Preservice Program.

Initiative Assurances:

As the applicant, the school system hereby agrees to:

- Read and abide by TEC §21.906 (PREP Grow Your Own Program).
- Read and abide by TEC §48.157 (PREP Program Allotment).
- Read and abide by TAC sections related to the PREP Grow Your Own (GYO) Program, which will be posted to the Texas Register for public comment during the 2025-26 school year and become effective prior to the start of the 2026-27 school year.
Note: TEA anticipates sharing specific dates related to rulemaking in fall 2025.

Roles

- **Mentor Teacher:** A teacher who, to the extent practicable, teaches in the same school, subject, and/or grade level of the beginning teachers they mentor, completes a mentor teacher training program established by TEA, has at least three years of teaching experience, and demonstrates instructional and leadership skills under TEC §21.458 and §21.907.
- **School system and/or Campus Leader:** Any appropriate district and campus employees who work with the classroom teacher or supervise the classroom teacher under TEC, §21.458

PREP Mentorship Training Requirements

- **Pathway 1 (Mentoring Educator) Training:**
 - This pathway is intended for mentoring educators, such as mentor teachers, who provide direct mentoring to beginning teachers.
 - Pathway 1 training will occur in Summer 2026, Fall 2026, Winter 2026-27, and Spring 2027 for a total of 24-30 hours.
- **Pathway 2 (School system & Campus Leader) Design Sessions:**
 - This pathway is intended for school system and campus leaders who will be planning & implementing mentorship programs (*e.g., program managers, district mentoring staff, campus principals, etc.*).
 - Pathway 2 design sessions will occur in Spring 2026, Summer 2026, Fall 2026, and Spring 2027 for a total of 15-16 hours.

** Note: Per TEC §21.458, appropriate school system and campus employees who work with the beginning teachers or supervise beginning teachers are required to attend mentorship training. This requirement may be fulfilled by either Texas Mentorship Training Pathway 1 or Pathway 2; these individuals may attend both Pathways 1 and 2, if desired.*

5. School systems must self-report the estimated number of mentor teachers and school system & campus leaders that would attend Pathway 1 training for Year 1 implementation (SY 2026-27). See 'Roles' definition above.

Texas Strategic Staffing for Residencies (TSS) Grant

Initiative Description:

The Texas Strategic Staffing for Residencies Grant focuses on making staffing and scheduling decisions driven by immediate and long-term

instructional needs. This is a two-year grant designed to provide in-kind technical assistance and other support to school systems and educator preparation program (EPP) partnerships to design and implement paid, year-long, high-quality, and sustainable teacher residencies across SY 2026-27 and SY 2027-28. The grant provides partial funding for at least one school system staff member to oversee the program, including coordination between the school system, technical assistance provider, and EPP.

Review the Eligibility Criteria, Initiative Assurances, and Initiative Requirements listed below and indicate the school system's acceptance.

Eligibility Criteria:

As the applicant, the school system hereby agrees to:

- Have a signed [EPP Verification Form](#) (template posted with the application) from each EPP partner that has a State Board of Educator Certification (SBEC)-approved Texas Teacher Residency Preparation Route ([TTRPR](#)).
- Not a recipient of the SY 2024-25 Sustainable Residency Continuation Grant (see award list [here](#)).
- Not a recipient of the SY 2025-27 Texas Strategic Staffing Grant for Sustainable Paid Teacher Residency Program (see award list [here](#)).

Initiative Assurances:

As the applicant, the school system hereby agrees to:

• General Initiative Assurances

- Appoint a School System Strategic Staffing Lead who will serve at least 20% of their time and effort to oversee the Texas Strategic Staffing for Residencies Grant and as the point of contact for the ESC technical assistance provider? Note: School System Strategic Staffing Lead, in conjunction with the ESC, will coordinate with other school system staff on the design and implementation teams to schedule grant activities and complete program deliverables.
- Develop clear companion guides, which include parameters for the selected strategic staffing model and communication plans, and share them with all stakeholders involved with resident placement in the school system and educator preparation programs (EPPs).
- Share data, such as historic teacher vacancies or student characteristic data, with the ESC technical assistance provider to inform design and implementation year decisions.
- Submit data to TEA on grant implementation and outcomes including, but not limited to the following:
 - Number of teacher residents participating in the year-long paid teacher residency.
 - School placement of residents during their residency year.
 - Selected strategic staffing models.
 - Resident and host teacher compensation.
 - Characteristics of teacher residents participating in the program.
 - Number and type of teacher certifications awarded to teacher residents.

• Sustainable Funding for Residencies

- Design and implement a strategic staffing model plan that will ensure that the teacher residency model will be sustainably funded by the school system by school year (SY) 2028-29.
Note: the plan must include sustainable funding for teacher residents and host teacher stipends/salaries.

• School System and EPP Partnerships

- Establish a partnership with at least one EPP that has been approved by the SBEC to offer the Texas Teacher Residency Preparation Route (TTRPR).
- Sign a letter of commitment or a memorandum of understanding (MOU) with the ESC technical assistance provider. The EPP(s) must also confirm their commitment to the strategic staffing design and implementation process with the applicant.
- Set shared goals for school system paid resident placements in mutually beneficial staffing model positions.
- Hold structured governance meetings at least quarterly to analyze teacher resident data and develop plans for teacher residency continuous improvement during the SY 2027-28 residency implementation year.
- Work collaboratively with your EPP partner(s) to design a strategic staffing model and corresponding stipend amounts.
- Adhere to all educator preparation program requirements for residency in the Texas Administrative Code (TAC) Chapter 228.
- Provide preferential hiring, to the greatest extent possible, to teacher residents who have successfully completed the teacher residency program and received enhanced standard certification.

• Technical Assistance for Design and Implementation

- Work with an ESC technical assistance provider for the SY 2026-27 and 2027-28 school years to make key decisions and design structures that enable internal capacity to continue the strategic staffing models without the support of the technical assistance provider in SY 2028-29 and beyond.
- Ensure that a designated team of leaders from the school system, campuses, and EPP(s) will actively participate in strategic staffing model training and technical assistance support activities beginning in SY 2026-27.
- Attend sustainability meetings with their technical assistance provider each semester of SY 2027-28 (implementation year) to determine sustainable strategic staffing model and funding sources, as applicable, after the life of the grant.
- Manages or directly supports the school system's PREP Residency Preservice Program if awarded the PREP Residency Preservice Program Allotment.

Initiative Requirements:

As the applicant, the school system hereby agrees to:

- The school system has **NOT** participated in either the 2024-2025 Sustainable Residency Continuation Grant or the 2025-2027 Texas Strategic Staffing Grant for Sustainable, Paid Teacher Residency Program.

1. Does the school system agree to meet the Eligibility Criteria, Initiative Assurances, and Initiative Requirements listed above?

- Yes

Texas Strategic Staffing for Residencies (TSS) Grant (cont.)

Initiative Specific Questions for the Texas Strategic Staffing for Residencies (TSS) Grant

1. Enter the contact information for the school system representative appointed as the primary point of contact for all Texas Strategic Staffing for Residencies grant-related activities.

Phone:	432.240.1392

1a. Top three responsibilities in their role:

In knowing that the lead will utilize twenty percent of their time and effort to oversee the actions of this grant some top responsibilities include: coordination and deliverables management. The Lead will serve as the primary contact for the Education Service Center (ESC) who will provide the technical assistance; coordinating all required training and session for the district design team as well as ensuring all program deliverables are completed in a timely manner. Additionally, they will work on redesigning our current Teacher Residency Model to find ways to partner with more than one EPP to grow the number of teacher residents we are currently serving. The district has had a teacher residency program designed by US PREP since August of 2020 and many of our structures are currently in place but need refinement and updating to meet our current needs. The Lead will guide a cross-functional team to conduct needs assessments, and determine the best model, and collaboratively design the parameters, resident stipends, and host teacher compensation. The Lead will collect and share data including historic vacancies, and previous compensation models. This will help to inform decisions and submitting performance data to TEA on grant implementation and outcomes.

1b. How often does this person meet with school system executive leadership (e.g., superintendent, assistant superintendent, chief financial officer)?

In the design year the Lead will meet with the Leadership team monthly to discuss executive approval of the needs assessment, staffing model selection, and the final sustainable funding plan required by the end of the grant. The Leadership team must approve reallocation and reinvestment of local funds to ensure sustainability. Knowing that the grant focuses on systemic change, requiring financial and human resources policy decisions. After the design year, the Lead will continue to meet quarterly. This is ideal for structured governance to analyse and plan for continuous improvement. How will this person help sustain paid residencies in the school system after the conclusion of this grant?

1c. How will this person help sustain paid residencies in the school system after the conclusion of this grant?

The Lead's primary function will be to build capacity and ensure the program does not collapse at the end of the grant. They do this by contributing sustainability formalizing the staffing model and embedding its funding into the regular operating budget of the school system. Some additional actions include: finalizing the sustainable funding plan; completing the required strategic staffing model plan that guarantees the teacher residency model including resident and host teacher pay is funded by local school system funds by 2028. Codifying internal capacity; documenting all processes companion guides

and training materials created with the ESC so that the district team can continue to operate and refine the strategic staffing models without assistance. Lastly embedding EPP Governance; establishing the quarterly governance meetings with EPP partners as a permanent fixture to ensure the residency pipeline remains mutually beneficial and continuously improved.

1d. How will the school system support this role in the event of turnover? Who else will have knowledge and skills for this work?

This work is critical to the district and a risk mitigation strategy has been crafted. The district will designate at least one other individual who is fully integrated into the process and grant knowledge. While a secondary point of contact will be designated others that will keep this grant moving forward are to include the Budget Director; for their work culminates in financial sustainability and hold critical knowledge of the final funding mechanisms and reallocations. The Talent Acquisition Director; for their knowledge regarding recruitment placement logistics compensation structures and the preferential hiring for residents. Externally the district's EPP Partner; who understands the design and governance process helping with the programmatic integrity remains intact during turnover.

Note: When Educator Preparation Programs are approved for the Texas Teacher Residency Preparation Program (TTRPR), they attest in their application and through the amendment process their school system partnerships.

University of Texas - Permian Basin

4. Who are the **NEW** SBEC-approved Texas Teacher Residency Preparation Route Educator Preparation Program ([TTRPR](#)), partnerships you are working with or have worked with to finalize a formal agreement for SYs 2025-2026 and/or 2026-2027?

School Action Fund-Planning and Implementation (SAF) Grant

Initiative Description:

School Actions are whole-school strategies districts use to increase access to high-quality schools, meet community needs, and address chronic underperformance. By providing technical assistance and grant funds to support school actions for individual campuses, TEA also supports school districts to take strategic actions that both improve schools and provide communities, parents, and families with the schools and programs they want, need, and deserve.

All School Action Fund (SAF) grantees must plan and implement an ESF-aligned, evidence-based model that includes development of a strategic schedule that maximizes instructional staff and time; assignment and empowerment of a campus leader with a track record of success to plan and implement the school action and model; and implementation of high quality instructional materials (HQIM, as defined later in these Program Guidelines) and research-based instructional strategies (RBIS).

Review the Eligibility Criteria, Initiative Assurances, and Initiative Requirements listed below and indicate the school system's acceptance.

Eligibility Criteria:

As the applicant, the school system hereby agrees to:

- Relevant campuses meet grant specific eligibility requirements of the 2026-2027 School Action Fund-Planning and Implementation Grant (SAF) to apply. See Eligibility List [here](#).

Note: Eligible applicants are school systems that apply on behalf of campuses that are Title I-serving school-wide and Comprehensive Support-identified, Targeted Support-identified, or Additional Targeted Support-identified, based on SY 2024-25 ratings. For new schools, there must be clear Title I, Part A eligibility and intent to obtain Title I-serving status for SY 2027-28 and beyond.

To be eligible, a campus may not have received any School Action Fund (SAF) grants, including TCLAS Decision 10 and any LASO SAF grants, since 2019-2020 (Planning, Continuation, or Implementation).

Initiative Assurances:

As the applicant, the school system hereby agrees to:

Note: The Superintendent, Chief Academic Officer and/or Chief Innovation/Transformation Officer, School Action Fund Project Manager (who has Cabinet-level access and decision-making authority), Chief Financial Officer, and any Superintendent designee understand that the School System (Applicant) assure that they know the following commitments.

- Aware that if awarded a Restart Action School System-Run ACE model Planning grant, and the campus is eligible for Resource campus designation, the grantee will be required to meet all Resource designation expectations by the end of the 2nd (second) year of implementation. More information about Resource Campus designation can be found [here](#).
- Regularly submit their expenditures (monthly preferred, quarterly at minimum) to remain on-track for grant expenditures.
- If a specific campus has not yet been identified, SAF grantee School Systems use a data-informed evaluation process and criteria (both quantitative and qualitative), and an appropriate timeline for identifying the campus(es) for school action(s), **by Gate 0 of the first year of the awarded grant.**
- Required to select a school system level (Central Office) staff member who is both qualified and experienced in project and program management to manage the planning and implementation of the grant.
- School Action Fund Project Manager must attend regular meetings, at least monthly, with the TEA SAF program staff.
- The school system level (central office) Business/Finance Office staff member responsible for overseeing SAF grant expenditures and drawdown processes must attend at least two meetings per semester with the school system's School Action Fund Project Manager and TEA SAF program staff.
- Fully implement high-quality instructional materials (HQIM, as described in the SY 2026-27 School Action Fund-Planning and Implementation grant's Program Guidelines) on the awarded campus(es) by **Year 1 (one)** of Continuation/Implementation, in both Mathematics and Reading Language Arts classes/courses.
- Implement strategic scheduling programs that require operational and staffing shifts to optimize time and accelerate instruction at the SAF campus(es) by Year 1 (one) of Continuation/Implementation as defined by the TEA, unless otherwise approved or stated by the TEA.

Initiative Requirements:

As the applicant, the school system hereby agrees to:

- The SAF grantee must fully implement the selected school action and model, identifying flexible and autonomous practices, as well as campus-specific goals and metrics aligned with school system policies. These must be documented in a Performance Agreement (for school system-run actions) or a Partnership Performance Contract (for partner-managed actions), signed by the campus leader and the school system superintendent and/or Board of Trustees by **May 31, 2027**.
- The SAF grantee school system's Board of Trustees must complete TEA-approved board training by Gate 3 of Year 1 of the awarded grant..
- Any campus that is closing, or potentially being repurposed, as part of a SY 2026-27 School Action Fund-Planning and Implementation grant, **must** follow TAC rules regarding CDCN requirements (County District Campus Number), and Campus Repurposing and Closure, including TAC 97.1066. (More information can be found [here](#).)
- Guarantee that school leaders of awarded campuses have at least 20 hours of release time built into their weekly schedules to plan the school action(s) and model(s).

- Select a TEA-codified school model and assign and empower a campus leader who has a track record of success to lead the planning and implementation of the school action and model.

Virtual and Hybrid Program Accelerator (VHPA)

Initiative Description:

The Virtual and Hybrid Program Accelerator (VHPA) enables school systems and open-enrollment charter schools to design and launch high-quality virtual and hybrid programs or campuses, as defined under Texas Education Code (TEC) Chapter 30B. The goal of the program is to establish schools that are intentionally structured to achieve A or B accountability ratings and deliver rigorous, engaging instruction tailored to meet the diverse needs of students across Texas. Through VHPA, participating school systems receive funding and technical assistance to develop flexible, personalized learning models that support students requiring adaptable education pathways. The program also enables school systems to implement innovative staffing strategies, expand course offerings, and increase access to high-quality instruction statewide.

Review the Eligibility Criteria, Initiative Assurances, and Initiative Requirements listed below and indicate the school system's acceptance.

Eligibility Criteria:

As the applicant, the school system hereby agrees to:

- Have not participated in a previous VHPA cycle.

Initiative Assurances:

As the applicant, the school system hereby agrees to:

- Program leads of awarded applicants have at least 16 hours of release time built into their weekly schedules to plan and create the virtual or hybrid program or campus.
- Ensure that the program or designated campus leader possesses relevant experience or can exhibit the competencies necessary to lead a virtual or hybrid program or campus effectively.
- Design and manage strategic initiatives that improve instructional quality and student engagement, and they are committed to building their capacity to support high-quality virtual and hybrid models.
- As part of the program commitment for Year 1 of VHPA, submit a comprehensive launch plan for a full-time virtual or hybrid program or apply for authorization to operate a virtual or hybrid campus to operate in 2027-2028 school year.

Note: If the school system does not meet participation expectations or disengage from VHPA, they may have their membership from the VHPA terminated and forfeit any access to remaining funding.

Initiative Requirements:

As the applicant, the school system hereby agrees to:

- Establish a dedicated VHPA Team responsible for developing and implementing the full-time virtual or hybrid campus or program.
- Collaborate with a TEA-assigned technical assistance (TA) provider and participate in TA-supported activities such as cohort workshops, monthly coaching calls, step backs, planning sessions, or implementation deliverables.
- Ensure adaptability and dedication in program model design to align with research-based practices for high-quality virtual and hybrid models.
- By the end of Year 1 of VHPA support, launch a full-time virtual or hybrid program or apply for authorization to operate a full-time virtual or hybrid campus beginning the 2027-2028 school year.

Note: For full-time virtual or hybrid campuses, Year 2 of VHPA TA support and funds are contingent upon the full-time virtual or hybrid campus receiving authorization.

- Ensure that any partnership with a private or third-party vendor preserves the school system’s ability to design, adapt, and implement the virtual or hybrid program to meet local needs.
- Disclose any vendor-imposed services, limitations that may affect program flexibility, instructional design, or operational decision-making.
- If selecting a private or third-party provider to operate the school, collaborate with the designated technical assistance partner to develop a comprehensive provider selection plan that includes:
 - Defined criteria for evaluating potential providers.
 - Detailed cost analysis and breakdown of services.
 - Consideration of the provider’s historical performance (e.g., student academic outcomes).
- If selecting a private or third-party provider to operate the program or campus, formalize and monitor the partnership with a third-party provider by:
 - Submitting memoranda of understanding (MOU) or formal agreements outlining responsibilities of both the provider and the school system or charter.
 - Establishing a system for progress monitoring, including required reports on student engagement and academic progress.
 - Defining action items if the provider fails to meet success criteria for the campus or program.
- Complete all required deliverables and meeting milestones by the scheduled timeline specified by the VHPA, including:
 - Define a clear and compelling rationale for launching the virtual or hybrid program/campus, including the specific student population or campus it will serve.
 - Present evidence of community interest in a virtual or hybrid learning option, including data collected through surveys, focus groups, or other engagement methods.
 - Develop and implement comprehensive plans to achieve program objectives, including an academic plan that outlines curriculum, instructional methods, approaches for monitoring student progress, and support strategies for special populations and at-risk students.
 - Develop and iterate plans regarding staffing models, school culture, family engagement, and student support.
 - Update operations such as staffing, schedules, finances, technology, and cybersecurity to support virtual or hybrid models.
 - Provide a professional development plan for instructional staff that includes training specific to virtual and hybrid instruction, along with ongoing, job-embedded coaching to strengthen instructional quality and student engagement.
 - Present evidence of training and development for teachers and leaders to ensure high-quality virtual or hybrid instruction.
 - Use data to monitor student engagement and academic progress, ensuring alignment with grade-level standards and research-based instructional strategies specific to virtual and hybrid learning.
 - Engage in three improvement cycle sessions using data to inform ongoing development. school systems will share data that reflects program implementation and outcomes. This may include student engagement, progress toward grade-level mastery in virtual and hybrid courses (BOY, MOY, EOY), teacher instructional practices and growth in serving virtual and hybrid learners, and leader support for professional learning communities and job-embedded coaching.
 - Obtain formal approval from the school system’s governing board to launch a virtual or hybrid program/campus and ensure this approval is secured prior to applying for authorization. For virtual/hybrid campuses, ensure this approval is secured prior to applying for authorization.
 - Submit a detailed plan or contract outlining the scope of services, responsibilities, and decision-making authority in any private or third-party vendor partnership supporting the virtual or hybrid program/campus (*if applicable*).
 - Submit a comprehensive launch plan and either implement a virtual or hybrid program or apply for authorization to operate a virtual or hybrid campus that is expected to begin operating in the 2027-2028 school year.

1. Does the school system agree to meet the Eligibility Criteria, Initiative Assurances, and Initiative Requirements listed above?

- Program
- Campus
- TBD

4. What type of program is the school system planning on opening?

- Virtual
- Hybrid
- TBD

5. How does the school system envision instructions to delivered in the program?

- Asynchronous only
- Synchronous only
- Both asynchronous and synchronous
- Undecided

6. Will the school system be in Year 1 of the school system wide adoption of HQIM in core subjects?

- Yes
- No

7. Current or anticipated student enrollment number in the virtual/hybrid program or campus?

150

8. Describe how the school system calculated the enrollment number above.

(i.e. current number of students enrolled, number of interested students via family survey)

Number of students attending homeschooling in the area.

9. Which best describes where the school system is in the virtual/hybrid program?

- Are in the planning phase and currently do not have a virtual or hybrid program, but intend to launch in SY26-27.

- Have a plan and will be ready to launch a virtual/hybrid program this school year (SY26-27) with some additional support.
- Are currently running a virtual and hybrid program and would like feedback and support to build on it to launch a more robust program in SY27-28.
- Are in the planning phase and currently do not have a virtual or hybrid program but intend to apply for authorization to operate a virtual or hybrid campus in the SY27-28.
- Have a plan and will be ready to launch a virtual/hybrid program this school year (SY26-27). With some additional support, we plan to apply for authorization to operate a virtual or hybrid campus in the SY27-28.
- Are currently running a virtual and hybrid program and would like feedback and support to build on it and establish a virtual or hybrid campus in SY27-28.
- Are exploring virtual and hybrid learning options within our school system but unsure about the program type and timeline to launch.

10. Describe how your virtual or hybrid program/campus aligns with the school system's broader strategic goals or improvement plans.

Our virtual/hybrid program is intentionally designed to advance the district's strategic goals by expanding access to high-quality rigorous instruction and ensuring equitable learning opportunities for all students. The program aligns with systemwide improvement plans by providing flexible personalized pathways that support academic growth college and career readiness and strong engagement.

11. Describe what knowledge or experience the school system's leadership team brings to designing and supporting high-quality virtual or hybrid instruction.

The school system's leadership team brings deep expertise in curriculum instruction digital learning and strategic school improvement to the design and support of high-quality virtual and hybrid instruction. Collectively the team has extensive experience implementing high-quality instructional materials leading professional learning systems and supporting principals and teachers in maintaining rigorous standards-aligned instruction across all settings.

12. Describe what research, data, or stakeholder input informed the school system's decision to pursue a virtual or hybrid model.

National and state research on virtual and hybrid instruction also highlighted promising outcomes when programs are designed with high-quality instructional materials strong teacher support frequent progress monitoring and intentional family engagement. Studies from TEA the College Board and digital learning organizations reinforced that virtual learning can increase course availability improve graduation pathways and reduce barriers linked to transportation scheduling or unique student needs.

13. Which best describes the school system's key areas of need for the virtual/hybrid program?

Note: Answers provided will not limit the type of support the school system will receive if accepted into the program. Instead, this information will be used to better understand the school system's key area of need.

- Aligned, effective vision and model that is responsive to family and student needs.
- Family engagement, communication, and/or recruitment plan.
- Staffing and/or teacher/staff recruitment plan.
- Plan for communicating clear administrator, teacher, student, and family roles within a virtual/hybrid model. (*and wherever needed, support for shifting mindsets*)

- Instructional framework for designing high-quality virtual and hybrid courses aligned to research-based practices.
- Student attendance and engagement plan.
- School Culture and student well-being plan.
- Plan for supporting special populations and at-risk students.
- Student onboarding sessions, including learning strategies and support for cultivating mindsets rooted in the science of learning, self-directed learning skills, how to use digital tools, and help-seeking during asynchronous and/or synchronous instruction.
- Teacher development (*PD and ongoing job-embedded coaching*) to deliver high-quality instruction and learning experiences in a virtual/hybrid model.
- High-Quality Instructional Materials. (*for core curriculum and adjusted for virtual/hybrid learning*)
- Data collection and progress monitoring systems.
- Technology Strategy and Data Privacy Framework. (*including hardware, connectivity, digital tools, and cybersecurity policies*)
- Master schedule that is appropriately set up for virtual or hybrid learning.

14. Describe which additional topics, areas of support, or identified gaps would be most helpful to strengthen the school system's virtual or hybrid model.

Providing a framework for virtual options
a model that could be replicated.

15. Describe which curriculum the school system is currently using, or planning to use for virtual learning for core courses.

We will offer several options including HQIM.

16. Which content is the school system considering when adopting new instructional materials or curriculum for virtual learning? (*choose all that apply*)

Note: Curriculum adoption is not a requirement of the program, but rather an optional support; the response to this question will help us better understand the school system's needs.

School System's Commitments to VHPA

As part of the VHPA, school systems will form a VHPA Team that regularly partners with VHPA technical assistance providers and meets as a

central team to develop and improve the virtual/hybrid program using VHPA support.

To the best of your current understanding, provide the contact information of individuals who most likely will be on the school system's VHPA Team.
