

Welcome

Welcome to the Learning Acceleration Support Opportunities (LASO) 25-26 Cycle 4 application.

This consolidated application streamlines school system's access to grant funding, allotments, and in-kind supports and services across 15 opportunities.

Introduction

This application includes 15 initiatives available for school systems to apply for in LASO Cycle 4.

To ensure an informed selection, please follow these steps:

- **Review Program Guidelines:** Examine the program guidelines and resources for each initiative to understand its purpose, eligibility requirements, and assurances.
- **Engage Internal Teams:** Consult with key stakeholders (e.g., board, superintendent, district leaders, campus leaders etc.) to determine which initiatives best align with your school system's needs and capacity.
- **Select Initiatives:** Identify the initiatives that best support your local priorities.
- **Complete the Application:** Submit responses only for the initiatives your school system chooses to apply for.

Review each initiative by clicking the links to its program guidelines below:

Curriculum & Instruction Serving Grants

- [Leadership & Instructional Foundations for Texas \(LIFT\)](#)
 - *LIFT merges programs formerly known as Strong Foundations- SF, Texas Instructional Leadership- TIL, and Texas Lesson Study- TXLS*
- [LIFT Add-On: School Improvement PLC Support \(LIFT SI PLC\)](#)
 - *(available only for Title I Comprehensive, Targeted, and Addtl Targeted)*
- [School Improvement Curriculum and Instruction Support Grant \(SI CISG\)](#)
 - *(available only for Title I Comprehensive, Targeted, and Addtl Targeted)*
- [Blended Learning Grant \(BLG\)](#)
 - *Two Cohorts: Academic – Math or RLA cohort and Strategic Operations Cohort*
- [AP Computer Science Principles \(APCSP\)](#)

Education and Training

- [PREP Program Allotment](#)
 - [PREP Residency Preservice Program](#)
 - [PREP Grow Your Own \(GYO\) Program](#)
 - [PREP Mentorship Program](#)
- [Texas Strategic Staffing for Residencies \(TSS\) Grant](#)

- [Pathways in Technology Early College High School \(P-TECH\)](#)
- [Virtual and Hybrid Program Accelerator \(VHPA\)](#)

Additional Resources and Considerations

Additional Resources

- [Initiative One-Pagers](#): Provides school systems with a concise summary of each initiative in LASO Cycle 4.
- [Eligibility & Prioritization Matrix](#): Provides eligibility and prioritization criteria that will enable a school system to predict the likelihood of receiving an award.
- [Initiative Selection Tool](#): Provides a Scenario map to guide selection of the right fitting initiative based on need.
- [Role and Responsibilities Insight Tool](#): Identifies the types of responsibilities for each role and show where roles overlap across initiatives.

Key Considerations for Submission

- Each school system may submit only one application. If multiple applications are submitted, only the most recent submission (based on timestamp) will be accepted.
- The application must be signed by the superintendent to be considered formally submitted. Only signed applications will be scored and considered for award. If the superintendent is unavailable to sign by the deadline, email LASO@texas.tea.gov for guidance.
- School systems have 60 days to complete the application. The application opens on October 3, 2025, and must be submitted by December 3, 2025, at 5:00 PM CT.

School System Calendar

For the 2026–27 school year, select the option that best describes your school system’s instructional calendar:

- 165 or more instructional days
- Fewer than 165 instructional days
- Fewer than 165 instructional days in 2026–27, but planning to transition to 165 or more days in a future year

LASO Cycle 4 Assurances

As the applicant, the school system hereby agrees to:

- Commit to all assurances associated with the initiatives they intend to apply for.
Failure to agree to these assurances may prevent the school system from completing the application or being considered for awards.

- Ensure the superintendent approves participation in all selected initiatives.

If assurances are not met or the school system disengages from the supports/initiatives provided, TEA may impose conditions on the award, including terminating participation or reducing awarded funds.

- Meet the [General and Fiscal Guidelines](#).

Leadership and Instructional Foundations for Texas (LIFT)

Initiative Description:

LIFT (Leadership and Instructional Foundations for Texas) is a three-year program designed to support Texas school systems in building the instructional and systems-level capacity needed to deliver high-quality learning experiences for all students. LIFT brings together the highest leverage components of Strong Foundations, Texas Instructional Leadership, and Texas Lesson Study, providing comprehensive support for school systems to adopt **high-quality instructional material (HQIM)** and implement **Bluebonnet Learning (BL)** over multiple years.

Review the Eligibility Criteria and Initiative Assurances listed below and indicate the school system’s acceptance.

Eligibility Criteria:

As the applicant, the school system hereby agrees to:

- Commit to selecting and implementing a [State Board of Education \(SBOE\)](#)-approved high-quality instructional material (HQIM) in the 2027–28 school year.

OR

- Commit to implementing a Bluebonnet Learning (BL) product in the 2026–27 school year.

Note: Participation in other grant programs does not disqualify applicants but may be considered during prioritization.

Initiative Assurances:

As the applicant, the school system hereby agrees to:

- Commit to (with Board approval) implementing a Bluebonnet Learning (BL) product in the 2026–27 school year (if applying to the “Implementation Phase”) OR committing to selecting and implementing a State Board of Education (SBOE)-approved high-quality instructional material (HQIM) in the 2027–28 school year (if applying to the “Planning Phase”).
- Contract with an Approved Provider from the LASO Cycle 4 State Approved Provider List for LIFT.
- Submit Approved Provider contracts and required funding summary reports to TEA.
- Secure approval from the Superintendent and Chief Academic Officer (or equivalent leader) to participate in the program.
- Appoint a designated LIFT lead as the primary point of contact and identify at least two additional contacts.
Note: The primary point of contact should be the equivalent of a senior academic team member or principal manager.
- Participate in required TEA-led activities, including a grant kick-off and communities of practice.
- Engage relevant school system and campus leaders, including special programs leadership, as well as teachers, instructional coaches, and special population educators in upfront training, implementation support, and coaching.
- Participate in a needs assessment of current instructional practices and materials.
- Establish or refine systems for instructional leadership, schoolwide routines, and observation and feedback.
- Submit all required grant deliverables, including instructional framework artifacts, implementation plans, school system-level instructional materials transition plan, campus-level implementation action plans, classroom, campus, and school system-level observation data and student outcomes data and progress updates as requested by the Approved Provider or the TEA.
- Participate in TEA-administered surveys and/or focus groups, as requested.
- Use grant funds in alignment with the required allocation structure and ensuring all expenditures support the goals of the LIFT program.
- Permit Approved Providers access to campuses to provide in-person support.
- Ensure teachers have sufficient planning time and use the required protocols.
- Provide print materials for all participating teachers and students.
- Follow the year-long scope and sequence for the instructional materials.
- Meet the minimum number of instructional minutes for the instructional materials.
- Ensure that a number of instructional leaders, aligned with the school system size, will actively participate in monthly implementation support and coaching provided by the Approved Provider.
- Ensure that the school system cabinet regularly engages in data reflection/performance management routines.

1. Does the school system agree to meet the Eligibility Criteria and Initiative Assurances listed above?

- Yes
 No

Initiative Specific Questions for the Leadership and Instructional Foundations for Texas (LIFT) Grant

For each content area below, please indicate your district’s current intention regarding the implementation of high-quality instructional materials (HQIM).

You may select different options for each content area.

K–5 English or Spanish Language Arts and Reading (ELAR/SLAR)

1. For which activity are you seeking LIFT technical assistance support in K-5 ELAR or SLAR?

- Implement **Bluebonnet Learning K–5 ELAR** in 2026–27 and/or **Bluebonnet Learning K-5 SLAR** if approved by SBOE
 Select an **SBOE-approved HQIM** during the planning year in 2026-27 and implement that HQIM in 2027-28
 Neither of the above

K–5 Mathematics

2. For which activity are you seeking LIFT technical assistance support in K-5 Math?

- Implement **Bluebonnet Learning K–5 Math** in 2026–27 and/or **Bluebonnet Learning K-5 Math (Spanish)** if SBOE approved

- Select an **SBOE-approved HQIM** in 2026-27 during the planning year in 2026-27 and implement that HQIM in 2027-28
- Neither of the above

Secondary Mathematics

3. For which activity are you seeking LIFT technical assistance support in 6-8 and/or Algebra I Mathematics, or Geometry or Algebra II if approved by SBOE?

- Implement **Bluebonnet Learning Secondary Math** in 2026–27
- Select an **SBOE-approved HQIM** during the planning year in 2026-27 and implement that HQIM in 2027-28
- Neither of the above

Leadership and Instructional Foundations for Texas (LIFT) (cont.)

Initiative Specific Questions for the Leadership and Instructional Foundations for Texas (LIFT) Grant

For each content area below, please indicate your school system’s current intention regarding the implementation of high-quality instructional materials (HQIM).

The LIFT grant provides monthly implementation support and coaching from a State-Approved Provider. By applying for this grant, your organization is committing to active participation in this support, specifically for instructional leaders – both at the campus and school system levels. Each participating campus must have one leader receiving coaching. Each of the participating campus and school system leaders must be directly involved in supporting teachers with the implementation of selected instructional materials. Additionally, the school system leader must be directly involved in supporting the campus leaders.

4. How many campus principals will the school system commit to receiving monthly implementation support and coaching visits from the Approved Provider?

Total number of principals to be coached :

5. How many school system-based instructional leaders (e.g. principal managers, executive director of instruction, associate superintendent) will the school system commit to receiving monthly implementation support and coaching visits from the Approved Provider?

Total number of leaders to be coached:

6. Does the school system commit to having, or working towards having, 165+ instructional days in the 2026-2027 academic year?

- Yes
- No

7. Has the school system implemented a CER OER product in previous academic years?

- Yes
- No

LIFT School Improvement PLC (LIFT SI PLC)

Initiative Description:

The LIFT School Improvement PLC Support grant is a targeted, Title I-funded initiative designed to enhance implementation support for campuses participating in the Leadership and Instructional Foundations for Texas (LIFT) program that are also identified for School Improvement. This grant provides additional resources, such as expanded PLC facilitation, increased observation and feedback, and individualized coaching to strengthen instructional systems and ensure effective use of high-quality instructional materials (HQIM). The goal is to deepen and sustain effective instructional practices by reinforcing the conditions necessary for strong HQIM implementation, ultimately improving student outcomes on federally identified campuses.

Review the Eligibility Criteria, Initiative Assurances, and Initiative Requirements listed below and indicate the school system's acceptance.

Eligibility Criteria:

As the applicant, the school system hereby agrees to:

- Eligible campuses include campuses that are Title I served with a 2025 federal accountability identification, including Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), or Additional Targeted Support (ATS). Comprehensive campuses in their second year of identification (Comprehensive Reidentified or Comprehensive Progress) are also eligible. Campuses must remain in operation during the grant cycle and remain Title I served for the 2026-27 school year.

Note: A school system is eligible to apply to both Leadership and Instructional Foundations for Texas (LIFT) and LIFT SI PLC Support grants, but if both are awarded, the school system must select the same Approved Provider for both LIFT and the LIFT SI PLC Support grant.

Initiative Assurances:

As the applicant, the school system hereby agrees to:

- Implement a Bluebonnet Learning (BL) product in the 2026–27 school year.
- Secure approval from the Superintendent and Chief Academic Officer (or equivalent leader) to participate in the program.
- Contract with the same provider from the LASO Cycle 4 State Approved Provider list that is providing technical assistance for the LIFT program for PLC supports.
- Engage relevant school system and campus leaders, as well as teachers and instructional coaches, in upfront training, implementation support, and coaching.

Note: These individuals must be in addition to and distinct from leaders receiving coaching through the LIFT program.

- Submit all required grant deliverables for each school year for the life of the grant.
- Submit provider contracts and required funding summary reports to TEA.
- Appoint a designated lead as the primary point of contact and identify at least two additional contacts.
- Permit Approved Providers access to campuses to provide in-person support.
- Ensure teachers have sufficient planning time and use the required protocols.
- Provide print materials for all participating teachers and students.
- Follow the year-long scope and sequence for instructional materials.
- Meet the minimum number of instructional minutes for the instructional materials.
- Use grant funds in alignment with the required allocation structure and ensure all expenditures support the goals of the LIFT program.
- Participate in required TEA-led activities, including a grant kick-off.

Initiative Requirements:

As the applicant, the school system hereby agrees to:

- Provide an additional campus leader—distinct from those supported through the LIFT Program—who will directly support teachers or campus leaders implementing the selected instructional materials.

1. Does the school system agree to meet the Eligibility Criteria, Initiative Assurances, and Initiative Requirements listed above?

- Yes
- No

School Improvement Curriculum and Instruction Support Grant (SI CISG)

Initiative Description:

This grant provides direct funds to school systems to support the implementation of State Board of Education (SBOE)-approved high-quality instructional materials (HQIM) that are not part of the Bluebonnet Learning suite. The goal is to ensure that campuses in School Improvement have access to rigorous, TEKS-aligned instructional materials that support high-quality instruction.

Review the Eligibility Criteria and Initiative Assurances listed below and indicate the school system's acceptance.

Eligibility Criteria:

As the applicant, the school system hereby agrees to:

- Campuses the school system are submitting for consideration are federally identified and Title-I serving.
- Seeking support for implementing SBOE approved instructional materials that are not Bluebonnet Learning products.

Initiative Assurances:

As the applicant, the school system hereby agrees to:

- Secure approval from the Superintendent and Chief Academic Officer (or equivalent leader) to participate in the program.
- Implement a State Board of Education (SBOE)-approved high-quality instructional material (HQIM) that is not part of the Bluebonnet Learning suite, in alignment with TEA guidance and the goals of the grant program OR implement curriculum and instruction improvements in grades 6–12 English Language Arts and Reading (ELAR) and grades 9–12 Mathematics (excluding Algebra I, Algebra II, and Geometry).
- Contract with a single Approved Provider from the LASO Cycle 4 State Approved Provider list.
- Submit Approved Provider contracts and required funding summary reports to TEA.
- Appoint a designated lead as the primary point of contact and identify at least two additional contacts.
- Participate in required TEA-led activities, including a grant kick-off.

Blended Learning Grant (BLG)

Initiative Description:

The Blended Learning Grant opportunity has two distinct cohorts and associated purposes that applicants will select from, as described below.

The **Blended Learning Academic Cohort** will support school systems and open-enrollment charter schools through a planning stage to design and subsequently implement a high-quality blended learning model in math (through Math Innovation Zones - MIZ) and Reading Language-Arts (RLA) aligned with Bluebonnet Math or Reading as their Tier 1 instruction.

The **Blended Learning Strategic Operations Cohort** will support school systems and open-enrollment charter schools in leveraging a blended learning model to make a strategic operational shift to scheduling, staffing and/or budgets. This shift will seek to make robust operational changes to optimize campus staffing models for teachers while maximizing academic impact for students. The grant is available to school system that have successfully completed a planning phase of either Math Innovation Zones or RLA Blended Learning grants. Applicants will select a blended model that will require significant operational and staffing shifts to rethink time in a teacher-centric way at the participating campus(es).

Note: Both cohorts must choose a specific blended model, integrating a tier one curriculum with a digital supplemental product, from the options [here](#). A participating campus's master schedule may need to be adjusted to accommodate the time blocks required.

For which **Blended Learning Grant Cohort** is the school system applying?

- Academic Cohort (School systems new to Blended Learning Grants)
- Strategic Operations Cohort (School systems from previous TEA Blended Learning Grants, including both math and non-math programs)

Review the Eligibility Criteria listed below and indicate the school system's acceptance.

Eligibility Criteria:

- **Blended Learning Academic Cohort:** School Systems who have previously participated or are currently participating in a strong Tier 1 math and/or reading curriculum planning through a TEA initiative (i.e. LASO 2 Strong Foundations and LASO 1 Strong Foundations).
- **Blended Learning Strategic Operations Cohort:** School Systems who have previously participated in TEA Blended Learning Grants. Applicants must have shown high usage in approved supplemental products in math and/or reading language arts for grades K-8 in spring

of 2025.

1. Does the school system agree to meet the Eligibility Criteria listed above?

- Yes
- No

Blended Learning Grant (BLG) (cont.)

Initiative Assurances for the Blended Learning Grant (BLG):

As the applicant, the school system hereby agrees to:

- Designate and provide a school system level project manager who will be available to dedicate approximately 50% of their time to designing and implementing the blended learning plan and who has decision making authority to act on developed plan.
- Designate and share with both the TEA and vendors a school system level lead/sponsor for communications, logistics, and usage monitoring. They also agree that this information is updated and maintained throughout the grant.
- Designate and share with TEA and vendors a campus level lead/sponsor for communications, logistics, and usage monitoring. They also agree this is updated and maintained throughout the grant.
- Work with a third-party vendor to complete a technology audit for a landscape analysis of supplemental products currently purchased and/or used at campuses.
- Implement, with fidelity, a digital adaptive software program in grade levels selected to participate in the Blended Learning Grant.
- Submit fidelity of planning deliverables prior to the beginning of the first school year, including but not limited to the following:
 - Master Schedule
 - Assessment Calendar
 - Stakeholder Engagement Plan
 - Professional Learning Calendars
- Complete execution deliverables in program implementation during the grant period, including but not limited to the following:
 - Student usage progress towards the selected adaptive software program recommended metrics.
 - Sharing student TSDS unique IDs with select software product vendor for TEA quarterly reports.
 - Sharing unit assessment data from core curriculum.
 - Complete all required training(s) to build competency with the adaptive software product.
 - Completing all required research surveys throughout the grant program period.
- Participate in required communities of practice and any additional grant program meetings.
- Use a digital supplemental program, approved through the IMRA and/or Ratio Wavier List (RWL), and Bluebonnet Math and/or Reading for Tier 1 instruction.
- Complete all required training(s) to build competency in the online curriculum.
- Complete annual reflection and revision plans in implementation years to continuously improve upon blended learning and/or strategic operations planning.
- Adhere to all statutory requirements in TEC Sections 28.020 and 29.924 including, but not limited to:
 - Develop a plan to implement a blended learning model according to statute requirements.
 - Implement the model across at least one full grade level at the campus and expand to other grade levels and/or campuses.
 - Require teachers to differentiate instruction for all students in a grade level using a research-backed blended learning model.
 - Provide teachers and other relevant personnel with professional development opportunities regarding blended learning.
 - Require the use of a proficiency-based assessment.

Initiative Specific Assurances for the Blended Learning Strategic Operations Cohort:

As the applicant, the school system hereby agrees to:

- Establish a cross-departmental steering committee, which includes a representative from the finance team, to facilitate strong planning and implementation.
- Select one of the following three operational models to plan for and implement:
 - Large Scale Rotational Model
 - Flex Model
 - District Proposed Model

Note: These operational models will require significant adjustments to staffing models (e.g., one master teacher leading a large group of students with the support of paraprofessionals or teacher aides). See Description of Program section for full definition of each model.

- Develop and submit strategic planning deliverables, between March and August of 2026, tailored to the operational model selected.
- Pilot the proposed model in the 2026-2027 school year with at least one full grade level at the participating campus(es).

- Fully implement the selected model in the 2027-2028 school year in all proposed grade levels at the participating campus(es).

1. Does the school system agree to meet all Initiative Specific Assurances listed above?

- Yes
- No

Blended Learning Grant (BLG) (cont.)

Initiative Requirements for the Blended Learning Grant (BLG):

As the applicant, the school system hereby agrees to:

- Agree that your participating campuses will serve all grade levels within the K-8 Math or K-5 RLA grade bands by the end of the grant period.
- Agree to complete all required training(s) to build competency in the online curriculum.
- Agree to complete annual reflection and revision plans in implementation years to continuously improve upon blended learning and/or strategic operations planning.
- Agree to implement the digital adaptive software program in grade levels selected to participate in the Blended Learning grant.
- Agree to adhere to all statutory requirements in TEC Sections 28.020 and 29.924 including, but not limited to:
 - Develop a plan to implement a blended learning model according to statute requirements.
 - Implement the model across at least one full grade level at the campus and expand to other grade levels and/or campuses.
 - Require teachers to differentiate instruction for all students in a grade level using a research-backed blended learning model.
 - Provide teachers and other relevant personnel with professional development opportunities regarding blended learning.
 - Require the use of a proficiency-based assessment.

Initiative Specific Requirements for the Blended Learning Strategic Operations Cohort:

As the applicant, the school system hereby agrees to:

- Agree to implement an SBOE-approved Tier 1 product. (see full list at [Instructional Materials Review and Approval](#))
- Implement the above Tier 1 curriculum and supplemental products for their selected grade-levels and student population with participating campus(es).
- Establish a cross-departmental steering committee, which includes a representative from the finance team, to facilitate strong planning and implementation.
- Develop and submit strategic planning deliverables in the six months of the grant (March 2026 - August 2026) tailored to the operational model selected.
- Pilot the proposed model in the 2026-2027 school year with at least one full grade level at the participating campus(es).
- Fully implement the selected model in the 2027-2028 school year in all proposed grade levels at the participating campus(es), if awarded a continuation grant.
- Agree to download, complete, and upload the following scoring template linked [here](#) to submit with calculations for the questions below:
 - How many supplemental products were implemented for each blended model(s) at the applicant campus(es)?
 - Name of supplemental product implemented for each blended model(s) at the applicant campus(es).
 - List the recommended supplemental product usage target. (e.g., '30 minutes per week', '2 lessons per week', etc.)
 - Identify campuses and grade-levels implementing the above supplemental product in the Spring of 2025.
 - How many Total K-8 students are enrolled at the participating campuses above?
 - How many K-8 students participating in blended learning at participating campuses in the Spring of 2025?
 - What is the percentage of K-8 students participating in blended learning at participating campuses (questions f and e)?
 - Of the participating students in question f, how many of them are meeting the recommended supplemental product usage target (question c)?
 - What percentage of participating K-8 students met the supplemental product usage target, from the above two questions?
 - Include a screenshot of the software dashboard as evidence of the calculations for each included software product?

2. Does the school system agree to meet the Initiative Specific Requirements listed above?

- Yes
 - No

Initiative Specific Questions for the Blended Learning Grant (BLG)

1. How many K-5 campuses is the school system applying to? (Min: 1, Max: Not to exceed the number of available campuses)

2. How many 6-8 campuses is the school system applying to? (Min: 1, Max: Not to exceed the number of available campuses)

3. Select the blended model subjects the school system is interested in implementating:

- Math
- Reading Language Arts

3a. What SBOE approved Tier 1 curriculum math product and supplemental math product do participating campuses plan on using in the 26-27 school year?

- K-5 Math | Bluebonnet with *[IMRA supplemental approved product]*
- K-5 Math | *[IMRA T1 product]* with *[approved product]*
- 6-8 Math | Bluebonnet with *[IMRA supplemental approved product]*
- 6-8 Math | *[IMRA T1 product]* with *[approved product]*

3b. How many students (K–8) school system wide will be participating in math blended learning through this grant?

3c. What SBOE approved Tier 1 curriculum reading product and supplemental reading product do participating campuses plan on using in the 26-27 school year?

- K-5 Reading | Bluebonnet with *[approved product]*
- 6-8 Reading | *[approved product]* with *[approved product]*
- K-5 Reading | Bluebonnet with *[approved product]*
- 6-8 Reading | *[approved product]* with *[approved product]*

3d. How many students (K–8) district wide will be participating in reading language arts blended learning through this grant?

4. What is the school system's total student enrollment in grades K-8?

5. Please provide the contact information for the project manager designee or immediate contact for the BLG program.

Additional Days School Year Planning & Execution Program (ADSY PEP): Full Year Redesign and Summer Learning Cohorts

Initiative Description:

The Additional Days School Year (ADSY) Grant is a voluntary, three-year grant initiative designed to support school systems and open-enrollment charter schools in developing and sustaining high-quality ADSY programs.

The ADSY grant provides participating local education agencies (LEAs) with comprehensive support to design programs that are grounded in research and aligned with evidence-based practices that improve student outcomes. The program structure includes:

- Year 1: Planning - School systems engage in a year-long planning process with TEA-approved technical assistance providers to design a strategic, research-aligned ADSY model tailored to their local context.
- Years 2-3: Implementation Refinement and Continuous Improvement - School systems receive ongoing support to strengthen program quality, monitor outcomes, and make data-informed adjustments to ensure long-term success and sustainability.

This structured approach builds school system capacity in program design, strategic planning, and change management. It ensures that additional instructional days are effectively implemented and aligned with school system priorities to maximize academic impact.

School systems participating in the Grade 6-8 Expansion opportunity pilot will follow a slightly shorter timeline, with grant support lasting for two years.

School systems will be able to select between two ADSY models, Full Year and Summer, to receive planning and implementation support aligned with research-based best practices.

Review the Eligibility Criteria and Initiative Assurances listed below and indicate the school system's acceptance.

Eligibility Criteria:

As the applicant, the school system hereby agrees to:

- Participating campuses must operate on a 175-day instructional calendar or have a board-approved plan to implement such a calendar by the 2026–2027 school year.
- Campus must be implementing an IMRA-approved product as their Tier 1 during the regular school year.

Note: For Campuses That Have Not Previously Accessed ADSY Funding Under the ADSY Planning and Execution Program (PEP)

- The participating campus must serve students in one or more grade levels within PK–5.

Note: Previously Participated in ADSY PEP and Seek to Expand to Grades 6–8

- The participating campus(es) must serve students in one or more grade levels within 6-8.

Initiative Assurances:

As the applicant, the school system hereby agrees to:

- Assign a qualified and experienced project manager with district-level decision-making authority who can align campus-based actions with district goals, and who will:

- Attend all Learning Community professional development workshops.
- Participate in calls with the designated approved provider.
- Lead the District’s ADSY PEP steering committee.
- Ensure timely and high-quality completion of the LEA’s ADSY PEP strategic plan and deliverables.
- Form a cross-departmental Steering Committee that meets at least monthly and includes representatives from both the Finance and Curriculum & Instruction teams to guide strategic planning.
- Attend and actively participate in all required grant orientation meetings, Professional Development sessions, Technical Assistance (TA) meetings, and maintain open, responsive communication with the assigned TA provider throughout the grant period.
- Complete the comprehensive ADSY PEP Strategic Plan using the provided planning resources and templates, and submit it by the designated deadlines.
- Understand that continuation in the ADSY PEP grant is contingent upon demonstrated effort to implement feedback, adherence to all grant requirements, and evidence of yearly progress.
- Failure to secure board approval of an ADSY-eligible calendar (defined as a 175-day base instructional calendar with 75,600 operational minutes) for the 2026–2027 school year at participating campuses will result in ineligibility to continue in ADSY PEP.
- Maintain the annual ADSY-eligible calendar approval process at participating campuses for the full duration of the grant, and acknowledge that failure to secure board approval in future years during the ADSY PEP grant cycle will result in ineligibility for continued funding, if available.

1. Does the school system agree to meet the Eligibility Criteria and Initiative Assurances listed above?

- Yes
- No

Additional Days School Year Planning & Execution Program (ADSY PEP): Full Year Redesign and Summer Learning Cohorts (cont.)

ADSY Calendar Requirement:

Additional Days School Year funding is the foundation of the ADSY grant and includes an eligibility requirement of conducting a minimum of 175-day instructional calendar at the participating campuses.

1. Does the school system agree to the ADSY grant requirement of implementing and maintaining a base academic calendar of 175 instructional days and 75,600 operational minutes, and adding at least 25 Additional Days (aligned to the approved model) to the calendar at the eligible campuses for the full duration of the grant?

- Yes
- No

ADSY Pathway:

1. Has the school system previously participated in the ADSY Full Year or Summer Cohort?

- Yes
- No

1a. Please select the option that best represents your school system’s current ADSY implementation status. This will help route to the correct application sections:

Note: The school system has previously participated in the ADSY Full Year or ADSY Summer program with grant support. For this application cycle, the school system may apply for ADSY grant with up to three new-to-ADSY campuses.

- Category 1 – New PK–5 Campus Participation

Applying for one or more campuses serving grades PK–5 that have never received ADSY formula funding under any prior ADSY grant.

- Category 2 – Expansion to Grades 6–8

Previously participated in ADSY (Summer or Full Year) and is now seeking to expand ADSY implementation to include grades 6–8

Initiative Specific Requirements for the ADSY Summer Cohort

Note: School systems that agree with program specific requirements will be prioritized.

1. Does the school system agree to implement an ADSY summer program lasting between 25 and 30 days, with each day including at least 360 minutes (6 hours) of total programming, which must include::

- A minimum of 180 minutes (3 hours) dedicated to math and reading instruction.
- At least 60 minutes (1 hour) of TEKS-based enrichment activities aligned with core subjects, based on local needs and STAAR data.
- The remaining 120 minutes (2 hours) should include:
 1. 60 minutes (1 hour) of traditional enrichment activities, such as arts, science exploration, or sports.
 2. 60 minutes (1 hour) can be dedicated to transitions, lunch, and other flexible needs.

- Yes
- No

2. Does the school system agree to implement a summer academic strategy that is data-driven and that aligns with both the regular-year HQIM and regular-year academic strategy?

- Yes
- No

3. Does the school system agree to implement a staffing model that ensures teachers are assigned to students in the same grade level they taught in the previous year or will teach in the following year?

- Yes
- No

4. Does the school system understand that teachers who meet the school system's certification requirements must provide at least three hours of academic instruction focused on math and reading and one hour of enrichment aligned to core subjects on dedicated ADSY summer program days?

- Yes
- No

5. Does the school system agree to develop a Summer Program Impact Report each year using the tools and templates provided by the grant program and share the Impact Report with TEA and stakeholders?

- Yes
- No

Virtual and Hybrid Program Accelerator (VHPA)

Initiative Description:

The Virtual and Hybrid Program Accelerator (VHPA) enables school systems and open-enrollment charter schools to design and launch high-quality virtual and hybrid programs or campuses, as defined under Texas Education Code (TEC) Chapter 30B. The goal of the program is to establish schools that are intentionally structured to achieve A or B accountability ratings and deliver rigorous, engaging instruction tailored to meet the diverse needs of students across Texas. Through VHPA, participating school systems receive funding and technical assistance to develop flexible, personalized learning models that support students requiring adaptable education pathways. The program also enables school systems to implement innovative staffing strategies, expand course offerings, and increase access to high-quality instruction statewide.

Review the Eligibility Criteria, Initiative Assurances, and Initiative Requirements listed below and indicate the school system's acceptance.

Eligibility Criteria:

As the applicant, the school system hereby agrees to:

- Have not participated in a previous VHPA cycle.

Initiative Assurances:

As the applicant, the school system hereby agrees to:

- Program leads of awarded applicants have at least 16 hours of release time built into their weekly schedules to plan and create the virtual or hybrid program or campus.
- Ensure that the program or designated campus leader possesses relevant experience or can exhibit the competencies necessary to lead a virtual or hybrid program or campus effectively.
- Design and manage strategic initiatives that improve instructional quality and student engagement, and they are committed to building their capacity to support high-quality virtual and hybrid models.
- As part of the program commitment for Year 1 of VHPA, submit a comprehensive launch plan for a full-time virtual or hybrid program or apply for authorization to operate a virtual or hybrid campus to operate in 2027-2028 school year.

Note: If the school system does not meet participation expectations or disengage from VHPA, they may have their membership from the VHPA terminated and forfeit any access to remaining funding.

Initiative Requirements:

As the applicant, the school system hereby agrees to:

- Establish a dedicated VHPA Team responsible for developing and implementing the full-time virtual or hybrid campus or program.
- Collaborate with a TEA-assigned technical assistance (TA) provider and participate in TA-supported activities such as cohort workshops, monthly coaching calls, step backs, planning sessions, or implementation deliverables.
- Ensure adaptability and dedication in program model design to align with research-based practices for high-quality virtual and hybrid models.
- By the end of Year 1 of VHPA support, launch a full-time virtual or hybrid program or apply for authorization to operate a full-time virtual or hybrid campus beginning the 2027-2028 school year.

Note: For full-time virtual or hybrid campuses, Year 2 of VHPA TA support and funds are contingent upon the full-time virtual or hybrid campus receiving authorization.

- Ensure that any partnership with a private or third-party vendor preserves the school system's ability to design, adapt, and implement the virtual or hybrid program to meet local needs.
- Disclose any vendor-imposed services, limitations that may affect program flexibility, instructional design, or operational decision-making.
- If selecting a private or third-party provider to operate the school, collaborate with the designated technical assistance partner to develop a comprehensive provider selection plan that includes:

- Defined criteria for evaluating potential providers.
- Detailed cost analysis and breakdown of services.
- Consideration of the provider’s historical performance (e.g., student academic outcomes).
- If selecting a private or third-party provider to operate the program or campus, formalize and monitor the partnership with a third-party provider by:
 - Submitting memoranda of understanding (MOU) or formal agreements outlining responsibilities of both the provider and the school system or charter.
 - Establishing a system for progress monitoring, including required reports on student engagement and academic progress.
 - Defining action items if the provider fails to meet success criteria for the campus or program.
- Complete all required deliverables and meeting milestones by the scheduled timeline specified by the VHPA, including:
 - Define a clear and compelling rationale for launching the virtual or hybrid program/campus, including the specific student population or campus it will serve.
 - Present evidence of community interest in a virtual or hybrid learning option, including data collected through surveys, focus groups, or other engagement methods.
 - Develop and implement comprehensive plans to achieve program objectives, including an academic plan that outlines curriculum, instructional methods, approaches for monitoring student progress, and support strategies for special populations and at-risk students.
 - Develop and iterate plans regarding staffing models, school culture, family engagement, and student support.
 - Update operations such as staffing, schedules, finances, technology, and cybersecurity to support virtual or hybrid models.
 - Provide a professional development plan for instructional staff that includes training specific to virtual and hybrid instruction, along with ongoing, job-embedded coaching to strengthen instructional quality and student engagement.
 - Present evidence of training and development for teachers and leaders to ensure high-quality virtual or hybrid instruction.
 - Use data to monitor student engagement and academic progress, ensuring alignment with grade-level standards and research-based instructional strategies specific to virtual and hybrid learning.
 - Engage in three improvement cycle sessions using data to inform ongoing development. school systems will share data that reflects program implementation and outcomes. This may include student engagement, progress toward grade-level mastery in virtual and hybrid courses (BOY, MOY, EOY), teacher instructional practices and growth in serving virtual and hybrid learners, and leader support for professional learning communities and job-embedded coaching.
 - Obtain formal approval from the school system’s governing board to launch a virtual or hybrid program/campus and ensure this approval is secured prior to applying for authorization. For virtual/hybrid campuses, ensure this approval is secured prior to applying for authorization.
 - Submit a detailed plan or contract outlining the scope of services, responsibilities, and decision-making authority in any private or third-party vendor partnership supporting the virtual or hybrid program/campus (*if applicable*).
 - Submit a comprehensive launch plan and either implement a virtual or hybrid program or apply for authorization to operate a virtual or hybrid campus that is expected to begin operating in the 2027-2028 school year.

1. Does the school system agree to meet the Eligibility Criteria, Initiative Assurances, and Initiative Requirements listed above?

5. How does the school system envision instructions to delivered in the program?

- Asynchronous only
- Synchronous only
- Both asynchronous and synchronous
- Undecided

6. Will the school system be in Year 1 of the school system wide adoption of HQIM in core subjects?

- Yes
- No

7. Current or anticipated student enrollment number in the virtual/hybrid program or campus?

75

8. Describe how the school system calculated the enrollment number above.

(i.e. current number of students enrolled, number of interested students via family survey)

Estimates based on pre-registration interest.

9. Which best describes where the school system is in the virtual/hybrid program?

- Are in the planning phase and currently do not have a virtual or hybrid program, but intend to launch in SY26-27.
- Have a plan and will be ready to launch a virtual/hybrid program this school year (SY26-27) with some additional support.
- Are currently running a virtual and hybrid program and would like feedback and support to build on it to launch a more robust program in SY27-28.
- Are in the planning phase and currently do not have a virtual or hybrid program but intend to apply for authorization to operate a virtual or hybrid campus in the SY27-28.
- Have a plan and will be ready to launch a virtual/hybrid program this school year (SY26-27). With some additional

- support, we plan to apply for authorization to operate a virtual or hybrid campus in the SY27-28.
- Are currently running a virtual and hybrid program and would like feedback and support to build on it and establish a virtual or hybrid campus in SY27-28.
 - Are exploring virtual and hybrid learning options within our school system but unsure about the program type and timeline to launch.

10. Describe how your virtual or hybrid program/campus aligns with the school system's broader strategic goals or improvement plans.

Royal Public Schools' proposed virtual/hybrid program aligns directly with our mission to "spark our students' natural curiosity and love of learning and to provide them with the knowledge and skills they need to lead successful and fulfilling lives." As a K-12 public charter school serving a diverse student population including many low-income families working families and students who require flexible learning options this program expands our ability to meet students where they are. By offering personalized pacing flexible scheduling and high-quality virtual instruction paired with targeted in-person support the virtual/hybrid model strengthens our commitment to equitable access and ensures that every student regardless of circumstance can engage in rigorous grade-level learning. This initiative also integrates seamlessly with our broader school improvement priorities including accelerating academic achievement strengthening differentiated instruction improving attendance and engagement and expanding course opportunities. The virtual/hybrid structure allows us to enhance intervention extend advanced coursework and improve support for students with medical needs attendance challenges or accelerated learning trajectories. By incorporating data-driven decision-making continuous improvement practices and aligned instructional frameworks the program helps Royal Public Schools build a more innovative flexible and sustainable learning environment. Ultimately the virtual/hybrid program is a strategic lever that advances both our current improvement efforts and our long-term vision for student success.

11. Describe what knowledge or experience the school system's leadership team brings to designing and supporting high-quality virtual or hybrid instruction.

Royal Public Schools' leadership team brings decades of experience in public education school design and instructional improvement. As the founder and long-serving CEO of Harmony Public Schools for eighteen years I gained extensive experience overseeing large scale academic initiatives innovative instructional models and system level strategies that supported flexible and technology enhanced learning environments. This background provides our team with a strong understanding of how to create structures policies and support systems that enable high quality virtual or hybrid instruction. In addition to our existing expertise Royal Public Schools is preparing to expand its capacity by hiring personnel with direct experience in virtual education online teaching and digital curriculum implementation. I will personally lead the high quality virtual or hybrid instruction team to ensure strong alignment between instructional practice operational planning and student support. With a combination of seasoned leadership and targeted expertise our team is well equipped to design and sustain a virtual or hybrid program that delivers rigorous instruction promotes engagement

and supports meaningful academic growth for all students.

12. Describe what research, data, or stakeholder input informed the school system's decision to pursue a virtual or hybrid model.

Royal Public Schools' decision to pursue a virtual or hybrid model is based on internal data family feedback and research on flexible learning environments. Our attendance and enrollment trends show that many families need nontraditional scheduling options due to work demands medical needs transportation issues or a preference for more personalized learning. Parent surveys and conversations also revealed strong interest in flexible instruction additional course options and individualized pacing. Teachers and leaders reported that many students benefit academically and behaviorally when they can combine online learning with targeted in-person support. Research on high quality blended and virtual models further supports this direction. Studies consistently show that well designed virtual and hybrid programs can expand access to advanced coursework improve personalization and meet the diverse needs of students more effectively. Together these data points and stakeholder insights guided our decision to invest in a virtual or hybrid program that aligns with student needs and strengthens academic opportunities across Royal Public Schools.

13. Which best describes the school system's key areas of need for the virtual/hybrid program?

Note: Answers provided will not limit the type of support the school system will receive if accepted into the program. Instead, this information will be used to better understand the school system's key area of need.

- Aligned, effective vision and model that is responsive to family and student needs.
- Family engagement, communication, and/or recruitment plan.
- Staffing and/or teacher/staff recruitment plan.
- Plan for communicating clear administrator, teacher, student, and family roles within a virtual/hybrid model. (*and wherever needed, support for shifting mindsets*)
- Instructional framework for designing high-quality virtual and hybrid courses aligned to research-based practices.
- Student attendance and engagement plan.
- School Culture and student well-being plan.
- Plan for supporting special populations and at-risk students.
- Student onboarding sessions, including learning strategies and support for cultivating mindsets rooted in the science of learning, self-directed learning skills, how to use digital tools, and help-seeking during asynchronous and/or synchronous instruction.
- Teacher development (*PD and ongoing job-embedded coaching*) to deliver high-quality instruction and learning experiences in a virtual/hybrid model.
- High-Quality Instructional Materials. (*for core curriculum and adjusted for virtual/hybrid learning*)
- Data collection and progress monitoring systems.
- Technology Strategy and Data Privacy Framework. (*including hardware, connectivity, digital tools, and cybersecurity policies*)
- Master schedule that is appropriately set up for virtual or hybrid learning.

14. Describe which additional topics, areas of support, or identified gaps would be most helpful to strengthen the school system's virtual or hybrid model.

To strengthen Royal Public Schools' virtual or hybrid model several areas of support would be especially valuable. First we would benefit from additional guidance on designing high quality virtual course structures including best practices for balancing synchronous and asynchronous instruction promoting active engagement and integrating digital curriculum with in-person supports. Support in developing teacher capacity for virtual pedagogy including coaching on managing online classrooms providing feedback in digital environments and using data from online platforms would also be helpful. We would additionally welcome support in building strong systems for student attendance engagement monitoring

and early intervention
as these areas are critical to long-term success in flexible learning environments. Assistance with creating a comprehensive student onboarding process
developing family communication strategies
and ensuring robust technology systems would further strengthen the model. Finally
guidance on supporting special populations and at-risk students in virtual settings
including accommodations
instructional strategies
and progress monitoring
would help us ensure that our virtual or hybrid program is equitable
accessible
and aligned with the needs of all learners.

15. Describe which curriculum the school system is currently using, or planning to use for virtual learning for core courses.

Royal Public Schools uses TEA-recommended High Quality Instructional Materials across all core subject areas and these materials provide a strong foundation for virtual and hybrid learning. For Reading and Language Arts we use Bluebonnet Foundational Skills in grades K through 5 and Amplify Texas ELAR in grades 6 through 8. For Mathematics we use Bluebonnet Math in grades K through 5 and Amplify Texas Math in grades 6 through 8. These curriculum systems include digital components
online teacher resources
and student-facing tools that allow for effective delivery in virtual
hybrid
synchronous
and asynchronous settings. As a supplemental tool
we also use i-Ready Math
which supports individualized pacing and reinforces core TEKS-aligned instruction. In addition to our core HQIM curriculum
Royal Public Schools will integrate widely used virtual-friendly platforms that are common across Texas school systems
such as Nearpod
Pear Deck
Savvas Realize
HMH Ed
and StudySync (for upper-grade ELAR). By combining TEA-approved HQIM materials with adaptive digital tools and widely used virtual learning platforms
Royal Public Schools will provide a rigorous
TEKS-aligned curriculum that seamlessly supports both virtual and hybrid instruction across all core subject areas.

16. Which content is the school system considering when adopting new instructional materials or curriculum for virtual learning? (*choose all that apply*)

Note: Curriculum adoption is not a requirement of the program, but rather an optional support; the response to this question will help us better understand the school system's needs.
