

Welcome

Welcome to the Learning Acceleration Support Opportunities (LASO) 25-26 Cycle 4 application.

This consolidated application streamlines school system's access to grant funding, allotments, and in-kind supports and services across 15 opportunities.

Introduction

This application includes 15 initiatives available for school systems to apply for in LASO Cycle 4.

To ensure an informed selection, please follow these steps:

- **Review Program Guidelines:** Examine the program guidelines and resources for each initiative to understand its purpose, eligibility requirements, and assurances.
- **Engage Internal Teams:** Consult with key stakeholders (e.g., board, superintendent, district leaders, campus leaders etc.) to determine which initiatives best align with your school system's needs and capacity.
- **Select Initiatives:** Identify the initiatives that best support your local priorities.
- **Complete the Application:** Submit responses only for the initiatives your school system chooses to apply for.

Review each initiative by clicking the links to its program guidelines below:

Additional Resources and Considerations

Additional Resources

- [Initiative One-Pagers](#): Provides school systems with a concise summary of each initiative in LASO Cycle 4.
- [Eligibility & Prioritization Matrix](#): Provides eligibility and prioritization criteria that will enable a school system to predict the likelihood of receiving an award.
- [Initiative Selection Tool](#): Provides a Scenario map to guide selection of the right fitting initiative based on need.
- [Role and Responsibilities Insight Tool](#): Identifies the types of responsibilities for each role and show where roles overlap across initiatives.

Key Considerations for Submission

- Each school system may submit only one application. If multiple applications are submitted, only the most recent submission (based on timestamp) will be accepted.
- The application must be signed by the superintendent to be considered formally submitted. Only signed applications will be scored and considered for award. If the superintendent is unavailable to sign by the deadline, email LASO@texas.tea.gov for guidance.
- School systems have 60 days to complete the application. The application opens on October 3, 2025, and must be submitted by December 3, 2025, at 5:00 PM CT.

Leadership and Instructional Foundations for Texas (LIFT)

Initiative Description:

LIFT (Leadership and Instructional Foundations for Texas) is a three-year program designed to support Texas school systems in building the instructional and systems-level capacity needed to deliver high-quality learning experiences for all students. LIFT brings together the highest leverage components of Strong Foundations, Texas Instructional Leadership, and Texas Lesson Study, providing comprehensive support for school systems to adopt **high-quality instructional material (HQIM)** and implement **Bluebonnet Learning (BL)** over multiple years.

Review the Eligibility Criteria and Initiative Assurances listed below and indicate the school system’s acceptance.

Eligibility Criteria:

As the applicant, the school system hereby agrees to:

- Commit to selecting and implementing a [State Board of Education \(SBOE\)](#)-approved high-quality instructional material (HQIM) in the 2027–28 school year.

OR

- Commit to implementing a Bluebonnet Learning (BL) product in the 2026–27 school year.

Note: Participation in other grant programs does not disqualify applicants but may be considered during prioritization.

Initiative Assurances:

As the applicant, the school system hereby agrees to:

- Commit to (with Board approval) implementing a Bluebonnet Learning (BL) product in the 2026–27 school year (if applying to the “Implementation Phase”) OR committing to selecting and implementing a State Board of Education (SBOE)-approved high-quality instructional material (HQIM) in the 2027–28 school year (if applying to the “Planning Phase”).
- Contract with an Approved Provider from the LASO Cycle 4 State Approved Provider List for LIFT.
- Submit Approved Provider contracts and required funding summary reports to TEA.
- Secure approval from the Superintendent and Chief Academic Officer (or equivalent leader) to participate in the program.
- Appoint a designated LIFT lead as the primary point of contact and identify at least two additional contacts.
Note: The primary point of contact should be the equivalent of a senior academic team member or principal manager.
- Participate in required TEA-led activities, including a grant kick-off and communities of practice.
- Engage relevant school system and campus leaders, including special programs leadership, as well as teachers, instructional coaches, and special population educators in upfront training, implementation support, and coaching.
- Participate in a needs assessment of current instructional practices and materials.
- Establish or refine systems for instructional leadership, schoolwide routines, and observation and feedback.
- Submit all required grant deliverables, including instructional framework artifacts, implementation plans, school system-level instructional materials transition plan, campus-level implementation action plans, classroom, campus, and school system-level observation data and student outcomes data and progress updates as requested by the Approved Provider or the TEA.
- Participate in TEA-administered surveys and/or focus groups, as requested.
- Use grant funds in alignment with the required allocation structure and ensuring all expenditures support the goals of the LIFT program.
- Permit Approved Providers access to campuses to provide in-person support.
- Ensure teachers have sufficient planning time and use the required protocols.
- Provide print materials for all participating teachers and students.
- Follow the year-long scope and sequence for the instructional materials.
- Meet the minimum number of instructional minutes for the instructional materials.
- Ensure that a number of instructional leaders, aligned with the school system size, will actively participate in monthly implementation support and coaching provided by the Approved Provider.
- Ensure that the school system cabinet regularly engages in data reflection/performance management routines.

LIFT School Improvement PLC (LIFT SI PLC)

Initiative Description:

The LIFT School Improvement PLC Support grant is a targeted, Title I-funded initiative designed to enhance implementation support for campuses participating in the Leadership and Instructional Foundations for Texas (LIFT) program that are also identified for School Improvement. This grant provides additional resources, such as expanded PLC facilitation, increased observation and feedback, and individualized coaching to strengthen instructional systems and ensure effective use of high-quality instructional materials (HQIM). The goal is to deepen and sustain effective instructional practices by reinforcing the conditions necessary for strong HQIM implementation, ultimately improving student outcomes on federally identified campuses.

Review the Eligibility Criteria, Initiative Assurances, and Initiative Requirements listed below and indicate the school system's acceptance.

Eligibility Criteria:

As the applicant, the school system hereby agrees to:

- Eligible campuses include campuses that are Title I served with a 2025 federal accountability identification, including Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), or Additional Targeted Support (ATS). Comprehensive campuses in their second year of identification (Comprehensive Reidentified or Comprehensive Progress) are also eligible. Campuses must remain in operation during the grant cycle and remain Title I served for the 2026-27 school year.

Note: A school system is eligible to apply to both Leadership and Instructional Foundations for Texas (LIFT) and LIFT SI PLC Support grants, but if both are awarded, the school system must select the same Approved Provider for both LIFT and the LIFT SI PLC Support grant.

Initiative Assurances:

As the applicant, the school system hereby agrees to:

- Implement a Bluebonnet Learning (BL) product in the 2026–27 school year.
- Secure approval from the Superintendent and Chief Academic Officer (or equivalent leader) to participate in the program.
- Contract with the same provider from the LASO Cycle 4 State Approved Provider list that is providing technical assistance for the LIFT program for PLC supports.
- Engage relevant school system and campus leaders, as well as teachers and instructional coaches, in upfront training, implementation support, and coaching.

Note: These individuals must be in addition to and distinct from leaders receiving coaching through the LIFT program.

- Submit all required grant deliverables for each school year for the life of the grant.
- Submit provider contracts and required funding summary reports to TEA.
- Appoint a designated lead as the primary point of contact and identify at least two additional contacts.
- Permit Approved Providers access to campuses to provide in-person support.
- Ensure teachers have sufficient planning time and use the required protocols.
- Provide print materials for all participating teachers and students.
- Follow the year-long scope and sequence for instructional materials.
- Meet the minimum number of instructional minutes for the instructional materials.
- Use grant funds in alignment with the required allocation structure and ensure all expenditures support the goals of the LIFT program.
- Participate in required TEA-led activities, including a grant kick-off.

Initiative Requirements:

As the applicant, the school system hereby agrees to:

- Provide an additional campus leader—distinct from those supported through the LIFT Program—who will directly support teachers or campus leaders implementing the selected instructional materials.

1. Does the school system agree to meet the Eligibility Criteria, Initiative Assurances, and Initiative Requirements listed above?

- Yes
- No

PREP Residency Preservice Program Allotment

Allotment Opportunity:

The PREP Residency Preservice Program empowers school systems to play a central role in cultivating a pipeline of well-prepared, highly qualified teachers by embedding paid preservice teacher residency candidates directly into classrooms of highly qualified host teachers. Through close collaboration with educator preparation programs, participating school systems support teacher residents in earning an enhanced standard teaching certificate while gaining hands-on experience on campuses across the school system. By expanding the reach and effectiveness of residency models, the PREP Residency Preservice Program enhances instructional capacity and increases student access to skilled educators—ultimately advancing educational outcomes.

1. Does the school system wish to be considered for this Allotment Opportunity?

PREP Grow Your Own (GYO) Program Allotment

Initiative Description:

The PREP Grow Your Own (GYO) Program enables school systems, through partnering with qualified institutions of higher education and educator preparation programs, to establish innovative staffing pipelines that prepare and retain educators and thereby, increase student access to high-quality classroom teachers. The PREP GYO program provides funding through which participating school systems support (A) school system employees who do not hold a teaching certificate in completing a bachelor's degree and enrolling in a preparation program to ultimately

become a certified teacher while employed by the school system and (B) high school students in completing career and technical education courses that help prepare the students to become classroom teachers. Funding may be used to implement the PREP Grow Your Own Program and pay tuition and fees for participating students or employees.

Review the Eligibility Criteria and Initiative Assurances listed below and indicate the school system's acceptance.

Eligibility Criteria:

As the applicant, the school system hereby agrees to:

- Any school system, which includes open-enrollment charter schools, and SB 1882 Operating Partners who read and agree to the requirements in relevant sections of the Texas Education and Texas Administrative codes cited in these guidelines is eligible for the PREP Allotment.
- School systems may participate in the PREP GYO Program only if they have been approved to participate in a partnership preservice program. For the LASO 4 application cycle, school systems must apply for and also participate in the PREP Residency Preservice Program.

Initiative Assurances:

As the applicant, the school system hereby agrees to:

- Read and abide by TEC §21.906 (PREP Grow Your Own Program).
- Read and abide by TEC §48.157 (PREP Program Allotment).
- Read and abide by TAC sections related to the PREP Grow Your Own (GYO) Program, which will be posted to the Texas Register for public comment during the 2025-26 school year and become effective prior to the start of the 2026-27 school year.

Note: TEA anticipates sharing specific dates related to rulemaking in fall 2025.

PREP Mentorship Program Allotment

Allotment Opportunity:

The Preparing and Retaining Educators through Partnership (PREP) Program Allotment aims to strengthen the quality of teacher recruitment, preparation, and mentorship, leading to increased educator effectiveness and retention. The PREP Program Allotment provides funding for various partnerships and school systems may apply for funding for the PREP Residency Preservice Program, Grow Your Own Program, and the Mentorship Program through this LASO IV Application. Through this allotment, school systems may also apply for Strategic Staffing funding to support the implementation and reach of the PREP Program Allotment. The 89th Texas Legislature established the PREP Program Allotment via House Bill 2, which was signed into law by Governor Abbott on June 20, 2025.

1. Does the school system wish to be considered for this Allotment Opportunity?

- Yes
- No

PREP Mentorship Program Allotment

Initiative Description:

The Preparing and Retaining Educators Through Partnership (PREP) Mentorship Program provides school systems interested in implementing high-quality new teacher mentorship programs with funding to 1) provide, at minimum, a \$1,000 stipend to the mentor teacher (per beginning teacher), 2) train all required school system mentorship staff via the Texas Mentorship Training, and 3) provide release time for mentor teacher and beginning teacher mentoring activities. Any remaining funds may be used on strategic staffing training. The overarching purpose of this allotment is to increase the effectiveness and retention of beginning teachers across Texas.

Review the Eligibility Criteria and Initiative Assurances listed below and indicate the school system’s acceptance.

Eligibility Criteria:

As the applicant, the school system hereby agrees to:

- Any school system, which includes open-enrollment charter schools, and SB 1882 Operating Partners who read and agree to the requirements in relevant sections of the Texas Education and Texas Administrative codes cited in these guidelines is eligible for the PREP Allotment.

Initiative Assurances:

As the applicant, the school system hereby agrees to:

- Read and abide by TEC §21.907 (PREP Mentorship Program).
- Read and abide by TEC §48.157 (PREP Program Allotment).
- Read and abide by TAC sections related to the PREP Mentorship Program, which will be posted to the Texas Register for public comment during the 2025-26 school year and become effective prior to the start of the 2026-27 school year.

Note: The TEA anticipates sharing specific dates related to rulemaking in fall 2025.

For more details regarding Texas Education Code TEC §21.907 (PREP Mentorship Program) and TEC §48.157 (PREP Program Allotment) see: [PREP MENTORSHIP LASO 4 Pop-Out Document](#).

- Appoint a representative to engage in all required PREP Allotment & PREP Mentorship Program communications.

1. Does the school system agree to meet the Eligibility Criteria and Initiative Assurances listed above?

Roles

- **Mentor Teacher:** A teacher who, to the extent practicable, teaches in the same school, subject, and/or grade level of the beginning teachers they mentor, completes a mentor teacher training program established by TEA, has at least three years of teaching experience, and demonstrates instructional and leadership skills under TEC §21.458 and §21.907.
- **School system and/or Campus Leader:** Any appropriate district and campus employees who work with the classroom teacher or supervise the classroom teacher under TEC, §21.458

PREP Mentorship Training Requirements

- **Pathway 1 (Mentoring Educator) Training:**

- This pathway is intended for mentoring educators, such as mentor teachers, who provide direct mentoring to beginning teachers.
- Pathway 1 training will occur in Summer 2026, Fall 2026, Winter 2026-27, and Spring 2027 for a total of 24-30 hours.

- **Pathway 2 (School system & Campus Leader) Design Sessions:**

- This pathway is intended for school system and campus leaders who will be planning & implementing mentorship programs (e.g., program managers, district mentoring staff, campus principals, etc.).
- Pathway 2 design sessions will occur in Spring 2026, Summer 2026, Fall 2026, and Spring 2027 for a total of 15-16 hours.

* **Note:** Per TEC §21.458, appropriate school system and campus employees who work with the beginning teachers or supervise beginning teachers are required to attend mentorship training. This requirement may be fulfilled by either Texas Mentorship Training Pathway 1 or Pathway 2; these individuals may attend both Pathways 1 and 2, if desired.

5. School systems must self-report the estimated number of mentor teachers and school system & campus leaders that would attend Pathway 1 training for Year 1 implementation (SY 2026-27). See 'Roles' definition above.

Texas Strategic Staffing for Residencies (TSS) Grant

Initiative Description:

The Texas Strategic Staffing for Residencies Grant focuses on making staffing and scheduling decisions driven by immediate and long-term

instructional needs. This is a two-year grant designed to provide in-kind technical assistance and other support to school systems and educator preparation program (EPP) partnerships to design and implement paid, year-long, high-quality, and sustainable teacher residencies across SY 2026-27 and SY 2027-28. The grant provides partial funding for at least one school system staff member to oversee the program, including coordination between the school system, technical assistance provider, and EPP.

Review the Eligibility Criteria, Initiative Assurances, and Initiative Requirements listed below and indicate the school system's acceptance.

Eligibility Criteria:

As the applicant, the school system hereby agrees to:

- Have a signed [EPP Verification Form](#) (template posted with the application) from each EPP partner that has a State Board of Educator Certification (SBEC)-approved Texas Teacher Residency Preparation Route ([TTRPR](#)).
- Not a recipient of the SY 2024-25 Sustainable Residency Continuation Grant (see award list [here](#)).
- Not a recipient of the SY 2025-27 Texas Strategic Staffing Grant for Sustainable Paid Teacher Residency Program (see award list [here](#)).

Initiative Assurances:

As the applicant, the school system hereby agrees to:

• General Initiative Assurances

- Appoint a School System Strategic Staffing Lead who will serve at least 20% of their time and effort to oversee the Texas Strategic Staffing for Residencies Grant and as the point of contact for the ESC technical assistance provider? Note: School System Strategic Staffing Lead, in conjunction with the ESC, will coordinate with other school system staff on the design and implementation teams to schedule grant activities and complete program deliverables.
- Develop clear companion guides, which include parameters for the selected strategic staffing model and communication plans, and share them with all stakeholders involved with resident placement in the school system and educator preparation programs (EPPs).
- Share data, such as historic teacher vacancies or student characteristic data, with the ESC technical assistance provider to inform design and implementation year decisions.
- Submit data to TEA on grant implementation and outcomes including, but not limited to the following:
 - Number of teacher residents participating in the year-long paid teacher residency.
 - School placement of residents during their residency year.
 - Selected strategic staffing models.
 - Resident and host teacher compensation.
 - Characteristics of teacher residents participating in the program.
 - Number and type of teacher certifications awarded to teacher residents.

• Sustainable Funding for Residencies

- Design and implement a strategic staffing model plan that will ensure that the teacher residency model will be sustainably funded by the school system by school year (SY) 2028-29.
Note: the plan must include sustainable funding for teacher residents and host teacher stipends/salaries.

• School System and EPP Partnerships

- Establish a partnership with at least one EPP that has been approved by the SBEC to offer the Texas Teacher Residency Preparation Route (TTRPR).
- Sign a letter of commitment or a memorandum of understanding (MOU) with the ESC technical assistance provider. The EPP(s) must also confirm their commitment to the strategic staffing design and implementation process with the applicant.
- Set shared goals for school system paid resident placements in mutually beneficial staffing model positions.
- Hold structured governance meetings at least quarterly to analyze teacher resident data and develop plans for teacher residency continuous improvement during the SY 2027-28 residency implementation year.
- Work collaboratively with your EPP partner(s) to design a strategic staffing model and corresponding stipend amounts.
- Adhere to all educator preparation program requirements for residency in the Texas Administrative Code (TAC) Chapter 228.
- Provide preferential hiring, to the greatest extent possible, to teacher residents who have successfully completed the teacher residency program and received enhanced standard certification.

• Technical Assistance for Design and Implementation

- Work with an ESC technical assistance provider for the SY 2026-27 and 2027-28 school years to make key decisions and design structures that enable internal capacity to continue the strategic staffing models without the support of the technical assistance provider in SY 2028-29 and beyond.
- Ensure that a designated team of leaders from the school system, campuses, and EPP(s) will actively participate in strategic staffing model training and technical assistance support activities beginning in SY 2026-27.
- Attend sustainability meetings with their technical assistance provider each semester of SY 2027-28 (implementation year) to determine sustainable strategic staffing model and funding sources, as applicable, after the life of the grant.
- Manages or directly supports the school system's PREP Residency Preservice Program if awarded the PREP Residency Preservice Program Allotment.

Initiative Requirements:

As the applicant, the school system hereby agrees to:

- The school system has **NOT** participated in either the 2024-2025 Sustainable Residency Continuation Grant or the 2025-2027 Texas Strategic Staffing Grant for Sustainable, Paid Teacher Residency Program.

1. Does the school system agree to meet the Eligibility Criteria, Initiative Assurances, and Initiative Requirements listed above?

- Yes
 No

Phone:	<input type="text" value="214-946-9100"/>

1a. Top three responsibilities in their role:

1b. How often does this person meet with school system executive leadership (e.g., superintendent, assistant superintendent, chief financial officer)?

1c. How will this person help sustain paid residencies in the school system after the conclusion of this grant?

CHRO will understand strategic staffing models and strengthen partnerships with EPPs and universities. Strategic staffing models will be incorporated into long-term staffing and budget models. Embed current HR systems and support structures that do not rely on grant funding. Leverage current systems such as mentor selection certification pathways use retention data and student performance data to justify the importance of such strategic staffing models.

1d. How will the school system support this role in the event of turnover? Who else will have knowledge and skills for this work?

The CHRO and Executive Director or HR will be working closely with TSS to ensure alignment in the HR department alongside the academic team.

2. Enter the contact information for an additional school system representative appointed as the secondary point of contact for all Texas Strategic Staffing for Residencies grant-related activities.

Pathways in Technology Early College High School (P-TECH)

Initiative Description:

The Pathways in Technology Early College High School (P-TECH) program is an open-enrollment initiative that offers campuses an opportunity to plan to build a P-TECH within their school system. Designed to support underserved and at-risk students, P-TECH schools offer opportunities for students to earn a high school diploma while simultaneously earning industry certifications, and/or an associate degree on or before the sixth anniversary of a student's first day of high school. The P-TECH program requires a campus to maintain a partnership with an institution of higher education (IHE) to provide dual credit opportunities to the P-TECH academy students and with a business/industry partner to provide work-based learning experiences.

Review the Eligibility Criteria and Initiative Assurances listed below and indicate the school system's acceptance.

Eligibility Criteria:

As the applicant, the school system hereby agrees to:

- As the applicant, the school system hereby agrees to serving students in Grades 9–12
 - or will begin serving students in Grade 9
 - or students in Grades 9 and 10 in the first year of implementation (2027-2028) and will progressively scale up by adding at least one grade level per year after the first year of implementation.
- All current P-TECH planning, provisional or designated campuses are not eligible to apply.
- All recipients of previous P-TECH Planning and Implementation or LASO Grants are ineligible to apply.
- Any campus that has been given CCRSM Needs Improvement status is not eligible to apply.

Initiative Assurances:

As the applicant, the school system hereby agrees to:

- P-TECH campuses must establish recruitment and enrollment processes and requirements that will not exclude or discourage the enrollment of any of the subpopulations of at-risk students, including, but not limited to, students who are of limited English proficiency or who have failed a state-administered assessment.
- P-TECH campuses must provide for a TEA CTE program of study that enables a participating student in grade levels 9–12 to combine high school courses and postsecondary courses. Describe the course of study that the school is planning to offer and how it expands upon current offerings. Include how the course of study will enable a student to combine high school courses and postsecondary courses and identify crosswalks, sequences of courses, degrees/certificates/certifications earned, and work-based education that will be available to students at every grade level. Describe how the selected course of study will address regional workforce needs.
- P-TECH campuses must enter into a MOU with regional industry or business partners in Texas and must meet the following guidelines:
 - Provide 100% of participating students access to appropriate work-based education at every level.
 - Address regional workforce needs.
 - The industry/business partner will give a student who receives work-based training or education from the partner with a P-TECH first priority in interviewing for any jobs for which the student is qualified that are available upon the student's completion of the program.
 - Review the MOU at least every two years and update as necessary the name of the regional industry or business partner and describe how the proposed program will meet the requirements for the partnership with the industry/business partner.
- At TEA's request, P-TECH campuses must submit a data report of leadership team members, meeting dates, and agendas (including attendance) posted on the school's website.
- At TEA's request, P-TECH campuses must submit a data report of enrollment guidelines that follow the enrollment requirements outlined in the statutory requirements of this grant. Enrollment Guidelines should clearly document enrollment policies and practices to include admissions policies of performance-blind, open access systems that encourage and consider applications from all students, or a weighted lottery that factors 10 students who are at-risk as defined by the PEIMS (TEC §29.081) or who are part of the targeted subpopulations for P-TECH.
- At TEA's request, P-TECH campuses must submit a recruitment plan that includes marketing materials (in English/Spanish) and timelines.
- At TEA's request, P-TECH campuses must submit a data report of stakeholder input methods used to obtain input about the implementation of the program from students, parents, community, postsecondary partners, with regular activities to educate students, parents, counselors, community, district staff, and school board members.
- At TEA's request, P-TECH campuses must submit an academic year signed and dated memorandum of understanding (MOU) and course articulation agreement with one or more college partners that fulfills the statutory requirements of this grant. The agreement must address curriculum alignment, instructional material, instructional calendar, courses of study that lead to an associate degree or up to 60 hours of college credit toward a baccalaureate degree, student enrollment and attendance, grading periods and policies, administration of statewide assessments, and data-sharing policies and procedures.
- At TEA's request, P-TECH campuses must submit a plan of wrap-around strategies and services to provide academic, behavioral, and mental health supports for student success to include a plan for academic mentoring of faculty and student supports for intervention and acceleration, counseling, guidance, and student advisory services for academic, and mental health supports, and behavioral and mental health supports such as parent outreach, connections to social services when needed, and peer mentoring.
- The applicant agrees to complete and submit the required CCRSM planning application prior to the beginning of the next school year.
