

Welcome

Welcome to the Learning Acceleration Support Opportunities (LASO) 25-26 Cycle 4 application.

This consolidated application streamlines school system's access to grant funding, allotments, and in-kind supports and services across 15 opportunities.

Introduction

This application includes 15 initiatives available for school systems to apply for in LASO Cycle 4.

To ensure an informed selection, please follow these steps:

- **Review Program Guidelines:** Examine the program guidelines and resources for each initiative to understand its purpose, eligibility requirements, and assurances.
- **Engage Internal Teams:** Consult with key stakeholders (e.g., board, superintendent, district leaders, campus leaders etc.) to determine which initiatives best align with your school system's needs and capacity.
- **Select Initiatives:** Identify the initiatives that best support your local priorities.
- **Complete the Application:** Submit responses only for the initiatives your school system chooses to apply for.

Review each initiative by clicking the links to its program guidelines below:

Additional Resources and Considerations

Additional Resources

- [Initiative One-Pagers](#): Provides school systems with a concise summary of each initiative in LASO Cycle 4.
- [Eligibility & Prioritization Matrix](#): Provides eligibility and prioritization criteria that will enable a school system to predict the likelihood of receiving an award.
- [Initiative Selection Tool](#): Provides a Scenario map to guide selection of the right fitting initiative based on need.
- [Role and Responsibilities Insight Tool](#): Identifies the types of responsibilities for each role and show where roles overlap across initiatives.

Key Considerations for Submission

- Each school system may submit only one application. If multiple applications are submitted, only the most recent submission (based on timestamp) will be accepted.
- The application must be signed by the superintendent to be considered formally submitted. Only signed applications will be scored and considered for award. If the superintendent is unavailable to sign by the deadline, email LASO@texas.tea.gov for guidance.
- School systems have 60 days to complete the application. The application opens on October 3, 2025, and must be submitted by December 3, 2025, at 5:00 PM CT.

Leadership and Instructional Foundations for Texas (LIFT)

Initiative Description:

LIFT (Leadership and Instructional Foundations for Texas) is a three-year program designed to support Texas school systems in building the instructional and systems-level capacity needed to deliver high-quality learning experiences for all students. LIFT brings together the highest leverage components of Strong Foundations, Texas Instructional Leadership, and Texas Lesson Study, providing comprehensive support for school systems to adopt **high-quality instructional material (HQIM)** and implement **Bluebonnet Learning (BL)** over multiple years.

Review the Eligibility Criteria and Initiative Assurances listed below and indicate the school system’s acceptance.

Eligibility Criteria:

As the applicant, the school system hereby agrees to:

- Commit to selecting and implementing a [State Board of Education \(SBOE\)](#)-approved high-quality instructional material (HQIM) in the 2027–28 school year.

OR

- Commit to implementing a Bluebonnet Learning (BL) product in the 2026–27 school year.

Note: Participation in other grant programs does not disqualify applicants but may be considered during prioritization.

Initiative Assurances:

As the applicant, the school system hereby agrees to:

- Commit to (with Board approval) implementing a Bluebonnet Learning (BL) product in the 2026–27 school year (if applying to the “Implementation Phase”) OR committing to selecting and implementing a State Board of Education (SBOE)-approved high-quality instructional material (HQIM) in the 2027–28 school year (if applying to the “Planning Phase”).
- Contract with an Approved Provider from the LASO Cycle 4 State Approved Provider List for LIFT.
- Submit Approved Provider contracts and required funding summary reports to TEA.
- Secure approval from the Superintendent and Chief Academic Officer (or equivalent leader) to participate in the program.
- Appoint a designated LIFT lead as the primary point of contact and identify at least two additional contacts.
Note: The primary point of contact should be the equivalent of a senior academic team member or principal manager.
- Participate in required TEA-led activities, including a grant kick-off and communities of practice.
- Engage relevant school system and campus leaders, including special programs leadership, as well as teachers, instructional coaches, and special population educators in upfront training, implementation support, and coaching.
- Participate in a needs assessment of current instructional practices and materials.
- Establish or refine systems for instructional leadership, schoolwide routines, and observation and feedback.
- Submit all required grant deliverables, including instructional framework artifacts, implementation plans, school system-level instructional materials transition plan, campus-level implementation action plans, classroom, campus, and school system-level observation data and student outcomes data and progress updates as requested by the Approved Provider or the TEA.
- Participate in TEA-administered surveys and/or focus groups, as requested.
- Use grant funds in alignment with the required allocation structure and ensuring all expenditures support the goals of the LIFT program.
- Permit Approved Providers access to campuses to provide in-person support.
- Ensure teachers have sufficient planning time and use the required protocols.
- Provide print materials for all participating teachers and students.
- Follow the year-long scope and sequence for the instructional materials.
- Meet the minimum number of instructional minutes for the instructional materials.
- Ensure that a number of instructional leaders, aligned with the school system size, will actively participate in monthly implementation support and coaching provided by the Approved Provider.
- Ensure that the school system cabinet regularly engages in data reflection/performance management routines.

1. Does the school system agree to meet the Eligibility Criteria and Initiative Assurances listed above?

- Yes
 No

Initiative Specific Questions for the Leadership and Instructional Foundations for Texas (LIFT) Grant

For each content area below, please indicate your district’s current intention regarding the implementation of high-quality instructional materials (HQIM).

You may select different options for each content area.

K–5 English or Spanish Language Arts and Reading (ELAR/SLAR)

1. For which activity are you seeking LIFT technical assistance support in K-5 ELAR or SLAR?

- Implement **Bluebonnet Learning K–5 ELAR** in 2026–27 and/or **Bluebonnet Learning K-5 SLAR** if approved by SBOE
 Select an **SBOE-approved HQIM** during the planning year in 2026-27 and implement that HQIM in 2027-28
 Neither of the above

K–5 Mathematics

2. For which activity are you seeking LIFT technical assistance support in K-5 Math?

- Implement **Bluebonnet Learning K–5 Math** in 2026–27 and/or **Bluebonnet Learning K-5 Math (Spanish)** if SBOE approved

- Select an **SBOE-approved HQIM** in 2026-27 during the planning year in 2026-27 and implement that HQIM in 2027-28
- Neither of the above

Secondary Mathematics

3. For which activity are you seeking LIFT technical assistance support in 6-8 and/or Algebra I Mathematics, or Geometry or Algebra II if approved by SBOE?

- Implement **Bluebonnet Learning Secondary Math** in 2026–27
- Select an **SBOE-approved HQIM** during the planning year in 2026-27 and implement that HQIM in 2027-28
- Neither of the above

Initiative Specific Questions for the Leadership and Instructional Foundations for Texas (LIFT) Grant

For each content area below, please indicate your school system’s current intention regarding the implementation of high-quality instructional materials (HQIM).

The LIFT grant provides monthly implementation support and coaching from a State-Approved Provider. By applying for this grant, your organization is committing to active participation in this support, specifically for instructional leaders – both at the campus and school system levels. Each participating campus must have one leader receiving coaching. Each of the participating campus and school system leaders must be directly involved in supporting teachers with the implementation of selected instructional materials. Additionally, the school system leader must be directly involved in supporting the campus leaders.

4. How many campus principals will the school system commit to receiving monthly implementation support and coaching visits from the Approved Provider?

Total number of principals to be coached :

5. How many school system-based instructional leaders (e.g. principal managers, executive director of instruction, associate superintendent) will the school system commit to receiving monthly implementation support and coaching visits from the Approved Provider?

Total number of leaders to be coached:

6. Does the school system commit to having, or working towards having, 165+ instructional days in the 2026-2027 academic year?

- Yes
- No

7. Has the school system implemented a CER OER product in previous academic years?

- Yes
- No

LIFT School Improvement PLC (LIFT SI PLC)

Initiative Description:

The LIFT School Improvement PLC Support grant is a targeted, Title I-funded initiative designed to enhance implementation support for campuses participating in the Leadership and Instructional Foundations for Texas (LIFT) program that are also identified for School Improvement. This grant provides additional resources, such as expanded PLC facilitation, increased observation and feedback, and individualized coaching to strengthen instructional systems and ensure effective use of high-quality instructional materials (HQIM). The goal is to deepen and sustain effective instructional practices by reinforcing the conditions necessary for strong HQIM implementation, ultimately improving student outcomes on federally identified campuses.

Review the Eligibility Criteria, Initiative Assurances, and Initiative Requirements listed below and indicate the school system's acceptance.

Eligibility Criteria:

As the applicant, the school system hereby agrees to:

- Eligible campuses include campuses that are Title I served with a 2025 federal accountability identification, including Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), or Additional Targeted Support (ATS). Comprehensive campuses in their second year of identification (Comprehensive Reidentified or Comprehensive Progress) are also eligible. Campuses must remain in operation during the grant cycle and remain Title I served for the 2026-27 school year.

Note: A school system is eligible to apply to both Leadership and Instructional Foundations for Texas (LIFT) and LIFT SI PLC Support grants, but if both are awarded, the school system must select the same Approved Provider for both LIFT and the LIFT SI PLC Support grant.

Initiative Assurances:

As the applicant, the school system hereby agrees to:

- Implement a Bluebonnet Learning (BL) product in the 2026–27 school year.
- Secure approval from the Superintendent and Chief Academic Officer (or equivalent leader) to participate in the program.
- Contract with the same provider from the LASO Cycle 4 State Approved Provider list that is providing technical assistance for the LIFT program for PLC supports.
- Engage relevant school system and campus leaders, as well as teachers and instructional coaches, in upfront training, implementation support, and coaching.

Note: These individuals must be in addition to and distinct from leaders receiving coaching through the LIFT program.

- Submit all required grant deliverables for each school year for the life of the grant.
- Submit provider contracts and required funding summary reports to TEA.
- Appoint a designated lead as the primary point of contact and identify at least two additional contacts.
- Permit Approved Providers access to campuses to provide in-person support.
- Ensure teachers have sufficient planning time and use the required protocols.
- Provide print materials for all participating teachers and students.
- Follow the year-long scope and sequence for instructional materials.
- Meet the minimum number of instructional minutes for the instructional materials.
- Use grant funds in alignment with the required allocation structure and ensure all expenditures support the goals of the LIFT program.
- Participate in required TEA-led activities, including a grant kick-off.

Initiative Requirements:

As the applicant, the school system hereby agrees to:

- Provide an additional campus leader—distinct from those supported through the LIFT Program—who will directly support teachers or campus leaders implementing the selected instructional materials.

1. Does the school system agree to meet the Eligibility Criteria, Initiative Assurances, and Initiative Requirements listed above?

- Yes
- No

School Improvement Curriculum and Instruction Support Grant (SI CISG)

Initiative Description:

This grant provides direct funds to school systems to support the implementation of State Board of Education (SBOE)-approved high-quality

instructional materials (HQIM) that are not part of the Bluebonnet Learning suite. The goal is to ensure that campuses in School Improvement have access to rigorous, TEKS-aligned instructional materials that support high-quality instruction.

Review the Eligibility Criteria and Initiative Assurances listed below and indicate the school system’s acceptance.

Eligibility Criteria:

As the applicant, the school system hereby agrees to:

- Campuses the school system are submitting for consideration are federally identified and Title-I serving.
- Seeking support for implementing SBOE approved instructional materials that are not Bluebonnet Learning products.

Initiative Assurances:

As the applicant, the school system hereby agrees to:

- Secure approval from the Superintendent and Chief Academic Officer (or equivalent leader) to participate in the program.
- Implement a State Board of Education (SBOE)-approved high-quality instructional material (HQIM) that is not part of the Bluebonnet Learning suite, in alignment with TEA guidance and the goals of the grant program OR implement curriculum and instruction improvements in grades 6–12 English Language Arts and Reading (ELAR) and grades 9–12 Mathematics (excluding Algebra I, Algebra II, and Geometry).
- Contract with a single Approved Provider from the LASO Cycle 4 State Approved Provider list.
- Submit Approved Provider contracts and required funding summary reports to TEA.
- Appoint a designated lead as the primary point of contact and identify at least two additional contacts.
- Participate in required TEA-led activities, including a grant kick-off.

Blended Learning Grant (BLG)

Initiative Description:

The Blended Learning Grant opportunity has two distinct cohorts and associated purposes that applicants will select from, as described below.

The **Blended Learning Academic Cohort** will support school systems and open-enrollment charter schools through a planning stage to design and subsequently implement a high-quality blended learning model in math (through Math Innovation Zones - MIZ) and Reading Language-Arts (RLA) aligned with Bluebonnet Math or Reading as their Tier 1 instruction.

The **Blended Learning Strategic Operations Cohort** will support school systems and open-enrollment charter schools in leveraging a blended learning model to make a strategic operational shift to scheduling, staffing and/or budgets. This shift will seek to make robust operational changes to optimize campus staffing models for teachers while maximizing academic impact for students. The grant is available to school system that have successfully completed a planning phase of either Math Innovation Zones or RLA Blended Learning grants. Applicants will select a blended model that will require significant operational and staffing shifts to rethink time in a teacher-centric way at the participating campus(es).

Note: Both cohorts must choose a specific blended model, integrating a tier one curriculum with a digital supplemental product, from the options [here](#). A participating campus's master schedule may need to be adjusted to accommodate the time blocks required.

For which **Blended Learning Grant Cohort** is the school system applying?

- Academic Cohort (School systems new to Blended Learning Grants)
- Strategic Operations Cohort (School systems from previous TEA Blended Learning Grants, including both math and non-math programs)

Review the Eligibility Criteria listed below and indicate the school system's acceptance.

Eligibility Criteria:

- **Blended Learning Academic Cohort:** School Systems who have previously participated or are currently participating in a strong Tier 1 math and/or reading curriculum planning through a TEA initiative (i.e. LASO 2 Strong Foundations and LASO 1 Strong Foundations).

- **Blended Learning Strategic Operations Cohort:** School Systems who have previously participated in TEA Blended Learning Grants. Applicants must have shown high usage in approved supplemental products in math and/or reading language arts for grades K-8 in spring of 2025.

1. Does the school system agree to meet the Eligibility Criteria listed above?

- Yes
 No

Blended Learning Grant (BLG) (cont.)

Initiative Assurances for the Blended Learning Grant (BLG):

As the applicant, the school system hereby agrees to:

- Designate and provide a school system level project manager who will be available to dedicate approximately 50% of their time to designing and implementing the blended learning plan and who has decision making authority to act on developed plan.
- Designate and share with both the TEA and vendors a school system level lead/sponsor for communications, logistics, and usage monitoring. They also agree that this information is updated and maintained throughout the grant.
- Designate and share with TEA and vendors a campus level lead/sponsor for communications, logistics, and usage monitoring. They also agree this is updated and maintained throughout the grant.
- Work with a third-party vendor to complete a technology audit for a landscape analysis of supplemental products currently purchased and/or used at campuses.
- Implement, with fidelity, a digital adaptive software program in grade levels selected to participate in the Blended Learning Grant.
- Submit fidelity of planning deliverables prior to the beginning of the first school year, including but not limited to the following:
 - Master Schedule
 - Assessment Calendar
 - Stakeholder Engagement Plan
 - Professional Learning Calendars
- Complete execution deliverables in program implementation during the grant period, including but not limited to the following:
 - Student usage progress towards the selected adaptive software program recommended metrics.
 - Sharing student TSDS unique IDs with select software product vendor for TEA quarterly reports.
 - Sharing unit assessment data from core curriculum.
 - Complete all required training(s) to build competency with the adaptive software product.
 - Completing all required research surveys throughout the grant program period.
- Participate in required communities of practice and any additional grant program meetings.
- Use a digital supplemental program, approved through the IMRA and/or Ratio Wavier List (RWL), and Bluebonnet Math and/or Reading for Tier 1 instruction.
- Complete all required training(s) to build competency in the online curriculum.
- Complete annual reflection and revision plans in implementation years to continuously improve upon blended learning and/or strategic operations planning.
- Adhere to all statutory requirements in TEC Sections 28.020 and 29.924 including, but not limited to:
 - Develop a plan to implement a blended learning model according to statute requirements.
 - Implement the model across at least one full grade level at the campus and expand to other grade levels and/or campuses.
 - Require teachers to differentiate instruction for all students in a grade level using a research-backed blended learning model.
 - Provide teachers and other relevant personnel with professional development opportunities regarding blended learning.
 - Require the use of a proficiency-based assessment.

Initiative Specific Assurances for the Blended Learning Academic Cohort:

As the applicant, the school system hereby agrees to:

- Submit strategic planning deliverables in the first year of implementation, such as a master schedule, assessment calendar, stakeholder engagement plan, professional learning calendars, etc.
- Complete blended learning requirements in program implementation, including student progress on selected online curriculum, unit assessment data from Bluebonnet curriculum, and evidence of training completion.

1. Does the school system agree to meet all Initiative Specific Assurances listed above?

- Yes
- No

Blended Learning Grant (BLG) (cont.)

Initiative Requirements for the Blended Learning Grant (BLG):

As the applicant, the school system hereby agrees to:

- Agree that your participating campuses will serve all grade levels within the K-8 Math or K-5 RLA grade bands by the end of the grant period.
- Agree to complete all required training(s) to build competency in the online curriculum.
- Agree to complete annual reflection and revision plans in implementation years to continuously improve upon blended learning and/or strategic operations planning.
- Agree to implement the digital adaptive software program in grade levels selected to participate in the Blended Learning grant.
- Agree to adhere to all statutory requirements in TEC Sections 28.020 and 29.924 including, but not limited to:
 - Develop a plan to implement a blended learning model according to statute requirements.
 - Implement the model across at least one full grade level at the campus and expand to other grade levels and/or campuses.
 - Require teachers to differentiate instruction for all students in a grade level using a research-backed blended learning model.
 - Provide teachers and other relevant personnel with professional development opportunities regarding blended learning.
 - Require the use of a proficiency-based assessment.

Initiative Specific Requirements for the Blended Learning Academic Cohort:

As the applicant, the school system hereby agrees to:

- Agree to implement a Math and/or RLA blended products with Bluebonnet Math or Bluebonnet Reading.
- Agree to identify which SBOE approved Tier 1 curriculum product and supplemental product that will be implemented with a blended learning model from the following options (may choose more than one option):
 - K-5 Math | Bluebonnet with *[IMRA supplemental approved product]*
 - 6-8 Math | Bluebonnet with *[IMRA supplemental approved product]*
 - HS Math | Bluebonnet with *[IMRA supplemental approved product]*
 - K-5 Reading | Bluebonnet with *[approved product]*
- Agree to implement the above Tier 1 curriculum and supplemental products for their selected grade-levels and student population.
- Agree to submit strategic planning deliverables in the first year of implementation, such as a master schedule, assessment calendar, technology audit report, stakeholder engagement plan, professional learning calendars, etc.

PREP Residency Preservice Program Allotment

Allotment Opportunity:

The PREP Residency Preservice Program empowers school systems to play a central role in cultivating a pipeline of well-prepared, highly qualified teachers by embedding paid preservice teacher residency candidates directly into classrooms of highly qualified host teachers. Through close collaboration with educator preparation programs, participating school systems support teacher residents in earning an enhanced standard teaching certificate while gaining hands-on experience on campuses across the school system. By expanding the reach and effectiveness of residency models, the PREP Residency Preservice Program enhances instructional capacity and increases student access to skilled educators—ultimately advancing educational outcomes.

1. Does the school system wish to be considered for this Allotment Opportunity?

PREP Grow Your Own (GYO) Program Allotment

Initiative Description:

The PREP Grow Your Own (GYO) Program enables school systems, through partnering with qualified institutions of higher education and educator preparation programs, to establish innovative staffing pipelines that prepare and retain educators and thereby, increase student access to high-quality classroom teachers. The PREP GYO program provides funding through which participating school systems support (A) school system employees who do not hold a teaching certificate in completing a bachelor’s degree and enrolling in a preparation program to ultimately become a certified teacher while employed by the school system and (B) high school students in completing career and technical education courses that help prepare the students to become classroom teachers. Funding may be used to implement the PREP Grow Your Own Program and pay tuition and fees for participating students or employees.

Review the Eligibility Criteria and Initiative Assurances listed below and indicate the school system’s acceptance.

Eligibility Criteria:

As the applicant, the school system hereby agrees to:

- Any school system, which includes open-enrollment charter schools, and SB 1882 Operating Partners who read and agree to the requirements in relevant sections of the Texas Education and Texas Administrative codes cited in these guidelines is eligible for the PREP Allotment.

- School systems may participate in the PREP GYO Program only if they have been approved to participate in a partnership preservice program. For the LASO 4 application cycle, school systems must apply for and also participate in the PREP Residency Preservice Program.

Initiative Assurances:

As the applicant, the school system hereby agrees to:

- Read and abide by TEC §21.906 (PREP Grow Your Own Program).
- Read and abide by TEC §48.157 (PREP Program Allotment).
- Read and abide by TAC sections related to the PREP Grow Your Own (GYO) Program, which will be posted to the Texas Register for public comment during the 2025-26 school year and become effective prior to the start of the 2026-27 school year.

Note: TEA anticipates sharing specific dates related to rulemaking in fall 2025.

Roles

- **Mentor Teacher:** A teacher who, to the extent practicable, teaches in the same school, subject, and/or grade level of the beginning teachers they mentor, completes a mentor teacher training program established by TEA, has at least three years of teaching experience, and demonstrates instructional and leadership skills under TEC §21.458 and §21.907.
- **School system and/or Campus Leader:** Any appropriate district and campus employees who work with the classroom teacher or supervise the classroom teacher under TEC, §21.458

PREP Mentorship Training Requirements

• Pathway 1 (Mentoring Educator) Training:

- This pathway is intended for mentoring educators, such as mentor teachers, who provide direct mentoring to beginning teachers.
- Pathway 1 training will occur in Summer 2026, Fall 2026, Winter 2026-27, and Spring 2027 for a total of 24-30 hours.

• Pathway 2 (School system & Campus Leader) Design Sessions:

- This pathway is intended for school system and campus leaders who will be planning & implementing mentorship programs (*e.g., program managers, district mentoring staff, campus principals, etc.*).
- Pathway 2 design sessions will occur in Spring 2026, Summer 2026, Fall 2026, and Spring 2027 for a total of 15-16 hours.

* **Note:** Per TEC §21.458, appropriate school system and campus employees who work with the beginning teachers or supervise beginning teachers are required to attend mentorship training. This requirement may be fulfilled by either Texas Mentorship Training Pathway 1 or Pathway 2; these individuals may attend both Pathways 1 and 2, if desired.

5. School systems must self-report the estimated number of mentor teachers and school system & campus leaders that would attend Pathway 1 training for Year 1 implementation (SY 2026-27). See 'Roles' definition above.

Texas Strategic Staffing for Residencies (TSS) Grant

Initiative Description:

The Texas Strategic Staffing for Residencies Grant focuses on making staffing and scheduling decisions driven by immediate and long-term instructional needs. This is a two-year grant designed to provide in-kind technical assistance and other support to school systems and educator preparation program (EPP) partnerships to design and implement paid, year-long, high-quality, and sustainable teacher residencies across SY 2026-27 and SY 2027-28. The grant provides partial funding for at least one school system staff member to oversee the program, including coordination between the school system, technical assistance provider, and EPP.

Review the Eligibility Criteria, Initiative Assurances, and Initiative Requirements listed below and indicate the school system's acceptance.

Eligibility Criteria:

As the applicant, the school system hereby agrees to:

- Have a signed [EPP Verification Form](#) (template posted with the application) from each EPP partner that has a State Board of Educator Certification (SBEC)-approved Texas Teacher Residency Preparation Route ([TTRPR](#)).

- Not a recipient of the SY 2024-25 Sustainable Residency Continuation Grant (see award list [here](#)).
- Not a recipient of the SY 2025-27 Texas Strategic Staffing Grant for Sustainable Paid Teacher Residency Program (see award list [here](#)).

Initiative Assurances:

As the applicant, the school system hereby agrees to:

• General Initiative Assurances

- Appoint a School System Strategic Staffing Lead who will serve at least 20% of their time and effort to oversee the Texas Strategic Staffing for Residencies Grant and as the point of contact for the ESC technical assistance provider? Note: School System Strategic Staffing Lead, in conjunction with the ESC, will coordinate with other school system staff on the design and implementation teams to schedule grant activities and complete program deliverables.
- Develop clear companion guides, which include parameters for the selected strategic staffing model and communication plans, and share them with all stakeholders involved with resident placement in the school system and educator preparation programs (EPPs).
- Share data, such as historic teacher vacancies or student characteristic data, with the ESC technical assistance provider to inform design and implementation year decisions.
- Submit data to TEA on grant implementation and outcomes including, but not limited to the following:
 - Number of teacher residents participating in the year-long paid teacher residency.
 - School placement of residents during their residency year.
 - Selected strategic staffing models.
 - Resident and host teacher compensation.
 - Characteristics of teacher residents participating in the program.
 - Number and type of teacher certifications awarded to teacher residents.

• Sustainable Funding for Residencies

- Design and implement a strategic staffing model plan that will ensure that the teacher residency model will be sustainably funded by the school system by school year (SY) 2028-29.

Note: the plan must include sustainable funding for teacher residents and host teacher stipends/salaries.

• School System and EPP Partnerships

- Establish a partnership with at least one EPP that has been approved by the SBEC to offer the Texas Teacher Residency Preparation Route (TTRPR).
- Sign a letter of commitment or a memorandum of understanding (MOU) with the ESC technical assistance provider. The EPP(s) must also confirm their commitment to the strategic staffing design and implementation process with the applicant.
- Set shared goals for school system paid resident placements in mutually beneficial staffing model positions.
- Hold structured governance meetings at least quarterly to analyze teacher resident data and develop plans for teacher residency continuous improvement during the SY 2027-28 residency implementation year.
- Work collaboratively with your EPP partner(s) to design a strategic staffing model and corresponding stipend amounts.
- Adhere to all educator preparation program requirements for residency in the Texas Administrative Code (TAC) Chapter 228.
- Provide preferential hiring, to the greatest extent possible, to teacher residents who have successfully completed the teacher residency program and received enhanced standard certification.

• Technical Assistance for Design and Implementation

- Work with an ESC technical assistance provider for the SY 2026-27 and 2027-28 school years to make key decisions and design structures that enable internal capacity to continue the strategic staffing models without the support of the technical assistance provider in SY 2028-29 and beyond.
- Ensure that a designated team of leaders from the school system, campuses, and EPP(s) will actively participate in strategic staffing model training and technical assistance support activities beginning in SY 2026-27.
- Attend sustainability meetings with their technical assistance provider each semester of SY 2027-28 (implementation year) to determine sustainable strategic staffing model and funding sources, as applicable, after the life of the grant.
- Manages or directly supports the school system's PREP Residency Preservice Program if awarded the PREP Residency Preservice Program Allotment.

Initiative Requirements:

As the applicant, the school system hereby agrees to:

- The school system has **NOT** participated in either the 2024-2025 Sustainable Residency Continuation Grant or the 2025-2027 Texas Strategic Staffing Grant for Sustainable, Paid Teacher Residency Program.

Navigating Excellence through Targeted Supports (NEXT)

Initiative Description:

The Navigating Excellence Through Targeted Supports Initiative ("NEXT") is designed to support low-performing **elementary school campuses** at school districts and open-enrollment charters to implement high-quality math and/or reading language arts curriculum and instruction, aligned targeted tutoring, and targeted community and parent engagement.

Grantees will receive intensive support to:

- Audit and diagnose root causes to low-performance.
- Ensure all educators have a deep understanding of high-quality instructional materials and research-based instructional strategies.
- Build and inspire a coalition of support for instructional and operational shifts.
- Implement rigorous tier 1 HQIM and evidence-based supplementary instruction.
- Make strategic changes to campus operations (including staffing patterns, compensation, and/or scheduling) in the form of funding and technical assistance.
- Closely monitor fidelity of implementation to drive continuous improvement efforts.

Grantees that complete all required planning year requirements may be eligible for 1-2 years of continuation funding to support implementation.

Review the Eligibility Criteria and Initiative Assurances listed below and indicate the school system's acceptance.

Eligibility Criteria:

As the applicant, the school system hereby agrees to:

- Campuses the school system is applying for are rated D or F on the 2025 TEA Accountability.
- Campuses the school system is applying for **are not** federally designated as CSI, TSI, or ATS.
- Campuses the school system is applying for serve grades PK or Kindergarten through 5th grade.

Initiative Assurances:

As the applicant, the school system hereby agrees to:

- Designate and provide a district-level project manager who will dedicate approximately 50% of their time to NEXT planning and implementation requirements and who has the authority to make campus-level decisions.
- Designate and share with TEA and vendors a campus-level lead/sponsor for communication regarding logistics and usage monitoring.
- Submit fidelity of planning deliverables before the end of the planning year, including but not limited to:
 - Campus master schedule
 - Assessment calendar
 - Stakeholder engagement plan

- Professional learning calendars
- Participate in required communities of practice and any additional grant program meetings.
- Work in good faith with the TEA-vetted and matched school action Technical Assistance provider and agency-provided technical assistance.
- Attend and participate in grant orientation meetings, technical assistance meetings, other periodic meetings of grantees, and share best practices through the TEA NEXT program office.
- Participate in Quarterly Parent Labs (at least four per year) for parents and caregivers to deepen their understanding of how to support their student(s) in reading, writing, and math.
- Provide dedicated time for teachers, instructional coaches, assistant principals, and principals to receive grant-related coaching and support.
- Adopt and fully implement IMRA-approved HQIM in reading and math.

1. Does the school system agree to meet the Eligibility Criteria and Initiative Assurances listed above?

Initiative Specific Questions for the Navigating Excellence through Targeted Supports (NEXT) Grant

1. Does the school system commit to working in good-faith with a TEA-appointed technical assistance provider to complete the following activities?

- Audit and diagnose root causes to low-performance,
- Ensure all educators have a deep understanding of high-quality instructional materials and research-based instructional strategies
- Build and inspire a coalition of support for instructional and operational shifts
- Implement rigorous tier 1 HQIM and evidence-based supplementary instruction
- Make strategic changes to campus operations (including staffing patterns, compensation, and/or scheduling) in the form of funding and technical assistance
- Closely monitor fidelity of implementation to drive continuous improvement efforts

- Yes
 No

2. Has your school system participated in the Strong Foundations grant?

- Yes
 No

3. Does your school system have a fully approved Teacher Incentive Allotment system?

- Yes
 No

4. Does your school system have at least one campus with a Board of Trustees-approved ADSY calendar with at least 200 school days?

- Yes

Virtual and Hybrid Program Accelerator (VHPA)

Initiative Description:

The Virtual and Hybrid Program Accelerator (VHPA) enables school systems and open-enrollment charter schools to design and launch high-quality virtual and hybrid programs or campuses, as defined under Texas Education Code (TEC) Chapter 30B. The goal of the program is to establish schools that are intentionally structured to achieve A or B accountability ratings and deliver rigorous, engaging instruction tailored to meet the diverse needs of students across Texas. Through VHPA, participating school systems receive funding and technical assistance to develop flexible, personalized learning models that support students requiring adaptable education pathways. The program also enables school systems to implement innovative staffing strategies, expand course offerings, and increase access to high-quality instruction statewide.

Review the Eligibility Criteria, Initiative Assurances, and Initiative Requirements listed below and indicate the school system's acceptance.

Eligibility Criteria:

As the applicant, the school system hereby agrees to:

- Have not participated in a previous VHPA cycle.

Initiative Assurances:

As the applicant, the school system hereby agrees to:

- Program leads of awarded applicants have at least 16 hours of release time built into their weekly schedules to plan and create the virtual or hybrid program or campus.
- Ensure that the program or designated campus leader possesses relevant experience or can exhibit the competencies necessary to lead a virtual or hybrid program or campus effectively.
- Design and manage strategic initiatives that improve instructional quality and student engagement, and they are committed to building their capacity to support high-quality virtual and hybrid models.
- As part of the program commitment for Year 1 of VHPA, submit a comprehensive launch plan for a full-time virtual or hybrid program or apply for authorization to operate a virtual or hybrid campus to operate in 2027-2028 school year.

Note: If the school system does not meet participation expectations or disengage from VHPA, they may have their membership from the VHPA terminated and forfeit any access to remaining funding.

Initiative Requirements:

As the applicant, the school system hereby agrees to:

- Establish a dedicated VHPA Team responsible for developing and implementing the full-time virtual or hybrid campus or program.
- Collaborate with a TEA-assigned technical assistance (TA) provider and participate in TA-supported activities such as cohort workshops, monthly coaching calls, step backs, planning sessions, or implementation deliverables.
- Ensure adaptability and dedication in program model design to align with research-based practices for high-quality virtual and hybrid models.
- By the end of Year 1 of VHPA support, launch a full-time virtual or hybrid program or apply for authorization to operate a full-time virtual or hybrid campus beginning the 2027-2028 school year.

Note: For full-time virtual or hybrid campuses, Year 2 of VHPA TA support and funds are contingent upon the full-time virtual or hybrid campus receiving authorization.

- Ensure that any partnership with a private or third-party vendor preserves the school system's ability to design, adapt, and implement the virtual or hybrid program to meet local needs.
- Disclose any vendor-imposed services, limitations that may affect program flexibility, instructional design, or operational decision-making.
- If selecting a private or third-party provider to operate the school, collaborate with the designated technical assistance partner to develop a comprehensive provider selection plan that includes:
 - Defined criteria for evaluating potential providers.
 - Detailed cost analysis and breakdown of services.
 - Consideration of the provider's historical performance (e.g., student academic outcomes).
- If selecting a private or third-party provider to operate the program or campus, formalize and monitor the partnership with a third-party provider by:
 - Submitting memoranda of understanding (MOU) or formal agreements outlining responsibilities of both the provider and the school system or charter.
 - Establishing a system for progress monitoring, including required reports on student engagement and academic progress.
 - Defining action items if the provider fails to meet success criteria for the campus or program.
- Complete all required deliverables and meeting milestones by the scheduled timeline specified by the VHPA, including:
 - Define a clear and compelling rationale for launching the virtual or hybrid program/campus, including the specific student population

or campus it will serve.

- Present evidence of community interest in a virtual or hybrid learning option, including data collected through surveys, focus groups, or other engagement methods.
- Develop and implement comprehensive plans to achieve program objectives, including an academic plan that outlines curriculum, instructional methods, approaches for monitoring student progress, and support strategies for special populations and at-risk students.
- Develop and iterate plans regarding staffing models, school culture, family engagement, and student support.
- Update operations such as staffing, schedules, finances, technology, and cybersecurity to support virtual or hybrid models.
- Provide a professional development plan for instructional staff that includes training specific to virtual and hybrid instruction, along with ongoing, job-embedded coaching to strengthen instructional quality and student engagement.
- Present evidence of training and development for teachers and leaders to ensure high-quality virtual or hybrid instruction.
- Use data to monitor student engagement and academic progress, ensuring alignment with grade-level standards and research-based instructional strategies specific to virtual and hybrid learning.
- Engage in three improvement cycle sessions using data to inform ongoing development. School systems will share data that reflects program implementation and outcomes. This may include student engagement, progress toward grade-level mastery in virtual and hybrid courses (BOY, MOY, EOY), teacher instructional practices and growth in serving virtual and hybrid learners, and leader support for professional learning communities and job-embedded coaching.
- Obtain formal approval from the school system's governing board to launch a virtual or hybrid program/campus and ensure this approval is secured prior to applying for authorization. For virtual/hybrid campuses, ensure this approval is secured prior to applying for authorization.
- Submit a detailed plan or contract outlining the scope of services, responsibilities, and decision-making authority in any private or third-party vendor partnership supporting the virtual or hybrid program/campus (*if applicable*).
- Submit a comprehensive launch plan and either implement a virtual or hybrid program or apply for authorization to operate a virtual or hybrid campus that is expected to begin operating in the 2027-2028 school year.

1. Does the school system agree to meet the Eligibility Criteria, Initiative Assurances, and Initiative Requirements listed above?

6. Will the school system be in Year 1 of the school system wide adoption of HQIM in core subjects?

- Yes
- No

7. Current or anticipated student enrollment number in the virtual/hybrid program or campus?

150

8. Describe how the school system calculated the enrollment number above.

(i.e. current number of students enrolled, number of interested students via family survey)

Of last years ~2

100 11th and 12th graders we lost 5% in withdrawals throughout the year. Of that 5% we know 1/3 of them left and transitioned to alternate/virtual learning programs to gain credit towards a degree

with no knowledge of their graduation completion. Additionally

we estimate that another 1000 plus 11th and 12th grade scholars who reached truancy or chronic absenteeism last year could benefit from this program for continuity of learning and Uplift graduation potential. An uplift graduate not only receives our accredited diplomas but also receives the benefits of our RTCC programs and supports for alumni which can include

9. Which best describes where the school system is in the virtual/hybrid program?

- Are in the planning phase and currently do not have a virtual or hybrid program, but intend to launch in SY26-27.
- Have a plan and will be ready to launch a virtual/hybrid program this school year (SY26-27) with some additional support.
- Are currently running a virtual and hybrid program and would like feedback and support to build on it to launch a more robust program in SY27-28.
- Are in the planning phase and currently do not have a virtual or hybrid program but intend to apply for authorization to operate a virtual or hybrid campus in the SY27-28.
- Have a plan and will be ready to launch a virtual/hybrid program this school year (SY26-27). With some additional support, we plan to apply for authorization to operate a virtual or hybrid campus in the SY27-28.
- Are currently running a virtual and hybrid program and would like feedback and support to build on it and establish a virtual or hybrid campus in SY27-28.
- Are exploring virtual and hybrid learning options within our school system but unsure about the program type and timeline to launch.

10. Describe how your virtual or hybrid program/campus aligns with the school system's broader strategic goals or improvement plans.

Beyond its financial impact
the Virtual Learning Innovation Portfolio expands access by making sure every Uplift scholar
whether advanced
disconnected
or temporarily out of school
stays engaged and on track for college
career
and life success. In doing so
it transforms attendance recovery into a key factor for both academic continuity and financial resilience across the network.

11. Describe what knowledge or experience the school system's leadership team brings to designing and supporting high-quality virtual or hybrid instruction.

Will need to build summary and of experience based on team members identified to deliver support on build and execution - should also include gathering of resumes.

12. Describe what research, data, or stakeholder input informed the school system's decision to pursue a virtual or hybrid model.

Data to Pull/Use: stop-out rate persistence data Absenteeism chronic absenteeism out of school suspension learning loss Credit Deficiency when entering Uplift

13. Which best describes the school system's key areas of need for the virtual/hybrid program?

Note: Answers provided will not limit the type of support the school system will receive if accepted into the program. Instead, this information will be used to better understand the school system's key area of need.

- Aligned, effective vision and model that is responsive to family and student needs.
- Family engagement, communication, and/or recruitment plan.
- Staffing and/or teacher/staff recruitment plan.
- Plan for communicating clear administrator, teacher, student, and family roles within a virtual/hybrid model. (*and wherever needed, support for shifting mindsets*)
- Instructional framework for designing high-quality virtual and hybrid courses aligned to research-based practices.
- Student attendance and engagement plan.
- School Culture and student well-being plan.
- Plan for supporting special populations and at-risk students.
- Student onboarding sessions, including learning strategies and support for cultivating mindsets rooted in the science of learning, self-directed learning skills, how to use digital tools, and help-seeking during asynchronous and/or synchronous instruction.
- Teacher development (*PD and ongoing job-embedded coaching*) to deliver high-quality instruction and learning experiences in a virtual/hybrid model.
- High-Quality Instructional Materials. (*for core curriculum and adjusted for virtual/hybrid learning*)
- Data collection and progress monitoring systems.
- Technology Strategy and Data Privacy Framework. (*including hardware, connectivity, digital tools, and cybersecurity policies*)
- Master schedule that is appropriately set up for virtual or hybrid learning.

14. Describe which additional topics, areas of support, or identified gaps would be most helpful to strengthen the school system's virtual or hybrid model.

The school's hybrid model could benefit from targeted support for retesters
HS students who failed at least one EOC and have to take the exam again in December
April or June. The model could also benefit from a system to support scholars applying their content knowledge in an interactive project
selected by scholars
rather than in the kind of written assessment most scholars engage with in a classroom setting. Because our network adheres to an IB model
scholars should still be pushed to analyze discipline specific concepts. Since they will have an opportunity to learn outside of a school building

the hybrid model offers an opportunity for scholars to uniquely apply their learnings in settings outside of a classroom.

15. Describe which curriculum the school system is currently using, or planning to use for virtual learning for core courses.

For virtual learning

we know scholars will need access to on-demand learning materials that gain content knowledge on a timeline that makes sense for them personally and yet still gives them exposure to discipline specific concepts as defined by the IB instructional framework. We would like to use an online platform like Plato or Edmentum

while providing supplemental summative tasks to ensure scholars are making conceptual connections between content and seeing the relevance of the content they're learning.

16. Which content is the school system considering when adopting new instructional materials or curriculum for virtual learning? (*choose all that apply*)

Note: Curriculum adoption is not a requirement of the program, but rather an optional support; the response to this question will help us better understand the school system's needs.

School System's Commitments to VHPA

As part of the VHPA, school systems will form a VHPA Team that regularly partners with VHPA technical assistance providers and meets as a central team to develop and improve the virtual/hybrid program using VHPA support.

To the best of your current understanding, provide the contact information of individuals who most likely will be on the school system's VHPA Team.

19. Is the school system partnering with a third-party vendor or partner to run the virtual or hybrid program?

- Yes
- No

20. The school system must have the flexibility to iterate the virtual and hybrid programs even when working with a third party. Describe the limitations, if any, set by the vendor for the school system's virtual or hybrid program.

From the description in the application this is expanded to say “disclose any vendor-imposed services limitations that may affect program flexibility instructional design or operational decision-making” – may need to say what our process would be to ensure “non -negotiables” in selection
