

Welcome

Welcome to the Learning Acceleration Support Opportunities (LASO) 25-26 Cycle 4 application.

This consolidated application streamlines school system's access to grant funding, allotments, and in-kind supports and services across 15 opportunities.

Introduction

This application includes 15 initiatives available for school systems to apply for in LASO Cycle 4.

To ensure an informed selection, please follow these steps:

- **Review Program Guidelines:** Examine the program guidelines and resources for each initiative to understand its purpose, eligibility requirements, and assurances.
- **Engage Internal Teams:** Consult with key stakeholders (e.g., board, superintendent, district leaders, campus leaders etc.) to determine which initiatives best align with your school system's needs and capacity.
- **Select Initiatives:** Identify the initiatives that best support your local priorities.
- **Complete the Application:** Submit responses only for the initiatives your school system chooses to apply for.

Review each initiative by clicking the links to its program guidelines below:

Additional Resources and Considerations

Additional Resources

- [Initiative One-Pagers](#): Provides school systems with a concise summary of each initiative in LASO Cycle 4.
- [Eligibility & Prioritization Matrix](#): Provides eligibility and prioritization criteria that will enable a school system to predict the likelihood of receiving an award.
- [Initiative Selection Tool](#): Provides a Scenario map to guide selection of the right fitting initiative based on need.
- [Role and Responsibilities Insight Tool](#): Identifies the types of responsibilities for each role and show where roles overlap across initiatives.

Key Considerations for Submission

- Each school system may submit only one application. If multiple applications are submitted, only the most recent submission (based on timestamp) will be accepted.
- The application must be signed by the superintendent to be considered formally submitted. Only signed applications will be scored and considered for award. If the superintendent is unavailable to sign by the deadline, email LASO@texas.tea.gov for guidance.
- School systems have 60 days to complete the application. The application opens on October 3, 2025, and must be submitted by December 3, 2025, at 5:00 PM CT.

Leadership and Instructional Foundations for Texas (LIFT)

Initiative Description:

LIFT (Leadership and Instructional Foundations for Texas) is a three-year program designed to support Texas school systems in building the instructional and systems-level capacity needed to deliver high-quality learning experiences for all students. LIFT brings together the highest leverage components of Strong Foundations, Texas Instructional Leadership, and Texas Lesson Study, providing comprehensive support for school systems to adopt **high-quality instructional material (HQIM)** and implement **Bluebonnet Learning (BL)** over multiple years.

Review the Eligibility Criteria and Initiative Assurances listed below and indicate the school system’s acceptance.

Eligibility Criteria:

As the applicant, the school system hereby agrees to:

- Commit to selecting and implementing a [State Board of Education \(SBOE\)](#)-approved high-quality instructional material (HQIM) in the 2027–28 school year.

OR

- Commit to implementing a Bluebonnet Learning (BL) product in the 2026–27 school year.

Note: Participation in other grant programs does not disqualify applicants but may be considered during prioritization.

Initiative Assurances:

As the applicant, the school system hereby agrees to:

- Commit to (with Board approval) implementing a Bluebonnet Learning (BL) product in the 2026–27 school year (if applying to the “Implementation Phase”) OR committing to selecting and implementing a State Board of Education (SBOE)-approved high-quality instructional material (HQIM) in the 2027–28 school year (if applying to the “Planning Phase”).
- Contract with an Approved Provider from the LASO Cycle 4 State Approved Provider List for LIFT.
- Submit Approved Provider contracts and required funding summary reports to TEA.
- Secure approval from the Superintendent and Chief Academic Officer (or equivalent leader) to participate in the program.
- Appoint a designated LIFT lead as the primary point of contact and identify at least two additional contacts.
Note: The primary point of contact should be the equivalent of a senior academic team member or principal manager.
- Participate in required TEA-led activities, including a grant kick-off and communities of practice.
- Engage relevant school system and campus leaders, including special programs leadership, as well as teachers, instructional coaches, and special population educators in upfront training, implementation support, and coaching.
- Participate in a needs assessment of current instructional practices and materials.
- Establish or refine systems for instructional leadership, schoolwide routines, and observation and feedback.
- Submit all required grant deliverables, including instructional framework artifacts, implementation plans, school system-level instructional materials transition plan, campus-level implementation action plans, classroom, campus, and school system-level observation data and student outcomes data and progress updates as requested by the Approved Provider or the TEA.
- Participate in TEA-administered surveys and/or focus groups, as requested.
- Use grant funds in alignment with the required allocation structure and ensuring all expenditures support the goals of the LIFT program.
- Permit Approved Providers access to campuses to provide in-person support.
- Ensure teachers have sufficient planning time and use the required protocols.
- Provide print materials for all participating teachers and students.
- Follow the year-long scope and sequence for the instructional materials.
- Meet the minimum number of instructional minutes for the instructional materials.
- Ensure that a number of instructional leaders, aligned with the school system size, will actively participate in monthly implementation support and coaching provided by the Approved Provider.
- Ensure that the school system cabinet regularly engages in data reflection/performance management routines.

LIFT School Improvement PLC (LIFT SI PLC)

Initiative Description:

The LIFT School Improvement PLC Support grant is a targeted, Title I-funded initiative designed to enhance implementation support for campuses participating in the Leadership and Instructional Foundations for Texas (LIFT) program that are also identified for School Improvement. This grant provides additional resources, such as expanded PLC facilitation, increased observation and feedback, and individualized coaching to strengthen instructional systems and ensure effective use of high-quality instructional materials (HQIM). The goal is to deepen and sustain effective instructional practices by reinforcing the conditions necessary for strong HQIM implementation, ultimately improving student outcomes on federally identified campuses.

Review the Eligibility Criteria, Initiative Assurances, and Initiative Requirements listed below and indicate the school system's acceptance.

Eligibility Criteria:

As the applicant, the school system hereby agrees to:

- Eligible campuses include campuses that are Title I served with a 2025 federal accountability identification, including Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), or Additional Targeted Support (ATS). Comprehensive campuses in their second year of identification (Comprehensive Reidentified or Comprehensive Progress) are also eligible. Campuses must remain in operation during the grant cycle and remain Title I served for the 2026-27 school year.

Note: A school system is eligible to apply to both Leadership and Instructional Foundations for Texas (LIFT) and LIFT SI PLC Support grants, but if both are awarded, the school system must select the same Approved Provider for both LIFT and the LIFT SI PLC Support grant.

Initiative Assurances:

As the applicant, the school system hereby agrees to:

- Implement a Bluebonnet Learning (BL) product in the 2026–27 school year.
- Secure approval from the Superintendent and Chief Academic Officer (or equivalent leader) to participate in the program.
- Contract with the same provider from the LASO Cycle 4 State Approved Provider list that is providing technical assistance for the LIFT program for PLC supports.
- Engage relevant school system and campus leaders, as well as teachers and instructional coaches, in upfront training, implementation support, and coaching.

Note: These individuals must be in addition to and distinct from leaders receiving coaching through the LIFT program.

- Submit all required grant deliverables for each school year for the life of the grant.
- Submit provider contracts and required funding summary reports to TEA.
- Appoint a designated lead as the primary point of contact and identify at least two additional contacts.
- Permit Approved Providers access to campuses to provide in-person support.
- Ensure teachers have sufficient planning time and use the required protocols.
- Provide print materials for all participating teachers and students.
- Follow the year-long scope and sequence for instructional materials.
- Meet the minimum number of instructional minutes for the instructional materials.
- Use grant funds in alignment with the required allocation structure and ensure all expenditures support the goals of the LIFT program.
- Participate in required TEA-led activities, including a grant kick-off.

Initiative Requirements:

As the applicant, the school system hereby agrees to:

- Provide an additional campus leader—distinct from those supported through the LIFT Program—who will directly support teachers or campus leaders implementing the selected instructional materials.

1. Does the school system agree to meet the Eligibility Criteria, Initiative Assurances, and Initiative Requirements listed above?

Advanced Placement Computer Science Principles (APCSP)

Initiative Description:

The APCSP Grant program is designed to meet workforce demands and provide valuable student pathways to high-wage and in-demand careers. According to the College Board, students who took an APCSP course were twice as likely to continue along a computer science pathway. Students who took an APCSP course in high school were three times more likely to major in computer science in college, with this data being consistent across various demographics. With the LASO 4 APCSP Grant funds, Texas public schools can begin to build, expand, and sustain a computer science pathway.

Review the Eligibility Criteria, Initiative Assurances, and Initiative Requirements listed below and indicate the school system's acceptance.

Eligibility Criteria:

- All Texas school systems are eligible.

Initiative Assurances:

As the applicant, the school system hereby agrees to:

- Contract with an Approved Provider from the LASO Cycle 4 Approved Provider List for curriculum and training.
- Adhere to all Statutory and TEA Program Requirements and Assurances as noted in the 2025-2026 APCSP Grant Program Guidelines.
- Adhere to all APCSP Grant performance measures as noted in the 2025-2026 APCSP Grant Program Guidelines.
- Use grant funds only for APCSP classroom supplies and technology, teacher training, and directly related expenses for implementing an APCSP course.
- Administer the APCSP exam to district-enrolled students participating in the APCSP course, at no cost to the student.

Initiative Requirements:

As the applicant, the school system hereby agrees to:

- Complete the necessary district process to obtain school board approval to include the APCSP course in the district's course catalog for the 2026-2027 school year.
- Provide the APCSP course exam to enrolled students free of charge.
- Provide the technology, equipment and any additional resources required for a successfully functioning APCSP course.
- Publicize the APCSP course offering to relevant stakeholders, high school students and their parents/guardians.
- Recruit, onboard, and arrange for professional development for certified teachers to teach the APCSP course.
- Provide a description of how the funds will be used, if awarded.
- Continue providing the current level or increase the number of APCSP course opportunities.
- Provide the number of district campuses that will offer the APCSP grant opportunity and the number of teachers to be trained.
- Provide the necessary student support structures to prepare enrolled students to score 3 or higher on the APCSP exam.

1. Does the school system agree to meet the Eligibility Criteria, Initiative Assurances, and Initiative Requirements listed above?

- Yes

PREP Residency Preservice Program Allotment

Allotment Opportunity:

The PREP Residency Preservice Program empowers school systems to play a central role in cultivating a pipeline of well-prepared, highly qualified teachers by embedding paid preservice teacher residency candidates directly into classrooms of highly qualified host teachers. Through close collaboration with educator preparation programs, participating school systems support teacher residents in earning an enhanced standard teaching certificate while gaining hands-on experience on campuses across the school system. By expanding the reach and effectiveness of residency models, the PREP Residency Preservice Program enhances instructional capacity and increases student access to skilled educators—ultimately advancing educational outcomes.

1. Does the school system wish to be considered for this Allotment Opportunity?

The applicant must agree to train its resident cooperating teachers via the Texas Mentorship Training.

TEA anticipates proposing rule to further defining cooperating teachers for the purpose of PREP Residency Preservice Program by adopting the definition of host teacher currently in TAC §228.95.

Roles

- **Resident Cooperating (Host) Teacher:** For the PREP Preservice Residency Program, statute defines a cooperating teacher as a classroom teacher who is a school system employee; has at least three full school years of teaching experience with a superior record of assisting students in achieving improvement in student performance; and is paired with one or more teacher candidates (new TEC §21.902).
- **PREP Mentorship Training Requirements:** Summer 2026, Fall 2026, Winter 2026-27 and Spring 2027 (24-30 total hours)

School systems must self-report the estimated number of resident cooperating teachers that would attend training for SY 2026-27.

7. How many host teachers does the school system estimate will attend the training? (*Min: 1, Max: 40*).

Note: This should correlate to the anticipated number of residents the school system will have in SY 2026-27.

PREP Grow Your Own (GYO) Program Allotment

Initiative Description:

The PREP Grow Your Own (GYO) Program enables school systems, through partnering with qualified institutions of higher education and educator preparation programs, to establish innovative staffing pipelines that prepare and retain educators and thereby, increase student access to high-quality classroom teachers. The PREP GYO program provides funding through which participating school systems support (A) school system employees who do not hold a teaching certificate in completing a bachelor's degree and enrolling in a preparation program to ultimately become a certified teacher while employed by the school system and (B) high school students in completing career and technical education courses that help prepare the students to become classroom teachers. Funding may be used to implement the PREP Grow Your Own Program and pay tuition and fees for participating students or employees.

Review the Eligibility Criteria and Initiative Assurances listed below and indicate the school system's acceptance.

Eligibility Criteria:

As the applicant, the school system hereby agrees to:

- Any school system, which includes open-enrollment charter schools, and SB 1882 Operating Partners who read and agree to the requirements in relevant sections of the Texas Education and Texas Administrative codes cited in these guidelines is eligible for the PREP Allotment.
- School systems may participate in the PREP GYO Program only if they have been approved to participate in a partnership preservice program. For the LASO 4 application cycle, school systems must apply for and also participate in the PREP Residency Preservice Program.

Initiative Assurances:

As the applicant, the school system hereby agrees to:

- Read and abide by TEC §21.906 (PREP Grow Your Own Program).
- Read and abide by TEC §48.157 (PREP Program Allotment).
- Read and abide by TAC sections related to the PREP Grow Your Own (GYO) Program, which will be posted to the Texas Register for public comment during the 2025-26 school year and become effective prior to the start of the 2026-27 school year.

Note: TEA anticipates sharing specific dates related to rulemaking in fall 2025.

Roles

- **Mentor Teacher:** A teacher who, to the extent practicable, teaches in the same school, subject, and/or grade level of the beginning teachers they mentor, completes a mentor teacher training program established by TEA, has at least three years of teaching experience, and demonstrates instructional and leadership skills under TEC §21.458 and §21.907.
- **School system and/or Campus Leader:** Any appropriate district and campus employees who work with the classroom teacher or supervise the classroom teacher under TEC, §21.458

PREP Mentorship Training Requirements

• **Pathway 1 (Mentoring Educator) Training:**

- This pathway is intended for mentoring educators, such as mentor teachers, who provide direct mentoring to beginning teachers.
- Pathway 1 training will occur in Summer 2026, Fall 2026, Winter 2026-27, and Spring 2027 for a total of 24-30 hours.

• **Pathway 2 (School system & Campus Leader) Design Sessions:**

- This pathway is intended for school system and campus leaders who will be planning & implementing mentorship programs (*e.g., program managers, district mentoring staff, campus principals, etc.*).
- Pathway 2 design sessions will occur in Spring 2026, Summer 2026, Fall 2026, and Spring 2027 for a total of 15-16 hours.

* **Note:** Per TEC §21.458, appropriate school system and campus employees who work with the beginning teachers or supervise beginning teachers are required to attend mentorship training. This requirement may be fulfilled by either Texas Mentorship Training Pathway 1 or Pathway 2; these individuals may attend both Pathways 1 and 2, if desired.

5. School systems must self-report the estimated number of mentor teachers and school system & campus leaders that would attend Pathway 1 training for Year 1 implementation (SY 2026-27). See '**Roles**' definition above.

Estimated number of mentor teachers:	30
Estimated number of school system & campus leaders for Pathway 1:	15

6. School systems must self-report the estimated number of school system & campus leaders that would attend Pathway 2 training for Year 1 implementation (SY 2026-27). See '**Roles**' definition above.

Estimated number of school system & campus leaders for Pathway 2:	10
---	----

7. School systems must self-report the estimated number of beginning teachers for Year 1 implementation (SY26-27). Beginning teachers (BTs) are defined as classroom teachers who have less than two years of teaching experience under TEC, §21.907. School systems will enter the total estimated number of beginning teachers below; however, school systems will receive funding for up to 40 beginning teachers.

Navigating Excellence through Targeted Supports (NEXT)

Initiative Description:

The Navigating Excellence Through Targeted Supports Initiative (“NEXT”) is designed to support low-performing **elementary school campuses** at school districts and open-enrollment charters to implement high-quality math and/or reading language arts curriculum and instruction, aligned targeted tutoring, and targeted community and parent engagement.

Grantees will receive intensive support to:

- Audit and diagnose root causes to low-performance.
- Ensure all educators have a deep understanding of high-quality instructional materials and research-based instructional strategies.
- Build and inspire a coalition of support for instructional and operational shifts.
- Implement rigorous tier 1 HQIM and evidence-based supplementary instruction.
- Make strategic changes to campus operations (including staffing patterns, compensation, and/or scheduling) in the form of funding and technical assistance.
- Closely monitor fidelity of implementation to drive continuous improvement efforts.

Grantees that complete all required planning year requirements may be eligible for 1-2 years of continuation funding to support implementation.

Review the Eligibility Criteria and Initiative Assurances listed below and indicate the school system’s acceptance.

Eligibility Criteria:

As the applicant, the school system hereby agrees to:

- Campuses the school system is applying for are rated D or F on the 2025 TEA Accountability.
- Campuses the school system is applying for **are not** federally designated as CSI, TSI, or ATS.
- Campuses the school system is applying for serve grades PK or Kindergarten through 5th grade.

Initiative Assurances:

As the applicant, the school system hereby agrees to:

- Designate and provide a district-level project manager who will dedicate approximately 50% of their time to NEXT planning and implementation requirements and who has the authority to make campus-level decisions.
- Designate and share with TEA and vendors a campus-level lead/sponsor for communication regarding logistics and usage monitoring.
- Submit fidelity of planning deliverables before the end of the planning year, including but not limited to:
 - Campus master schedule
 - Assessment calendar
 - Stakeholder engagement plan
 - Professional learning calendars
- Participate in required communities of practice and any additional grant program meetings.
- Work in good faith with the TEA-vetted and matched school action Technical Assistance provider and agency-provided technical assistance.
- Attend and participate in grant orientation meetings, technical assistance meetings, other periodic meetings of grantees, and share best practices through the TEA NEXT program office.
- Participate in Quarterly Parent Labs (at least four per year) for parents and caregivers to deepen their understanding of how to support their student(s) in reading, writing, and math.
- Provide dedicated time for teachers, instructional coaches, assistant principals, and principals to receive grant-related coaching and support.
- Adopt and fully implement IMRA-approved HQIM in reading and math.

Virtual and Hybrid Program Accelerator (VHPA)

Initiative Description:

The Virtual and Hybrid Program Accelerator (VHPA) enables school systems and open-enrollment charter schools to design and launch high-quality virtual and hybrid programs or campuses, as defined under Texas Education Code (TEC) Chapter 30B. The goal of the program is to establish schools that are intentionally structured to achieve A or B accountability ratings and deliver rigorous, engaging instruction tailored to meet the diverse needs of students across Texas. Through VHPA, participating school systems receive funding and technical assistance to develop flexible, personalized learning models that support students requiring adaptable education pathways. The program also enables school systems to implement innovative staffing strategies, expand course offerings, and increase access to high-quality instruction statewide.

Review the Eligibility Criteria, Initiative Assurances, and Initiative Requirements listed below and indicate the school system's acceptance.

Eligibility Criteria:

As the applicant, the school system hereby agrees to:

- Have not participated in a previous VHPA cycle.

Initiative Assurances:

As the applicant, the school system hereby agrees to:

- Program leads of awarded applicants have at least 16 hours of release time built into their weekly schedules to plan and create the virtual or hybrid program or campus.
- Ensure that the program or designated campus leader possesses relevant experience or can exhibit the competencies necessary to lead a virtual or hybrid program or campus effectively.
- Design and manage strategic initiatives that improve instructional quality and student engagement, and they are committed to building their capacity to support high-quality virtual and hybrid models.
- As part of the program commitment for Year 1 of VHPA, submit a comprehensive launch plan for a full-time virtual or hybrid program or apply for authorization to operate a virtual or hybrid campus to operate in 2027-2028 school year.

Note: If the school system does not meet participation expectations or disengage from VHPA, they may have their membership from the VHPA terminated and forfeit any access to remaining funding.

Initiative Requirements:

As the applicant, the school system hereby agrees to:

- Establish a dedicated VHPA Team responsible for developing and implementing the full-time virtual or hybrid campus or program.
- Collaborate with a TEA-assigned technical assistance (TA) provider and participate in TA-supported activities such as cohort workshops, monthly coaching calls, step backs, planning sessions, or implementation deliverables.
- Ensure adaptability and dedication in program model design to align with research-based practices for high-quality virtual and hybrid models.
- By the end of Year 1 of VHPA support, launch a full-time virtual or hybrid program or apply for authorization to operate a full-time virtual or hybrid campus beginning the 2027-2028 school year.

Note: For full-time virtual or hybrid campuses, Year 2 of VHPA TA support and funds are contingent upon the full-time virtual or hybrid campus receiving authorization.

- Ensure that any partnership with a private or third-party vendor preserves the school system's ability to design, adapt, and implement the virtual or hybrid program to meet local needs.
- Disclose any vendor-imposed services, limitations that may affect program flexibility, instructional design, or operational decision-making.
- If selecting a private or third-party provider to operate the school, collaborate with the designated technical assistance partner to develop a comprehensive provider selection plan that includes:
 - Defined criteria for evaluating potential providers.
 - Detailed cost analysis and breakdown of services.
 - Consideration of the provider's historical performance (e.g., student academic outcomes).
- If selecting a private or third-party provider to operate the program or campus, formalize and monitor the partnership with a third-party provider by:
 - Submitting memoranda of understanding (MOU) or formal agreements outlining responsibilities of both the provider and the school system or charter.
 - Establishing a system for progress monitoring, including required reports on student engagement and academic progress.
 - Defining action items if the provider fails to meet success criteria for the campus or program.
- Complete all required deliverables and meeting milestones by the scheduled timeline specified by the VHPA, including:
 - Define a clear and compelling rationale for launching the virtual or hybrid program/campus, including the specific student population or campus it will serve.
 - Present evidence of community interest in a virtual or hybrid learning option, including data collected through surveys, focus groups, or other engagement methods.
 - Develop and implement comprehensive plans to achieve program objectives, including an academic plan that outlines curriculum, instructional methods, approaches for monitoring student progress, and support strategies for special populations and at-risk students.
 - Develop and iterate plans regarding staffing models, school culture, family engagement, and student support.
 - Update operations such as staffing, schedules, finances, technology, and cybersecurity to support virtual or hybrid models.
 - Provide a professional development plan for instructional staff that includes training specific to virtual and hybrid instruction, along with ongoing, job-embedded coaching to strengthen instructional quality and student engagement.
 - Present evidence of training and development for teachers and leaders to ensure high-quality virtual or hybrid instruction.
 - Use data to monitor student engagement and academic progress, ensuring alignment with grade-level standards and research-based instructional strategies specific to virtual and hybrid learning.
 - Engage in three improvement cycle sessions using data to inform ongoing development. School systems will share data that reflects program implementation and outcomes. This may include student engagement, progress toward grade-level mastery in virtual and hybrid courses (BOY, MOY, EOY), teacher instructional practices and growth in serving virtual and hybrid learners, and leader support for professional learning communities and job-embedded coaching.
 - Obtain formal approval from the school system's governing board to launch a virtual or hybrid program/campus and ensure this approval is secured prior to applying for authorization. For virtual/hybrid campuses, ensure this approval is secured prior to applying for authorization.
 - Submit a detailed plan or contract outlining the scope of services, responsibilities, and decision-making authority in any private or third-party vendor partnership supporting the virtual or hybrid program/campus (*if applicable*).

- Submit a comprehensive launch plan and either implement a virtual or hybrid program or apply for authorization to operate a virtual or hybrid campus that is expected to begin operating in the 2027-2028 school year.

1. Does the school system agree to meet the Eligibility Criteria, Initiative Assurances, and Initiative Requirements listed above?

- Program
- Campus
- TBD

4. What type of program is the school system planning on opening?

- Virtual
- Hybrid
- TBD

5. How does the school system envision instructions to delivered in the program?

- Asynchronous only
- Synchronous only
- Both asynchronous and synchronous
- Undecided

6. Will the school system be in Year 1 of the school system wide adoption of HQIM in core subjects?

- Yes
- No

7. Current or anticipated student enrollment number in the virtual/hybrid program or campus?

100

8. Describe how the school system calculated the enrollment number above.

(i.e. current number of students enrolled, number of interested students via family survey)

Expect students to be new enrollees from across Region I to include migrant students.

9. Which best describes where the school system is in the virtual/hybrid program?

- Are in the planning phase and currently do not have a virtual or hybrid program, but intend to launch in SY26-27.
- Have a plan and will be ready to launch a virtual/hybrid program this school year (SY26-27) with some additional support.
- Are currently running a virtual and hybrid program and would like feedback and support to build on it to launch a more robust program in SY27-28.
- Are in the planning phase and currently do not have a virtual or hybrid program but intend to apply for authorization to operate a virtual or hybrid campus in the SY27-28.
- Have a plan and will be ready to launch a virtual/hybrid program this school year (SY26-27). With some additional support, we plan to apply for authorization to operate a virtual or hybrid campus in the SY27-28.
- Are currently running a virtual and hybrid program and would like feedback and support to build on it and establish a virtual or hybrid campus in SY27-28.
- Are exploring virtual and hybrid learning options within our school system but unsure about the program type and timeline to launch.

10. Describe how your virtual or hybrid program/campus aligns with the school system's broader strategic goals or improvement plans.

Weslaco ISD envisions a community of learners empowered with creativity
knowledge
and resilience
forging a brighter tomorrow through excellence in education and unwavering commitment to personal and communal growth. The virtual school program aligns with your district's vision of empowering learners with creativity
knowledge
and resilience in several key ways. Here is a breakdown of the alignment
drawing on the capabilities inherent in a well-designed virtual or distance learning environment and supported by the district's emphasis on technology and innovative instruction The virtual school directly supports the development of creativity and knowledge by leveraging technology for a comprehensive and flexible education. Virtual learning environments inherently demand greater student agency and self-direction. Students must manage their time
set their own pace
and independently overcome challenges
which builds crucial resilience and executive functioning skills. It prepares students to be "lifelong learners" who can adapt to new learning formats
a key skill for success in higher education and the modern workforce. In essence
the virtual school program is not just a different mode of delivery
but an active strategy that modernizes instruction to achieve the core qualities—creativity
knowledge
and resilience—that Weslaco ISD envisions for its community of learners.

11. Describe what knowledge or experience the school system's leadership team brings to designing and supporting high-quality virtual or hybrid instruction.

The leadership's collective experience during the Covid-19 pandemic including the rapid pivot to remote instruction and the subsequent efforts to address equity and technology access provides an invaluable foundation of operational lessons and adaptability essential for successfully designing and supporting a sustainable high-quality virtual school program.

12. Describe what research, data, or stakeholder input informed the school system's decision to pursue a virtual or hybrid model.

- Decrease on enrollment - Student interest survey - Student Attendance reports (PEIMS) - Panorama Survey Results -Statewide district news regarding current Virtual Programs as TASA has reported

13. Which best describes the school system's key areas of need for the virtual/hybrid program?

Note: Answers provided will not limit the type of support the school system will receive if accepted into the program. Instead, this information will be used to better understand the school system's key area of need.

- Aligned, effective vision and model that is responsive to family and student needs.
- Family engagement, communication, and/or recruitment plan.
- Staffing and/or teacher/staff recruitment plan.
- Plan for communicating clear administrator, teacher, student, and family roles within a virtual/hybrid model. (*and wherever needed, support for shifting mindsets*)
- Instructional framework for designing high-quality virtual and hybrid courses aligned to research-based practices.
- Student attendance and engagement plan.
- School Culture and student well-being plan.
- Plan for supporting special populations and at-risk students.
- Student onboarding sessions, including learning strategies and support for cultivating mindsets rooted in the science of learning, self-directed learning skills, how to use digital tools, and help-seeking during asynchronous and/or synchronous instruction.
- Teacher development (*PD and ongoing job-embedded coaching*) to deliver high-quality instruction and learning experiences in a virtual/hybrid model.
- High-Quality Instructional Materials. (*for core curriculum and adjusted for virtual/hybrid learning*)
- Data collection and progress monitoring systems.
- Technology Strategy and Data Privacy Framework. (*including hardware, connectivity, digital tools, and cybersecurity policies*)
- Master schedule that is appropriately set up for virtual or hybrid learning.

14. Describe which additional topics, areas of support, or identified gaps would be most helpful to strengthen the school system's virtual or hybrid model.

We will require additional help for identifying the criteria for the student qualification process and recruitment.

15. Describe which curriculum the school system is currently using, or planning to use for virtual learning for core courses.

Mathematics - Bluebonnet Math (Algebra I/II and Geometry)
McGraw-Hill (Pre-Calculus)
Cosenza (Algebraic Reasoning)
Pearson (Calculus) and BFW (Statistics). Reading Language Arts - SAVVAS
BFW
Springboard Science - McGraw-Hill Social Studies - HMH (US and World History)
McGraw-Hill (Government/Economics)
CK12 and Active Classroom

16. Which content is the school system considering when adopting new instructional materials or curriculum for virtual learning? (*choose all*

that apply)

Note: Curriculum adoption is not a requirement of the program, but rather an optional support; the response to this question will help us better understand the school system's needs.
