Part 4: Program Use of Funds

Use of Funds

1. The LEA uses RLIS funds for allowable activities under Title I, Part A; Title II, Part A; Title III, and Title IV, Part A of the ESEA, as well as parental involvement activities. The funds are used to supplement, and not supplant, any other Federal, state, or local education funds. [Section 5222(a)]
- a. ☐ In Compliance
If in compliance, the LEA assures that it has documentation showing compliance readily available upon request. Strongest documentation recommended:
- Referenced sections from the District Improvement Plan that list the program-specific (Title I, Part A; Title II, Part A; Title III, Part A; Title IV, Part A; or Parental Involvement) activities implemented to meet Goal 1 (increase in student academic achievement) and/or Goal 2 (decrease the dropout rate).
- The LEA may have other documentation that potentially might show compliance. In the event of an audit, TEA or audit staff would make the final determination concerning whether the documentation is sufficient to demonstrate compliance with the program requirement.
- b. ☒ Not In Compliance
If not in compliance, use the space below to describe how the LEA/fiscal agent plans to meet compliance the following year.
