

The alternative use of funds authority provides flexibility to SRSA-eligible LEAs to use Title II, Part A and Title IV, Part A formula funds to support local activities under an array of Federal programs in order to assist them in addressing local academic needs more effectively. (See Section 5211(a) of the ESEA, as amended, for more information.) An SRSA-eligible LEA does not have to apply for SRSA funds in order to exercise the alternative use of funds authority. An LEA that is eligible for both SRSA and RLIS (Dual) may exercise this authority even if the LEA chooses to participate in RLIS instead of SRSA. An LEA is eligible if:

1a. The total number of students in average daily attendance (ADA) at all of the schools served by the LEA is fewer than 600;

OR

1b. each county in which a school served by the LEA is located has a total population density of fewer than 10 people per square mile;

AND

2a. all of the schools served by the LEA are designated with a school locale code of 41, 42, or 43, as determined by the Secretary of Education;

OR

2b. the Secretary grants the LEA's request to waive the criteria described above in 2a by which state identifies LEA as rural by state rural definition.
