Map showing location of selected program (Nemo).

Fewer than five individuals are graphed as zero in charts to protect confidentiality. Not all zeros in charts represent masked data.

1

Specify the **Level** and corresponding **Region** for your dashboard view. The most detailed level is the zip code level, and the most general level is the state level.

Note: To change a selected level, click **Clear** and then select a different level from the **Level** dropdown list.

Level: School District | Region: ABILENE ISD | Clear

Ready Communities | Ready Schools

2

Select one of the dashboards.

| Dashboard | Description |
|-------------------|---|
| Ready Communities | <ul style="list-style-type: none"> Overview of early childhood programs |
| Ready Schools | <ul style="list-style-type: none"> Program quality levels and educator training levels |
| Ready Students | <ul style="list-style-type: none"> Needs of students entering kindergarten |
| System Alignment | <ul style="list-style-type: none"> Student proficiency trends by subject and educator training by subject Alignment of student and educator characteristics |

The screenshot shows the TXR3 Dashboard interface. At the top, there are filters for 'Level' and 'Region' (set to 'ABILENE ISO'). Below the filters are four buttons: 'Ready Communities' (highlighted in orange), 'Ready Schools', 'Ready Students', and 'System Alignment'. Below the buttons is a text box that reads: 'This dashboard seeks to inform school and program decision-makers on factors related to the question: "What are the early childhood programs (public school and TWC Child Care Services (CCS) Programs) in my area?"'

3

View the graphs, tables, and other resources available on the dashboard you selected.

Notes:

- Many of the resources display additional information when you hover your pointer over the resource.
- Fewer than five individuals are graphed as **zero** in charts to protect confidentiality. Not all zeros in charts represent masked data.

Additional Information

As needed, refer to the [Resources](#) page on the **TXR3 website** for additional information.
